CHAPTER NO. 10

AN ACT TO AMEND SECTIONS 46-609 AND 67-205 TO PROVIDE FOR FEE CHANGES FOR RECORDING, TRANSFERRING, AND RERECORDING MARKS OR BRANDS ON DOMESTIC AND CERTAIN WILD ANIMALS AND TO CLARIFY REQUIREMENTS RELATING TO THE BRANDING OF WILD ANIMALS.

HeinOnline -- 1977 Vol. I 38 1977

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 46-609, R.C.M. 1947, is amended to read as follows:

"**46-609. Fees for department.** The department shall charge and collect *$25* for recording a new mark or brand, for recording a mark or brand transfer, or for *rerecording* a mark *or* brand. The department shall charge *$2.50* for a certified copy of a record and a duplicate certificate. All fees collected shall be paid into the earmarked revenue fund for the use of the department. However, not more than 10% of the net *rerecording* fees after all expenses of *rerecording* are paid *may* be expended in any one year except in case of an emergency declared by the governor."

Section 2. Section 67-205, R.C.M. 1947, is amended to read as follows:

"**67-205. Brands — recording — fees.** *(1)* An owner or prospective owner of animals *described in 67-204* is entitled, by written subscribed statement, to adopt distinctive brands or tattoo marks, not including arabic numerals and not already in known use by others, for any of the animals and to have the distinctive brands and tattoo marks recorded in his name *with* the department of livestock on paying a recording fee *equal to that charged for recording marks or brands used on domestic animals and livestock set by 46-609* for each brand and for each tattoo mark. The statements shall be recorded in a suitable book to be kept for that purpose by the department of livestock. The presence of the recorded brand or recorded tattoo marks on an animal is prima facie evidence of the ownership of the animal in the person, association, or corporation in whose name the brand or tattoo mark is recorded, subject always to the right to make a transfer of title, right, or interest in, or lien on the animal.

The county in which the animal was owned at the time it was determined to be affected with an incurable disease is liable in part, as later provided, for an indemnity to be paid for the animal. The ownership and county are determined by an affidavit of the owner of the animal or his agent. Each animal directed to be destroyed shall be appraised by a representative or an authorized agent of the department with the owner agreeing in writing as to the value of the animal. When appraised, due consideration shall be given to its breeding value as well as its dairy or meat value and the condition of the animal as to the disease and the present and probable effect of the disease on the animal. In the absence of an agreement, there shall be appointed three competent, disinterested parties, one appointed by the department, one by the owner, and a third by the first two, to appraise each animal, taking into consideration its breeding value as well as its dairy or meat value and the condition of the animal as to the disease and the present probable effect of the disease on the animal. The judgment of the majority is the judgment of the appraisers and is binding on both parties as the final determination of indemnity to be paid for each animal. The total compensation of each group of appraisers is limited to $5 for the group appraisal, one-half of which shall be paid by the department. The total amount of indemnity paid by the state and a county for an animal may not exceed the actual sound value of an animal of its class, and the total combined amount of indemnity paid for the animal by the state and a county may not exceed the sum of $100 for a registered purebred animal or the sum of $50 for a grade

HeinOnline -- 1977 Vol. I 51 1977

animal. Animals presented for appraisal as purebreds shall be accompanied by their registration papers at the time of appraisal or they shall be appraised as grades. If purebreds are less than 3 years old and not registered, the department may grant a reasonable time for their registration and presentation of their registration papers to the appraiser. Registration papers shall accompany the claim for indemnity.

(2) Animals of class 1 shall be paid for on the basis of their full appraised value as determined in this section if no evidence of incurable disease is disclosed by autopsy, bacteriologic, serologic, microscopic, or other findings. The total combined amount of indemnity paid by the state and a county for an animal may not exceed the actual sound value of an animal of its class. The total combined amount of indemnity paid by the state and a county for the animal may not exceed $100 for a registered purebred animal or $50 for a grade animal.

(3) Animals which are determined by the department to be affected with or exposed to foot-and-mouth disease, rinderpest, contagious pleura pneumonia, surra, *or* other *infectious, contagious,* communicable, or dangerous disease, which is not of its nature necessarily fatal, and are destroyed by order of the department as a sanitary safeguard, are designated as animals of class 2 and each animal shall be paid for on the basis of its full appraised value. The appraised value shall be determined in the manner set out in subsection (1) of this section. The appraisal of the animals shall be based on the meat, dairy, or breeding value of the animal, but where appraisal is based on breeding value of the animal, no appraisal may exceed three times its meat or dairy value. The total amount of indemnity paid by the state for an animal may not exceed the actual sound value of an animal in its class. *No* indemnity for a class 2 animal may be paid by a county. In the case of destruction of an animal afflicted with brucellosis (Bang's disease), no indemnity shall be paid for the animal unless the board, in its discretion, determines the best interests of this state will be served by payment of an indemnity. In this event, the board shall set out standards of indemnity by rules and may not pay in excess of $100 for a registered purebred animal or $50 for a grade animal. In all cases where the federal government or agency other than the state compensates the owner in whole or in part for livestock destroyed as a sanitary safeguard, the amount of compensation from the state shall be determined under 46-229.

(4) Animals which are injured or killed while they are being inspected or tested under an order of the department or its agent, *which* do not come within either class 1 or class 2, may be paid for at their full appraised value if the claim for the animal is recommended for payment at a meeting of the *board.* Where it is shown that the injury or death of the animal was not proximately due to the negligence of the owner or his agent, the whole claim, when approved, shall be paid out of department funds. The limit of indemnity for an animal paid for by the state may not exceed that fixed by this *section* for animals of class 2."

Section 14. Section 46-220, R.C.M. 1947, is amended to read as follows:

"**46-220. Indemnity — from what funds paid.** In payment for ani-

mals or property destroyed by order of the department, the state shall pay one-half of the indemnity out of the money at the disposal of the department. The county liable in part for the indemnity shall pay one-half of the total indemnity out of the general fund of the county."

Section 15. Section 46-224, R.C.M. 1947, is amended to read as follows:

"**46-224. Examination and payment of claims.** Claims against the state arising under this *chapter*, if found correct, shall be processed and paid from funds of the department."

Section 16. Section 46-226, R.C.M. 1947, is amended to read as follows:

"**46-226. Sale of condemned carcasses — disposal of proceeds.** Where the carcass of an animal ordered destroyed under this *chapter* is found on official *postmortem* inspection to be fit for human consumption, the owner shall receive the net proceeds from the sale of the carcass. The proceeds shall be deducted from his claim against the state and county for the slaughter. A representative of the department may, when considered advisable or necessary or when it is desired by the owner, sell the carcass on terms he considers to be in the best interests of this state, and the net proceeds obtained from the sale shall be paid to the owner. This procedure does not invalidate the owner's claim for indemnity for any balance due him."

Section 17. Section 46-228, R.C.M. 1947, is amended to read as follows:

"**46-228. Persons entitled to indemnity.** *(1)* The owner of an animal or property destroyed under this *chapter* is entitled to indemnity, except in the following cases:

(a) animals belonging to the United States;

(b) animals brought into this state which violate this *chapter* or rules of the department;

(c) animals which the owner or claimant knew to be diseased or had notice of the disease at the time they came into his possession;

(d) animals which had the disease for which they were slaughtered or which were destroyed because of exposure to the disease at the time of their arrival in this state. However, *a class 2* animal shipped into this state under department rules and accompanied by the proper certificate of health from a recognized state or federal veterinarian may be paid for when payment is authorized by the department.

(e) animals which have not been in this state for at least 120 days before the discovery of the disease; however, *class 2* animals which have not been in the state 120 days may be paid for when payment is authorized by the department;

(f) when the owner or agent has not used reasonable diligence to prevent disease or exposure to disease;

HeinOnline -- 1977 Vol. I 53 1977

(g) when the owner or agent has not complied with the rules of the department with respect to animals condemned;

(h) when animals condemned are not destroyed within 60 days after they are determined to be affected with or exposed to a disease which requires them to be destroyed by order of the department.

(2) No compensation or indemnity will be paid for the destruction of livestock affected with tuberculosis or other infectious, contagious, communicable, or dangerous disease unless the entire herd or band of affected livestock is under the supervision of the department for the eradication of the disease."

Section 18. Section 46-230, R.C.M. 1947, is amended to read as follows:

"46-230. Expenses, how paid — lien and foreclosure. The expense of inspecting, testing, supervision of quarantine, supervision of dipping, supervision of disinfection, and supervision of other treatment of livestock by the department and the sanitary inspection of dairies, packing houses, meat depots, slaughterhouses, milk depots, and other premises shall be paid for by the department. However, the owner of the livestock or property is liable for all expenses except the salary of the supervising officer representing the department, when the owner, agent, or person in charge of the livestock or property has violated the rules of the department. These expenses are a lien on the livestock or other property, and the department may retain possession of the livestock until the charges and expenses are paid. The lien is not dependent on possession, and may be foreclosed in the name of the agent of the department by sale of the stock, or as many as may be necessary to pay the sum of the costs, at public auction, *after* 10 days' notice by posting in three public places in the county. The lien may also be foreclosed by an action in a court of competent jurisdiction against the owner of the livestock to recover the amount of charges and expenses."

Section 19. Section 46-232, R.C.M. 1947, is amended to read as follows:

"46-232. Licensing of milk plants and dairies selling milk or cream for public consumption. (1) It is unlawful for the following businesses to operate in this state without first obtaining a license from the department of livestock:

(a) *a* dairy selling milk or cream for public consumption in the form in which it is originally produced;

(b) *a condensed*, evaporated, or powdered milk plant;

(c) *a fluid* milk plant. A *fluid* milk plant is a place where milk or cream is *not produced but is* purchased or collected and prepared for distribution to the consumer in liquid form.

It is unlawful for a dairy, while restrained, to sell or give away for public consumption milk or cream produced or handled by the dairy, and it is also unlawful for a dairy products manufacturing plant, milk plant, or cream station to purchase or use the cream or milk from a dairy while the dairy is restrained.

(4) The following license fees are charged for licenses issued under this section:

Exceptions of certain producers of meats and dairy products.** The owners or operators of slaughterhouses, packing houses, meat depots, dairies, creameries, butter factories, cheese factories, or other places of business engaged in the production, storage, or transportation of meats, meat foods, or dairy products are not required to procure a license from the department of health and environmental sciences, *insofar* as the business of production, storage, or transportation of these food products *is* concerned. This *section* does not limit the supervision or regulation of the sanitary condition of a restaurant, hotel, boardinghouse, or retail market or the products sold or offered for sale thereat by the department of health and environmental sciences, nor does this *section* limit the duties imposed by law on the department of health and environmental sciences to make sanitary rules for the eradication or control of an epidemic of human disease which may exist in a community."

All licenses expire on December 31 of the year in which they are issued and shall be renewed by the department on request of the licensee. However, when the department finds that the place for which the license is issued is not conducted in accordance with the rules and orders of the board made under *46-208*, the department shall revoke the license and may not renew it until the place is in a sanitary condition in accordance with department rules."

Section 23. Section 46-238, R.C.M. 1947, is amended to read as follows:

If there is any question respecting the ownership of livestock sold, the livestock inspector may take possession of the livestock. He shall immediately make an inspection report to the department, stating in detail where the discrepancies with the loading tally exist, and calling special attention to his own inspection of the animal. He shall, in his own report, make mention of any animal, with the brands on the animal, which were taken out by the shipper in charge of the stock while in transit between the original loading point and point of final destination. "**46-1107. Hide dealer or buyer's license fee — disposition of proceeds.** *Before engaging in business in this state, a* hide dealer or buyer shall *obtain a license from* the department. *The annual* license fee *is* $5 for each established place of business at which the hide dealer or buyer purchases or deals in hides. The license continues in force for that calendar year. The moneys collected from the licenses shall be placed in the earmarked revenue fund *for* the department. The license must be renewed January 1 of each year."

Section 49. Section 46-1107.1, R.C.M. 1947, is amended to read as follows:

All such wire or other fencing as in the opinion of the board of county commissioners can be sold at a price sufficient to cover at least the expense of removal and sale shall be sold by the county commissioners in the manner provided by law for the sale of county property, except that notice of such sale need be published only once and need be given only *10* days before such sale."

"**46-1410. Stock trespassing may be retained.** (1) If an animal

HeinOnline -- 1977 Vol. I 64 1977

breaks into an inclosure surrounded by a legal fence or is wrongfully on the premises of another, the owner or occupant of the inclosure or premises may take into his possession the trespassing animal and keep the animal until all damages, together with reasonable charges for keeping and feeding the animal, are paid. The person who takes the animal into his possession shall, within 72 hours after he takes possession, give written notice to the owner or person in charge of the animal, stating that he has taken the animal. The notice shall also give the date of the taking, the description of the animal taken, including marks and brands, if any, the amount of damages claimed, the charge per head per day for caring for and feeding the animal, and *the description*, either by legal subdivisions or other general description, *of* the location of the premises on which the *animal is* held. In all cases a copy of the notice shall also be posted at a point where the *animal* was taken.

(2) The notice shall be given to the owner or person in charge only when the owner or person in charge of the animal is known to the person taking the animal and resides within 25 miles of the premises on which the *animal was* taken. If the owner or person in charge of the animal resides more than 25 miles from the place of the taking, the notice shall be mailed to him. *In* this case *or* if the owner is unknown, a similar notice shall be mailed to the department of livestock and the sheriff of the county in which the *animal has* been taken. On receipt of the notice, the sheriff shall post a copy of the notice at the courthouse and shall send by *certified* mail a copy of it to the owner of the stock, if known to him. If unknown to him, the sheriff shall send a copy of the notice to the nearest state livestock inspector.

(3) If the parties within 5 days thereafter do not agree to the amount of damages, the claimant must within 10 days thereafter institute a civil action to *collect his claim* in a court of competent jurisdiction. Pending the outcome of the suit, the person taking the stock may, at the expense of the owner, retain a sufficient *number* of *animals* to cover the amount of damages claimed by him. The defendant may, after the institution of the action, on filing a bond executed by two or more sureties and approved by the court in double the sum sued for, conditioned *upon* the payment to the plaintiff of all sums, including costs that may be recovered by the plaintiff, have all livestock returned to him. *The claimant* is liable to the owner for any loss or injury to the stock occurring through his fault or neglect. If the *claimant* fails to recover in the action a sum equal to that offered him by the owner of the stock, the *claimant* bears the expense of keeping and feeding the stock while in his possession.

(4) A person who takes or rescues an animal from the possession of the person taking the animal, without his consent, is guilty of a misdemeanor and shall be fined not less than $100 *or* more than $500."

(2) A purebred bull as contemplated by this act must be a bull having a registration certificate from the breeding association of its particular breed. A graded bull, as defined in this act, shall be *a purebred bull* selected by a committee of permittees."

CHAPTER NO. 13

AN ACT TO GENERALLY REVISE AND CLARIFY THE LAWS RELATING TO AGRICULTURE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 3-201, R.C.M. 1947, is amended to read as follows:

"**3-201. Definitions.** *(1) The* word "grain" *includes* flax.

(2) The term "public warehouse" includes any elevator, mill, warehouse, or structure in which grain is received from the public for storage, milling, shipment, or handling.

(3) The term "public warehouseman" *includes* every person, association, firm, and corporation owning, controlling, or operating any public warehouse in which grain is stored or handled in such a manner that the grain of various owners is mixed together and the identity of the different lots or parcels is not preserved.

(4) The term "grain dealer" *includes* every person, firm, association, and corporation owning, controlling, or operating a truck, tractor-trailer unit, or warehouse, other than a public warehouse, and engaged in the business of buying grain for shipment or milling.

HeinOnline -- 1977 Vol. I 67 1977

(5) The term "track buyer" *includes* every person, firm, association, and corporation *which* engages in the business of buying grain for shipment or milling and *which* does not own, control, or operate a warehouse or public warehouse.

(6) The terms "agent", "broker", and "commission man" include every person, association, firm, and corporation *which* engages in the business of negotiating sales or contracts for grain or of making sales or purchases for a commission."

Section 2. Section 3-205, R.C.M. 1947, is amended to read as follows:

"**3-205. Inspectors of grain — samplers and weighers — qualifications — interest.** The department shall provide inspectors, samplers, and weighers to enforce this *chapter*. At all inspection points designated by the department, the department shall provide sufficient inspectors and weighers to inspect and weigh all grain subject to state inspection under the supervision of the department. However, grain held in transit for inspection and diversion only need not be weighed. Inspectors shall be able to qualify under the terms and in accordance with the United States Grain Standards Act. Inspectors, samplers, and weighers may not be interested directly or indirectly in the handling, sorting, shipping, purchasing, or selling of grain or grain products."

Section 3. Section 3-210, R.C.M. 1947, is amended to read as follows:

"**3-210. Rules governing dockage — sample inspection.** The department shall, after the hearing provided in 3-209, adopt rules governing the dockage which shall be made on inferior grades and in all executory contracts entered into after the hearing. The rules may not conflict with the terms of the United States Grain Standards Act. Where the price or amount to be paid depends on terminal weight or grade, the rules shall control the dockage *insofar* as it affects the price to be paid, and the rules become part of the contract of sale. The department shall also provide for sample inspection of grain, adopt rules governing sample inspections, and provide that the sample inspection when made is final."

Section 4. Section 3-220, R.C.M. 1947, is amended to read as follows:

"**3-220. Designation of grain delivered to warehouse.** In cases of grain being sold outright to the warehouseman at the time of delivery or grain placed in store with the warehouseman to be sold at a future time to the warehouseman to whom delivered, settlement shall be made on the basis of grade, quality, protein content, and quantity. In cases of storage of grain with intent of future redelivery of the grain, the owner must so designate at time of delivery to enable the warehouseman to special bin. *Upon failure* to so designate at time of delivery, the grain will lose its identity in general storage, *whereupon the* owner *is obligated* to accept quantity of like grade, kind and quality (as provided for under the United States Grain Standards Act) from *the* warehouseman's general storage."

Section 5. Section 3-224, R.C.M. 1947, is amended to read as follows:

"**3-224. Termination of storage contract — sale of grain for**

HeinOnline -- 1977 Vol. I 68 1977

charges. Storage on any or all grain may be terminated by the owner at any time before the date mentioned herein by the payment or tender of all legal charges and the surrender of the *warehouse* receipt, together with a demand for delivery of such grain or notice to warehouseman to sell the same. In the absence of a demand for delivery, order to sell, or mutual agreement for the renewal of the storage contract entered into prior to the expiration of the storage contract, the warehouseman shall, upon the expiration of the storage contract, sell so much of such stored grain at the local market price on the close of business on *that* day as is sufficient to pay the accrued storage charges and shall thereupon issue new *warehouse receipts* for the balance of the grain to the owner thereof upon surrender by him of the original *warehouse* receipts. *The* warehouseman *shall notify* all *warehouse receipt* holders of the provisions of this *section by June 1 of each year.*"

Section 6. Section 3-225, R.C.M. 1947, is amended to read as follows:

"**3-225. Disposal of grain forbidden without notice to department of agriculture and compliance with law.** No warehouseman *may* sell or otherwise dispose of or deliver out of store, except to the owner, any stored grain, except upon notice in advance to the department of agriculture and after complying in full with the laws of the state and the regulations of the department relating to the handling of stored grain. Any person, firm, association, or corporation owning or operating more than one public warehouse in this state *may deliver grain* from one warehouse in settlement of warehouse receipts issued for grain stored in another warehouse when grain for storage has been presented at any warehouse in excess of its available storage capacity, *provided* that:

(1) this *does* not *confer* upon such warehouseman a right to make delivery of grain of substantially lower value than that delivered for store, though of the same technical grade, in settlement of warehouse receipts;

(2) such warehouseman shall at all times keep on hand in bonded warehouses grain of quality and quantity sufficient to settle all outstanding *warehouse* receipts; *and*

(3) freight and other charges shall be figured on the basis of the point of receipt."

Section 7. Section 3-227, R.C.M. 1947, is amended to read as follows:

"**3-227. Annual report of warehouseman, track buyer, and grain dealer — special reports — penalty for failure to report.** On June 30 of each year, *each* warehouseman, track buyer, and grain dealer shall make a report, under oath, to the department on forms prepared by it. The report shall show the total weight of each kind of grain received and shipped by the warehouseman, track buyer, *or* licensed grain dealer, the amount of outstanding *warehouse* receipts on that date, and a statement of the amount of grain on hand to cover them. The department may also require special reports from a warehouseman, grain dealer, or track buyer at any time. The department may inspect the business of every warehouseman, track buyer, and grain dealer and the method of conducting the business, whenever considered proper. The books, accounts, records, papers, and proceedings of every warehouseman, track buyer, and grain

HeinOnline -- 1977 Vol. I 69 1977

dealer are at all times during business hours subject to inspection. A person who knowingly falsifies any of *his* reports to the department, who fails to make the reports when requested by the department, or who refuses or resists inspection is guilty of a misdemeanor and shall be fined not less than $300 *or* more than $500."

Section 8. Section 3-710, R.C.M. 1947, is amended to read as follows:

"**3-710. Rules to be adopted by department.** The department shall adopt rules it considers necessary for the safe conduct of the business referred to in this act, including a scale of storage charges and *warehouse* receipts. The department may require reports from any warehouseman or person receiving stored beans on forms prepared by the department."

Section 9. Section 3-712, R.C.M. 1947, is amended to read as follows:

"**3-712. Storage constitutes bailment — duty to keep beans in storage.** The storage of beans under this act constitutes a bailment, and upon the return of the warehouse receipt properly endorsed and upon the payment or tender of all advances and legal charges, the holder of the warehouse receipt is entitled to and the warehouseman shall deliver the identical grade and amount of beans placed in storage. A dealer under this act shall maintain at all times in original storage beans equal in amount and grade to all *warehouse receipts* issued, unless authorized in writing by holders of receipts or by the department to move to other storage. Failure to maintain the proper amount of beans is a conversion."

Section 10. Section 3-802.2, R.C.M. 1947, is amended to read as follows:

"**3-802.2. Labeling of agricultural seeds.** *(1)* The owner, vendor, or person in possession of *any* package, parcel, or lot of agricultural seeds, as defined in 3-802.1, that contains 1 pound or more of agricultural seeds, whether in package or in bulk, shall, before offering the seeds for sale, affix in a conspicuous place on the exterior of the container a written or printed label in the English language in legible type or copy *containing* a statement specifying:

(a) a lot number or other distinguishing mark*;*

(b) kind. The name of each kind of seed present in excess of 5% shall be shown on the label and need not be accompanied by the word "kind". When two or more kinds of seed are named on the label, the name of each kind shall be accompanied by the percentage of each. When only one kind of seed is present in excess of 5% and no variety name or type designation is shown, the percentage of that kind may be shown as "pure seed" and such percentage shall apply to seed of the kind named.

(c) variety, as follows:

(i) the following kinds of agricultural seeds shall be labeled to show the variety name or the words *"variety not stated":*

alfalfa	*oat*
barley	*pea,* field

HeinOnline -- 1977 Vol. I 70 1977

bean, field
beet, field
brome, smooth
clover, crimson
clover, red
clover, white
corn, field
corn, pop
fescue, tall
flax
millet, foxtail
rye
safflower
sorghum
sorghum-sudan hybrid
soybean
sudan grass
sunflower
trefoil, birdsfoot
wheat, common
wheat, durum

(ii) if the name of the variety is given, the name may be associated with the name of the kind with or without the words "kind and variety". The percentage in this case may be shown as "pure seed" and shall apply only to seed of the variety named. If separate percentages for the kind and the variety or hybrid are shown, the name of the kind and the name of the variety or the term "hybrid" shall be clearly associated with the respective percentages. When two or more varieties are present in excess of 5% and are named on the label, the name of each variety shall be accompanied by the percentage of each;

(d) that the seed is hybrid, if any one kind or kind and variety of seed present in excess of 5% is "hybrid" seed. The percentage that is hybrid shall be at least 95% of the percentage of pure seed shown unless the percentage of pure seed which is hybrid seed is shown separately. If two or more kinds or varieties are present in excess of 5% and are named on the label, each that is hybrid shall be designated as hybrid on the label. *No one kind or variety of seed may be labeled as hybrid if the pure seed contains less than 75% hybrid seed.* Any one kind or kind and variety that has pure seed which is less than 95% but more than 75% hybrid seed as a result of incompletely controlled pollination in a cross shall be labeled to show:

(i) the percentage of pure seed that is hybrid seed; or

(ii) a statement such as "Contains from 75% to 95% hybrid seed";

(e) state or country *of origin,* if known, of alfalfa, red clover, white clover, native range grasses, and field corn other than hybrid. If the origin is unknown, the fact shall be stated.

(f) the approximate percentage of germination of agricultural seed, together with the date of test of germination. In all cases where hard seeds remain at the end of the germination test, the percentage of actual germination and the percentage of hard seeds shall be stated separately, with the provision that any portion or all of the percentage of hard seeds may be added to the percentage of germination and stated as "total germination and hard seed".

HeinOnline -- 1977 Vol. I 71 1977

(g) the approximate percentage by weight of pure seed, meaning the freedom of agricultural seeds from inert matter and from other seeds;

(h) the approximate percentage by weight of sand, dirt, broken seeds, sticks, chaff, and other inert matter combined in agricultural seeds;

(i) the approximate total percentage by weight of weed seeds;

(j) the approximate percentage by weight of other crop seeds in agricultural seeds;

(k) the name and approximate number of each kind or species of restricted noxious weed seeds occurring per pound of agricultural, vegetable, or flower seeds;

(l) the full name and address of the seedsman, importer, dealer or agent, or other person, firm, or corporation selling the agricultural seed;

(m) in the case of mixtures of agricultural seeds which contain two or more kinds of seed in excess of 5% by weight of each, when sold as mixtures:

(i) name of mixture;

(ii) name and approximate percentage by weight of each kind of agricultural seed present in the mixture in excess of 5% by weight of the total mixture;

(iii) approximate percentage by weight of broken seeds and other inert matter in the mixture of agricultural seeds;

(iv) approximate percentage by weight of weed seeds as defined in 3-802.1;

(v) approximate percentage by weight of other crop seed in the mixture of agricultural seeds;

(vi) name and approximate number of each kind or species of restricted noxious weed seeds occurring per pound of mixtures of agricultural seeds, subject, however, to restrictions as specified in *3-802.4;*

(vii) approximate percentage of germination of each kind of agricultural seed present in the mixture in excess of 5% by weight, together with the month and year the seed was tested. In all cases where hard seeds remain at the end of the germination test, the percentage of actual germination and the percentage of hard seeds shall be stated separately, with the provision that any portion or all of the hard seed may be added to the percentage of germination and stated as "total germination and hard seed".

(viii) full name and address of the vendor of the mixture.

(2) When seed is exchanged or transferred from one seed labeler to another, it shall be accompanied by a shipping document which clearly shows the kind(s) of seed *and* quantity of each kind. *Each* container in a lot shall carry appropriate lot number designation and *shall be* accompanied by mechanical analysis for each lot so involved."

HeinOnline -- 1977 Vol. I 72 1977

(a) the container is hermetically sealed;

(5) *is* represented in any manner to be for lawn seeding purposes unless it contains at least 50% pure seed of perennial fine-textured species which shall be specified by rules under this act. However, grass mixtures which do not contain 50% pure seed of perennial fine-textured grasses may be sold. When these grass mixtures are contained in packages of 25 pounds or less, they shall carry the statements: "Not recommended for a fine-textured perennial turf. Satisfactory for a temporary ground cover or where coarse grass is not objectionable". A definition of fine-textured varieties to be adopted in the rules is as follows:

(b) the seed bears an official label issued for such seed by a seed certifying agency certifying that the seed is of a specified class and a specified kind, species (and subspecies, if appropriate), or variety;

(7) *is* labeled with a variety name for which a U.S. certificate of plant variety protection has been issued or applied for under the provisions of the Plant Variety Protection Act (7 U.S.C. 2321 et. seq.) without the authority of the owner of the variety or is labeled with a variety name but not certified by an official seed certifying agency when it is a variety for which the certificate or application for protection specifies sale only as a class of certified seed, provided that seed from a certified lot may be labeled as to variety name when used in a mixture by or with approval of the owner of the variety."

Section 12. Section 3-804, R.C.M. 1947, is amended to read as follows:

"**3-804. Penalty.** Any person, firm, or corporation who sells *or* offers or exposes for sale or distribution in the state any agricultural seeds for seeding purposes without complying with the requirements of *3-802.1 through 3-808 is* guilty of a misdemeanor and upon conviction shall be fined not less than $100 *or* more than $300 *plus* costs of such prosecution and upon conviction of the second or any subsequent offense shall be fined not less than $500 *or* more than $1,000 *plus* costs of such prosecution."

Section 13. Section 3-805, R.C.M. 1947, is amended to read as follows:

experiment station shall inspect, analyze, and test seeds sold *or* offered or exposed for sale in this state at a time and place and to *the* extent the director of the agricultural experiment station and the department of agriculture determine. The laboratory shall report to the department all violations as they appear. It shall also annually before September 1 make a report to the department of all tests made and the results, which may be published by the department. The laboratory and the department shall have free access at all reasonable hours to all premises or structures to make examination of any seeds or any other premises of a warehouse, elevator, or railway company. Upon tendering payment at the current value, the department may take any sample of seeds.

(2) The department shall administer and enforce *3-802.1 through 3-808.* For that purpose, the department may adopt rules. The department may issue and enforce a written or printed "stop sale" order to the owner or custodian of any lot of agricultural seed which the department finds in violation of *3-802.1 through 3-808.* The order shall prohibit further sale of the seed until the department has evidence that the law has been complied with. The seed may not be confiscated or destroyed. Upon proper correction, by reprocessing, labeling, or otherwise, and when, in the judgment of the department, the requirements of *3-802.1 through 3-808* have been met, the stop sale order shall be lifted and the seed may be sold. The department shall adopt all necessary rules relating to the agricultural experiment station's duties under *3-802.1 through 3-808.*"

Section 14. Section 3-807, R.C.M. 1947, is amended to read as follows:

"**3-807. Laboratory testing of samples — rates.** Any citizen of this state may request the grain and seed laboratory to examine, analyze, and test samples of seed upon payment of the fee and compliance with rules governing the submission of seed samples for such service. Samples of seed analyzed and tested shall be charged for at rates determined jointly by the department and the director of the grain and seed laboratory. All fees collected by the grain and seed laboratory shall be used to defray the expenses incurred by the laboratory under *3-802.1 through 3-808.*"

tained, to be recovered in a civil action in any court of competent jurisdiction."

Section 16. Section 3-1405, R.C.M. 1947, is amended to read as follows:

"**3-1405. Unlawful to sell or transport products unless labeled, tagged, or branded — use of tags.** *(1)* It *is* unlawful for any person, firm, association, organization, or corporation or agent, representative, or assistant to any person, firm, association, organization, or corporation to expose for sale or sell, transport, deliver, consign, or have in possession Montana farm products and other farm products prepared for market unless each container has been legibly and conspicuously tagged, branded, labeled, or stenciled before being moved from the premises of the person responsible for the grading and packing, *to indicate* the name of the grade, when applicable, together with the true net contents expressed in weight.

(2) When tags are used, United States No. 1 grade shall be declared on a white tag and United States No. 2 grade shall be declared on a red tag. Bulk shipments shall be accompanied by two cards not less than *4 x 6* inches in size placed on the inside of the car near each door. Likewise cards in size herein described shall be prominently placed on all bulk shipments made by truck or other conveyance. Upon each card shall appear the name and address of the consignor, the name of the grade, if applicable, the name of the loading station, the date of loading, and the name and address of the consignee, if known. It shall be conclusive evidence that the farm products are *considered* for sale when the containers are packed for delivery or transit, are exposed for sale, are in process of delivery or transit, or *are* located at a depot, station, boat dock, or any place where farm products or other products are held for storage or for immediate or future sale or transit."

Section 17. Section 3-1406, R.C.M. 1947, is amended to read as follows:

"**3-1406. Inspection of condition of products in storage or transit.** Montana farm products and other farm products held in storage or in transit which at the time of inspection show deterioration or decay but otherwise *conform* to the grade shall be inspected as to condition and not as to grade."

Section 18. Section 3-1714.3, R.C.M. 1947, is amended to read as follows:

"**3-1714.3. Guaranteed analysis.** (1) Until the department prescribes the alternative form under subsection (2) of this section, "guaranteed analysis" means the minimum percentage of plant nutrients claimed in the following order and form:

(a) *The following plant nutrients shall be guaranteed:*

Total nitrogen (N) ---------- %

Available phosphoric acid (P_2O_5) ---------- %

Soluble potash (K_2O) ---------- %

HeinOnline -- 1977 Vol. I 76 1977

(b) For unacidulated mineral phosphatic materials and basic slag, bone meal, tankage, and other organic phosphatic materials, the total phosphoric acid and degree of fineness may also be guaranteed.

(c) Guarantees for plant nutrients other than nitrogen, phosphorus, and potassium may be permitted or required by rules adopted by the department. The guarantees for other nutrients shall be expressed in the form of the element. The sources of other nutrients including, but not limited to, oxides, salt, and chelates, may be required to be stated on the application for registration and may be included as a parenthetical statement on the label. Other beneficial substances or compounds, determinable by laboratory methods, also may be guaranteed by permission of the department.

(d) Potential basicity or acidity expressed in terms of calcium carbonate equivalent in multiples of 100 pounds per ton *shall be guaranteed* when required by regulation.

(2) If the department finds, after public hearing, that the requirement for expressing the guaranteed analysis of phosphorus and potassium in elemental form would not impose an economic hardship on distributors and users of fertilizer by reason of conflicting labeling requirements among the states, it may require by department rule that the guaranteed analysis be in the following form:

Total nitrogen (N) ---------- %

Available phosphorus (P) ---------- %

Soluble potassium (K) ---------- %

(3) The effective date of the rule may not be less than 6 months following the adoption of the rule. For a period of 2 years following the effective date of the rule, the equivalent of phosphorus and potassium may also be shown in the form of phosphoric acid and potash. However, after the effective date of a rule requiring that phosphorus and potassium be shown in the elemental form, the guaranteed analysis for nitrogen, phosphorus, and potassium is the grade for those elements.

(4) Soil amendments shall guarantee the minimum quantity of each active ingredient in terms approved by the department or in terms as set forth in rules issued by the department. They shall also meet any other requirements established by rule by the department."

Section 19. Section 3-1729, R.C.M. 1947, is amended to read as follows:

Collections shall be made in accordance with procedures in *3-1717.1* and shall be collected from the *licensee or* "registrant" of fertilizer."

HeinOnline -- 1977 Vol. I 78 1977

(1) "Damaged seeds" *include* all seeds and pieces of seeds of mustard seed which are completely covered with mould, very green, sprouted, frosted, badly ground damaged, badly weather damaged, or otherwise distinctly damaged.

(2) "Heat damaged seeds" *include* seeds and pieces of seeds of mustard seed which have been distinctly discolored by external heat or as a result of heating caused by fermentation.

(3) "Dockage" includes sand, dirt, weed seeds, weed stems, chaff, straw, mustard seed other than tame mustard, and any other foreign material which can be removed readily from the mustard by the use of appropriate sieves, cleaning devices, or other practical means suited to separate the foreign material present. *The term also includes* undeveloped, shriveled, and small pieces of mustard seeds removed in properly separating the foreign material which cannot be recovered by properly rescreening or recleaning. The quantity of dockage shall be calculated in terms of percentage. When less than *½ of 1%* it shall be disregarded. The percentage of dockage so determined and stated shall be added to the grade designation. Dockage is to be calculated *in gradients of ½ of 1%* that is to say 0% to *.4%* will be designated as no dockage, *.5%* to *.9%* will be designated as *½ of 1%* dockage, 1% to 1.4% will be designated as 1% dockage, 1.5% to 1.9% will be designated as *1.5%* dockage, and so on.

(4) "Foreign material other than dockage" *includes* all matter other than tame cultivated mustard seed which is not separated in the proper determination of dockage. *However,* rapeseed, common wild mustards, and other seeds that blend with class 2 and class 3 mustard seed and thus are not readily identified and the total of which is not in excess of *2.5%* shall not be considered foreign material and shall not be considered in grading *such* classes of mustard seed.

(5) Each determination of dockage, temperature, odor, and *content of* live weevil or other insects injurious to stored mustard seed shall be upon the basis of the seed as a whole. All other determinations shall be upon the basis of the seed when free from dockage.

(6) Percentages, except in the case of moisture, shall be percentages ascertained by weight.

(7) Percentage of moisture shall be that ascertained by use of the equipment and procedure prescribed by the department of agriculture.

(8) Percentage of dockage shall be that ascertained by use of the equipment and procedure prescribed by the department of agriculture.

(9) The test weight per bushel shall be the weight per Winchester bushel as determined by the testing apparatus and the method of use thereof *prescribed by the department* or as determined by any device and method which give equivalent results in the determination of test weight per bushel.

(10) Determination of the percentage of damage, heat damage, sound cultivated mustard seed, foreign material, and determinations of all other

factors not otherwise provided for shall be on the basis of a portion cut from the original sample and separated by hand picking."

Section 22. Section 3-1903, R.C.M. 1947, is amended to read as follows:

"**3-1903. Weights per bushel.** *(1) Legal* test weights per bushel *are the* weight per Winchester bushel as determined by the testing apparatus and the method of use thereof *prescribed by the department* or as determined by any device and method which give equivalent results in the determination of test weight per bushel.

Fancy ..... 56 lbs.

No. 1 ..... 54 lbs.

No. 2 ..... 52 lbs.

No. 3 ..... 50 lbs.

(3) Weight per bushel for tame brown and tame Montana oriental mustard seed shall be:

No. 1 ..... 52 lbs.

No. 2 ..... 51 lbs.

No. 3 ..... 50 lbs.

(4) All seeds weighing less than the above per bushel shall be graded as sample weight, provided that the percentage of damage, heat damage, sound cultivated mustard seed, *and* foreign material and determination of all other factors not otherwise provided for shall be on the basis of a portion cut from the original sample and separated by hand picking."

Section 23. Section 3-3112, R.C.M. 1947, is amended to read as follows:

"**3-3112. Orders effective until reversed or modified by court.** *An* order or rule adopted by the department, including an order refusing a permit for the establishment of a new apiary location, is effective until reversed or modified by a final decision *of a court of competent jurisdiction,* and while such action is pending, as defined in 93-8706. An injunction or other process or writ may not be issued by a court restraining enforcement until that final determination."

Section 24. Section 3-3303, R.C.M. 1947, is amended to read as follows:

(3) Before issuing a license the department shall require the applicant to file with it a bond to *the* state in an amount to be fixed by the department based on the monthly business to be transacted by the applicant. The bond *may* not be for less than $1,000. The department may require, *under penalty of revoking the license,* additional bond if the business transacted warrants an increase. *The bond shall cover all wholesale produce business transacted in this state.* The bond shall be executed by the applicant as principal and a surety company authorized to do business in *the* state as surety. The form of the bond shall be fixed by the department, conditioned upon:

(a) faithful performance of his duties as a dealer at wholesale;

(b) observance of all laws relating to the business of a dealer at wholesale;

(c) payment, when due, of the purchase price of produce purchased by him;

(d) the prompt reporting of sales as required by law to all persons consigning produce to the dealer as licensee for sale on commission; and

(e) the prompt payment to persons entitled to the proceeds of the sales less lawful charges, disbursements, and commissions.

(4) All licenses expire December 31 of each year. The license or a certified copy of the license shall be kept posted in the office of the licensee at each place in this state where he transacts business. The fee for each license is $100 and for each certified copy of a license, $1. If a truck is the place of business the license fee for the first truck is $100 and for each additional truck $50.

(6) A separate license is required for each place of business. Each truck used for assembling and distributing produce, other than from a permanently established place of business through which all business of sales and accounts is handled, is a separate place of business and must be licensed."

Section 25. Section 3-3312, R.C.M. 1947, is amended to read as follows:

HeinOnline -- 1977 Vol. I 81 1977

(3) "Insect pest" includes the grasshopper, cutworm, pale western cutworm, army worm, chinch bug, and any other insect or arthropod generally recognized as a destroyer of grain, hay, range, and horticultural crops.

(4) "Condition of insect pest infestation" means a condition where an insect pest, or combination of such pests exists in cropland in such numbers and at such times as to destroy or substantially damage or threaten to destroy or substantially damage a significant part of the crop production in a county.

(5) "Department" means the department of agriculture.

(6) "Alternative control program" means a system of controlling insect pest populations through biological or other means not involving toxic chemicals."

Section 28. Section 27-220, R.C.M. 1947, is amended to read as follows:

"27-220. Embargo. (1) Whenever a duly authorized agent of the department of agriculture finds or has probable cause to believe that any pesticide or device *is* adulterated or misbranded, *has* not been registered under the provisions of 27-217, *fails* to bear on its label the information required by this act, or *is* a white powder pesticide and is not colored as required under this act, he shall affix to such article a tag or other appropriate marking giving notice *thereof and that the article* has been detained or embargoed and warning all persons not to remove or dispose of such article by sale or otherwise until permission for removal or disposal is given by such agent or the court. It *is* unlawful for any person to remove

HeinOnline -- 1977 Vol. I 83 1977

or dispose of such detained or embargoed article by sale or otherwise without such permission or to remove or alter the tag or marking.

(2) When an article detained or embargoed under *subsection* (1) has been found by such agent to be in violation, if after 30 days the violation has not been resolved, he may petition the district court in whose jurisdiction the article is detained or embargoed for a condemnation of such article. When such agent has found that an article so detained or embargoed is not adulterated or misbranded, he shall remove the tag or other marking.

(3) If the court finds that a detained or embargoed article is in violation of *subsection* (1), such article shall after entry of the decree be destroyed at the expense of the claimant thereof, under the supervision of such agent, and all court costs and fees and storage and other proper expenses shall be assessed against the claimant of such pesticide or device or his agent, provided that when the adulteration or misbranding can be corrected by proper labeling or processing of the article, the court, after entry of the decree and after such costs, fees, and expenses have been paid and a good and sufficient bond *has been executed,* conditioned *upon the proper labeling or processing of* such pesticide or device, may by order direct that such article be delivered to the claimant thereof for such labeling or processing under the supervision of an agent of the department of agriculture. The expense of such supervision shall be paid by claimant. The article shall be returned to the claimant of the pesticide or device on the representation to the court by the department of agriculture that the article is no longer in violation of this act, and that the expenses of such supervision have been paid."

Section 30. Section 27-237, R.C.M. 1947, is amended to read as follows:

"**27-237. Judicial review.** *(1)* Any person adversely affected by the rules or orders of the department of agriculture may obtain judicial review thereof by filing in the district court within 30 days after entry of such *rule or* order a petition praying that the rule or order be set aside in whole or in part. A copy of the petition shall be *immediately* transmitted by the clerk of the court to the department of agriculture, and thereupon the department of agriculture shall file in court the record of the proceeding on which it based the order.

(2) The court shall have jurisdiction *to* affirm or set aside the order complained of in whole or in part. The finding of the department of agriculture with respect to *questions* of fact shall be sustained if supported by substantial evidence when considered on the record as a whole.

(3) Upon application, the court may remand the matter to the depart-

HeinOnline -- 1977 Vol. I 84 1977

ment of agriculture to take further testimony if there are reasonable grounds for the failure to produce the evidence in the prior hearing. The department of agriculture may modify its finding and its order by reason of the additional record and must file any modification of the findings or order with the clerk of the court."

Section 31. Section 82-1502, R.C.M. 1947, is amended to read as follows:

"**82-1502. Maximum insurance.** When the *reserve* fund is determined actuarially sound, as provided in 82-1507, the board may write not more than $24 insurance on each acre of grain which is on nonirrigated land and not more than $48 per acre on irrigated land. When more than one party desires hail insurance on the same crop, each *party is* entitled to the share of the maximum provided per acre as represented by his interest in the crop. Either party may insure his share in the crop for any amount up to and including the maximum per acre if the others waive their right to insure."

Section 32. Section 82-1506, R.C.M. 1947, is amended to read as follows:

"**82-1506. Tax for hail insurance — limitation on levy — liens, effect of — mortgages — levies, when payable — hail insurance districts — rates.** (1) A tax is hereby authorized and directed to be levied on all lands in this state growing crops subject to injury or destruction by hail, the owners of which have elected to become subject to the provisions of this act. The state board of hail insurance shall annually estimate, *accurately* as possible, the amount required to pay all losses, interest on warrants, and costs of administration and shall recommend a levy to be made on each kind of land respectively, subject to the provisions of this act, to the department of revenue. The rates recommended to apply on the lands of owners shall be applied in the same proportions to the crops of those insured on a personal assessment basis. It is hereby provided, however, that such tax *may* not exceed in any one year $2.40 per acre on lands sown to grain crops on nonirrigated lands, $4.80 per acre on irrigated lands, *or* $2.40 per acre on lands producing hay crops. *If* the tax required to pay the estimated losses, interest on warrants, and costs of administration *is* less than $1.20 per acre on lands sown to grain crops on nonirrigated lands and $2.40 per acre on irrigated lands and a proportionate amount on lands sown to hay crops, the board of hail insurance must recommend a tax levy sufficient to raise the full amount thereof.

(2) In addition to the lien created *in subsection (3)* on the land of the insured, the levy for such hail insurance shall constitute a lien on the crops insured with the exception that the crop lien *may* not apply to owners of unencumbered land or *to* the land or crops of those who pay cash for hail insurance. The applications of these *persons may* not be filed with the county clerk and recorded as provided for in 82-1503. The crop lien shall be included in all applications for hail insurance, *with the above exceptions,* and shall be enforced as provided in 82-1509 and 82-1510 against all insured except those owning unencumbered land or those who have paid cash for hail insurance.

HeinOnline -- 1977 Vol. I 85 1977

(3) The department of revenue *shall* prescribe such levies annually to be made against lands growing crops subject to injury or destruction by hail which are subject to this act, in accordance with the recommendation of the state board of hail insurance. Such tax levies respectively *are* chargeable to the lands of each taxpayer who *elects* to become subject to this act and shall be extended on the tax roll and collected by the officers charged with such duties in the manner and form as are other property taxes and if not paid shall be a lien on the lands against which the same are levied as are other property taxes. *The* lien *may* in no way affect mortgages that are of record at the time of the approval of this act. The lien of any mortgage filed subsequent to the passage and approval of this act shall be subsequent to any lien for hail insurance hereafter levied thereon. All applicants securing hail insurance on crop liens as heretofore provided shall be subject to the same charges per acre as provided herein to be made on land. Notice of such assessment shall be mailed to each person insured by the county treasurer in the same manner as are all other notices of taxes due. *The* assessment shall be payable at the office of the county *treasurer* of each respective county. All insurance levies, whether levied against land or in the form of special assessments secured by crop liens, shall be payable in full and not in semiannual payments, on or before November *30* of each year in which such levies are made.

(4) The state board of hail insurance may, when *it considers* it advisable, establish as many districts as it *considers* advisable and may maintain maximum rates in various parts of the state which rates shall be commensurate with the risk incurred as nearly as *it* can determine from past experiences or from any records available. The highest of these rates shall be the same as the maximum established herein and the lowest *may* not be less than $1.20 per acre on lands sown to grain crops and a proportionate amount on lands sown to hay crops.

(5) Notice of the various rates established for any year shall be plainly printed on the application for hail insurance, and in any year when the requirements of the hail insurance law as herein provided do not require a levy of the maximum rates as established, then the rates for the year shall be determined and levied by the state board of hail insurance for each of the various districts as established, in such proportions as will in *its* judgment be fair and equitable."

Section 33. Section 82-1517, R.C.M. 1947, is amended to read as follows:

"**82-1517. Payment of losses.** (1) The state board of hail insurance shall, as soon as practicable after the loss has been sustained, arrange for the payment of the *loss in the following manner.* From the amount of the loss as adjusted for each claimant, the board shall deduct the amount the claimant then owes as delinquent hail insurance tax and the maximum amount assessed as hail insurance tax for the current year and shall make settlement within 40 days from the time loss is sustained *by* paying, either by registered warrant or otherwise if funds are immediately available, *50%* of the total loss as agreed *upon*, less the maximum rate of assessment. *The* balance *shall* be paid at the expiration of the hail season.

HeinOnline -- 1977 Vol. I 86 1977

(2) The board shall on or before November *1* order payment for the amount so deducted, which payment shall be remitted to the county treasurer of the county in which the tax was assessed. The board shall then order payment for the balance of the adjustment *to* be sent to the claimant, provided that in no case *may* the payment for loss exceed $24 per acre for grain crops on nonirrigated lands, $48 per acre on irrigated lands, and $24 per acre on hay crops. *No* claimant *may* receive payment for any loss incurred where *the* loss does not equal or exceed 5% of the total value of the crop insured. *If* the losses in any year exceed the current levy plus the reserve, if any, then the payment of all losses shall be prorated share and share alike among all grain growers having loss claims adjusted and approved, and the unpaid balance of *the* losses shall be paid out of the reserve without interest in such order as the board *directs,* when in the judgment of the board there are sufficient moneys to provide for the payment of the same and other items payable out of *the* reserve. In any year the board may by resolution authorize its chairman and secretary to borrow as needed from any person, bank, or corporation such sum or sums of money as the board may *consider* necessary for the purpose of paying all warrants as issued.

(3) For any moneys borrowed under the provisions of this act, the board shall cause warrants to be drawn. *The* warrants shall bear interest at not to exceed 6% *a year* and *the* warrants and the interest thereon shall be paid out of funds from the state hail insurance *program* as they are collected from the various counties in the state. The board *may* not at any time borrow a total sum greater than the amount of levies as made for taxes for the current year together with such delinquent taxes as remain unpaid on the books of the county treasurer."

Section 34. Section 82-1519, R.C.M. 1947, is amended to read as follows:

"**82-1519. Compensation of chairman and officers — report.** *(1)* The *appointed members* of the state board of hail insurance shall receive *a per diem of $25 for each day they are engaged in the transaction of official business.*

(2) All board members and employees shall be allowed expenses as provided in 59-538, 59-539, and 59-801.

(3) All other public officials specified in this chapter shall perform the duties relative to hail insurance without other compensation than that allowed by law."

Section 35. **Repealer.** Sections 3-2601 through 3-2606, R.C.M. 1947, are repealed.

Approved February 25, 1977.

CHAPTER NO. 16

AN ACT PERMITTING THE INVESTMENT OF THE FUNDS OF CERTAIN EARMARKED ACCOUNTS OF THE DEPARTMENTS OF LIVESTOCK AND AGRICULTURE; DIRECTING THAT THE INCOME FROM SUCH INVESTMENTS BE CREDITED TO THE ACCOUNT FROM WHICH THE INVESTMENT IS MADE; AND GENERALLY CLARIFYING LANGUAGE; AMENDING SECTIONS 3-2917, 3-233, 3-2033, AND 82-1507, R.C.M. 1947.

Be it enacted by the Legislature of the State of Montana:

Section 1. There is a new R.C.M. section numbered 46-105.1 that reads as follows:

46-105.1. Investment of earmarked revenue account funds — crediting of investment income. The board may direct the board of investments to invest funds from the earmarked revenue accounts of the department pursuant to the provisions of the unified investment program for state funds. The income from such investments shall be credited to the earmarked account of the department from which the investment is made.

Section 2. Section 3-2917, R.C.M. 1947, is amended to read as follows:

"**3-2917. Research and marketing account — sources — use — expenditures.** (1) There shall be an account in the federal and private revenue fund known as the wheat research and marketing account. The following shall be placed in the account:

(a) *the* proceeds of all mileage levies collected under this chapter; and

(b) *the* proceeds from all gifts, grants, or donations to the department for research authorized under this chapter.

(2) The account shall be maintained for the purposes of this chapter and shall be separate from all other accounts of the department.

(3) The department may direct the board of investments to invest funds from the account pursuant to the provisions of the unified investment program for state funds. The income from such investments shall be credited to the wheat research and marketing account."

Section 3. Section 82-1507, R.C.M. 1947, is amended to read as follows:

"**82-1507. Scope and object of levy — reserve.** (1) In making the levy provided in 82-1506, the state board of hail insurance shall provide for:

(a) *the* payment of all expenses of administration, together with all interest owed or to be owing on registered warrants;

(b) that portion of the losses incurred during the current year which are not paid from funds drawn from the reserve;

(c) the maintenance of the reserve, a part or all of which may be used

HeinOnline -- 1977 Vol. I 89 1977

in any one year for the purpose of paying the costs of administration, interest on the warrants, and losses as the same shall be settled and adjusted by the board, including the losses sustained in any prior year or years under the state hail insurance law during or subsequent to the year 1919 that have not been paid.

(2) If at the end of any hail insurance season the board determines and finds that more funds are accumulating from the current year's levies than were estimated when the levy was made and are in excess of the need for the payment of losses and expenses and maintenance of the reserve, the board may, at its discretion, refund to the farmers insured for the year, on a pro rata or percentage basis, the excess.

(3) Each year when the hail board makes its annual levy for the payment of current losses, expenses of administration, and for an addition to the reserve if conditions permit, it *may* not increase the levy enough in any year so that such addition to the reserve will exceed 5% of the maximum risk written for that year.

(4) The reserve fund *may* not exceed *$4 million* prior to January 1, 1976. On January 1, 1976, and thereafter the maximum permissible reserve fund shall be established as set forth in subsection *(5)* of this section.

(5) The board may engage the services of a qualified actuary to conduct an actuarial valuation of the reserve. This valuation shall include the actuary's determination of the amount of reserve necessary to absorb all reasonably anticipated catastrophic losses. This amount shall be the maximum permissible reserve fund for the next year.

(6) The reserve hereby created shall be deposited in the agency fund and the board is hereby granted the power to draw from its moneys in *the* fund such amounts as it *considers* necessary for the purpose of paying costs of administration, interest, and losses. *Whenever* there are no unpaid losses for prior years and whenever in any one year the cost of administration, interest, and losses for the current year *are* less than the sum of *60* cents per acre on nonirrigated grains and a proportionate amount on irrigated grains and other crops, the board *may* not draw on the reserve for any purpose unless the amount required for the payment of losses for the current year, including interest on warrants and costs of administration, *exceeds* the amount of the estimate made by the board.

(7) The board of hail insurance may direct the board of investments to invest funds from the agency fund pursuant to the provisions of the unified investment program for state funds. The income from such investments shall be credited to the board of hail insurance account in the agency fund."

Section 4. Section 3-233, R.C.M. 1947, is amended to read as follows:

"**3-233. Fees — disposition.** *(1)* All fees and other charges fixed by the department, including fees for the inspection, grading, weighing, and protein-testing of grain, shall be kept as near the actual cost of the services as possible. All those fees and charges shall be paid to the department and deposited with the state treasurer. The state treasurer shall

HeinOnline -- 1977 Vol. I 90 1977

place all the fees and charges in the earmarked revenue fund. Fees deposited in the earmarked revenue fund may be used to pay claims for expense incurred in inspecting, grading, weighing, and protein-testing of grain, when the claims have been approved as provided by law.

(2) The department may direct the board of investments to invest funds from the earmarked revenue fund pursuant to the provisions of the unified investment program for state funds. The income from such investments shall be credited to the proper department account in the earmarked revenue fund."

Section 5. Section 3-2033, R.C.M. 1947, is amended to read as follows:

"3-2033. Deposit of fees. *(1)* All fees collected for permits, registration, and inspection shall be deposited in the state treasury to the credit of the earmarked revenue fund for the purpose of administering this act, including the cost of equipment and facilities and the cost of inspecting, analyzing, and examining commercial feeds manufactured or distributed in this state and the cost of developing better analytical methods *and* means of evaluating the value or the potential toxic qualities of a feed.

(2) The department may direct the board of investments to invest funds from the earmarked revenue fund pursuant to the provisions of the unified investment program for state funds. The income from such investments shall be credited to the proper department account in the earmarked revenue fund."

Approved February 25, 1977.

AN ACT AMENDING SECTION 46-2903.2 OF THE LIVESTOCK DEALERS ACT BY CHANGING THE TIME OF HEARING REQUIREMENTS.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 46-2903.2, R.C.M. 1947, is amended to read as follows:

"46-2903.2. Suspension and revocation of license. (1) When the department finds that a livestock dealer has violated subsection (2), (3), or (4) of 46-2902, 46-2903.1, or 46-2905, the department may, by order, suspend the license of the offender for a period not to exceed 1 year. If the violation is repeated, the department may, by order, permanently revoke the license of the offender.

(2) Before a license issued under this chapter may be suspended or revoked, a hearing shall be given the licensee, before the department, to determine whether the license should be suspended or revoked. The licensee shall be given notice of the time and place of the hearing. The hearing shall be held not less than 10 days *or* more than *30* days after the mailing of the notice. At the hearing, the department shall take and receive evi-

Approved February 25, 1977.

CHAPTER NO. 18

AN ACT AMENDING THE STATE CONSERVATION DISTRICTS LAW PROVIDING FOR EXCLUDING TERRITORY FROM EXISTING DISTRICTS; REVISING PROCEDURES FOR ELECTION OF DISTRICT SUPERVISORS; AMENDING 76-105, 76-106, 76-107, AND 76-114, R.C.M. 1947.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 76-105, R.C.M. 1947, is amended to read as follows:

"**76-105. Creation of conservation districts.** (1) Any 10 qualified electors within the limits of the territory proposed to be organized into a district may file a petition with the department asking that the board approve the organization of a conservation district to function in the territory described in the petition. The petition shall set forth:

(a) *the* proposed name of the district;

(b) *that* there is need in the interest of the public health, safety, and welfare for a conservation district to function in the territory described in the petition;

(c) *a* description of the territory proposed to be organized as a district, which description may not be required to be given by metes and bounds or by legal subdivisions but shall be considered sufficient if generally accurate;

(d) *a* request that the board duly define the boundaries for the district; that a referendum be held within the territory so defined on the question of the creation of a conservation district in the territory; and that the board determine that a district be created.

(2) Where more than one petition is filed covering parts of the same territory, the board may consolidate all or any part of the petitions.

(3) Within 30 days after a petition has been filed with the department, it shall cause due notice to be given of a proposed hearing before the department upon the question of the desirability and necessity, in the interest of the public health, safety, and welfare, of the creation of the district, upon the question of the appropriate boundaries to be assigned to the district; upon the propriety of the petition and other proceedings taken under this act; and upon all questions relevant to those inquiries. All qualified electors within the limits of the territory described in the petition and of lands within any territory considered for addition to the

HeinOnline -- 1977 Vol. I 92 1977

described territory and all other interested parties are entitled to attend the hearings and be heard. If it appears to the board after reviewing the record of the hearing that it may be desirable to include within the proposed district territory outside of the area within which due notice of the hearing has been given, the board shall adjourn the hearing and the department shall cause due notice of a further hearing to be given throughout the entire area considered for inclusion in the district, and the further hearing shall be held by the department. After the hearing, if the board determines, upon the facts presented at the hearing and upon other relevant facts and information as may be available to the department or the board, that there is need, in the interest of the public health, safety, and welfare, for a conservation district to function in the territory considered at the hearing, it shall make and record that determination and shall define, by metes and bounds or by legal subdivisions, the boundaries of the district. In making the determinations and in defining the boundaries, the board shall consider the topography of the area considered and of the state, the composition of soils therein, the distribution of erosion, the prevailing land-use practices, the desirability and necessity of including within the boundaries the particular lands under consideration and the benefits those lands may receive from being included within the boundaries, the relation of the proposed area to existing watersheds and agricultural regions and other conservation districts already organized or proposed for organization under this act, and such other physical, geographical, and economic factors as are relevant, having due regard to the legislative determination set forth in 76-102. The territory to be included within the boundaries need not be contiguous. If the board determines after the hearing, after due consideration of the relevant facts, that there is no need for a conservation district to function in the territory considered at the hearing, it shall make and record that determination and shall deny the petition. After 6 months have expired from the date of the denial of a petition, subsequent petitions covering the same or substantially the same territory may be filed and a new hearing held and determinations made thereon.

(4) After the board has made and recorded a determination that there is need, in the interest of the public health, safety, and welfare, for the organization of a district in a particular territory and has defined the boundaries thereof, it shall consider the question whether the operation of a district within the boundaries with the powers conferred upon conservation districts in this act is administratively practicable and feasible. To assist the board in the determination of this administrative practicability and feasibility, the department shall, within a reasonable time after entry of the board's finding that there is need for the organization of the proposed district and the determination of the boundaries thereof, hold a referendum within the proposed district upon the proposition of the creation of the district and cause due notice of the referendum to be given. The question shall be submitted by ballots upon which the words "For creation of a conservation district of the lands below described and lying in the county(ies) of ...., ..., and ...." and "Against creation of a conservation district of the lands below described and lying in the county(ies) of .... and ...." shall appear, with a square before each proposition and a direction to insert an "X" mark in the square before one or the other

of the propositions as the voter may favor or oppose creation of the district. The ballot shall set forth the boundaries of the proposed district as determined by the board. All qualified electors within the boundaries of the territory, as determined by the department, are eligible to vote in the referendum.

(5) The department shall pay all expenses for the issuance of the notices and the conduct of the hearings and referenda and shall supervise the conduct of the hearings and referenda. It shall adopt appropriate rules governing the conduct of the hearings and referenda and providing for the registration prior to the date of the referendum of all eligible voters or prescribing some other appropriate procedure for the determination of those eligible as voters in the referendum. No informalities in the conduct of the referendum or in any matters relating thereto shall invalidate the referendum or the result thereof if notice thereof has been given substantially as herein provided and the referendum has been fairly conducted.

(6) The department shall publish the result of the referendum, and the board shall thereafter consider and determine whether the operation of the district within the defined boundaries is administratively practicable and feasible. If the board determines that the operation of the district is not administratively practicable and feasible, it shall record that determination and deny the petition. If the board determines that the operation of the district is administratively practicable and feasible, it shall record that determination and proceed with the organization of the district in the manner hereinafter provided. In making its determination, the board shall consider the attitudes of the qualified electors within the defined boundaries, the number of qualified electors eligible to vote in the referendum who voted, the proportion of the votes cast in the referendum in favor of the creation of the district to the total number of votes cast, the approximate wealth and income of the qualified electors of the proposed district, the probable expense of carrying on erosion-control operations within the district, and such other economic and social factors relevant to the determination, having due regard to the legislative determinations set forth in 76-102; however, the board may not determine that the operation of the proposed district within the defined boundaries is administratively practicable and feasible unless a majority of the votes cast in the referendum upon the proposition of creation of the district have been cast in favor of the creation of the district.

(7) If the board determines that the operation of the proposed district within the defined boundaries is administratively practicable and feasible, it shall appoint two supervisors to act with the three supervisors *first* elected, as provided hereinafter, as the *initial* governing body of the district. The district is a governmental subdivision of this state and a public body, corporate and politic, upon the taking of the following proceedings:

(a) The two appointed supervisors shall present to the secretary of state an application signed by them, which shall set forth:

(i) that a petition for the creation of the district was filed with the department pursuant to this act, that the proceedings specified in this act were taken pursuant to the petition, that the application is being filed in order to complete the organization of the district as a governmental

HeinOnline -- 1977 Vol. I 94 1977

subdivision and a public body, corporate and politic, under this act, and that the board has appointed them as supervisors;

(ii) the name and official residence of each of the supervisors, together with a certified copy of the appointments evidencing their right to office;

(iii) the term of office of each of the supervisors;

(iv) the name which is proposed for the district; and

(v) the location of the principal offices of the supervisors of the district.

(b) The application shall be subscribed and sworn to by each of the supervisors. The application shall be accompanied by a statement by the department, which shall certify that a petition was filed, notice issued, and hearing held as provided in this act; that the board determined that there is need in the interest of the public health, safety, and welfare for a conservation district to function in the proposed territory and defined the boundaries thereof; that notice was given and a referendum held on the question of the creation of the district; and that the result of the referendum showed a majority of the votes cast in the referendum to be in favor of the creation of the district and that thereafter the board determined that the operation of the proposed district is administratively practicable and feasible. The statement shall also set forth the boundaries of the district as they have been defined by the board.

(8) The secretary of state shall examine the application and statement, and if he finds that the name proposed for the district is not identical with that of any other conservation district of this state or so nearly similar as to lead to confusion or uncertainty, he shall receive and file them and shall record them in an appropriate book of record in his office. If the secretary of state finds that the name proposed for the district is identical with that of any other conservation district of this state or so nearly similar as to lead to confusion and uncertainty, he shall certify that fact to the board, which shall thereupon submit to the secretary of state a new name for the district which is not subject to such defects. Upon receipt of the new name free of such defects, the secretary of state shall record the application and statement with the name so modified in an appropriate book of record in his office. When the application and statement have been made, filed, and recorded as herein provided, the district is a governmental subdivision of this state and a public body, corporate and politic. The secretary of state shall make and issue to the supervisors without cost a certificate under the seal of the state of the due organization of the district and shall record the certificate with the application and statement. The boundaries of the district shall include the territory as determined by the board, but they may not include any area included within the boundaries of another conservation district.

(9) After 6 months have expired from the date of entry of a determination by the board that operation of a proposed district is not administratively practicable and feasible and denial of a petition pursuant to the determination, subsequent petitions may be filed and action taken thereon in accordance with this act.

(10) Petitions for including additional territory within an existing dis-

HeinOnline -- 1977 Vol. I 95 1977

trict may be filed with the department, and the proceedings herein provided for in the case of petitions to organize a district shall be followed in the case of petitions for the inclusion. The department shall prescribe the form for the petitions, which shall be as nearly as may be in the form prescribed in this act for petitions to organize a district. Where the total number of qualified electors in the area proposed for inclusion *is* less than 10, the petition may be filed when signed by a majority of the qualified electors of the area, and in that case no referendum need be held. In referenda upon petitions for the inclusion, all qualified electors within the proposed additional area are eligible to vote.

(11) In a suit, action, or proceeding involving the validity or enforcement of or relating to a contract, proceeding, or action of the district, the district shall be considered to have been established in accordance with this act upon proof of the issuance of the certificate by the secretary of state. A copy of the certificate, duly certified by the secretary of state, is admissible in evidence in the suit, action, or proceeding and is proof of the filing and contents thereof.

(12) The conservation district is authorized to divide the unincorporated area of the district into five supervisor areas."

Section 2. Section 76-106, R.C.M. 1947, is amended to read as follows:

"76-106. Election of supervisors for each district. *(1)* Within 30 days after the date of issuance by the secretary of state of a certificate of organization of a conservation district, nominating petitions may be filed with the *registrar, as defined in Title 23, R.C.M. 1947,* to nominate candidates for supervisors of the district. A nominating petition may not be accepted by the *registrar* unless it is subscribed by 10 or more qualified electors within the boundaries of the district, *or supervisor areas thereof, wherein the nominee resides.* Qualified electors may sign more than one nominating petition to nominate more than one candidate for supervisor. *If more than six candidates are nominated, the registrar* shall give due notice of *a nominating* election to be held for *the selection of six candidates for supervisor to appear on the next general election ballot. This nominating election may be held in conjunction with the state primary election. In the general election, the names of all persons nominated by petition (if six or fewer) or by election* shall be printed, arranged in *a rotating* order of the surnames, *as provided under 23-3511,* upon ballots, with a square before each name and a direction to insert an "X" mark in the square before any three names to indicate the voter's preference. All qualified electors within the district are eligible to vote in the election. The three candidates who receive the largest number, respectively, of the votes cast in the election are the elected supervisors for the district. *The registrar in each county shall prepare suitable nonpartisan ballots and polling lists for the election of supervisors, which ballots and polling lists shall be delivered to the election judges in those precincts which contain eligible voters prior to each general election and each primary election in which more than four candidates are nominated. The election judges, clerks, and other election officials in such precincts shall submit such ballots to qualified electors, conduct the election and tabulate the results of such election in the manner provided for by the general election laws of the state.*

HeinOnline -- 1977 Vol. I 96 1977

(2) Two supervisors shall be elected at the second general election following the organization or reorganization of the district and shall replace the two supervisors appointed by the department. Thereafter, a district shall alternately elect three and two supervisors at succeeding general elections. Nominations for the election of supervisors shall be made as provided under subsection (1) except that a nominating election shall be held if more than four candidates are nominated by petition when two supervisors are to be elected."

Section 3. Section 76-107, R.C.M. 1947, is amended to read as follows:

"76-107. Appointment, qualifications, and tenure of supervisors. (1) The governing body of the district shall, if there are no incorporated municipalities within the boundaries of said district, consist of five or seven supervisors, elected or appointed as provided herein.

(2) In all cases where the boundaries of such conservation district include any incorporated municipality or municipalities, *the* board of supervisors, in addition to *the* five elected supervisors, shall consist of two appointed supervisors, making a total of seven supervisors in such districts. The two appointed supervisors must be residents of the municipalities within the district. The legislative bodies of the incorporated municipalities within the district shall, after consultation with the elected supervisors, appoint the two additional supervisors. The term of office of the appointed supervisors shall be 3 years.

(3) Where there are more than two incorporated municipalities within a district, the two appointed supervisors shall represent all the municipalities and urban interests in the district and no municipality shall have more than one appointed supervisor residing therein.

(4) The supervisors shall annually elect a chairman from their members. The term of office of each supervisor shall be *4* years, except that the supervisors who are first appointed *by the department* shall be designated to serve for terms of 2 years from the date of their appointment. An elected supervisor shall hold office until his successor has been elected and has qualified. Any vacancy occurring in the office of an elected supervisor shall be filled by appointment by the remaining supervisors until the next regular election, when a successor shall be elected to serve the unexpired term. A majority of the supervisors constitute a quorum, and the concurrence of a majority in any matter within their duties is required for its determination. A supervisor may not receive compensation for his services, but he is entitled to expenses, including travel expenses, as provided for in 59-538, 59-539, and 59-801, incurred in the discharge of his duties.

(5) The supervisors may employ a secretary and such other officers, agents, and employees, permanent and temporary, as they may require and shall determine their qualifications, duties, and compensation. The supervisors may call upon the attorney general of the state for such legal services as they may require or may employ their own counsel and legal staff. The supervisors may delegate to their chairman, to one or more supervisors, or to one or more agents or employees such powers and duties as they consider proper. The supervisors shall furnish to the department

HeinOnline -- 1977 Vol. I 97 1977

copies of such ordinances, rules, regulations, orders, contracts, forms, and other documents as they adopt or employ and such other information concerning their activities as may be required in the performance of their duties under this act.

(6) The supervisors shall provide for the execution of surety bonds for all employees and officers who are entrusted with funds or property; shall provide for the keeping of a full and accurate record of all proceedings and of all resolutions, regulations, and orders issued or adopted; and shall provide for an annual audit of the accounts of receipts and disbursements. A supervisor may be removed by the board, upon notice and hearing, for neglect of duty or malfeasance in office but for no other reason.

(7) The supervisors may invite the *governing* body of any municipality or county located near the territory comprised within the district to designate a representative to advise and consult with the supervisors of the district on all questions of program and policy which may affect the property, water supply, or other interests of the municipality or county."

Section 4. **Compliance.** For the purposes of bringing existing districts into compliance with this act by the time of the 1978 general elections the terms of office for all supervisors shall expire upon passage and approval of this act. However, each supervisor shall remain in office until his successor has been elected and has qualified in accordance with this act. For purposes of the 1978 general election three supervisors shall be elected for a 4-year term and the remaining two supervisors elected for a 2-year term. No action or undertaking of a district may be invalidated or voided for failure to comply with the amendatory provisions of this act prior to January 1, 1979.

Section 5. Section 76-114, R.C.M. 1947, is amended to read as follows:

"76-114. Discontinuance of districts or a part of the district. (1) At any time after 5 years after the organization of a district under this act, any 10 qualified electors within the boundaries of the district may file a petition with the department, praying that the board terminate the operations of the district *or a part of the district* and discontinue the existence of the district *or that part of the district.* The department may conduct such public meetings and public hearings upon the petition as are necessary to assist it and the board in the consideration thereof.

(2) Within 60 days after the petition has been received by the department it shall give due notice of the holding of a referendum, and shall supervise the referendum, and issue appropriate regulations governing the conduct thereof, the question to be submitted by ballots upon which the words "For terminating the existence of the .... (name of the conservation district *or part of the district* to be here inserted)" and "Against terminating the existence of the .... (name of the conservation district *or part of the district* to be here inserted)" shall appear, with the square before each proposition and a direction to insert an "X" mark in the square before one or the other of the propositions as the voter may favor or oppose discontinuance of the district *or a part of the district.* All qualified electors within the boundaries of the district are eligible to vote in the referendum. No informalities in the conduct of the referendum or in any matters rela-

tive thereto shall invalidate the referendum or the result thereof if notice thereof is given substantially as herein provided and the referendum is fairly conducted.

(3) *(a) In the case of petitions for discontinuance of a district, the* department shall publish the result of the referendum and the board shall thereafter consider and determine whether the continued operation of the district within the defined boundaries is administratively practicable and feasible. If the board determines that the continued operation of the district is administratively practicable and feasible, it shall record that determination and deny the petition. If the board determines that the continued operation of the district is not administratively practicable and feasible, it shall record that determination and shall certify the determination to the supervisors of the district.

(b) In the case of petitions for discontinuance of part of a district, the department shall publish the result of the referendum and the board shall thereafter consider and determine whether the continued operation of a part of the district within the defined boundaries is administratively practicable and feasible. If the board determines that the continued operation of the district is not administratively practicable and feasible with a part of the district discontinued, it shall record that determination and deny the petition. If the board determines that the continued operation of the district is administratively practicable and feasible with a part of the district discontinued it shall record that determination and shall certify the determination to the supervisors of the district.

(4) In making the determination the board shall give due regard and weight to the attitudes of the qualified electors lying within the district, the number of qualified electors eligible to vote in the referendum who voted, the proportion of the votes cast in the referendum in favor of the discontinuance of the district *or part of the district* to the total number of votes cast, the approximate wealth and income of the qualified electors of the district, the probable expense of carrying on erosion control operations within the district, and such other economic and social factors as may be relevant to the determination, having due regard to the legislative findings set forth in section 76-102; however, the board may not determine that the continued operation of the district *or part of the district* is administratively practicable and feasible unless at least a majority of the votes cast in the referendum are cast in favor of the continuance of the district *or part of the district.*

(5) Upon receipt from the department of a certification of the board that the board has determined that the continued operation of the district *or part of the district* is not administratively practicable and feasible, pursuant to this section, the supervisors shall immediately proceed to terminate the affairs of the district *or part of the district.* The supervisors shall dispose of all property belonging to the district *or part of the district* at public auction and shall pay over the proceeds of the sale to be covered into the state treasury. The supervisors shall thereupon file an application, duly verified, with the secretary of state for the discontinuance of the district *or part of the district,* and shall transmit with the application the certificate of the board, setting forth the determination of the board that the continued operation of the district *or part of the district* is not

HeinOnline -- 1977 Vol. I 99 1977

administratively practicable and feasible. The application shall recite that the property of the district *or part of the district* has been disposed of and the proceeds paid over as in this section provided, and shall set forth a full accounting of the properties and proceeds of the sale. The secretary of state shall issue to the supervisors a certificate of dissolution and shall record the certificate in an appropriate book of record in his office.

(6) Upon issuance of a certificate of dissolution under this section, all ordinances and regulations theretofore adopted and in force within the district *or in that part of the district* are void. All contracts previously entered into, to which the district or supervisors are parties, remain in effect for the period provided in those contracts. The department shall be substituted for the district or supervisors as party to the contracts *if the total district is discontinued. In this case the* department is entitled to all benefits and subject to all liabilities under the contracts and has the same right and liability to perform, to require performance, to sue and be sued thereon, and to modify or terminate the contracts by mutual consent or otherwise, as the supervisors of the district would have had. The dissolution does not affect the lien of any judgment entered under section 76-110, nor the pendency of an action instituted under that section, and the department succeeds to all rights and obligations of the district or supervisors as to those liens and actions."

Approved March 1, 1977.

CHAPTER NO. 19

AN ACT AMENDING SECTIONS 27-405 AND 27-407, R.C.M. 1947, TO TRANSFER THE JURISDICTION OVER TRANSPORTATION OF MILK TO THE BOARD OF MILK CONTROL FROM THE DEPARTMENT OF BUSINESS REGULATION; REPEALING SECTION 82A-406.1, R.C.M. 1947.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 27-405, R.C.M. 1947, is amended to read as follows:

"**27-405. General powers of the department.** (1) The department shall supervise, regulate, and control the milk industry of this state, including the production, processing, storage, distribution, and sale of milk *sold* for consumption in this state. Nothing in this chapter abrogates or affects the status, force, or operation of any provision of public health laws or the law under which the department of livestock is constituted together with the department of livestock rules or county board of health rules, or municipal ordinances for the promotion or protection of the public health. The department may *cooperate* with the department of health and environmental sciences, the board of livestock or any county or city board of health or the department of agriculture in enforcing this chapter.

(2) The department shall investigate all matters pertaining to the production, processing, storage, distribution, and sale of milk in this state and conduct hearings upon any subject pertinent to the administration

HeinOnline -- 1977 Vol. I 100 1977

of this chapter. The department may subpoena milk dealers, their records, books, and accounts, and any other person from whom information may be desired or considered necessary to carry out the purposes and intent of this chapter and may take depositions of witnesses who are sick or absent from the state or who cannot otherwise appear in person before the department at its offices. The department shall give at least 10 days' notice to the proposed witness."

Section 2. Section 27-407, R.C.M. 1947, is amended to read as follows:

"**27-407. Establishment of minimum prices.** (1) The board shall fix minimum producer, wholesale, jobber, and retail prices for class I milk, and minimum producer prices only for class II and class III milk in all areas of the state, by adopting rules in a manner prescribed by the Montana Administrative Procedure Act.

(2) The board shall establish such prices by means of flexible formulas which shall be devised so that they bring about such automatic changes in all minimum prices as are justified on the basis of changes in production costs and supply, processing and distribution costs, and retailing costs.

(3) The board shall consider the balance between production and consumption of milk, the costs of production and distribution, and prices in adjacent and neighboring areas and states so that minimum prices which are fair and equitable to producers, distributors, jobbers, retailers, and consumers may result.

(4) The board shall, when publishing notice of proposed *rulemaking* under authority of this section, set forth the specific factors which shall be taken into consideration in establishing the formulas and in particular in determining costs of production and distribution and of the actual dollars and cents costs of production and distribution which preliminary studies and investigations of auditors or accountants in its employment indicate will or should be shown at the hearing so that all interested parties will have opportunity to be heard and to question or rebut such considerations as a matter of record.

(5) Such specific factors may include but shall not be limited to the following items:

(a) Current and prospective supplies of milk in relation to current and prospective demands for such milk for all purposes;

(b) The ability and willingness of consumers to purchase, which shall include among other things, per capita disposable income statistics, consumer price indices, and wholesale price indices;

(c) The cost factors in producing milk, which shall include among other things the prices paid by farmers generally (as used in parity calculations of the United States Department of Agriculture), prices paid by farmers for dairy feed in particular and farm wage rates in this state;

(d) The alternative opportunities, both farm and nonfarm, open to milk producers, which shall include among other things, prices received by farmers for all products other than milk, prices received by farmers for

HeinOnline -- 1977 Vol. I 101 1977

beef cattle, and the percentage of unemployment in the state and nation as determined by appropriate state and federal agencies;

(e) The prices of butter-nonfat dry milk and cheese;

(f) The cost factors in distributing milk, which shall include among other things the prices paid by distributors for equipment of all types required to process and market milk and prevailing wage rates in this state;

(g) The cost factors in jobbing milk, which shall include among other things raw product and ingredient costs, carton or other packaging cost, processing cost and that part of general administrative costs of the supplying distributor which may properly be allocated to the handling of milk to the point at which such milk is at the supplying distributor's dock, equipment of all types required to market milk, and prevailing wage rates in the state;

(h) The need, if any, for freight or transportation charges to be deducted by distributors from producer prices for bulk milk;

(i) A reasonable return on necessary investment to all ordinarily efficient and economical milk dealers.

(6) If the board at any time proposes to base all or any part of any official order establishing or revising any milk pricing formulas upon facts within its own knowledge, as distinguished from evidence which may be presented to it by the consuming public or the milk industry, the board shall, when publishing notice of proposed *rulemaking* under authority of this section, cause notice to be given to the consuming public and the milk industry of the specific facts within its own knowledge which it will consider, so that all interested parties will have opportunity to be heard and to question or rebut such facts as a matter of record.

(7) The board, after consideration of the evidence produced, shall make written findings and conclusions and shall fix by official rule:

(a) The formula whereby minimum producer prices for milk in classes I, II, and III shall be computed.

(b) The formula whereby minimum wholesale prices for milk in class I shall be computed.

(c) The formula whereby minimum jobber prices for milk in class I shall be computed.

(d) The formula whereby minimum retail prices for milk in class I shall be computed.

(8) This section shall not be construed as requiring the board to promulgate any specific number of formulas, but shall be construed liberally so that the board may adopt any reasonable method of expression to accomplish the objective set forth in (a), (b), (c), and (d) above. If the evidence presented to the board at any public hearing for the establishment or revision of milk pricing formulas is found by the board to require the establishment of separate and varying wholesale prices for any particular uses, the board shall designate the reasons therefor and establish such separate formulas.

HeinOnline -- 1977 Vol. I 102 1977

(9) Each rule establishing or revising any milk pricing formulas shall classify milk by forms, classes, grades, or uses as the board may deem advisable and shall specify the minimum prices therefor.

(10) The milk produced in one natural marketing area and sold in another natural marketing area shall be paid for by a distributor or dealer in accordance with the pricing order of the area where produced at the price therein specified of the class or use in which it is ultimately used or sold.

(11) *The board shall adopt rules after notice and hearing in the manner prescribed by the Montana Administrative Procedure Act to regulate transportation rates which distributors, contract haulers, and others charge producers for both farm-to-plant and interplant transportation of milk. No allowance for transportation of milk between plants may be permitted unless it is found by the board to be necessary to permit the movement of milk in the public interest.*

(12) All milk purchased within a natural marketing area by a distributor shall be purchased on a uniform basis. The basis to be used shall be established by the board after the producers and the distributors of the area have been consulted.

(13) The board may amend any official rule in the same manner provided herein for the original establishment of milk pricing formulas; provided, further, the board may in its discretion, when it determines the need exists, notice and hold *statewide* public hearings affecting establishment or revision of milk pricing formulas in all market areas of the state.

(14) Upon petition of a distributor or a majority of his producers, the board shall hold a hearing to receive and consider evidence regarding the advisability and need for a base or quota plan as a method of payment by that distributor of producer prices; and if the board finds that the evidence adduced at such hearing warrants the establishment of a base or quota plan, the board shall proceed by official order to establish the same.

(15) Upon petition by any producer, producer-distributor, or distributor in any marketing area, the board shall hold a hearing to receive and consider evidence regarding the advisability and need for an *areawide* or *statewide* pooling arrangement as a method of payment of producer prices, provided that at such hearing the board shall among other things specifically receive and consider evidence concerning production and marketing practices which have historically prevailed in the area concerned or *statewide*, as the case may be; and if the board finds that the evidence adduced at such hearing warrants the establishment of such an *areawide* or *statewide* pooling arrangement, the board shall proceed by official order to establish the same, but such official order shall be of no force or effect until it is approved in a referendum conducted by the board among affected producers, producer-distributors, and distributors.

(16) The requirements hereinabove set forth concerning notices of hearings for the establishment of milk pricing formulas shall apply to any hearings regarding base or quota plans or *areawide* or *statewide* pooling arrangements, or abandonment thereof.

HeinOnline -- 1977 Vol. I 103 1977

(17) Rules adopted pursuant to this section shall be enforced and audited for compliance by the milk control division of the department of business regulation."

Section 3. **Repealer.** Section 82A-406.1, R.C.M. 1947, is repealed.

Approved March 1, 1977.

CHAPTER NO. 20

AN ACT TO REMOVE OBSOLETE WORDING WHICH PERTAINED TO THE OLD EXPERIENCE RATING SYSTEM FOR UNEMPLOYMENT COMPENSATION BENEFITS, CHANGED BY THE 1975 LEGISLATURE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 87-107, R.C.M. 1947, is amended to read as follows:

"**87-107. Claims for benefits.** (a) Filing. Claims for benefits shall be made in accordance with such regulations as the division may prescribe. Each employer shall post and maintain printed statements of such regulations in places readily accessible to individuals in his service and shall make available to each such individual at the time he becomes unemployed, a printed statement of such regulations. Such printed statements shall be supplied by the division to each employer without cost to him.

(b) Initial determination. A representative designated by the division, and hereinafter referred to as a deputy, shall promptly examine the claim and, on the basis of the facts found by him, shall either determine whether or not such claim is valid, and if valid, the week with respect to which benefits shall commence, the weekly benefit amount payable and the maximum duration thereof, or shall refer such claim or any question involved therein to an appeals referee who shall make his decision with respect thereto in accordance with the procedure prescribed in subsection (e) of this section. No determination or redetermination of an initial or additional claim shall be made under this section unless five (5) days notice of the time and place of the claimant's interview for examination of the claim is mailed to each interested party. The deputy shall promptly notify the claimant and any other interested party of the decision and the reasons therefor. The deputy may for good cause reconsider his decision and shall promptly notify the claimant and such other interested parties of his amended decision and the reasons therefor.

(c) Finality of determination. A determination or redetermination shall be deemed final unless an interested party entitled to notice thereof applies for reconsideration of the determination or appeals therefrom within five (5) days after delivery of such notification or within seven (7) days after such notification was mailed to his last known address provided, that such period may be extended for good cause.

(d) Appeals referee. To hear and decide disputed claims, the division

HeinOnline -- 1977 Vol. I 104 1977

shall appoint such impartial appeals referee as are necessary for the proper administration of this act, consisting of salaried examiners selected in accordance with section 87-123. No person shall participate on behalf of the division in any case in which he is an interested party. The division may designate alternates to serve in the absence or disqualification of an appeals referee.

(e) Notice of decision of appeals referee and time for appeal. After a hearing an appeals referee shall make findings and conclusions promptly and on the basis thereof affirm, modify, or reverse the deputy's determination or redetermination. Each interested party shall be furnished promptly a copy of the decision and the supporting findings and conclusions; this decision shall be final unless further review is initiated pursuant to subsection (g) of this section within five (5) days after delivery of such notification or within seven (7) days after such notification was mailed to his last known address, provided, that such period may be extended for good cause.

(f) Prompt payment of claims. Notwithstanding any provision in subsection (b), (c) or (g) of this section, benefits shall be paid promptly in accordance with a determination or redetermination under this section, or the decision of an appeals referee, the board of labor appeals or a reviewing court under subsection (g) of this section upon the issuance of such determination, redetermination or decision (regardless of the pendency of the period to apply for reconsideration, file an appeal, or petition for judicial review that is provided with respect thereto in subsection (g) of this section, as the case may be, or the pendency of any such application, filing, or petition), unless and until such determination, redetermination, or decision has been modified or reversed by a subsequent redetermination or decision, in which event benefits shall be paid or denied for weeks of unemployment thereafter in accordance with such modifying or reversing redetermination or decision.

If a deputy's determination or redetermination allowing benefits is affirmed in any amount by an appeals referee, or by the board of labor appeals, or if a decision of an appeals referee allowing benefits is affirmed in any amount by the board of labor appeals, such benefits shall be paid promptly regardless of any further appeal or the disposition of such appeal and no injunction, supersedeas, stay or other writ or process suspending the payment of such benefits shall be issued by the board or any court. Benefits shall not be paid for any weeks of unemployment involved in such modification or reversal that begins after such final decision.

(g) Appeal to board of labor appeals and judicial review. Any interested party dissatisfied with a decision of an appeals referee is entitled to appeal to the board of labor appeals. The division will promptly transmit all records pertinent to the appeal to the board. When a decision is rendered by the board with copies of such decision to all interested parties, including the division, that decision shall become final unless an interested party requests a rehearing or initiates judicial review by filing a petition in district court within thirty (30) days of the date of mailing of the board's decision to his last known address."

Approved March 7, 1977.

(2) Sue or be sued in its corporate name.

(3) Acquire forage producing lands, *including agricultural lands when necessary to comply with the purposes and directives of this chapter,* by lease, purchase, cooperative agreements, or otherwise, either from the United States, the state of Montana, county or counties in which the lands are located, or from private owners. All lands to which a state district may acquire title may be disposed of by exchange, sale or otherwise.

(4) Manage and control the use of its range *and such agricultural lands.* This power includes the right to determine the size of preferences and permit according to a fixed method which shall be stated in the by-laws and which shall take into consideration the rating of dependent commensurate property and the carrying capacity of the range, and may

Section 2. Section 23-4781, R.C.M. 1947, is amended to read as follows:

HeinOnline -- 1977 Vol. I 109 1977

"23-4781. **Campaign treasurer and campaign depository — exception for certain school districts.** (1) *Except as provided in subsection (7), each* candidate for nomination or election to office and each political committee shall appoint one (1) campaign treasurer. No contribution shall be received or expenditure made by or on behalf of a candidate or political committee until the candidate or political committee appoints a campaign treasurer and certifies the name and address of the campaign treasurer pursuant to this section. The certification, which shall include an organizational statement, properly acknowledged by a notary public, and setting forth of the name and address of the campaign treasurer and all other officers, if any, of the political committee, shall be filed with the commissioner and the appropriate county clerk and recorder as specified for the filing of reports in section 23-4778.

(2) A campaign treasurer may appoint deputy campaign treasurers, but not more than one (1) in each county in which the campaign is conducted. Each candidate and political committee shall certify the full name and complete address of the campaign treasurer and all deputy campaign treasurers with the office with whom the candidate or the political committee is required to file reports.

(3) Any campaign or deputy campaign treasurer appointed pursuant to this section shall be a registered voter in this state. An individual may be appointed and serve as a campaign treasurer of a candidate and a political committee or two (2) or more candidates and political committees. A candidate may appoint himself as his own campaign or deputy campaign treasurer. No individual may serve as a campaign or deputy campaign treasurer or perform any duty required of a campaign or deputy campaign treasurer of a candidate or political committee until he has been designated and his name certified by the candidate or political committee.

(4) Deputy campaign treasurers may exercise any of the powers and duties of a campaign treasurer as set forth in this act when specifically authorized in writing to do so by the campaign treasurer and the candidate in the case of a candidate, or the campaign treasurer and the chairman of the political committee in the case of a political committee.

(5) A candidate or political committee may remove his or its campaign or deputy campaign treasurer. The removal of any treasurer or deputy treasurer shall immediately be reported to the officer with whom the name of the campaign treasurer was originally filed. AN ACT AMENDING SECTIONS 3-3102 THROUGH 3-3107, R.C.M. 1947, PERTAINING TO MONTANA APICULTURE LAW.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 3-3102, R.C.M. 1947, is amended to read as follows:

"**3-3102. Apiaries — powers and duties of the department of agriculture.** *(1)* To prevent the spread of contagious and infectious disease among bees and apiaries, the department of agriculture may:

(a) order the transfer of colonies of bees from hives or containers which cannot be properly examined for brood or other diseases to other hives or containers;

(b) order disinfection of any bee, beehive, brood comb, or any other equipment which is infected or contaminated and burn any infected or contaminated bee, beehive, brood comb, or any other equipment if, in its judgment, disinfection will not remove the infection or contamination. Before burning any property, the department shall give the owner or person in charge a written notice at least 5 days before the date on which the property will be burned. The notice shall be given by *certified* mail or personal service upon the owner or person in charge of the property.

(c) quarantine any apiary where foulbrood or any contagious or infectious diseases are present and, during the quarantine, prevent the removal from the apiary of any bees or equipment except under a special permit issued by the department permitting the removal under conditions prescribed by it. A person may not sell or offer for sale any apiary, bees, or equipment which are under quarantine unless a permit authorizing the sale or removal is issued by the department. Written notice of quarantine shall be posted by the department, owner, or person in charge at the quarantined apiary at a conspicuous place, and a copy shall be personally served or sent by *certified* mail to the owner of the apiary or person in charge. The quarantine continues in effect until it is ordered removed and a copy of the removal order served in the same manner.

(d) inspect any apiary, hives, equipment, or premises for the presence of disease;

(e) promulgate and enforce rules adopted pursuant to this chapter.

(2) Any person failing to comply with a rule, order, or provision of a quarantine pursuant to this section is subject to penalties provided for in 3-3110."

Section 2. Section 3-3103, R.C.M. 1947, is amended to read as follows:

"**3-3103. Registration.** (1) A person who owns or possesses an apiary in the state shall, before April 1 each year, register the apiary.

(2) Applications shall be made to the department for registration *application* blanks.

(3) Registration *application* blanks shall be furnished by the department. The *applicant shall provide the following information:*

(a) a statement of the name *and* place of residence;

(b) the number of colonies of bees, hives, and equipment in the apiary;

(c) the location of the apiary, setting forth specifically the location by sectional dvision to the nearest quarter section, and the township and range and, if within the corporate limits of a town or city, the number of the lot and block in the town or city;

(d) the name of the owner, renter, or occupant of the land on which the apiary is located;

(e) the date when the *apiary* was first established; and

(f) other information the department may require under rules adopted by it for the protection, safety, and welfare of the public and beekeeping industry.

(4) Upon receipt of the application and payment of the fees prescribed, the department *may* issue a certificate of registration for an apiary, setting forth the name of the owner, the specific location, and the number of colonies of bees or size of the apiary authorized under the registration.

(5) In issuing certificates of registration for apiaries, if there is a conflict between applicants with respect to location, the department shall give preference to the applicant having the oldest continuous *registered apiary.*

(6) Certificates of registration may not be issued for new apiaries which are within such close proximity to established registered apiaries that there is or may be danger of spread of disease or that the proximity will or may interfere with the proper feeding and honey flow of established apiaries.

(7) Before *registering* new *apiaries,* the department shall give at least 10 days' notice by *certified mail* to all registered apiarists likely to be affected by the proposed new *apiary* so that any party affected may file written protests with the department against *registering* the new *apiary.* If a written protest is filed, the department may require a hearing. Notice of the time and place of the hearing shall be given all parties interested by *certified* mail at least 10 days before the date set for the hearing.

(8) Suitable evidence of registration furnished by the department shall be posted *by the apiary registrant* in a conspicuous place at or near the *apiary.* If an owner has more than one *apiary,* suitable evidence of registration furnished by the department shall be posted at each *apiary.*

(9) A registration not applied for by April 1 of each year is a late registration and incurs an added penalty of 10% of the regular registration fee. Registrants who fail to apply for reregistration by April 1 of each year shall be notified of their delinquency by the department. The notification shall be by *certified* mail and is sufficient if deposited in a United States post office or mail box and addressed to the registrant at his last

"**3-3104. Changing locations — enlarging or selling apiaries.** (1) An owner of an established registered apiary may not change *the location of the apiary* without first receiving from the department *authorization* to establish the new *apiary.* In making the application, he shall specify the location *of the apiary* with the same particularity as in the application *for* original registration. If the new *apiary* is not used within 60 days after a *new certificate of registration* is issued, the *certificate of registration* lapses and all rights under the *registration* terminate. *Registrations* for new *apiaries* may not be issued for greater areas than the applicant can show are reasonably necessary for his needs consistent with good beekeeping practice.

(2) *A registered apiary* may be sold or transferred to a purchaser subject to this chapter, if all bees and equipment on the *apiary* are sold to the purchaser.

(3) A person enlarging an apiary so as to exceed the number of hives authorized under a certificate of registration is subject to the penalties in 3-3110."

"**3-3105. Apiaries — termination of rights — abandonment.** (1) *The registration of an* apiary which is not stocked with bees during at least part of the normal build-up or honey-producing season is forfeited and all rights under the *certificate of registration* terminate.

(2) An apiary not regularly attended in accordance with good beekeeping practice, which comprises a hazard or threat to disease control in the beekeeping industry or which by reason of its physical condition or construction cannot be inspected, may be considered an abandoned apiary and may be seized by the department. Any diseased equipment or equipment which by reason of its physical condition or construction cannot be inspected may be burned, and the remainder may be sold at public auction. Proceeds, after the cost of the sale *is* deducted, shall be returned to the former owner or his estate. Before burning or selling any equipment, the department shall give the owner or person in charge a written notice at least 5 days before the burning or sale. The notice shall be given by *certified* mail or personal service upon the owner or person in charge of the property. If the owner or person in charge cannot be located, a *certified* letter sent to the owner's last address registered with the department is sufficient notice under this section."

"**3-3106. Registration fees.** (1) Each year before a certificate of registration may be issued for an apiary, the owner or applicant for the certificate shall pay the department a registration fee in accordance with the following schedule of fees for the total number of colonies owned or possessed:

"**3-3107. Inspection of bees or used beekeeping equipment transported interstate.** (1) A person may not transport or bring into the state any used beekeeping equipment or containers, including honey to be extracted, unless it is certified and duly marked as disease-free by an official responsible for apiary regulations of the state from which it is being moved. The department shall be advised in advance of the date of entry and the destination of the material. Used equipment transported into the state *may* be quarantined by the department, in accordance with 3-3102*(3)*, from the time it enters the state until it has been in use while under quarantine for a minimum of 90 days and at least until the following July 1. The department may also inspect and certify as disease-free bees or beekeeping equipment which *is* to be transported from Montana to a state which requires an inspection in the state of origin.

The costs of making the inspection shall be paid by the person requesting it, and inspection may be made at any point outside this state convenient to the person making the inspection. Section 2. Section 36-204, R.C.M. 1947, is amended to read as follows:

"**36-204. Procedure.** (1) Whenever any controversy exists between the spouses which may, unless a reconciliation is achieved, result in the dissolution or annulment of the marriage or in the disruption of the household and there is any minor child of the spouses or of either of them whose welfare might be affected thereby, the conciliation court shall have jurisdiction over the controversy and over the parties thereto and all persons having any relation to the controversy as further provided in this chapter.

(2) Prior to the filing of any action for *dissolution,* annulment, or separate maintenance, either spouse or both spouses may file in the conciliation court a petition invoking the jurisdiction of the court for the purpose of preserving the marriage by effecting a reconciliation between the parties or for amicable settlement of the controversy between the spouses so as to avoid further litigation over the issue involved.

(3) The petition shall be captioned substantially as follows:

HeinOnline -- 1977 Vol. I 123 1977

District Court of the State of Montana
For the County of ....

Upon the petition of ..... Petitioner	Petition for Conciliation (Under the Conciliation Court Law)

And concerning
..... and
.....
Respondents.

To the Conciliation Court:

(4) The petition shall:

(a) *allege* that a controversy exists between the spouses and request the aid of the court to effect a reconciliation or an amicable settlement of the controversy;

(b) *state* the name and age of each minor child whose welfare may be affected by the controversy;

(c) *state* the name and address of the petitioner or the names and addresses of the petitioners;

(d) *if* the petition is presented by one spouse only, name the other spouse as a respondent and state the address of that spouse;

(e) *also* name as a respondent any other person who has any relation to the controversy and state the address of the person, if known to the petitioner;

(f) *state* such other information as the court may by rule require.

(5) The clerk of the court shall provide, at the expense of the county, blank forms for petitions for filing pursuant to this chapter. The probation officers of the county and the attaches and employees of the conciliation court shall assist any person in the preparation and presentation of any such petition when any person requests such assistance. All public officers in each county shall refer to the conciliation court all petitions and complaints made to them in respect to controversies within the jurisdiction of the conciliation court.

(6) No fee *may* be charged by any officer for filing the petition nor *may* any fee be charged by any officer for the performance of any duty pursuant to this chapter.

(7) The court shall fix a reasonable time and place for hearing on the petition and shall cause such notice of the filing of the petition and the time and place of the hearing as it *considers* necessary to be given to the respondents. The court may, when it *considers* it necessary, issue a citation to any respondent requiring him to appear at the time and place stated in the citation and may require the attendance of witnesses as in other civil cases.

(8) For the purpose of conducting hearings pursuant to this chapter, the conciliation court may be convened at any time and place within the district and the hearing may be had in chambers or otherwise, except that

HeinOnline -- 1977 Vol. I 124 1977

the time and place for hearing *may* not be different from the time and place provided by law for the trial of civil actions if any party, prior to the hearing, objects to any different time or place.

(9) The hearing shall be conducted informally as a conference or series of conferences to effect a reconciliation of the spouses or an amicable adjustment or settlement of the issues of the controversy. To facilitate and promote the purposes of this *chapter,* the court may, with the consent of both of the parties to the proceeding, recommend or invoke the aid of physicians, psychiatrists, other specialists or scientific experts, or the pastor or director of any religious denomination to which the parties may belong. Such aid, however, shall not be at the expense of the court or of the county, unless the county commissioners of the county specifically provide and authorize such aid.

(10) At or after hearing, the court may make such orders in respect to the conduct of the spouses and the subject matter of the controversy as the court *considers* necessary to preserve the marriage or to implement the reconciliation of the spouses, but in no event *may* such orders be effective for more than 30 days from the hearing of the petition, unless the parties mutually consent to a continuation of such time. Any reconciliation agreement between the parties may be reduced to writing, and with the consent of the parties, a court order may be made requiring the parties to comply fully therewith.

(11) During a period beginning upon the filing of the petition for conciliation and continuing until 30 days after the hearing of the petition for conciliation, neither spouse shall file any action for *dissolution,* annulment of marriage, or separate maintenance. If after the expiration of such period, the controversy between the spouses has not been terminated, either spouse may institute proceedings for *dissolution,* annulment of marriage, or separate maintenance. The pendency of a *dissolution,* annulment, or separate maintenance action *may* not operate as a bar to the instituting of proceedings for conciliation under this chapter.

(12) Whenever any action for *dissolution,* annulment of marriage, or separate maintenance is filed in the district court and it appears to the court at any time during the pendency of the action that there is any minor child of the spouses or of either of them whose welfare may be adversely affected by the dissolution or annulment of the marriage *or* the disruption of the household and that there appears to be some reasonable possibility of a reconciliation being effected, the case may be transferred to the conciliation court for proceedings for reconciliation of the spouses or amicable settlement of issues in controversy, in accordance with the provisions of this chapter.

(13) Whenever application is made to the conciliation court for conciliation proceedings in respect to a controversy between spouses or a contested action for *dissolution,* annulment, or separate maintenance but there is no minor child whose welfare may be affected by the results of the controversy and it appears to the court that reconciliation of the spouses or amicable adjustment of the controversy can probably be achieved and that the work of the court in cases involving children will not be seriously impeded by acceptance of the case, the court may accept

HeinOnline -- 1977 Vol. I 125 1977

and dispose of the case in the same manner as similar cases involving the welfare of children are disposed of. In the event of such application and acceptance, the court shall have the same jurisdiction over the controversy and the parties thereto or having any relation thereto that it has under this chapter in similar cases involving the welfare of children."

Section 3. Section 48-126, R.C.M. 1947, is amended to read as follows:

"**48-126. (2) A person who by law is validly able to obtain a marriage license in this state is also validly able to give consent to any examinations and tests required by this *section*. In submitting the blood specimen to the laboratory, the physician or any other person authorized by the laws of Montana to make such a *medical* certificate shall designate that it is a premarital test."

Section 5. Section 48-135, R.C.M. 1947, is amended to read as follows:

(a) the name of the test;

(b) the date it was made;

(c) the name and address of the physician or other person authorized under the laws of Montana to make the test;

(d) to whom the test was sent; and

(e) the name and address of the person whose blood was tested.

(2) In the event that an error is discovered in the results of the test, such results will be expunged from the records of the department of health and environmental sciences.

HeinOnline -- 1977 Vol. I 126 1977

(3) The certificate and statement shall be on a form to be provided and distributed by the department of health and environmental sciences to all county clerks of the court in the state and to laboratories in this state approved by the department. This form is hereinafter referred to in this act as "the certificate form"."

Section 6. Section 48-137, R.C.M. 1947, is amended to read as follows:

"**48-137. Definition of test — rules.** For the purpose of this act, a standard serological test shall be a test for rubella immunity *and syphilis, as* approved by the department of health and environmental sciences. An approved laboratory shall be the laboratory of the department or a laboratory approved by that department. Any other state *or* United States public health service or United States armed forces laboratory shall be considered approved for the purposes of this act. Such laboratory test may be made on request at the laboratory of the department of health and environmental sciences. Reasonable rules for reports to be submitted by any laboratory making tests and the manner of furnishing the reports to the certifying physician and the state shall be adopted by the department of health and environmental sciences."

Section 7. Section 48-139, R.C.M. 1947, is amended to read as follows:

(2) Medical certificates, laboratory statements or reports, and applications referred to *in this act are* confidential and *may* not be divulged to or open to inspection by any person other than state or local health officers or their representatives. *A* person who *divulges* such information or *opens* to inspection such certificates, statements, reports, *or applications,* without authority, to any person not by law entitled to the same *is* guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than $100."

Section 8. Section 48-146, R.C.M. 1947, is amended to read as follows:

"**48-146. License application.** *(1)* No Montana resident *may* be joined in marriage within this state until a license has been obtained for that purpose from the clerk of the district court of the county in which one of the parties has resided for at least 5 days immediately prior to making application therefor.

(2) A license so issued shall authorize a marriage ceremony to be performed in the county where the license is issued or in any other county of this state.

HeinOnline -- 1977 Vol. I 127 1977

(3) If both parties *are* nonresidents of the state, *the* license may be obtained from the clerk of the district court of the county where the marriage ceremony is to be performed. Section 9. Section 48-309, R.C.M. 1947, is amended to read as follows:

"**48-309. Either the person solemnizing the marriage or, if no individual acting alone solemnized the marriage, a party to the marriage shall complete the marriage certificate form and forward it to the clerk of the district court.

(2) If a party to a marriage is unable to be present at the solemnization, he may authorize in writing a third person to act as his proxy. If the person solemnizing the marriage is satisfied that the absent party is unable to be present and has consented to the marriage, he may solemnize the marriage by proxy. If he is not satisfied, the parties may petition the district court for an order permitting the marriage to be solemnized by proxy.

(3) Upon receipt of the marriage certificate, the clerk of the district court shall register the marriage.

(4) The solemnization of the marriage is not invalidated by the fact that the person solemnizing the marriage was not legally qualified to solemnize it, if either party to the marriage believed him to be so qualified."

Section 10. Section 48-317, R.C.M. 1947, is amended to read as follows:

(c) that the jurisdictional requirements of 48-316 exist and that the marriage is irretrievably broken in that either:

(i) the parties have lived separate and apart for a period of more than 180 days next preceding the commencement of this proceeding; or

(ii) there is serious marital discord which adversely affects the attitude of one or both of the parties towards the marriage, and there is no reasonable prospect of reconciliation;

(d) the names, ages, and addresses of all living children of the marriage and whether the wife is pregnant;

(e) any arrangements as to support, custody, and visitation of the children and maintenance of a spouse; and

(f) the relief sought.

(2) Either or both parties to the marriage may initiate the proceeding.

(3) If a proceeding is commenced by one of the parties, the other party must be served in the manner provided by the Montana rules of civil procedure and may within 20 days after the date of service file a verified response. No decree may be entered until 20 days after the date of service.

(4) Previously existing defenses to divorce and legal separation, including but not limited to condonation, connivance, collusion, recrimination, insanity, and lapse of time, are abolished.

(5) The court may join additional parties proper for the exercise of its authority to implement this act."

Section 11. Section 48-331, R.C.M. 1947, is amended to read as follows:

"**48-331. Jurisdiction — commencement of proceedings.** (1) A court of this state competent to decide child custody matters has jurisdiction to make a child custody determination by initial or modification decree if:

(a) this state:

(i) is the home state of the child at the time of commencement of the proceedings; or

(ii) had been the child's home state within 6 months before commencement of the proceeding and the child is absent from this state because of his removal or retention by a person claiming his custody or for other reason, and a parent or person acting as parent continues to live in this state; or

(b) it is in the best interest of the child that a court of this state assume jurisdiction because:

(i) the child and his parents or the child and at least one contestant have a significant connection with this state; and

(ii) there is available in this state substantial evidence concerning the child's present or future care, protection, training, and personal relationships; or

(c) the child is physically present in this state and:

(i) has been abandoned; or

(ii) it is necessary in an emergency to protect him because he has been subjected to or threatened with mistreatment or abuse or is neglected or dependent; or

HeinOnline -- 1977 Vol. I 129 1977

(d) (i) no other state has jurisdiction under prerequisites substantially in accordance with *subsections (1)*(a), *(1)*(b), or *(1)*(c) *of this section* or another state has declined to exercise jurisdiction on the ground that this state is the more appropriate forum to determine custody of the child; and

(ii) it is in his best interest that the court assume jurisdiction.

(2) Except under *subsections (1)*(c) and *(1)*(d) of *this section*, physical presence in this state of the child or of the child and one of the contestants is not alone sufficient to confer jurisdiction on a court of this state to make a child custody determination.

(3) Physical presence of the child, while desirable, is not a prerequisite for jurisdiction to determine his custody.

(4) A child custody proceeding is commenced in the district court:

(a) by a parent, by filing a petition:

(i) for dissolution or legal separation; or

(ii) for custody of the child in the county in which he is permanently resident or found; or

(b) by a person other than a parent, by filing a petition for custody of the child in the county in which he is permanently resident or found, but only if he is not in the physical custody of one of his parents.

(5) Notice of a child custody proceeding shall be given to the child's parent, guardian, and custodian, who may appear, be heard, and file a responsive pleading. The court, upon a showing of good cause, may permit intervention of other interested parties."

Section 12. Section 48-333, R.C.M. 1947, is amended to read as follows:

"**48-333. Temporary orders.** (1) A party to a custody proceeding may move for a temporary custody order. The motion must be supported by an affidavit as provided in 48-340. The court may award temporary custody under the standards of 48-332 after a hearing or, if there is no objection, solely on the basis of the affidavits.

(2) If a proceeding for dissolution of marriage or legal separation is dismissed, any temporary custody order is vacated unless a parent or the child's custodian moves that the proceeding continue as a custody proceeding and the court finds, after a hearing, that the circumstances of the parents and the best interest of the child *require* that a custody decree be issued.

(3) If a custody proceeding commenced in the absence of a petition for dissolution of marriage or legal separation is dismissed, any temporary custody order is vacated."

Section 13. Section 61-105, R.C.M. 1947, is amended to read as follows:

HeinOnline -- 1977 Vol. I 130 1977

"61-105. **Custody, services, and earnings of child.** The father and mother of an unmarried minor child are equally entitled to *the* custody, services, and earnings *of the child.* If either parent be dead or unable or *refuses* to take the custody or has abandoned his or her family, the other is entitled to *the* custody, services, and earnings *of the child.*"

Section 14. Section 61-109, R.C.M. 1947, is amended to read as follows:

"61-109. **Allowance to parent.** The proper court may direct an allowance to be made to the parent of a child out of *the child's* property for *the* past or future support and education *of the child,* on such conditions as may be proper, whenever such direction is for *the child's* benefit."

Section 15. Section 61-113, R.C.M. 1947, is amended to read as follows:

"61-113. **Remedy when parent dies without providing for support of child.** If a parent chargeable with the support of a child dies leaving *the child* chargeable to the county and leaving an estate sufficient for *the child's* support, the county commissioners of the county may claim provision for *the child's* support from the parent's estate by civil action and for this purpose may have the same remedies as any creditors against that estate and against the heirs, devisees, and the next of kin of the parent."

Section 16. Section 61-118, R.C.M. 1947, is amended to read as follows:

"61-118. **Compensation and support of person after attaining majority.** Where a *person,* after attaining majority, continues to serve and to be supported by the parent, neither party is entitled to compensation, in the absence of an agreement therefor."

Section 17. Section 61-122, R.C.M. 1947, is amended to read as follows:

"61-122. **When custody may be awarded without dissolution proceedings.** When a husband and wife live in a state of separation without *the marriage being dissolved,* any court of competent jurisdiction, upon application of either, if an inhabitant of this state, may inquire into the custody of any unmarried minor child of the marriage and may award the custody of such child to either for such time and under such regulations as the case may require."

Section 18. Section 61-208, R.C.M. 1947, is amended to read as follows:

"61-208. **Petition for adoption.** (1) A petition for adoption shall be filed in duplicate, verified by the petitioners, and shall specify:

(a) *the* full names, ages, and place of residence of the petitioners and, if married, the place and date of the marriage;

(b) *when* the petitioners acquired or intend to acquire custody of the child and from what person or agency;

HeinOnline -- 1977 Vol. I 131 1977

(c) *the* date and place of birth of child, if known;

(d) *the* name used for the child in the proceeding and, if a change in name is desired, the new name;

(e) *that* it is the desire of the petitioners that the relationship of parent and child be established between them and the child;

(f) *a* full description and statement of value of all property owned or possessed by the child;

(g) *facts*, if any, which excuse consent on the part of a parent to the adoption.

(2) One copy of the petition shall be retained by the court. The other shall be sent to the department of social and rehabilitation services. *An additional copy shall be sent* to any agency participating in the adoption proceeding.

(3) Any written consent required by this act may be attached to the petition or may be filed after the filing of the petition, with the consent of the court."

Section 19. Section 61-211, R.C.M. 1947, is amended to read as follows:

"**61-211. Interlocutory and final decree.** *(1)* Upon examination of the report described in 61-209, if such report has been *considered* necessary by *the* court, and after hearing, the court may issue an interlocutory decree giving the care and custody to the petitioners pending the further order of the court.

(2) When a petition has been filed seeking the adoption of a child, the court must cause service of process to be made on the parent or parents of the child, except in those cases hereinafter provided, in the following manner:

(a) The court shall order a citation to issue to the parent or parents in the name of the state of Montana and under the seal of the court directing such parent or parents to appear in court at a time to be fixed by the court and show cause why *the* petition should not be granted.

(b) Such citation, together with a copy of the petition for adoption, shall be personally served upon such parent or parents. If, however, any such parent or parents cannot be found within this state, service may be had by publication of a copy of *the* citation in the manner provided for the publication of summons by Rule 4, M.R.Civ.P.

(3) If, after completion of such service, any parent so served does not appear, the court may act upon the petition and the order of the court thereon shall be binding upon all persons so served; provided that any such person *may* appeal from the order in the manner and form provided for appeals from a judgment in civil actions.

(4) The petitioners and the child shall appear at *the* hearing, unless the presence of the child is waived by the court.

(5) Service of process, as aforesaid, need not be made on a parent who

HeinOnline -- 1977 Vol. I 132-1977

has consented in writing to an adoption; or on any parent whose consent to adoption is not required under the provisions of 61-205 *or 61-325,* and service of process shall not be made on any parent who has relinquished his child to the department of social and rehabilitation services or an adoption agency licensed by the department.

(6) After an interlocutory decree has been issued by the court, the investigator, if any, shall observe the child in his adoptive home and report in writing to the court within 6 months on any circumstances or conditions which may have a bearing on the adoption. After 6 months from the date of the interlocutory decree, the petitioners may apply to the court for a final decree of adoption. The court shall thereupon set a time and place for final hearing. Notice of the time and date of the hearing shall be served on the department of social and rehabilitation services and the investigator, if any. The investigator, if any, shall file with the court a written report of his findings and recommendations and certify that the described investigation, if any, has been made since the granting of the interlocutory decree. After hearing on said application, at which the petitioners and the child shall appear, unless the presence of the child is waived by the court, the court may enter a final decree of adoption if satisfied that the adoption is for the best interests of the child. If the adoption is denied, an appropriate order shall be made as to the future custody of *the* child."

Section 20. Section 61-214, R.C.M. 1947, is amended to read as follows:

In addition to any other method provided by rule or statute, personal jurisdiction may be acquired by service in accordance with Rule 4B of the Montana *rules* of *civil procedure.*

(3) The action may be brought in the county in which the child or the alleged father resides or is found or, if the father is deceased, in which proceedings for probate of his estate have been or could be commenced."

(2) In the best interest of the child or the mother, the court may, and upon the *promisor's* request shall, order the promise to be kept in confidence and designate a person or agency to receive and disburse on behalf of the child all amounts paid in performance of the promise."

Section 23. Section 93-505, R.C.M. 1947, is amended to read as follows:

"**93-505. Sittings of court — when private.** In an action for *dissolution of marriage,* criminal conversation, *or* seduction the court may direct the trial of any issue of fact joined therein to be private and exclude all persons except the officers of the court, the parties, their witnesses, and counsel, provided that in any cause the court may, in the exercise of sound discretion, during the examination of a witness, exclude any or all witnesses in the cause."

Section 24. Section 93-2601-60, R.C.M. 1947, is amended to read as follows:

"**93-2601-60. Hearing and continuance.** If the obligee is not present at the hearing and the obligor denies owing the duty of support alleged in the petition or offers evidence constituting a defense, the court, upon request of either party, *may* continue the hearing to permit evidence relative to the duty to be adduced by either party by deposition or by appearing in person before the court. The court may designate the judge of the initiating court as a person before whom a deposition may be taken."

Section 25. **Repealer.** Sections 36-110, 36-130, 36-131, 48-112, 48-123, 48-144, and 93-2201-6, R.C.M. 1947, are repealed.

If probable cause is found, the court may appoint a responsible person other than the respondent's parents or guardian to protect the interests of the respondent. The responsible person shall be notified as soon as possible that a petition has been filed. Notice of the petition and the finding of probable cause shall be mailed or delivered to the respondent and to all other persons named in the petition and to any person who would have been named in the petition had his name, address, and relationship to the respondent been known at the time.

(4) When the professional person first contacts the respondent, before he begins any examination, he shall give the respondent a copy of the petition and explain to the respondent the nature of the proceeding and his rights as set forth in the petition. If the respondent is incapable of understanding the explanation and proceeding, the professional person shall give the petition and make the explanation to the parents or guardian of the respondent. Before making any inquiry of the parents or guardian of the respondent, the professional person shall give them a copy of the petition *and* explain the nature of the proceeding and their rights as set forth in the petition."

Section 6. Section 38-1206, R.C.M. 1947, is amended to read as follows:

HeinOnline -- 1977 Vol. I 146 1977

"**38-1206. Action on petition.** (1) If the professional person, based on his examination and inquiry, determines that the respondent is not developmentally disabled or is not in need of developmental disability services, he shall report this finding in writing to the court and the petition shall be dismissed. If the professional person concludes that the respondent is developmentally disabled and in need of developmental disability services, he shall report this conclusion to the court in writing together with his recommendations for evaluation and treatment. The report shall include an explanation of the basis on which the professional person has reached his conclusion and shall include a description of any tests or evaluation devices he has employed. If the professional person's recommendation is for further evaluation and treatment, notice of this recommendation shall be sent to the respondent, his parents or guardian, the next of kin, the responsible person appointed by the court, if any, *and* any attorney representing the respondent or his parents or guardian. If no responsible person has yet been appointed, the court may appoint one at this time.

(2) If the respondent, his parents or guardian, the responsible person, if any, or counsel for any party requests a hearing on the recommendation, the court shall set a time and place for hearing. The hearing shall be before the court without a jury. The rules of civil procedure shall apply.

(3) Prior to any hearing held pursuant to this section, the court shall appoint counsel to represent the respondent if the respondent has not retained independent counsel. The parents (or guardian) shall be informed of their right to counsel, and if they are indigent, the court shall on their request appoint counsel for them. In no case *may* the same attorney represent the respondent and his parents or guardian.

(4) If the hearing is waived or if the court finds, after hearing, that the respondent is developmentally disabled and in need of further evaluation and treatment, the court shall order that the respondent undergo such evaluation and treatment. Evaluation and treatment ordered pursuant to this subsection *may not* be for more than 30 days. It shall take place in the least restrictive environment in which the necessary evaluation and treatment can be accomplished. Evaluation and treatment in a residential facility *may* be ordered only if the necessary evaluation and treatment cannot be accomplished through the use of community-based facilities."

Section 7. Section 38-1208, R.C.M. 1947, is amended to read as follows:

"**38-1208. Recommendation to residential facility.** (1) If as a result of the evaluation and treatment, either agreed to by the parents, guardian, or the person himself pursuant to 38-1204 or ordered by the court, the professional person in charge of the case concludes that the person evaluated is seriously developmentally disabled and recommends that treatment and habilitation be had in a residential facility on an extended basis, the professional person shall file his written recommendation and report with the court and request that the court order the admission. The report shall include the factual basis for the recommendation and shall describe any tests or evaluation devices which have been employed in evaluating the patient. If no responsible person has yet been

HeinOnline -- 1977 Vol. I 147 1977

appointed, the court may appoint one at this time. If there is no parent or guardian, the court shall appoint a responsible person. At the request of the respondent, his parents or guardian, or the responsible person, the court shall appoint counsel for the respondent. If the parents (or guardian) are indigent and if they request it, the court shall appoint counsel for the parents or guardian. Notice of the recommendation shall be mailed or delivered to the respondent, his parents or guardian, the responsible person, next of kin, if known, and the attorney for the respondent, if any, and for the parents or guardian, if any.

(2) The respondent, his parents or guardian, the responsible person, or the attorney for any party may request that a hearing be had on the recommendation. If a hearing is requested, the court shall mail or deliver notice of the date, time, and place of the hearing to each of the parties listed at the beginning of this subsection. The hearing shall be to the court without jury. The rules of civil procedure shall apply.

(3) If the court finds that the respondent is seriously developmentally disabled and that available community-based services are not adequate, it shall order the respondent admitted to a residential facility for an extended course of treatment and habilitation. If the court finds that the respondent is developmentally disabled, in need of developmental *disability* services, *and* that available community-based services are adequate, it shall order the respondent to undertake a community-based course of treatment and habilitation. If the court finds that the respondent is not developmentally disabled or is not in need of developmental disability services, it shall dismiss the request.

(4) If none of the parties notified of the recommendation request a hearing, the court may issue an order authorizing the person to be admitted to the residential facility for an extended period of treatment and habilitation or the court may initiate its own inquiry as to whether the order should be granted. The court may refuse to authorize admission of a person to a residential facility for an extended period of treatment and habilitation if such admission is not in the best interests of the person.

(5) If any person is admitted to a residential facility for an extended course of habilitation without a hearing and if subsequent to such admission one of the parties who could have requested a hearing learns that an alternative course of treatment is available which is more suitable to the needs of the resident, the party may request the professional person in charge of the resident to release the resident to the alternative if it is a community-based alternative or transfer the resident to the alternative if it is a residential alternative. Any such transfer or release shall comply with the requirements of 38-1209. If the professional person in charge of the resident refuses to authorize the release or transfer, then the party may petition the court for a hearing to determine whether the present residential alternative should be continued. The hearing shall comply with the procedures set forth in subsection (2) of this section."

Section 8. Section 38-1222, R.C.M. 1947, is amended to read as follows:

"**38-1222. Right to habilitation.** (1) Persons admitted to residential

HeinOnline -- 1977 Vol. I 148 1977

facilities shall have a right to habilitation, including medical treatment, education, and care suited to their needs regardless of age, degree of retardation, or handicapping condition. Each resident has a right to a habilitation program which will maximize his human abilities and enhance his ability to cope with his environment. Every residential facility shall recognize that each resident, regardless of ability or status, is entitled to develop and realize his fullest potential. The facility shall implement the principle of normalization so that each resident may live as normally as possible.

(2) Residents shall have a right to the least restrictive conditions necessary to achieve the purposes of habilitation. To this end, the facility shall make every attempt to move residents from:

(a) more to less structured living;

(b) larger to smaller facilities;

(c) larger to smaller living units;

(d) group to individual residence;

(e) segregated from the community to integrated into the community living;

(f) dependent to independent living.

(3) Within 30 days of his admission to a residential facility, each resident shall have an evaluation by appropriate specialists for programming purposes.

(4) Each resident shall have an individualized habilitation plan formulated by the facility. This plan shall be developed by appropriate professional persons and implemented as soon as possible but no later than 14 days after the resident's admission to the facility. An interim program of habilitation, based on the preadmission evaluation conducted pursuant to this act, shall commence promptly upon the resident's admission. Each individualized habilitation plan shall contain:

(a) a statement of the nature of the specific limitations and specific needs of the resident;

(b) a description of intermediate and long-range habilitation goals with a projected timetable for their attainment;

(c) a statement of and an explanation for the plan of habilitation for achieving these intermediate and long-range goals;

(d) a statement of the least restrictive setting for habilitation necessary to achieve the habilitation goals of the resident;

(e) a specification of the professional persons and other staff members who are responsible for the particular resident's attaining these habilitation goals;

(f) criteria for release to less restrictive settings for habilitation, including criteria for discharge and a projected date for discharge.

HeinOnline -- 1977 Vol. I 149 1977

(5) As part of his habilitation plan, each resident shall have an individualized *postinstitutionalization* plan. This plan shall be developed by a professional person who shall begin preparation of such plan upon the resident's admission to the institution and shall complete such plan as soon as practicable. The parents or guardian or next of kin of the resident, the responsible person appointed by the court, if any, and the resident, if able to give informed consent, shall be consulted in the development of such plan and shall be informed of the content of such plan.

(6) In the interests of continuity of care, one professional person shall whenever possible be responsible for supervising the implementation of the habilitation plan, integrating the various aspects of the habilitation program, and recording the resident's progress as measured by objective indicators. This professional person shall also be responsible for ensuring that the resident is released when appropriate to a less restrictive habilitation setting.

(7) The habilitation plan shall be continuously reviewed by the professional person responsible for supervising the implementation of the plan and shall be modified if necessary. In addition, 6 months after admission and at least annually thereafter, each resident shall receive a comprehensive psychological, social, educational, and medical diagnosis and evaluation and his habilitation plan shall be reviewed by an interdisciplinary team of no less than two professional persons and such resident care workers as are directly involved in his habilitation and care. A habilitation plan shall be reviewed monthly.

(8) Each resident discharged to the community shall have a program of transitional habilitation assistance.

(9) The professional person in charge of the residential facility shall report in writing to the parents or guardian of the resident or the responsible person at least every 6 months on the resident's educational, vocational, and living skills progress and medical condition. Such report shall also state any appropriate habilitation program which has not been afforded to the resident because of inadequate habilitation resources.

(10) The parents or guardian of each resident or the responsible person appointed by the court shall promptly upon *the* resident's admission receive a written copy of all the above standards for adequate habilitation. Each resident, if the resident is able to comprehend, shall promptly upon his admission be orally informed in clear language of the above standards and, where appropriate, be provided with a written copy."

Section 20. Section 71-222, R.C.M. 1947, is amended to read as follows:

"**71-222. County to levy taxes, budget, and make expenditures for public assistance activities.** (1) The board of county commissioners in each county shall levy *13.5* mills for the county poor fund as provided by law or so much thereof as may be necessary. The board shall budget and expend so much of the funds in the county poor fund for *public assistance* purposes as will enable the county welfare department to pay the general relief activities of the county and to reimburse the state department for the county's proportionate share of the administrative costs of the county welfare department and of all public assistance and its proportionate share of any other *public assistance* activity that may be carried on jointly by the state and the county.

HeinOnline -- 1977 Vol. I 156 1977

(2) The amounts set up in the budget for the reimbursements to the state department shall be sufficient to make all of these reimbursements in full. The budget shall make separate provision for each one of these public assistance activities, and proper accounts shall be established for the funds for all such activities.

(3) As soon as the preliminary budget provided for in 16-1903 has been agreed upon, a copy thereof shall without delay be mailed to the state department, and at any time before the final adoption of the budget, the department shall make such recommendations with regard to changes in any part of the budget relating to the county poor fund as considered necessary in order to enable the county to discharge its obligations under the *public assistance laws.*

(4) The state department shall promptly examine the preliminary budget in order to ascertain if the amounts provided for reimbursements to the state department are likely to be sufficient and shall notify the county clerk of *its* findings. The board shall make such changes in the amounts provided for reimbursements, if any are required, *in order* that the county will be able to make the reimbursements in full.

(5) The board of county commissioners may not make any transfer from the amounts budgeted for reimbursing the state department without having first obtained a statement in writing from the state department to the effect that the amount to be transferred will not be required during the fiscal year for the purposes for which the amounts were provided in the budget.

(6) No part of the county poor fund, irrespective of the source of any part thereof, may be used directly or indirectly for the erection or improvement of any county building so long as the fund is needed for general relief expenditures by the county or is needed for paying the county's proportionate share of public assistance or its proportionate share of any other *public assistance* activity that may be carried on jointly by the state and the county. Expenditures for improvement of any county buildings used directly for care of the poor may be made out of any moneys in the county poor fund, whether such moneys are produced by *the 13.5-mill* levy provided for in *subsection* (1) of this section or from any additional levy authorized or to be authorized by law. Such expenditure shall be authorized only when any county building used for the care of the poor must be improved in order to meet legal standards required for such buildings by the department of health and environmental sciences and when such expenditure has been approved by the state department."

HeinOnline -- 1977 Vol. I 157 1977

way disposing of the property, either personal or real, of a recipient of assistance without the consent of the county department and with the intent to defeat the purposes of this act *is* guilty of a misdemeanor. "**71-230. Method of issuing assistance grants — reimbursement.** *(1)* Checks in payment of public assistance, with the exception of general relief, shall be issued by the state department upon approved certificates of award and reports of changes of such eligible grantees as are forwarded by the county department to the state department, and all such checks will be mailed to the individual recipient or the appropriate vendor. The checks in payment of public assistance shall be issued in the full approved amount for each eligible approved grantee, and the original monthly payment shall be from the state public *assistance* accounts. All public assistance checks shall represent cash on demand at full par value to the recipient and vendor.

(2) Whenever the state department, acting pursuant to standards established by *the* department, *determines* that any otherwise eligible recipient of *old-age* assistance, aid to the needy blind, *or* aid to the permanently and totally disabled has, by reason of any physical or mental condition, such inability to manage funds that making payments to him would be contrary to his welfare, the department may, under standards established under the state plan, make the public assistance payment on behalf of such recipient to another person found by the department to be interested in or concerned with the welfare of such needy individual. Before such payments may be paid to such other person, such person shall give a bond, with adequate corporate surety and in form to be approved by the state department, running in favor of the needy individual and the state of Montana, conditioned upon the faithful use by such other person of the funds for the welfare of the needy individual. Such bond shall be in an amount equal to six times the amount of the monthly payment involved.

(3) On or before the *20th* of each month the state department *shall* present a claim for reimbursement to each county department for its proportionate share of public assistance granted in the county to recipients during the month and for vendor medical payments made on behalf of recipients in the previous month. The county department *shall* make *the* reimbursement to the state department within 20 days after *the* claim is presented."

"**71-233.1. Investigations and enforcement actions by department of revenue.** When requested by the department of social and rehabilitation services, the department of revenue shall:

assistance benefits by *public assistance* recipients and the receipt and disbursal of *public assistance* funds by state, county, or other governmental agencies;

Section 24. Section 71-233.3, R.C.M. 1947, is amended to read as follows:

"**71-233.3. Information made available to department of revenue.** (1) The department of social and rehabilitation services and its local units shall make available to the department of revenue information contained in the *public assistance* files pertinent to the investigations and judicial actions described in 71-233.1.

(2) Every other state, county, or other governmental agency shall make available to the agents or attorneys of the department of revenue all records, files, memoranda, forms, or other papers relating to public *assistance* matters, including income tax returns filed with the department of revenue."

Section 25. Section 71-302.2, R.C.M. 1947, is amended to read as follows:

"**71-302.2. Residency requirements.** *(1)* Any person otherwise qualified who makes his home in Montana with the intent to become a resident shall be eligible for general relief. Upon the filing of his application in the county of residence, *a qualified applicant's general relief* assistance shall be paid entirely from state funds until he has resided for 1 continuous year in Montana, at which time he shall become a financial responsibility of the county in which he resides at the expiration of the *1-year* period. A person who leaves Montana with the intent to reside in another state and later returns to reside in Montana *is considered* a new resident for the purposes of this act. If a recipient moves from his original county of residence to reside in another county, he shall continue to be a financial responsibility of the original county of residence for 1 year from the date of his change of residence. If during this *1-year* period the individual resides in several counties, he shall become a financial responsibility of the county in which he resides at the expiration of the *1-year* period. County medical assistance under 71-308 shall not be entitled to be paid from state funds.

(2) If a person is absent from the state voluntarily, he *is* ineligible for general relief in Montana. Aliens found to be illegally within the United States *are* not eligible for relief from state funds.

(3) Recipients of public assistance who become wards or patients in a licensed nursing home or hospital, foster home, or a private charitable institution shall have the county share of financial participation paid entirely from state funds for 1 year from the original date of entrustment or the original date of state residency, whichever is earlier. At the expiration of such period, the appropriate county, as defined by the following guidelines, shall become financially responsible to the extent of its legally required share of participation. The county in which commitment of an

adult is initiated *is considered* the county of financial responsibility except where court decree declares the residency to be otherwise. *When* an adult is transferred from a facility or institution to one of the above-enumerated facilities, the county which initiated the original commitment *is considered* the county of financial responsibility except in the case of an adult transfer from an out-of-state institution, in which case the county in which the facility is located *is considered* the county of financial responsibility. In all cases where a minor patient or ward is involved, the county of financial responsibility *is* the county in which the parent or guardian resides. *If* the custody of a minor is entrusted to a state agency, the agency *may* make a reasonable declaration of the county residency of its ward using applicable guidelines enumerated in this section. A person who reaches majority in an institution, upon release and restoration to competency, *may* determine his own county residency. Such person shall continue to be a financial responsibility of the county which initiated the original commitment for 1 year from the date of release, at which time he shall become a financial responsibility of his new county of residence.

(4) Nonresidents or interstate transients may receive temporary relief from county funds in cases of extreme necessity and destitution until they *are* returned at state expense to their state of residence or origin. Medical expenses arising from accidental injury to interstate transients shall be paid from county funds and reimbursed by the state upon submission of a proper claim.

(5) "Interstate transient", as the term is used in this act, is defined as an individual who has signed a declaration that he is unable to pay for his own necessities or transportation to return to his state of residence or origin and is en route to a point outside of this state, being unable, due to unexpected distress, to reach his destination."

Section 26. Section 71-303, R.C.M. 1947, is amended to read as follows:

"**71-303. Eligibility for general relief based on investigation of resources.** An applicant for *general relief* assistance, including medical care and hospitalization, shall be eligible to receive assistance only after investigation by the county department reveals that the income and resources are insufficient to provide the necessities of life. *Assistance* shall be provided to meet a minimum subsistence compatible with decency and health."

Section 27. Section 71-305, R.C.M. 1947, is amended to read as follows:

"**71-305. Right of equal consideration.** Persons eligible for and in need of *general* relief, whether employable or unemployable, *shall be* given equal consideration for public assistance as those persons eligible for assistance under other parts of this act."

Section 28. Section 71-306, R.C.M. 1947, is amended to read as follows:

"**71-306. Grievances concerning general relief assistance.** Individuals or committees with complaints or grievances concerning *general*

HeinOnline -- 1977 Vol. I 160 1977

relief assistance may present their complaints or grievances to either the county board or the state department, and due consideration shall be given all proven facts presented by the individuals or committees. The county board or the state department shall take action to relieve situations brought to their attention under this section to the extent of funds available."

Section 29. Section 71-307, R.C.M. 1947, is amended to read as follows:

"**71-307. Relief by check or disbursing orders.** (1) All *general* relief disbursements by county departments of public welfare shall be by warrant or check. However, if the county welfare department finds that a recipient is in the habit of dissipating *general* relief allowances instead of using them for the purposes intended or that for any other reason it is better for the recipient and his family to receive the allowance through disbursing orders, then disbursing orders shall be used instead of cash payments. *All* such disbursing orders must be written in such form that the goods and merchandise to be provided may be furnished by any regular dealer in such goods and merchandise within the county. A recipient of general relief must register for employment with the *state employment service* and must accept available employment within his or her capability. Refusal to accept such employment will render the recipient ineligible for further general relief assistance. If the county has work available which a recipient of general relief is capable of performing, then the county department of public welfare may require the recipient to perform the work at the prevailing rate of wages paid by that county for similar work, to be paid from the county poor fund in place of granting him general relief.

(2) The county department of public welfare shall provide coverage under the *Workers'* Compensation Act for those recipients of general relief working under the provisions hereof and may enter into such agreements with the division of *workers'* compensation of the department of labor and industry as may be necessary to carry out the provisions of this section.

(3) Any recipient of general relief who is subject to the provisions of this section and who without cause refuses to perform work assigned to him as herein provided shall lose his eligibility for general relief for 1 week for each refusal."

Section 30. Section 71-308, R.C.M. 1947, is amended to read as follows:

"**71-308. County to provide medical aid and hospitalization to indigent.** (1) *Except as provided in other parts of this act, medical* aid and hospitalization for nonresidents within the county and county residents unable to provide such necessities for themselves are the legal and financial duty and responsibility of the board of county commissioners, payable from the county poor fund. The board of county commissioners shall make provisions for competent and skilled medical or surgical services as approved by the department of health and environmental sciences or the state medical association or in the case of osteopathic practitioners by the state osteopathic association or chiropractors by the state chiro-

practic association or optometrical services as approved by the Montana optometric association and dental services as approved by the dental association. "Medical" or "medicine" as used in this *section* refers to the healing art as practiced by licensed practitioners.

(2) The board, in arranging for medical care for those unable to provide it for themselves, may have the care provided by the physicians appointed by the board who shall be known as county physicians or deputy county physicians and may fix a rate of compensation for the furnishing of the medical attendance.

(3) The board of county commissioners shall make suitable arrangements to provide respectable burial for nonresidents within the county and county residents for whom such expenses are not otherwise available.

(4) The department of social and rehabilitation services may promulgate rules to determine under what circumstances persons in the county are unable to provide medical aid and hospitalization for themselves, including the power to define the term "medically needy". *Such* definition may not allow payment by a county for general assistance-medical for persons whose income exceeds 300% of the limitation for obtaining regular county general *relief* assistance.

(5) In any case where the county or state pays medical expenses or hospitalization for an individual, the county or state is subrogated to the claims of the physician or hospital to the extent of payment."

Section 31. Section 71-311, R.C.M. 1947, is amended to read as follows:

"**71-311. Grants from state funds to counties.** *(1)* If the whole of *the 13.5-mill* levy authorized by 71-106 and the income to the county poor fund from all other sources *is* inadequate to pay for the general relief in the county actually necessary and to meet the county's proportionate share of public assistance and its proportionate share of any other *public assistance* activity that may be carried on jointly by the state and the county and if warrants upon the county poor fund can no longer lawfully be issued to meet these charges and if the board of county commissioners is unable to declare an emergency for the purpose of providing additional funds or to provide additional funds from any other source and if the county has in all respects expended the county poor fund only for lawful purposes and if all of these conditions exist in any county of the state, then the state department shall, *insofar* as it has funds available, come to the assistance of such county in the following manner.

(2) When the county in question has submitted proof to the state department, through such reports as it may require and through other evidence that may be *considered* necessary, that these conditions exist, then the state department *is authorized* to issue a check to the county treasurer of the county for general relief purposes, and the county department of public welfare shall make the disbursements of these state funds for general relief purposes within the county. These grants-in-aid from the state department may be used for any relief activity lawfully conducted by the county, including medical aid, hospitalization, and institutional care; but no part thereof may be used, directly or indirectly, to

HeinOnline -- 1977 Vol. I 162 1977

pay for the erection or improvement of any county building or for furniture, fixtures, appliances, or equipment for any such building.

(3) Immediately upon receiving notice that such grant-in-aid has been made by the state department, the board of county commissioners *shall* adopt an emergency budget in accordance with the provisions of 16-1907 but *are not* required to publish any notice of intention to adopt such emergency budget or hold a hearing thereon. This emergency budget shall appropriate the whole amount of the general relief grant from the state department for the various classes of expenditures from the poor fund for which the grant-in-aid was made by the state department. The money received through such general relief grant from the state department shall be placed in a special poor fund account kept separate and distinct from the poor fund accounts arising under the original poor fund budget, and all expenditures from this special poor fund account shall be made by a separate series of warrants or checks."

Section 32. Section 71-314, R.C.M. 1947, is amended to read as follows:

"**71-314. Amount of general relief assistance to be determined by county board.** The amount of *general relief* assistance granted any person or family shall be determined by the county board of public welfare according to the rules and standards of assistance established by the state department."

Section 33. Section 71-501, R.C.M. 1947, is amended to read as follows:

"**71-501. "Dependent child" defined.** (1) *(a)* The term "dependent child", for *public assistance* purposes, means:

(i) a child under the age of 18; or

(ii) a person under the age of 21 who is a student under the regulations prescribed by the state department.

(b) The child ((a)(i) or (a)(ii) above) must be deprived of parental support or care by reason of the death, continued absence from the home, continued unemployment, or physical or mental incapacity of a parent and *be living* with his father, mother, grandfather, grandmother, brother, sister, stepfather, stepmother, stepbrother, stepsister, uncle, aunt, nephew, niece, or first cousin in a place of residence maintained by one or more of such relatives as his or their own home.

(2) Aid to dependent children may not be denied to or for the care of children who would otherwise be entitled to such aid under the laws of this state by the fact that the child is living in the home of his father who is, in the opinion of the county board of public welfare of the appropriate county, either unemployable or who is honestly and responsibly seeking proper employment and is unable to find such employment *or* by the fact that the child is living in the home of a head of a household who is at the time receiving job training under the laws of this state; nor *may* the benefits which would otherwise accrue to the child for aid to dependent children under the laws of the state be reduced by reason of any such cause.

HeinOnline -- 1977 Vol. I 163 1977

(3) Primary factors in determining whether a father is honestly and responsibly seeking employment include his willingness to register for employment with the department of labor and industry, if that department has a representative in his county of residence, and his willingness to accept employment in which he is able to engage which will increase his ability to maintain himself and his family.

(4) The state department may establish additional criteria for determining whether a father is honestly and responsibly seeking employment."

Section 34. Section 71-509, R.C.M. 1947, is amended to read as follows:

"**71-509. Periodic reconsideration and changes in amount of assistance — appointment of guardian or payment to another person.** *(1)* All assistance grants made under this chapter shall be reconsidered by the county department as frequently as may be required by the rules of the state department. After such further investigation as the county department may *consider* necessary or the state department may require, the amount of assistance may be changed or assistance may be entirely withdrawn if the state or county departments find that the child's circumstances have altered sufficiently to warrant such action. *If* the county department, after investigation, finds that any recipient is not utilizing the grant adequately for the needs of the child or children, is dissipating such grant or refuses or fails to accept employment or training, and payments made to him would not be used in the best interests of the child or children, the county department may request the county attorney to file a petition in the district court for the appointment of such recipient as guardian of the assistance grant in behalf of the child or children. Such petition shall set forth the facts warranting such appointment. Notice of the hearing on such petition shall be served upon the recipient and the county department not less than 5 days before the date set for such hearing; such petition may be filed with the clerk of the district court and all process issued and served without payment of costs. If upon the hearing of such petition the court is satisfied that it is for the best interests of the child or children and all parties concerned that such guardian be appointed, he shall order such appointment and may require such guardian to render to the court a detailed itemized account of expenditures of such assistance payments at such times as the court *considers* advisable.

(2) It is the intention of this *section* that the guardianship herein provided for shall be a special and limited guardianship solely for the purpose of safeguarding the assistance grants made to dependent children. Such guardianship shall terminate upon the termination of such assistance grant or sooner on order of the court, upon good cause shown. In lieu of guardianship proceedings, payments may be made in behalf of the child or children to another person found by the *county* department to be interested in or concerned with the welfare of such needy child or children in accordance with the rules established by the state department. *Before such payments may be paid to such other person, such person shall give a bond, with adequate corporate surety and in form to be approved by the*

HeinOnline -- 1977 Vol. I 164 1977

state department, running in favor of the needy individual and the state of Montana, conditioned upon the faithful use by such other person of the funds for the welfare of the needy individual. Such bond shall be in an amount equal to six times the amount of the monthly payment involved.

(3) When federal law or regulations *require,* any amount received by an enrolled member of a recognized Indian tribe as per capita payments or a share in the profits and receipts from tribal lands and interests or tribal enterprises *may* not be used to decrease the amount of assistance received under this act."

Section 35. Section 71-710, R.C.M. 1947, is amended to read as follows:

(2) use funds available for cases where special medical or material assistance is necessary to rehabilitate subnormal or physically handicapped children and where it is not otherwise provided for by law;

(3) cooperate for the purposes hereof with all reputable *child-helping* and *child-placing* agencies*; and*

(4) inspect, license, and supervise public and private infants' homes *and child-caring* and *child-placing* institutions and agencies."

Section 36. Section 71-901, R.C.M. 1947, is amended to read as follows:

"**71-901. State treasurer to receive funds.** The treasurer of the state of Montana is hereby designated as the appropriate fiscal officer of the state to receive federal funds. All money *for public assistance purposes* appropriated by the legislature, received from the United States government, *or* received from any other source shall be paid into the state treasury to the credit of the state department."

Section 37. Section 71-1401, R.C.M. 1947, is amended to read as follows:

All developmental disabilities facilities and services shall comply with existing federal guidelines and with requirements which will enable the services and facilities to qualify for available aid funds. These programs may include the voluntary participation of the inmates of the institution in testing and experimental work conducted as a part thereof. Any funds received from the authorized programs may be shared with the participating inmates or otherwise held and used for the welfare and rehabilitation thereof and *may* not become a part of the regular budgeted operation of the institution."

The per diem shall be computed on July 1 of each year by the department.

(3) For the purpose of these investigations, every agency of the state is required to render all reasonable assistance to the department in obtaining all information necessary for the proper implementation of the purposes of this investigation. A representative of the department, authorized by the director, may administer oaths, take testimony, *and* subpoena and compel the attendance of witnesses and the production of books, papers, records, and documents in connection with the duty of securing payments for support as provided by this act. A person who fails to obey the subpoena, upon petition of the department to any judge of the district court of the state, may be ordered by the judge to appear and show cause for his disobedience of the subpoena. The judge, after the hearing, may order that the subpoena be obeyed or, if it is made to appear to the judge that the subpoena was for any reason inappropriately issued, may dismiss the petition. A person who fails to obey the subpoena when ordered to do so by the judge may be punished for contempt of court on application of the district court by the department.

(4) The state has a claim against the estate of a patient and against the estate of a responsible person for an amount due to the state at the date of death of the resident or the responsible person. The claim against the estate of a responsible person does not have priority against the estate for the amount necessary to rear and educate surviving children of the responsible person.

HeinOnline -- 1977 Vol. I 170 1977

(5) The attorney general shall collect any claim which the state may have against such estate. This claim may not be enforced against any real estate while it is occupied as a home by the surviving spouse *of* the resident or responsible person.

(6) If a resident or responsible person disagrees with the determination of the department as to the ability of the resident or responsible person to pay any part of the per diem or ancillary charge, an appeal may be filed within 30 days of the determination with the board. If the resident disagrees with the determination of the appeal by the board, an appeal may be filed in any court of record in Montana having jurisdiction of the resident or responsible person liable for the payment.

(7) The department may at any time review and change a determination for per diem or ancillary charge payments. In any case, however, a resident of an institution may not be released by reason of the nonpayment of the per diem or the ancillary charge if, in the judgment of the superintendent of the institution at which he is a resident, this release is medically inadvisable.

(8) A per diem payment received by the department shall be deposited in the state treasury to the credit of the general fund."

Section 47. Section 80-1912, R.C.M. 1947, is amended to read as follows:

"**80-1912. Expense of trial for offenses committed in prison.** Whenever a trial takes place of any person under any of the provisions of 94-7-306 and whenever a prisoner in the state prison *is* tried for any crime committed therein, the county clerk of the county where such trial is *held* shall make out a statement of all the costs incurred by the county for the trial of such case and of guarding and keeping such prisoner, properly certified by a district judge of said county, which statement shall be sent to the *department of institutions* for *its* approval and after such approval, *the department* must cause the amount of such costs to be paid out of the money appropriated for the support of the state prison to the county treasurer of the county where such trial was *held*."

Section 48. Section 80-2412, R.C.M. 1947, is amended to read as follows:

"**80-2412. Interstate compact on mental health enacted — text.** The *Interstate Compact on Mental Health* as contained herein is hereby enacted into law and entered into by this state with all other jurisdiction legally joining therein in the form substantially as follows:

The contracting states solemnly agree, that:

Article I

The party states find that the proper and expeditious treatment of the mentally ill and mentally deficient can be facilitated by *cooperative* action, to the benefit of the patients, their families, and society as a whole. Further, the party states find that the necessity of and desirability for furnishing such care and treatment bears no primary relation to the resi-

HeinOnline -- 1977 Vol. I 171 1977

dence or citizenship of the patient but that, on the contrary, the controlling factors of community safety and humanitarianism require that facilities and services be made available for all who are in need of them. Consequently, it is the purpose of this compact and of the party states to provide the necessary legal basis for the institutionalization or other appropriate care and treatment of the mentally ill and mentally deficient under a system that recognizes the paramount importance of patient welfare and to establish the responsibilities of the party states in terms of such welfare.

Article II

As used in this compact:

(1) "*sending* state" *means* a party state from which a patient is transported pursuant to the provisions of the compact or from which it is contemplated that a patient may be so sent;

(2) "*receiving* state" *means* a party state to which a patient is transported pursuant to the provisions of the compact or to which it is contemplated that a patient may be so sent;

(3) "*institution*" *means* any hospital or other facility maintained by a party state or political subdivision thereof for the care and treatment of mental illness or mental deficiency;

(4) "*patient*" *means* any person subject to or eligible, as determined by the laws of the sending state, for institutionalization or other care, treatment, or supervision pursuant to the provisions of this compact;

(5) "*aftercare*" *means* care, treatment, and services provided a patient, as defined herein, on convalescent status or conditional release;

(6) "*mental* illness" *means* mental disease to such extent that a person so afflicted requires care and treatment for his own welfare, the welfare of others, or of the community;

(7) "*mental* deficiency" *means* mental deficiency as defined by appropriate clinical authorities to such extent that a person so afflicted is incapable of managing himself and his affairs but shall not include mental illness as defined herein; *and*

(8) "*state*" *means* any state, territory, or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

Article III

(1) Whenever a person physically present in any party state shall be in need of institutionalization by reason of mental illness or *mental deficiency, he shall be eligible for care and* treatment in an institution in that state irrespective of his residence, settlement, or citizenship qualifications.

(2) The provisions of *subsection (1)* of this article to the contrary notwithstanding, any patient may be transferred to an institution in another state whenever there are factors based upon clinical determinations indicating that the care and treatment of said patient would be facilitated or improved thereby. Any such institutionalization may be for the entire

HeinOnline -- 1977 Vol. I 172 1977

period of care and treatment or for any portion or portions thereof. The factors referred to in this *subsection* shall include the patient's full record with due regard for the location of the patient's family, character of the illness and probable duration thereof, and such other factors as shall be considered appropriate.

(3) No state shall be obliged to receive any patient pursuant to the provisions of *subsection (2)* of this article unless the sending state *gives* advance notice of its intention to send the patient, *furnishes* all available medical and other pertinent records concerning the patient, *gives* the qualified medical or other appropriate clinical authorities of the receiving state an opportunity to examine the patient if said authorities so wish, and unless the receiving state *agrees* to accept the patient.

(4) In the event that the laws of the receiving state establish a system of priorities for the admission of patients, an interstate patient under this compact shall receive the same priority as a local patient and shall be taken in the same order and at the same time that he would be taken if he were a local patient.

(5) Pursuant to this compact, the determination as to the suitable place of institutionalization for a patient may be reviewed at any time and such further transfer of the patient may be made as seems likely to be in the best interest of the patient.

Article IV

(1) Whenever, pursuant to the laws of the state in which a patient is physically present, it shall be determined that the patient should receive aftercare or supervision, such care or supervision may be provided in a receiving state. If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending state shall have reason to believe that aftercare in another state would be in the best interest of the patient and would not jeopardize the public safety, they shall request the appropriate authorities in the receiving state to investigate the desirability of affording the patient such aftercare in said receiving state, and such investigation shall be made with all reasonable speed. The request for investigation shall be accompanied by complete information concerning the patient's intended place of residence and the identity of the person in whose charge it is proposed to place the patient, the complete medical history of the patient, and such other documents as may be pertinent.

(2) If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending state and the appropriate authorities in the receiving state find that the best interest of the patient would be served thereby and if the public safety would not be jeopardized thereby, the patient may receive aftercare or supervision in the receiving state.

(3) In supervising, treating, or caring for a patient on aftercare pursuant to the terms of this article, a receiving state shall employ the same standards of visitation, examination, care, and treatment that it employes for similar local patients.

HeinOnline -- 1977 Vol. I 173 1977

Article V

Whenever a dangerous or potentially dangerous patient escapes from an institution in any party state, that state shall promptly notify all appropriate authorities within and without the jurisdiction of the escapee in a manner reasonably calculated to facilitate the speedy apprehension of the escapee. Immediately upon the apprehension and identification of any such dangerous or potentially dangerous patient, he shall be detained in the state where found pending disposition in accordance with law.

Article VI

The duly accredited officers of any state party to this compact, upon the establishment of their authority and the identity of the patient, shall be permitted to transport any patient being moved pursuant to this compact through any and all states party to this compact without interference.

Article VII

(1) No person shall be deemed a patient of more than one institution at any given time. Completion of transfer of any patient to an institution in a receiving state shall have the effect of making the person a patient of the institution in the receiving state.

(2) The sending state shall pay all costs of and incidental to the transportation of any patient pursuant to this compact, but any two or more party states may, by making a specific arrangement for that purpose, arrange for a different allocation of costs as among themselves.

(3) No provision of this compact shall be construed to alter or affect any internal relationships among the departments, agencies, add officers of and in the government of a party state or between a party state and its subdivisions as to the payment of costs or responsibilities therefor.

(4) Nothing in this compact shall be construed to prevent any party state or subdivision thereof from asserting any right against any person, agency, or other entity in regard to costs for which such party state or subdivision thereof may be responsible pursuant to any provision of this compact.

(5) Nothing in this compact shall be construed to invalidate any reciprocal agreement between a party state and a nonparty state relating to institutionalization, care, or treatment of the mentally ill or mentally deficient, or any statutory authority pursuant to which such agreements may be made.

Article VIII

(1) Nothing in this compact shall be construed to abridge, diminish, or in any way impair the rights, duties, and responsibilities of any patient's guardian on his own behalf or in respect of any patient for whom he may serve, except that, where the transfer of any patient to another jurisdiction makes advisable the appointment of a supplemental or substitute guardian, any court of competent jurisdiction in the receiving state may make such supplemental or substitute appointment and the court

HeinOnline -- 1977 Vol. I 174 1977

which appointed the previous guardian shall, upon being duly advised of the new appointment and upon the satisfactory completion of such accounting and other acts as such court may by law require, relieve the previous guardian of power and responsibility to whatever extent shall be appropriate in the circumstances. *In* the case of any patient having settlement in the sending state, the court of competent jurisdiction in the sending state shall have the sole discretion to relieve a guardian appointed by it or continue his power and responsibility, whichever it shall deem advisable. The court in the receiving state may, in its discretion, confirm or reappoint the person or persons previously serving as guardian in the sending state in lieu of making a supplemental or substitute appointment.

(2) The term "guardian" as used in *subsection (1)* of this article shall include any guardian, trustee, legal committee, conservator, or other person or agency however denominated who is charged by law with power to act for or responsibility for the person or property of a patient.

Article IX

(1) No provisions of this compact except Article V shall apply to any person institutionalized while under sentence in a penal or correctional institution or while subject to trial on a criminal charge or whose institutionalization is due to the commission of an offense for which, in the absence of mental illness or mental deficiency, said person would be subject to incarceration in a penal or correctional institution.

(2) To every extent possible it shall be the policy of states party to this compact that no patient shall be placed or detained in any prison, jail, or lockup, but such patient shall with all expedition be taken to a suitable institutional facility for mental illness or mental deficiency.

Article X

(1) Each party state shall appoint a compact administrator who, on behalf of his state, shall act as general *coordinator* of activities under the compact in his state and who shall receive copies of all reports, correspondence, and other documents relating to any patient processed under the compact by his state either in the capacity of *a* sending or receiving state. The compact administrator or his duly designated representative shall be the official with whom other party states shall deal in any matter relating to the compact or any patient processed thereunder.

(2) The compact administrators of the respective party states shall have power to promulgate reasonable rules to carry out more effectively the terms and provisions of this compact.

Article XI

The duly constituted administrative authorities of any two or more party states may enter into supplementary agreements for the provision of any service or facility or for the maintenance of any institution on a joint or *cooperative* basis whenever the states concerned find that such agreements will improve services, facilities, or institutional care and treatment in the fields of mental illness or mental deficiency. No such supplementary agreement shall be construed so as to relieve any party state of any obligation which it otherwise would have under other provisions of this compact.

HeinOnline -- 1977 Vol. I 175 1977

Article XII

This compact shall enter into full force and effect as to any state when enacted by it into law, and such state shall thereafter be a party thereto with any and all states legally joining therein.

Article XIII

(1) A state party to this compact may withdraw therefrom by enacting a statute repealing the same. Such withdrawal shall take effect 1 year after notice thereof has been communicated officially and in writing to the governors and compact administrators of all other party states. However, the withdrawal of any state shall not change the status of any patient who has been sent to said state or sent out of said state pursuant to the provisions of the compact.

(2) Withdrawal from any agreement permitted by Article VII *(2)* as to costs or from any supplementary agreement made pursuant to Article XI shall be in accordance with the terms of such agreement.

Article XIV

(1) This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person, or circumstance *is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance* shall not be affected thereby. If this compact shall be held contrary to the constitution of any party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

(2) The director of the department of institutions, hereafter called "the director", shall be the compact administrator and shall have the power to make any rules necessary for the administration of this article. The director shall *cooperate* with all departments, agencies, and officers of the state and any political subdivision thereof to facilitate the proper administration of the *Interstate Compact on Mental Health* or of any supplementary agreement or agreements entered into by this state thereunder.

(3) The director may enter into supplementary agreements with appropriate officials of other states pursuant to Articles VII and XI of the compact.

(4) The department of institutions in its annual budget shall include such amounts necessary to discharge the financial obligations incurred by it to carry out the purposes of the *Interstate Compact on Mental Health*, and the general assembly shall appropriate such sums necessary therefor.

(5) The compact administrator is hereby directed to consult with the immediate family of any proposed transferee and, in the case of a proposed transferee from an institution in this state to an institution in another party state, to make no transfer out of the state without approval of the

HeinOnline -- 1977 Vol. I 176 1977

district or probate court. Before granting such approval the court shall hold such hearings as it *considers* appropriate. In addition, the court shall designate some appropriate person to deliver written notice of the proposed transferee's right to a hearing to the proposed transferee and his guardian ad litem. The person serving such notices shall make a written return to the court that such has been done. At the conclusion of such hearing, if any, the court may approve the proposed transfer, order the release of the proposed transferee, or enter any other suitable order.

(6) Duly authenticated copies of the article shall, upon its approval, be transmitted by the secretary of state to the governor of each state, the attorney general, and the secretary of state of the United States and the Council of State Governments."

Section 49. Section 80-2701, R.C.M. 1947, is amended to read as follows:

"**80-2701. Legislative purpose.** It is the purpose of this act and the policy of this state to recognize *alcoholism* and drug dependence as problems affecting the health, safety, morals, economy, and general welfare of this state; to recognize *alcoholism* and drug dependence as problems subject to treatment; and to recognize the sufferer of *alcoholism*, drug dependence, or both as worthy of treatment and rehabilitation. It is the intent of this act to establish means whereby the appropriate resources of this state may be focused fully and effectively upon the problems of *alcoholism* and drug dependence and utilized in implementing programs for the control and treatment of these problems."

Section 50. Section 80-2702, R.C.M. 1947, is amended to read as follows:

"**80-2702. Duties of department — department authorized to accept gifts — enter into contracts — acquire and dispose of property.** (1) The department of institutions, hereafter referred to as department in this chapter, shall:

(a) *plan*, promote, and assist in the support of *alcoholism* and drug dependence prevention, treatment, and control programs;

(b) *conduct*, sponsor, and support research, investigations, and studies, including evaluation, of all phases of *alcoholism* and drug dependence;

(c) *assist* the development of educational and training programs relative to *alcoholism* and drug dependence and carry on programs to assist the public and technical and professional groups in becoming fully informed about *alcoholism* and drug dependence;

(d) *promote*, develop, and assist, financially and otherwise, *alcoholism* and drug dependence programs administered by other state agencies, local government agencies, and private nonprofit organizations and agencies; *and*

(e) *encourage* and promote effective use of facilities, resources, and funds in the planning and conduct of programs and activities for prevention, treatment, and control of *alcoholism* and drug dependence and, in this respect, cooperate with and utilize to the maximum possible extent the resources and services of federal, state, and local agencies.

HeinOnline -- 1977 Vol. I 177 1977

(2) To carry out this act, the department may:

(a) *accept* gifts, grants, and donations of money and property from public and private sources;

(b) *enter* into contracts; *and*

(c) *acquire* and dispose of property."

Section 51. Section 80-2717, R.C.M. 1947, is amended to read as follows:

"**80-2717. Emergency commitment of intoxicated persons.** (1) An intoxicated person who has threatened, attempted, or inflicted physical harm on another and is likely to inflict physical harm on another unless committed or *who* is incapacitated by alcohol may be committed to an approved public treatment facility for emergency treatment. A refusal to undergo treatment does not constitute evidence of lack of judgment as to the need for treatment.

(2) The certifying physician, spouse, guardian, or relative of the person to be committed or any other responsible person may make a written application for commitment under this section directed to the administrator of the approved public treatment facility. The application shall state facts to support the need for emergency treatment and be accompanied by a physician's certificate stating that he has examined the person sought to be committed within 2 days before the certificate's date and facts supporting the need for emergency treatment. A physician employed by the admitting facility or the department is not eligible to be the certifying physician.

(3) Upon approval of the application by the administrator of the approved public treatment facility, the person shall be brought to the facility by a peace officer, health officer, the applicant for commitment, the patient's spouse, the patient's guardian, or any other interested person. The person shall be *detained* at the facility to which he was admitted or transferred to another appropriate public or private treatment facility until discharged under subsection (5).

(4) The administrator of an approved public treatment facility shall refuse an application if in his opinion the application and certificate fail to sustain the grounds for commitment.

(5) When on the advice of the medical staff the administrator determines that the grounds for commitment no longer exist, he shall discharge a person committed under this section. No person committed under this section may be detained in any treatment facility for more than 5 days. If a petition for involuntary commitment under 69-6221 has been filed within the 5 days and the administrator in charge of an approved public treatment facility finds that grounds for emergency commitment still exist, he may detain the person until the petition has been heard and determined but no longer than 10 days after filing the petition.

(6) A copy of the written application for commitment and of the physician's certificate and a written explanation of the person's right to counsel

HeinOnline -- 1977 Vol. I 178 1977

shall be given to the person within 24 hours after commitment by the department. *The department* shall provide a reasonable opportunity for the person to consult counsel."

Section 52. Section 80-2802, R.C.M. 1947, is amended to read as follows:

"**80-2802. Duties of department.** The department shall:

(1) take cognizance of matters affecting the mental health of the citizens of the state;

(2) initiate preventive mental health activities of the statewide mental health programs, including but not limited to the implementation of mental health care and treatment, prevention, and research as can best be accomplished by *community-centered* services. Such means shall be utilized to initiate and operate these services in cooperation with local agencies as established under this act.

(3) make scientific and medical research investigations relative to the incidence, cause, prevention, treatment, and care of the mentally ill;

(4) collect and disseminate information relating to mental health;

(5) prepare and maintain a comprehensive plan for the development of public mental health services in the state. The public mental health services shall include but not be limited to community comprehensive mental health centers, mental health clinics, traveling service units, *and* consultative and educational services.

(6) provide by regulations for the examination of persons who apply for examination or who are admitted either as inpatients or outpatients into Warm Springs state hospital or other public mental health facilities;

(7) receive from agencies of the United States and other state agencies, persons or groups of persons, associations, firms, or corporations grants of money, receipts from fees, gifts, supplies, materials, and contributions for the development of mental health services within the state;

(8) establish standards for public mental health facilities; *and*

(9) evaluate performance of public mental health facilities in compliance with federal and state standards."

Section 53. **Repealer.** Sections 38-210, 71-101, 71-107, 71-118, and 71-233.5, R.C.M. 1947, are repealed.

Approved March 18, 1977.

HeinOnline -- 1977 Vol. I 189 1977

involved, the date of the location shall be an issuable fact *when* it is claimed to have been prior to the date of the record of the location."

Section 11. Section 50-805, R.C.M. 1947, is amended to read as follows:

Section 12. Section 50-1043, R.C.M. 1947, is amended to read as follows:

"**50-1043. Submission and action on reclamation plan.** (1) As rapidly, completely, and effectively as the most modern technology and the most advanced state of the art will allow, each operator granted a permit under this act shall reclaim and revegetate the land affected by his operation, except that underground tunnels, shafts, or other subsurface excavations need not be revegetated. Under the provisions of this act and rules adopted by the board, an operator shall prepare and carry out a method of operation, plan of grading, backfilling, highwall reduction, subsidence stabilization, water control, topsoiling, and a reclamation plan for the area of land affected by his operation. In developing a method of operation and plans of backfilling, subsidence stabilization, water control, grading, highwall reduction, topsoiling, and reclamation, all measures shall be taken to eliminate damages to landowners and members of the public, their real and personal property, public roads, streams, and all other public property from soil erosion, subsidence, landslides, water pollution, and hazards dangerous to life and property.

(2) The reclamation plan shall set forth in detail the manner in which the applicant intends to comply with this section and 50-1044, 50-1045, and 50-1046, *as amended.* The plan shall be submitted to the department, and the department shall notify the applicant by *certified or* registered mail within 120 days after receipt of the plan and complete application if it is or is not acceptable. The department may extend the 120 days an additional 120 days upon notification of the operator in writing. If the plan is not acceptable, the department shall set forth the reasons why the plan is not acceptable, and it may propose modifications, delete areas, or reject the entire plan. A *landowner*, operator, or any person aggrieved by the decision of the department may by written notice request a hearing by the board. The board shall notify the person by *certified or* registered mail within 20 days after the hearing of its decision. Every reclamation plan shall be subject to annual review and modification.

(3) In addition to the method of operation, grading, backfilling, subsidence stabilization, water control, highwall reduction, topsoiling, and

HeinOnline -- 1977 Vol. I 190 1977

reclamation requirements of this act and rules adopted under this act, the operator, consistent with the directives of subsection (1) of this section shall:

(a) bury under adequate fill all toxic materials, shale, mineral, or any other material determined by the department to be acid producing, toxic, undesirable, or creating a hazard;

(b) *as directed by rules* seal off tunnels, shafts, or other openings or any breakthrough of water creating a hazard;

(c) impound, drain, or treat all runoff or underground mine waters so as to reduce soil erosion, damage to grazing and agricultural lands, and pollution of surface and subsurface waters;

(d) remove or bury all metal, lumber, and other refuse resulting from the operation;

(e) use explosives in connection with the operation only in accordance with department regulations designed to minimize noise, damage to adjacent lands, and water pollution *and* ensure public safety and for other purposes;

(f) adopt measures to prevent land subsidence unless the board approves a plan for inducing subsidence into an abandoned operation in a predictable and controlled manner with measures for grading, topsoiling, and revegetating the subsided land surface. In order for a controlled subsidence plan to be approved, the applicant must show that subsidence will not cause a direct or indirect hazard to any public or private buildings, roads, facilities, or use areas, constitute a hazard to human life or health, constitute a hazard to domestic livestock or to a viable agricultural operation, or *violate* any other restrictions the board may consider necessary.

(g) stockpile and protect from erosion all mining and processing wastes until *these* wastes can be disposed of according to the provisions of this act;

(h) deposit as much stockpiled waste material as possible back into the mine voids upon abandonment in such manner as to prevent or minimize land subsidence. The remaining waste material shall be disposed of as provided by this act and the rules of the board.

(i) seal all portals, entryways, drifts, shafts, or other openings between the surface and underground mine workings upon abandonment.

(4) An operator may not throw, dump, pile, or permit the dumping, piling, or throwing or otherwise placing any overburden, stones, rocks, mineral, earth, soil, dirt, debris, trees, wood, logs, or any other materials or substances of any kind or nature beyond or outside of the area of land which is under permit and for which a bond has been posted under 50-1039, *as amended,* or place the materials described in this section in such a way that normal erosion or slides brought about by natural physical causes will permit the materials to go beyond or outside of *that* area of land."

HeinOnline -- 1977 Vol. I 191 1977

Surface mining *does* not include the extraction of oil, gas, bentonite, clay, coal, sand, gravel, phosphate rock, or uranium *or* excavation or grading conducted for on-site farming, on-site road construction, or other on-site building construction.

(2) "Unit of *surface-mined* area" *means* and *includes* that area of land and surface water included within an operating permit actually disturbed by surface mining during each *12-month* period of time, beginning at the date of the issuance of the permit, and *it comprises* and *includes* the area from which overburden or minerals have been removed, the area covered by mining debris, and all additional areas used in surface mining or underground mining operations which by virtue of such use are thereafter susceptible to erosion in excess of the surrounding undisturbed portions of land.

(3) "Disturbed land" *means* and *includes* that area of land or surface water disturbed, beginning at the date of the issuance of the permit, and *it comprises* that area from which the overburden or minerals have been removed *and* tailings ponds, waste dumps, roads, conveyor systems, leach dumps, and all similar excavations or covering resulting from *the* operation and which *have* not been previously reclaimed under the reclamation plan.

(4) "Abandonment of surface or underground mining" may be presumed when it is shown that continued operation will not resume.

(5) "Underground mining" *means* and *includes* all methods of mining other than surface mining.

(6) "Person" *means* and *includes* any person, corporation, firm, association, partnership, or other legal entity engaged in exploration for or development or mining of minerals on or below the surface of the earth.

(7) "Mineral" *means* and *includes* any ore, rock, or substance, other than oil, gas, bentonite, clay, coal, sand, gravel, phosphate rock, or uranium, taken from below the surface or from the surface of the earth for the purpose of milling, concentration, refinement, smelting, manufacturing, or other subsequent use or processing or for stockpiling for future *use*, refinement, or smelting.

(8) "Exploration" *means* and *includes* all activities conducted on or beneath the surface of lands resulting in material disturbance of the surface for the purpose of determining the presence, location, extent, depth, grade, and economic viability of mineralization in those lands, if any,

HeinOnline -- 1977 Vol. I 192 1977

other than mining for production and economic exploitation, as well as all roads made for the purpose of facilitating exploration, except as noted in 50-1220 and 50-1224.

(9) "Development" *means* and *includes* all operations between exploration and mining.

(10) "Mining" *commences* at such time as the operator first *mines* ores or minerals in commercial quantities for sale, beneficiation, refining, or other processing or disposition or first *takes* bulk samples for metallurgical testing in excess of aggregate of 10,000 short tons.

(11) "Reclamation plan" *means* and *includes* the operator's written proposal, as required and approved by the board, for reclamation of the land that will be disturbed, which proposal shall include, to the extent practical at the time of application for a developing or operating permit:

(a) a statement of the proposed subsequent use of the land after reclamation;

(b) *plans* for surface gradient restoration to a surface suitable for the proposed subsequent use of the land after reclamation is completed and *the* proposed method of accomplishment;

(e) *the method* of disposal of mining debris;

(f) *the method* of diverting surface waters around the disturbed areas where necessary to prevent pollution of *those* waters or unnecessary erosion;

(g) *the method* of reclamation of stream channels and stream banks to control erosion, siltation, and pollution;

(h) *such* maps and other supporting documents as may be reasonably required by the department; *and*

(i) *a* time schedule for reclamation that meets the requirements of 50-1209.

In the absence of an order by the board providing a longer period, the plan shall provide that reclamation activities shall be completed not more than 2 years after completion or abandonment of mining on *that* portion of mine complex.

(2) In the absence of emergency or suddenly threatened or existing catastrophe, an operator may not depart from an approved plan without previously *obtaining* from the department written approval of his proposed change.

(3) Provision shall be made to avoid accumulation of stagnant water in the mined area which may serve as a host or breeding ground for mosquitoes or other disease-bearing or noxious insect life.

(4) All final grading shall be made with nonnoxious, nonflammable, noncombustible solids unless approval has been granted by the board for a supervised sanitary fill.

(5) Where mining has left an open pit exceeding 2 acres of surface area and *the* composition of the floor or walls of *the* pit are likely to cause formation of acid, toxic, or otherwise pollutive solutions (hereinafter "objectionable effluents") on exposure to moisture, the reclamation plan *shall* include provisions which adequately provide for:

(a) insulation of all faces from moisture *or* water contact by covering to a depth of 2 feet or more with material or fill not susceptible itself to generation of objectionable effluents;

(b) processing of any objectionable effluents in the pit before their being allowed to flow or be pumped out of it to reduce toxic or other objectionable ratios to a level *considered* safe to humans and the environment by the board;

(c) drainage of any objectionable effluents to settling or treatment basins when the objectionable effluents must be reduced to levels *considered* safe by the board before release from the settling basin; or

(d) absorption or evaporation of objectionable effluents in the open pit itself; and

(e) prevention of entrance into the open pit by persons or livestock lawfully upon adjacent lands by fencing, warning signs, and such other devices as may reasonably be required by the board.

(6) Provisions for vegatative cover *shall* be required in the reclamation plan if appropriate to the future use of the land as specified in the reclamation plan.

HeinOnline -- 1977 Vol. I 194 1977

(7) The reclamation plan shall provide for the reclamation of all disturbed land. Proposed reclamation need not reclaim the areas to a better condition or different use than that which existed prior to development or mining.

(8) A reclamation plan *shall* be approved by the board if it adequately provides for the accomplishment of the activities specified *in this section.*"

Section 15. Section 50-1404, R.C.M. 1947, is amended to read as follows:

"**50-1404. Approved strip-mining plan required — effective period.** (1) No operator may engage in strip mining without first *obtaining* approval of a *strip-mining* plan from the department as provided for in 50-1405, *as amended.*

(b) the type of operation to be conducted;

(c) the volume of earth to be removed, as accurately as the *volume* may then be estimated, and the volume which has been previously removed, if any;

(d) the location of the operation by legal subdivision, section, township and range, and county;

(e) the date when *the* operation was or will be commenced; *and*

(f) a statement that the applicant has the right and power by legal estate owned to mine by *opencut* mining the lands so described.

HeinOnline -- 1977 Vol. I 197 1977

(2) The application shall be accompanied by:

(a) a bond or security meeting the requirements as set out in this act;

(b) a fee of $50; *and*

(c) the operator's plan of his operation and the method and manner of reclamation that will be used or followed.

(6) An operator may withdraw any land covered by contract, except affected land, by notifying the *board* thereof, in which case the penalty of the bond or security filed by *the* operator pursuant to the provisions of this act shall be reduced proportionately."

Section 22. Section 50-1509, R.C.M. 1947, is amended to read as follows:

"**50-1509. Bond.** (1) *A* bond required to be filed in this act by the operator shall be in such form as the *board prescribes,* payable to the state of Montana and conditioned upon the operator's full compliance with all requirements of this act and all rules of the *board. The* bond shall be signed by the landowner or operator, as appropriate, as principal, and by a good and sufficient corporate surety licensed to do business in the state of Montana, as surety. The penalty of *the* bond shall be in an amount not to exceed the costs of restoration required by this act as determined by the *board* but *may* not be less than $200 *or* more than $1,000 per acre.

(2) In lieu of *the* bond, the operator may deposit *with the board* cash and government securities or a bond with property sureties in an amount equal to that of the required bond on conditions as above prescribed. In the discretion of the *board,* surety bond requirements may be fulfilled by the operator's posting a bond with land and improvements and facilities thereon as security, in which event no surety *may* be required. The penalty of the bond or amount of cash and securities shall be increased or reduced from time to time as provided in this act. *The* bond or security *remains* in effect until the mined acreages have been reclaimed as provided under the contract and *the reclamation has been* approved and *the*

HeinOnline -- 1977 Vol. I 198 1977

bond or security has been released by the *board. The bond or security shall* cover only actual mined acreages and may be increased or reduced to cover only such acreages as *remain* unreclaimed.

(3) If the license of *a* surety upon a bond filed with the *board* pursuant to this act *is* suspended or revoked, the operator, within 30 days after receiving notice thereof from the *board,* shall substitute for *that* surety a good and sufficient surety licensed to do business in the state. Upon failure of the operator to make substitution of surety, the *board may* suspend the contract of the operator to conduct operations upon the land described in *the* contract until *the* substitution has been made.

(4) The *board* shall cause *the reclamation of* any affected land with respect to which a bond has been forfeited.

(5) Whenever an operator *has completed* all of the requirements under the provisions of this act as to any affected land, he shall notify the *board* thereof. If the *board releases* the operator from further obligation regarding such affected land, the penalty of the bond shall be reduced proportionately."

Section 23. Section 50-1510, R.C.M. 1947, is amended to read as follows:

"**50-1510. Reclamation plan part of contract — requirements.** The contract shall meet the following requirements:

(1) The operator shall submit a reclamation plan to the *board* before commencing any *opencut* mining and may not commence mining before *the plan* receives approval from the *board.* The operator may request and receive a meeting with the *board* prior to submission of the plan. If the *board* does not notify the operator that it has approved or disapproved a plan within 30 days after the *board* has received the plan, the *board is considered* to have approved the plan. The *board,* however, for sufficient cause, *may* extend its period of consideration for an additional 30 days if it notifies the operator prior to the end of the original *30-day* period. The *board* shall submit *each* reclamation *plan* or amendments to the reclamation plan to the landowner for his recommendations and shall consider those recommendations in deciding whether to approve or disapprove any plan or amendments. The *board* may seek technical help from any state or federal agency. The *board shall* submit the plan immediately to the director *of the* university of Montana statewide archaeological survey for evaluation of possible archaeological or historical values in the area to be mined. The *board* may approve a reclamation plan only if the *board* has found that the plan provides for the best possible reclamation procedures available under the circumstances at the time, so that after mining operations are completed the affected land *will* be reclaimed to a productive use. Once the reclamation plan *is* accepted in writing by the *board,* it shall become a part of the contract but *is* subject to annual review and modification by the *board.*

(2) The *board* may not approve any reclamation plan unless the plan provides:

(a) *that* the land will be reclaimed for one or more specified uses,

HeinOnline -- 1977 Vol. I 199 1977

including but not limited to forest, pasture, orchard, cropland, residence, recreation, industry, habitat *for wildlife,* including food, cover, or water, or other uses;

(b) *that* to the extent reasonable and practicable, the operator *will* establish vegetative cover commensurate with the proposed land use;

(c) *whenever* operations result in a need to prevent acid drainage or sedimentation on or in adjoining lands or streams, for the construction of earth dams or other reasonable devices to control water drainage, provided the formation of such impoundments or devices will not interfere with other landowners' rights or contribute to water pollution;

(d) *that* to accomplish practical utilization of soil materials, such material will be utilized for placement on affected areas, if required by the reclamation plan after completion or termination of that particular phase of the mining operations, at a depth sufficient for plant growth on slopes of 3:1 or less;

(e) that grading will be commensurate with the topography sought and land use designated;

(f) that metal and other waste *will* be removed or buried;

(g) that all access, haul, and other support roads *will* be located, constructed, and maintained in such a manner as to control and minimize channeling and other erosion;

(h) that the operator *will* submit *a progress report* annually to the *board*;

(i) that all operations *will* be conducted so as to avoid range and forest fires and spontaneous combustion *and that open* burning of carbonaceous materials *will* be in accordance with suitable practices for fire prevention and control;

(j) that archaeological and historical values in areas to be mined *will* be given appropriate protection;

(k) that except for rock faces, bench faces, and excavations used for water impoundments, each surface area of the mined premises which will be disturbed *will* be revegetated when its use for extractive purposes is no longer required;

(l) that seeding and planting *will* be done in a manner to achieve a permanent suitable vegetative cover for wildlife, livestock, and retardation of erosion *and that all* seed will be drilled unless otherwise provided in the plan;

(m) that reclamation *will* be as concurrent with mining operations as feasible and *will* be completed within a specified length of time.

(3) If reclamation according to the plan has not been completed in the time specified, the *board* after 30 days' written notice *shall* order the operator to cease mining and, if the operator does not cease, shall institute an action to enjoin further operation and may sue for damages for breach of contract, for payment of the performance bond, or for both.

HeinOnline -- 1977 Vol. I 200 1977

(4) (a) At any time during the period of reclamation the operator may for good reason submit to the *board* a new reclamation plan or amendment to the existing plan, including extensions of time.

(b) The *board* may approve the proposed new reclamation plan or amendments to the existing plan if:

(i) the operator has in good faith carried on reclamation according to the existing plan and the proposed new plan or amendments to the existing plan will result in reclamation as *or more* desirable than the reclamation proposed under the existing plan; or

(ii) it is highly improbable reclamation will be successful unless the existing plan is replaced or amended.

(c) When accepted, the proposed new reclamation plan or the proposed amendments to the existing plan *become* a part of the contract.

(5) The operator shall provide a performance bond or an alternative acceptable to the *board* in an amount commensurate with the estimated cost of reclamation, but in no case *may* the bond be less than $200 per acre. The estimated cost of reclamation shall be set forth in the reclamation plan.

(6) The contract, reclamation plan, and amendments accepted by the *board* shall be a public record and open to inspection.

(7) The contract shall become effective when signed by the *board* and the operator and shall remain in force until terminated by mutual consent or by the *board* upon *6-months'* notice."

Section 24. Section 50-1511, R.C.M. 1947, is amended to read as follows:

"**50-1511. Receipt and expenditure of funds.** *(1)* The *board* may receive any federal funds, state funds, or any other funds for the reclamation of land affected by *opencut* mining. The *board* may cause the reclamation work to be done by its own employees or by employees of other governmental agencies, soil conservation districts, or through contracts with qualified persons.

(2) Any funds or any public works programs available to the *board* shall be used and expended to reclaim and rehabilitate any lands that have been subject to *opencut* mining that have not been reclaimed and rehabilitated in accordance with the standards of this act."

Section 25. Section 50-1512, R.C.M. 1947, is amended to read as follows:

"**50-1512. Inspection of opencut mining by board.** The *board* or its accredited representatives may enter upon lands subjected to *opencut* mining at all reasonable times for the purpose of inspection to determine whether the provisions of this act have been complied with."

HeinOnline -- 1977 Vol. I 201 1977

Operation without contract — penalty.** Anyone required by this act to have a contract and who engages in *opencut* mining without previously securing a contract to do so as prescribed by this act is guilty of a misdemeanor and upon conviction thereof shall be fined not less than $500 and not more than $1,000. Each day of operation without a contract required by this act *is* a separate violation."

Section 27. Section 50-1514, R.C.M. 1947, is amended to read as follows:

"**50-1514. Reclamation of land on which bond forfeited.** *In keeping with the provisions of this act, the board may* reclaim any affected lands with respect to which a bond has been forfeited."

(2) The tax on such net proceeds may be collected and the payment thereof enforced by the seizure and sale of the personal property upon which the tax is a lien, in the same manner as other personal property is seized and sold for delinquent taxes, or by the sale of the mine or mining claim and improvements, as provided for the sale of real property for delinquent taxes, or by the institution of a civil action for its collection in any court of competent jurisdiction. (3) A registered agent of a corporation may resign as *registered* agent upon filing a written notice *of resignation*, executed in duplicate, with the secretary of state, who shall *immediately* mail a copy thereof to the corporation at its registered office. The appointment of *the* agent shall terminate *30* days after receipt of such notice by the secretary of state.

(4) If a registered agent changes his or its business address to another place within the same county, he or it may change such address and the address of the registered office of any corporations of which he or it is registered agent by filing a statement as required above, except that it need be signed only by the registered agent and need not be responsive to *(1)*(e) or *(1)*(g) and must recite that a copy of the statement has been mailed to each such corporation."

Section 11. Section 15-2274, R.C.M. 1947, is amended to read as follows:

"**15-2274. Rights of dissenting shareholders.** *(1)* A shareholder electing to exercise such right of dissent shall file with the corporation, prior to or at the meeting of shareholders at which *the* proposed corporate action is submitted to a vote, a written objection to *the* proposed corporate action. If *the* proposed corporate action *is* approved by the required vote and such shareholder *does* not *vote* in favor thereof, *he* may, within 10

HeinOnline -- 1977 Vol. I 252 1977

days after the date on which the vote was taken, or *in the case of a merger without shareholder vote* within 15 days after the plan of merger *is* mailed to *him*, make written demand on the corporation or, in the case of a merger or consolidation, on the surviving or new corporation, domestic or foreign, for payment of the fair value of *his* shares. *If the* proposed corporate action is effected, *the* corporation shall pay to *the* shareholder, upon surrender of the certificate or certificates representing *his* shares, the fair value thereof as of the day prior to the date on which the vote was taken approving the proposed corporate action, excluding any appreciation or depreciation in anticipation of such corporate action. *A* shareholder failing to make demand within the *prescribed* period *is* bound by the terms of the proposed corporate action. *A* shareholder making such demand *is* thereafter entitled only to payment as *provided* in this section and *is* not entitled to vote or to exercise any other rights of a shareholder.

(2) No such demand may be withdrawn unless the corporation *consents* thereto. *The right of a shareholder to be paid the fair value of his shares shall cease and his status as a shareholder shall be restored, without prejudice to any corporate proceedings which may have been taken during the interim, if:*

(a) the shareholder's demand *is* withdrawn upon consent;

(b) the proposed corporate action *is* abandoned or rescinded or the shareholders revoke the authority to effect such action;

(c) in the case of a merger, on the date of the filing of the articles of merger the surviving corporation is the owner of all the outstanding shares of the other corporations, domestic and foreign, that are parties to the merger;

(d) no demand or petition for the determination of fair value by a court *is* made or filed within the time provided in this section; or

(e) a court of competent jurisdiction *determines* that *the* shareholder is not entitled to the relief provided by this section.

(3) Within 10 days after *the* corporate action is effected, the corporation or, in the case of a merger or consolidation, the surviving or new corporation, domestic or foreign, shall give written notice thereof to each dissenting shareholder who has made demand as herein provided and shall make a written offer to each such shareholder to pay for *his* shares at a specified price *considered* by *the* corporation to be the fair value thereof. *The* notice and offer shall be accompanied by a balance sheet of the corporation, the shares of which the dissenting shareholder holds, as of the latest available date and not more than 12 months prior to the making of such offer, and a profit and loss statement of *that* corporation for the *12-month* period *ending* on the date of such balance sheet.

(4) If within 30 days after the date on which *the* corporate action was effected, the fair value of such shares is agreed upon between *the* dissenting shareholder and the corporation, payment therefor shall be made within 90 days after the date on which *the* corporate action was effected, upon surrender of the certificate or certificates representing *the* shares. Upon payment of the agreed value, the dissenting shareholder *ceases* to have any interest in *the* shares.

HeinOnline -- 1977 Vol. I 253 1977

(5) If within such *30-day* period a dissenting shareholder and the corporation do not so agree, the *dissenting shareholder may, within 60 days after the date on which the corporate action was effected, make written demand on the corporation for the filing of a petition, in the district court for the county in this state where the corporation's registered office is located, to have the fair value of his shares determined. The corporation must file the petition within 30 days after receipt of the written demand or at its election may file the petition at any time within 60 days after the date on which the corporate action was effected.* If, in the case of a merger or consolidation, the surviving or new corporation is a foreign corporation without a registered office in this state, *the* petition shall be filed in the county where the registered office of the domestic corporation was last located. If the corporation *fails* to *file the petition*, any dissenting shareholder may do so in the name of the corporation. All dissenting shareholders, wherever residing, shall be made parties to the proceeding as an action *on* their shares quasi in rem. Each dissenting shareholder shall be served personally or by publication as provided by the Montana Rules of Civil Procedure. The jurisdiction of the court *is* plenary and exclusive. All shareholders who are parties to the proceeding *are* entitled to judgment against the corporation for the amount of the fair value of their shares.

(6) The court may, if it so elects, appoint one or more persons as *appraisers* to receive evidence and recommend a decision on the question of fair value. The appraisers have such power and authority as *is* specified in the order of their appointment or *in* an amendment thereof. The judgment *is* payable only upon and concurrently with the surrender to the corporation of the certificate or certificates representing *the* shares. Upon payment of the judgment, the dissenting shareholder *ceases* to have any interest in *the* shares.

(7) The judgment shall include an allowance for interest, at such rate as the court may find to be fair and equitable *under* all the circumstances, from the date on which the vote was taken on the proposed corporate action to the date of payment.

(8) The costs and expenses of any such proceeding shall be determined by the court and shall be assessed against the corporation, but all or any part of *the* costs and expenses may be apportioned and assessed as the court *considers* equitable against any or all of the dissenting shareholders who are parties to the proceeding *and* to whom the corporation made an offer to pay for the shares, if the court *finds* that the action of such shareholders in failing to accept such offer was arbitrary or vexatious or not in good faith. *The* expenses include reasonable compensation for and reasonable expenses of the appraisers but *do not include* the fees and expenses of counsel for and experts employed by any party. *However,* if the fair value of the shares as determined materially exceeds the amount which the corporation offered to pay therefor or if no offer was made, the court in its discretion may award to any shareholder who is a party to the proceeding such sum as the court *determines* to be reasonable compensation to any expert or experts employed by the shareholder in the proceeding.

HeinOnline -- 1977 Vol. I 254 1977

(9) Within 20 days after demanding payment for his shares, each shareholder demanding payment shall submit the certificate or certificates representing his shares to the corporation for notation thereon that such demand has been made. His failure to do so shall, at the option of the corporation, terminate his rights under this section unless a court of competent jurisdiction, for good and sufficient cause shown, otherwise *directs*. If shares represented by a certificate on which notation has been made *are* transferred, each new certificate issued therefor shall bear similar notation, together with the name of the original dissenting holder of *the* shares. *A* transferee of such shares *acquires* by *the* transfer no rights in the corporation other than those which the original dissenting shareholder had after making demand for payment of the fair value thereof.

(10) Shares acquired by a corporation pursuant to payment of the agreed value therefor or to payment of the judgment entered therefor, as in this section provided, may be held and disposed of by *the* corporation as in the case of other treasury shares, except that in the case of a merger or consolidation, they may be held and disposed of as the plan of merger or consolidation otherwise *provides*."

Section 12. Section 15-2352, R.C.M. 1947, is amended to read as follows:

"**15-2352. Notification to attorney general.** *(1)* The secretary of state, on or before December *31* each year, shall certify to the attorney general the names of all corporations which have failed to file their annual reports in accordance with the provisions of this act. He shall also certify from time to time the names of all corporations which have given other cause for dissolution as provided in this act, together with the facts pertinent thereto.

(2) Whenever the secretary of state *certifies* the name of a corporation to the attorney general as having given any cause for dissolution, the secretary of state shall concurrently mail to the corporation at its registered office a notice that *the* certification has been made.

(3) Upon the receipt of such certification, the attorney general shall file an action in the name of the state against such corporation for its dissolution. *Each* certificate from the secretary of state to the attorney general pertaining to the failure of a corporation to file an annual report shall be taken and received in all courts as prima facie evidence of the facts therein stated.

(4) If, before *the* action is filed, the corporation *files* its annual report or *appoints* or *maintains* a registered agent as provided in this act or *files* with the secretary of state the required statement of change of registered agent, such fact shall be *immediately* certified by the secretary of state to the attorney general and he *may* not file an action against *the* corporation for such cause. If, after *the* action is filed, the corporation *files* its annual report or *appoints* or *maintains* a registered agent as provided in this act or *files* with the secretary of state the required statement of change of registered agent and *pays* the costs of *the* action, the action for such cause shall abate."

Section 13. Section 15-2504, R.C.M. 1947, is amended to read as follows:

(3) Whenever a business trust has complied with the filing requirements as provided in *subsections (1) and (2)* of this section, the secretary of state shall issue to a domestic business trust a certificate of organization or to a foreign business trust a license to do business in this state, and *the* business trust may thereupon commence business."

(b) Pursuant to section 218(p)(1) of the Social Security Act, the highway patrolmen's retirement system of the state of Montana, the public employees' retirement system of the state of Montana, and each municipal police reserve fund and each unit of the statewide police reserve fund of the state of Montana are, for the purposes of this act, considered separate retirement systems with respect to the state and separate retirement systems with respect to each political subdivision having positions covered thereby.

(2) With respect to employees of the state *other than highway patrolmen and with respect to highway patrolmen,* the governor is empowered to authorize a referendum, and with respect to the employees of any political subdivision he shall authorize a referendum upon *the* request of the governing body of *the* subdivision.

"**59-1104. Plans for coverage of employees of political subdivisions.** *(1)* Each political subdivision of the state shall submit for approval by the state agency a plan for extending the benefits of *Title* II of the Social Security Act, in conformity with applicable provisions of such act, to employees of such political subdivision. *A* plan and any amendment thereof shall be approved by the state agency if it finds that *the* plan or *the* plan as amended is in conformity with such requirements as are provided in regulations of the state agency.

(2) No plan *may* be approved unless:

(a) it is in conformity with the requirements of the Social Security Act and with the agreement entered into under 59-1103;

HeinOnline -- 1977 Vol. I 265 1977

(b) it provides that all services which constitute employment as defined in 59-1102 and are performed in the employ of the political subdivisions by employees thereof *will* be covered by the plan, except that it may exclude services performed by individuals to whom section 218(c)(3)(C) of the Social Security Act is applicable;

(c) it specifies the sources from which the funds necessary to make the payments required by *subsections (4)(a) and (5)* are expected to be derived and contains reasonable assurance that *the* sources will be adequate for such purpose;

(d) it provides for such methods of administration of the plan by the political subdivision as are found by the state agency to be necessary for the proper and efficient administration of the plan;

(e) it provides that the political subdivision will make such reports, in such form and containing such information, as the state agency may from time to time require and *will* comply with such provisions as the state agency or the secretary of health, education, and welfare may from time to time find necessary to assure the correctness and verification of such reports;

(f) it authorizes the state agency, *in its discretion,* to terminate the plan in its entirety if it finds that there has been a failure to comply substantially with any provision contained in *the* plan, such termination to take effect at the expiration of such notice and on such conditions as may be provided by regulations of the state agency and may be consistent with the provisions of the Social Security Act.

(3) The state agency *may* not finally refuse to approve a plan submitted by a political subdivision under subsection *(1)* and *may* not terminate an approved plan without reasonable notice and opportunity for hearing to the political subdivision affected thereby.

(4) (a) Each political subdivision as to which a plan has been approved under this section shall pay, *at such time or times as the state agency may prescribe by regulation, contributions* with respect to wages (as defined in 59-1102) in the amounts and at the rates specified in the applicable agreement entered into by the state agency under *59-1103.*

(b) Each political subdivision required to make payment under *subsection (4)(a)* shall, in consideration of the employee's retention in or entry upon employment after enactment of this act, impose upon each of its employees, as to services which are covered by an approved plan, a contribution with respect to his wages (as defined in 59-1102), not exceeding the amount of the employee tax which would be imposed by the Federal Insurance Contributions Act if such services constituted employment within the meaning of that act and *shall* deduct the amount of such contributions from his wages as and when paid. Contributions so collected partially discharge the liability of *the* political subdivision or instrumentality under *subsection (4)(a).* Failure to deduct *the* contribution *does* not relieve the employee or employer of liability therefor.

(5) Delinquent payments due under *subsection (4)(a)* may, with interest at the rate of 6% *a year,* be recovered by action in a court of competent

HeinOnline -- 1977 Vol. I 266 1977

(3) All moneys in the account shall be mingled and undivided. Subject to the provisions of this act, the state agency is vested with full power, authority, and jurisdiction over the account, including all moneys and property or securities belonging thereto. *The board of investments* shall invest the *account* in investments of the same character as are permitted by *79-310* for the investment of moneys in the long-term investment fund. *The state agency* shall credit all interest and income earned *on the account* in excess of that which, in *its* judgment, may be needed for the purposes set forth in *subsection (4)* of this section to the earmarked revenue fund or funds of the state agency, to be used by it either to defray the costs of administering the state agency or for distribution pro rata to the contributing state departments, political subdivisions, school districts, and instrumentalities, as it may determine. *It* may perform any and all acts, whether or not specifically designated, which are necessary to the administration *of the account* and are consistent with the provisions of this act.

(4) The contribution account shall be used and administered exclusively for the purpose of this act. Subject to the provisions of *subsection (3)* of this section, withdrawals from *the* account shall be made for, and solely for, payment of amounts required to be paid to the secretary of the treasury of the United States pursuant to an agreement entered into under 59-1103, payment of refunds provided for in 59-1103.1, and refunds of overpayments, not otherwise adjustable, made by a political subdivision or instrumentality.

(5) (a) From the contribution account the custodian of the account shall pay to the secretary of the treasury of the United States such amounts and at such time or times as may be directed by the state agency in accordance with any agreement entered into under *59-1103* and the Social Security Act.

HeinOnline -- 1977 Vol. I 267 1977

(b) The treasurer of the state shall pay all warrants drawn upon the state agency in accordance with the provisions of this section and with such regulations as the state agency may prescribe pursuant thereto.

(6) Each department of the state shall include in its operating budget for the next succeeding fiscal year, prepared and delivered to the department of administration in accordance with the provisions of law, an estimate of the amount which it will be required to contribute to the contribution account."

Section 5. Section 59-1106, R.C.M. 1947, is amended to read as follows:

"**59-1106. Costs of administration.** All costs allocable to the administration of this chapter shall be charged to the earmarked revenue fund, *retirement* division account. *So* much of *the* costs as are not defrayed by interest and income earned upon the *contribution account,* which has been credited to *the* earmarked revenue fund, *retirement* division account, as provided in 59-1105, shall be paid to the state agency for deposit to the earmarked revenue fund, *retirement* division account, by each department of the state and by the participating divisions, instrumentalities, and political subdivisions of the state pro rata according to their respective contributions."

If the majority of votes cast in *the* referendum indicates that *the* staff and teachers approve, then *the* board of trustees shall certify to the *department of administration* that the conditions for coverage by social security, required by section 218 of the Social Security Act, have been complied with."

Section 7. Section 59-1110, R.C.M. 1947, is amended to read as follows:

"**59-1110. Eligibility of staff and teachers — payroll deductions.** *(1) Upon the* certification *provided for in 59-1109,* the staff and teachers of *the* district *are* eligible for coverage under the provisions of the Federal Social Security Act.

(2) The fiscal officer of *the* district shall thereafter collect the contributions required under the Federal Social Security Act, section 218, from the staff and teachers *by payroll deduction* and from the school district as employer. *The* funds *collected* shall be deposited with the *department of administration* and held in the *contribution account* as provided by 59-1101 *through* 59-1108.

(3) For the purposes of this act, the contributions with respect to services, equivalent to the employer's tax established by the Federal Social

(4) Upon certification, the governor shall designate an official to enter into an agreement, or a modification or supplement to an existing agreement or both *a* modification and *a* supplement, with the appropriate officers of the federal government, pursuant to section 218 of the Social Security Act, to secure coverage thereunder for the retirement system with respect to which certification has been made. *An agreement* may be made retroactive to the extent permissible under the Social Security Act.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 5-102, R.C.M. 1947, is amended to read as follows:

"**5-102. Institutions to which act is applicable.** *(1)* The word "*bank*" as used in this *title, means* any corporation which *has* been incorporated to conduct the business of receiving money on deposit or transacting a trust or investment business, *as defined in this title.*

(2) The soliciting, receiving, or accepting of money or its equivalent on deposit as a regular business *is* doing a commercial or savings bank business, whether such deposit is made subject to check or is evidenced by a certificate of deposit, a passbook, a note, or other receipt, provided that nothing herein *applies* to or *includes* money or its equivalent left in escrow or left with an agent pending investment in real estate or securities for or on account of his principal.

HeinOnline -- 1977 Vol. I 278 1977

(3) It *is* unlawful for any corporation, partnership, firm, or individual to engage in or transact a banking business within this state, except by means of a corporation duly organized for such purpose.

(4) Banks are divided into the following classes:

(a) *commercial banks;*

(b) *savings banks;*

(c) *trust companies;*

(d) *investment companies.*

(5) This title does not apply to any investment company or corporation established *prior to March 8, 1927,* under authority of the law of Montana not accepting, receiving, *or* holding money on deposit."

Section 2. Section 5-202.1, R.C.M. 1947, is amended to read as follows:

"**5-202.1. Board to refuse or approve application.** The board may refuse or approve an application for a certificate of authorization in accordance with *5-610* through 5-614."

Section 3. Section 5-403, R.C.M. 1947, is amended to read as follows:

"**5-403. Scope of term "liquidating officer" — department of business regulation to file inventory with district court — report.** *(1) For the purpose of this section the term "liquidating officer" includes every person legally empowered to liquidate the business and affairs of a state bank, whether the liquidation is by the department of business regulation or its deputies and agents. The term also includes all receivers of state banks qualified to liquidate a state bank under any law of this state.*

(2) The liquidating officer of a bank may decide when the assets of a failed bank are not sufficient to pay the debts, contracts, engagements, and liabilities, and he may determine the question of the time when and the court where necessary legal proceedings shall be conducted, subject to the general provisions of law governing venue and place of trial.

(3) The provisions of this chapter do not impose any liability on a stockholder of a bank which is a member of the *federal deposit insurance corporation.*

(4) The department shall, within 90 days after taking charge of an insolvent bank, file with the district court having jurisdiction a complete inventory of all of the property and assets of the insolvent bank, such as furniture, fixtures, real estate, mortgages, bonds, and notes, secured and unsecured. It shall also every 6 months, or more often if required by the court, file with the court a report showing the *status* of the liquidation of the bank, the assets that have been liquidated and collected, the amounts and manner of payments made to creditors, the manner in which claims have been handled, and the assets on hand. The report shall contain other information the court requires, so that the court and the public may be apprised of the condition of the bank and the manner in which it is being liquidated with respect to the collection and sale of assets belonging to the bank and the manner in which claims are being paid.

HeinOnline -- 1977 Vol. I 279 1977

The report and account shall be set for hearing upon the notice the court may require and, if found to be correct, shall be approved by the court."

Section 4. Section 5-504, R.C.M. 1947, is amended to read as follows:

"**5-504. Real estate which banks may purchase, hold, or convey.** (1) A bank organized under the provisions of this act may purchase, hold, or convey real estate which:

(a) *is* necessary for the proper transaction of its business, but it shall not invest an amount exceeding 50% of its paid-up capital and surplus in the lot and building in which the business of the company is carried on, furniture, equipment and fixtures, vaults and safety vaults, and boxes necessary or proper to carry on its banking business;

(b) *is* mortgaged to it in good faith by way of security for loans previously made or moneys due to the *bank*;

(c) *is* conveyed to it in satisfaction of debts previously contracted in the course of its business;

(d) *it* purchases at sales under judgments, decrees, or mortgages held by the *bank*.

(2) Real estate acquired in the manner set forth in subsections (1)(c) and (1)(d) of this section may not be held longer than 5 years from the date of acquisition, unless special written permission to do so is granted by the department. The real estate shall be carried on the books of the bank for an amount not greater than its cost to the bank, including costs of foreclosure and other expenses of acquiring title."

Section 5. Section 5-506, R.C.M. 1947, is amended to read as follows:

"**5-506. Limitation on real estate loans.** (1) A bank organized under the laws of this state may make real estate loans secured by first liens upon improved real estate, including improved farm land and improved business and residential properties, and may purchase an obligation so secured when the entire amount of the obligation is sold to the bank. The amount of the loan may not exceed 50% of the appraised value of the real estate offered as security, and the loan may not be made for a longer period than 5 years, except that:

(a) *the* loan may be made in an amount not to exceed 60% of the appraised value of the real estate offered as security and for a term not longer than 20 years if the loan is secured by an amortized mortgage, deed of trust, or similar instrument, under the terms of which the installment payments are sufficient to amortize 40% or more of the principal of the loan within not more than 20 years; and

(b) *a* bank may not make those loans in an aggregate sum in excess of the amount of its capital stock paid in and unimpaired plus the amount of its unimpaired surplus or in excess of 60% of the amount of its time and saving deposits, whichever is greater.

(2) Loans made to finance the construction of residential or farm buildings and having maturities of not to exceed 6 months, whether or not secured by a mortgage or a similar lien on real estate upon which the

HeinOnline -- 1977 Vol. I 280 1977

residential or farm building is being constructed, are not loans secured by real estate within the meaning of this section but shall be classed as ordinary commercial loans. A bank may not invest in or be liable on any of those loans in an aggregate amount in excess of 50% of its actually paid-in and unimpaired capital.

(3) Loans made to establish rural or commercial businesses, which are in whole or in part discounted or loaned against as security by a federal reserve bank for any part of which a commitment has been made by a federal reserve bank or in which an agency of the federal government *cooperated* or *purchased* a participation in, are not subject to the restrictions or limitations of this section upon loans secured by real estate. A bank in this state has from time to time the same authority to make loans upon real estate which may be given by acts of *congress* or the federal reserve system to national banks or bank members of the federal reserve system.

(4) The limitations and restrictions imposed by this section do not prevent the renewal or extension of loans made before February 18, 1941, and do not apply to real estate loans which are insured under the provisions of any act of *congress*. Those limitations and restrictions do not apply to the making, extension, or renewal of any loans made under subchapter II of the act of *congress* known as the Servicemen's Readjustment Act of 1944 or any amendment or supplement to that act.

(5) This section, however, does not prevent a bank from taking another and immediately subsequent mortgage or deed of trust when it already holds a first mortgage or deed of trust on the real estate or from accepting a second lien on real estate to secure the repayment of a debt previously contracted in good faith. These provisions do not prevent subsequent liens of any kind from being taken to secure the payment of a debt previously contracted in good faith when, in the judgment of the directors of the bank, the subsequent liens are necessary further to secure the payment of any debts and save the bank from loss."

Section 6. Section 5-508, R.C.M. 1947, is amended to read as follows:

"5-508. When advertising as bank prohibited — trade names restricted. *(1)* A person, firm, company, *partnership*, or corporation, either domestic or foreign, not subject to the supervision of the department and not required by the provisions of this act to report to it and which has not received a certificate to do a banking business from the department, may not:

(3) That person, firm, company, *partnership*, or corporation or any agent of a foreign corporation not having an established place of business in the state may not solicit or receive deposits or transact business in the way or manner of a bank, savings bank, trust, or investment company or in a manner which leads the public to believe that its business is that of a bank, savings bank, trust, or investment company.

(4) A person, firm, company, *partnership*, or corporation, domestic or foreign, not subject to the supervision of the department and not required by the provisions of this act to report to it and which has not received from the department a certificate to do a banking business, may not transact business under a name or title which contains the word "bank", "banker", "banking", "savings bank", "saving", "trust", "trustee", "trust company", or "investment company".

(5) A person, firm, company, *partnership*, or corporation, domestic or foreign, violating a provision of this section shall forfeit to the state $100 a day for every day or part of a day during which the violation continues.

(6) Upon suit by the department, the court may issue an injunction restraining that person, firm, company, *partnership*, or corporation *during pendency of the action and permanently* from further using those words in violation of the provisions of this section or from further transacting business in a manner which leads the public to believe that its business is that of a bank, savings bank, trust, or investment company and may enter any other order or decree as equity and justice require."

Section 7. Section 5-517, R.C.M. 1947, is amended to read as follows:

Claims — partial payments.** *(1)* The department need not await the expiration of the time allowed for filing claims, as fixed in the notice to the creditors, for the payment of dividends. It may, in its discretion and if under the circumstances of the particular case it considers it expedient and safe, at any time after taking possession of the bank and prior to the expiration of the period fixed for filing of claims, if it has on hand in cash sufficient funds over and above the expenses of liquidation, make pro rata distribution to any class of creditors next entitled to distribution, in the order of priority fixed in this chapter, making that payment to the creditors as they appear on the books and records of the bank and determining the priority and basing its apportionment on the amount shown to be due by the books and records.

(2) At any time after the expiration of the date fixed for the presentation of claims against the bank and from time to time thereafter when, in its discretion, there are sufficient funds available, the department shall, after making proper provisions for the payment of expenses of liquidation, declare and pay dividends to all creditors of the bank pro rata in the order of their priority. If, after the time fixed for presentation of claims against the bank has expired, it appears that a person, prior to the expiration of the period or at any other time, has been paid more than the *pro rata* amount due him as compared with the amounts then paid other creditors, nothing more may be paid that creditor until the payment made other creditors places them on equal footing.

HeinOnline -- 1977 Vol. I 287 1977

(3) In calculating dividends, all disputed claims and deposits shall be taken into account and the amount of dividends upon the disputed claims or deposits shall be held by the department until the validity of those claims or deposits has been finally determined.

(4) Claims against a bank in process of liquidation may be assigned in whole or in part subject to the approval of the department. Assignments of claims are binding upon the department only after they have been filed and allowed by the department and *are* subject to the payment of the assignor's liabilities to the bank. An assignment shall be made by filing written notice, signed by the original claimant, with the department or person in charge of the bank. No assigned claims may be offset against obligations due the bank. A check or draft drawn against a bank closed or taken possession of by the department, whether issued before or after closing, *may* not be recognized as a claim against the bank or as an assignment of any amount, whether protested or not protested."

Section 26. Section 5-1126, R.C.M. 1947, is amended to read as follows:

"**5-1126. Power of closed banks to borrow money from governmental agencies.** *After applying to and obtaining the approval of the department and the district court of the county in which the bank or trust or investment company is located, and notwithstanding* any other law, the liquidating agents of closed banks may borrow money from an agency of the federal government on behalf of commercial banks, savings banks, trust companies, and investment companies closed and in liquidation. *As* security for the loan *the liquidating agent* may pledge or mortgage the assets and properties thereof for the purpose of paying depositors or creditors in part or in full."

Section 27. Section 5-1508, R.C.M. 1947, is amended to read as follows:

"**5-1508. Transfer of fiduciary relationships between affiliated banks.** (1) Any bank which has received approval pursuant to 5-1506 to maintain a trust office in the same building with the main office of any affiliated bank may file its verified application in the district court of the county in which its main office is located requesting that it be substituted, except as may be expressly excluded in such application, in every fiduciary capacity for such affiliated bank, and such affiliated bank shall join in such application. Such application shall indicate the county wherein the main office of such affiliated bank is located and shall designate each fiduciary account existing at the date thereof with respect to which the applicant bank requests substitution, but fiduciary capacities in other cases need not be listed. Such application shall additionally set forth, with regard to each existing fiduciary account designated therein, the name and address last known to the applicant of each person entitled to mailed notice of hearing thereon, who shall be those persons specified in subsections *(1)*(a) *through (1)*(e) of 5-1507.

(2) When any such application *has* been filed, the clerk of the court where filed shall make an order fixing a date and time for hearing thereon and shall cause notice thereof to be given by publication and mailing in the manner required by 5-1507.

HeinOnline -- 1977 Vol. I 288 1977

(3) The notice to be published and mailed with respect to each application shall state the time and place of the hearing thereon, the name of the bank which has filed the application, the name of the affiliated bank which has joined in such application, that the application requests that the applicant bank be substituted in every fiduciary capacity for the affiliated bank specified in the application, and that any person beneficially interested in any affected fiduciary account may appear on or before the date of hearing and file his written objection to such substitution as to such affected fiduciary account, and such notice shall refer to such application for further particulars.

(4) On or before the date and time of hearing any such application, any person beneficially interested in any fiduciary account as to which substitution of the applicant bank is requested may appear and file objection to substitution and shall be entitled to be heard with respect to such objection.

(5) On such date of hearing, upon finding that due notice has been given as required by this act and upon finding that the applicant bank has received the requisite approval from the department or the comptroller of the currency if the applicant bank is a national banking association, the district court shall enter an order substituting the applicant bank in every fiduciary capacity for the affiliated bank designated in the application, excepting as may be otherwise specified in the application and excepting fiduciary capacities in any account with respect to which an objection has been filed pursuant to this section. Upon entry of such order, the applicant bank shall, without further act, be substituted in every such fiduciary capacity. Such substitution may be made a matter of record in any county of this state by filing a certified copy of the order of substitution in the office of the clerk of any district court in this state or by filing a certified copy of such order in the office of the clerk and recorder of any county in this state to be by such officer recorded and indexed in like manner and with like effect as other orders and decrees of court are recorded and indexed.

(6) Each designation, in a will or other instrument heretofore or hereafter executed, of a bank as fiduciary shall be deemed a designation of the applicant bank substituted for such bank pursuant to this section except where such will or other instrument is executed after such substitution and expressly negates the application of this section. Any grant in any such will or other such instrument of any discretionary power shall be deemed conferred upon the applicant bank deemed designated as the fiduciary pursuant to this section.

(7) A bank shall account jointly with the applicant bank which has been substituted as fiduciary for such bank pursuant to this section for the accounting period during which the applicant bank is initially so substituted. Upon substitution pursuant to this section, the affiliated bank for which substitution has been made shall deliver to such applicant bank all assets held by such affiliated bank as fiduciary (except assets held for accounts with respect of which there has been no substitution pursuant to this section) and upon such substitution all such assets shall become the property of such applicant bank without the necessity of any instrument of transfer or conveyance."

(3) A contract made by the department for the sale of water, use of water, water storage, or other service or for the sale of any property or facilities shall provide that in the event of a failure or default in the payment of moneys specified in the contract to be paid to the department, the department may, upon notice as is prescribed in the contract, terminate the contract and all obligations thereunder. The act of the department in ceasing on default to furnish or deliver water, use of water, water storage, or other service under the contract does not deprive the department of or limit any remedy provided by the contract or by law for the recovery of moneys due or which may become due under the contract.

(4) (a) A person aggrieved by a decision of the department to terminate any contract under subsection (3) may appeal to the board and be heard thereon by filing written notice of the appeal with the department within 10 days after receiving notice of termination of the contract from the department. The termination of the contract *is* stayed if an appeal is taken.

(b) If a dispute arises between the department and another party regarding amounts owing or the terms and conditions under a water marketing or water purchase contract or under a contract for the construction or repair of works, that party may appeal to the board for a hearing thereon and a resolution of the dispute by filing written notice of the appeal with the department within 30 days after the final decision of the department regarding the dispute.

(5) Subject to the approval of the board under 89-103.2, the department may sell, transfer to water user associations, abandon, or otherwise dispose of any *rights-of-way*, easements, or property when it determines

HeinOnline -- 1977 Vol. I 299 1977

that they are no longer needed for the purposes of this act or lease or rent the same or otherwise take and receive the income or profit and revenue therefrom. A determination shall be made by the department as to the market value of *rights-of-way*, easements, or property to be sold, transferred, abandoned, or otherwise disposed of. All income or profit and revenue of the works and all moneys received from the sale or disposal of water, use of water, water storage, or other service and from the operation, lease, sale, or other disposition of the works, property, and facilities acquired under this act shall be deposited to the state general fund."

Section 4. Section 89-3514, R.C.M. 1947, is amended to read as follows:

"**89-3514. Permit construed as added requirement — exception — immunity.** (1) The granting of a permit under this act does not affect any other type of approval required by any other statute or ordinance of the state, of any political subdivision, or of the United States but is an added requirement; however, if a political subdivision enacts, in harmony with the purposes of this act, permit issuance ordinances, regulations, or resolutions and land-use ordinances, regulations, or resolutions which meet or exceed the minimum standards of the board and if the administrative and enforcement procedures established for those ordinances, regulations, or resolutions are found acceptable by the board, no permit from the department is required; however, if the board determines that there is a failure by a political subdivision to comply with the intent, purposes, and provisions of this act and the minimum standards adopted thereunder, the powers of the political subdivision may be suspended after hearing and the minimum standards adopted by the board shall be enforced by the department until such time as the board determines that the political subdivision will comply. The grant or denial of a permit does not have an effect on a remedy of a person at law or in equity; however, where it is shown that there is a wrongful failure to comply with this act, there is a rebuttable presumption that the obstruction was the proximate cause of the flooding of the land of a person bringing suit.

(2) An action for damages sustained because of injury caused by an obstruction for which a permit has been granted under this act may not be brought against the state, the board, a member of the board, or the department. This act does not interfere with the right of the United States to regulate interstate commerce or the navigable waters of the United States."

Approved March 25, 1977.

Section 9. There is a new R.C.M. section numbered 66-242 that reads as follows:

66-242. Full compartment sales — approval of meter. Full compartment sales or deliveries may only be made in a manner that shall be provided by the department by rule. CHAPTER NO. 81

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 11-519, R.C.M. 1947, is amended to read as follows:

"**11-519. Standards to be met before annexation can occur.** (1) A municipal governing body may extend the municipal corporate limits to include any area which meets the general standards of subsection (2) of this section.

(2) The total area to be annexed must meet the following standards:

(a) it must be contiguous to the *municipality's* boundaries at the time the annexation proceeding is begun;

(b) no part of the area *may* be included within the boundary of another incorporated municipality;

(c) it must be included within and the proposed annexation must conform to a comprehensive plan as prescribed in Title 11, chapter 38, R.C.M. 1947; and

(d) no part of the area *may* be included within the boundary, as existing at the inception of such attempted annexation, of any fire district organized under any of the provisions of chapter 20, Title 11, *if the* fire district was originally organized at least 10 years prior to the inception of such attempted annexation. *However, a single-ownership piece of land may be transferred from a fire district to a municipality by annexation as provided in 11-2008(5).*

(3) In fixing new municipal boundaries, a municipal governing body shall, wherever practical, use natural topographic features such as *ridgelines* and streams and creeks as boundaries, and if a street is used as a boundary, include within the municipality land on both sides of the street; and such outside boundary may not extend more than 200 feet beyond the right-of-way of the street."

Section 2. Section 11-2008, R.C.M. 1947, is amended to read as follows:

"**11-2008. Fire protection — creation of fire districts — contracts with cities, towns, and private service — dissolution and change of boundaries.** *(1)* The board of county commissioners is authorized to establish fire districts in any unincorporated territory *or* town upon presentation of a petition in writing signed by the owners of 50% or more of the area of the privately owned lands included within the proposed district who constitute a majority of the taxpayers who are freeholders of such area and whose names appear upon the last completed assessment roll. *The* board shall, within 10 days after the receipt of *the* petition, give notice of the hearing thereof at least 10 days prior *to the hearing* by mailing

HeinOnline -- 1977 Vol. I 308 1977

a copy of the notice by first class mail to each freeholder in the district at the address shown in the assessment roll, by causing notices of the time and place of such hearing to be posted in at least three of the most public places within the area proposed to be established as a fire district, and *by publishing the notice* at least once not less than 10 or more than 20 days prior to the time of *the* hearing in a newspaper regularly published in the county in which such proposed district is situated. The board shall proceed to hear the petition at the time set or at any time within 5 days thereafter to which the same *is* postponed or continued with due notice and may grant the same unless it *is* established thereat that the petition bears insufficient signatures as above required or, if originally sufficient, that by reason of written withdrawals thereof it has become insufficient. The board shall render its decision within 30 days after *the* hearing. At the time of the annual levy of taxes the board of county commissioners may levy a special tax upon all property within such districts for the purpose of buying or maintaining fire protection facilities and apparatus for such districts or for the purpose of paying to a city, town, or private fire service the consideration provided for in any contract with the council of such city, town, or private fire service for the purpose of furnishing fire protection service to property within such district, and such tax must be collected as are other taxes. *The* relationship between fire district and the city, town, or private fire service shall be that of an independent contractor.

(2) Any fire district organized under this act may be dissolved by the board of county commissioners upon presentation of a petition therefor signed by the owners of 50% or more of the area of the privately owned lands included within such fire district who constitute a majority of the taxpayers who are freeholders of such area and whose names appear upon the last completed assessment roll. The procedure and requirements outlined in subsection *(1)* above shall apply to such requests for dissolution of fire districts.

(3) Change of boundaries — division. Fire districts may be divided in the following manner: Whenever a petition in writing shall be made to the county commissioners, signed by the owners of 20% or more of the privately owned lands of an area proposed to be detracted from the original district who constitute 20% or more of the taxpayers who are freeholders within such proposed detracted area whose names appear upon the last completed assessment roll, the county commissioners shall, within 10 days from the receipt of such petition, give notice of the hearing of *the* petition by mailing a copy of the notice by first class mail to each freeholder in the district at the address shown in the assessment roll *and* by causing to be posted a notice thereof at least 10 days prior to the time appointed by them for the consideration of *the* petition in at least three of the most public places within the proposed detracted area and also in at least three of the most public places within the remaining area. The petition for detraction shall describe the boundaries of the proposed detracted area and the boundaries of the remaining area. The county commissioners shall, on the day fixed for hearing such petition (or on any legally postponed day), proceed to hear *the* petition. *The* petition shall be granted and the original districts shall thereupon be divided into separate districts, unless at the time of the hearing on such petition protests shall

HeinOnline -- 1977 Vol. I 309 1977

be presented by the owners of 50% or more of the area of the privately owned lands included within the entire original district who constitute a majority of the taxpayers who are freeholders of the entire original district and whose names appear upon the last completed assessment roll. If such required amount of protests are presented, the petition for division shall be disallowed. Upon the division of districts, moneys on hand shall be apportioned between the divided areas according to their respective taxable valuations; all other assets of the original district shall become the property of the remaining area, but a reasonable value shall be placed upon such "other assets" and the remaining area shall become indebted to the detracted area for its proportionate share thereof, based upon taxable valuations. Provided, however, that any detracted area shall remain liable for any existing warrant and bonded indebtedness of the original district.

(4) (a) Change of boundaries — annexation. Adjacent territory that is not already a part of a fire district may be annexed in the following manner: A petition in writing by the owners of 50% or more of the area of privately owned lands of the adjacent area proposed to be annexed who constitute a majority of the taxpaying freeholders within such proposed area to be annexed *and* whose names appear upon the last completed assessment roll shall be presented to the board of county commissioners. The commissioners shall hold a hearing on such petition in accordance with the procedure outlined in subsection *(3)* above and shall allow the annexation of such proposed adjacent territory unless protests are presented at the hearing by the owners of 50% or more of the area of the privately owned lands included within the original district who constitute a majority of the taxpaying freeholders within the original district. Such annexed territory shall become liable for any outstanding warrant and bonded indebtedness of the original district.

(b) Adjacent territory that is already a part of a fire district may withdraw from such fire district and become annexed to another fire district in the following manner: A petition in writing by the owners of 50% or more of the privately owned lands of an area which is part of any organized fire district who constitute a majority of the taxpaying freeholders within such area, according to the last completed assessment roll, shall be presented to the county commissioners asking that such area be transferred to and included in any other organized fire district to which said area is adjacent. *The* petition must set forth the change of boundaries to be affected by such proposed transfer of area. The commissioners shall hold a hearing on the petition in accordance with the procedure outlined in subsection *(3)* above, and the withdrawal and annexation shall be allowed unless protests are presented at the hearing by the owners of 50% or more of the area of the privately owned lands included within either district affected who constitute a majority of the taxpaying freeholders of either district, according to the last completed assessment roll. *The* withdrawals and annexation shall be allowed only upon a showing of more advantageous proximity and communications with the *firefighting* facilities of the other district.

(5) In lieu of the detraction procedure set forth in subsection (3), whenever a person owns land adjacent to a city or town and wishes to have

HeinOnline -- 1977 Vol. I 310 1977

that land only annexed to the city or town, the land may be detracted as follows:

(a) The owner shall mail notice to the chairman of the trustees of the fire district or, if none, to the board of county commissioners of his intention to request annexation.

(b) The owner shall attach a copy of this notice of intention to his petition to the municipal governing body requesting annexation.

(c) Following adoption of the annexation order under 11-521, the land is detracted from the fire district."

Approved March 25, 1977.

CHAPTER NO. 95

AN ACT CREATING AN AGENCY FUND FROM WHICH TO MAKE PENSION PAYMENTS TO ELIGIBLE MEMBERS OF VOLUNTEER FIRE COMPANIES OF UNINCORPORATED AREAS; AMENDING SECTIONS 11-2022, 11-2025, 11-2028, AND 11-2030, R.C.M. 1947.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 11-2022, R.C.M. 1947, is amended to read as follows:

"**11-2022. Disability, death, insurance and pension benefits.** 1. Every member of a fire company organized in an unincorporated area, town or village under the laws of this state, shall be entitled to receive compensation for disability incurred while in the performance of his duties as such fireman, when such disability necessitates the services of a physician or surgeon, while confined or nonconfined, in the amount of his necessary and reasonable medical expenses resulting directly from such disability, and incurred within a period of not more than thirty-six (36) months from the date of the injury which caused such disability, not to exceed a total of twenty-five thousand dollars ($25,000).

2. Where an injury incurred in line of such duty results in the loss by amputation of an arm, hand, leg or foot, or the enucleation of an eye, or the loss of any of the natural teeth, the board shall order them an artificial member or members be furnished to supply the loss thereof. The expense of furnishing such members shall not exceed the sum of one thousand five hundred dollars ($1,500). The replacement of an artificial member so furnished shall be required every five (5) years, if necessary.

3. To aid in defraying funeral expenses of a fireman covered under this act whose death occurs in line of duty, an amount not to exceed the actual necessary and reasonable expenses, or the sum of one thousand five hundred dollars ($1,500), whichever is less, shall be allowed.

HeinOnline -- 1977 Vol. I 327 1977

4. To encourage and aid volunteer fire departments to maintain group insurance for benefits on account of death or injury incurred by members while in the performance of duties as volunteer firemen, the sum of seventy-five dollars ($75) per year for each mobile unit of fire-fighting equipment, not exceeding two (2) such units in number for any such department, shall be paid to each volunteer fire department maintaining such insurance, or to the organization or agency maintaining such insurance for any such volunteer fire department.

In the case of every volunteer fireman who shall meet the qualification requirements set forth in subparagraph two (2) of section 11-2023, and then if the claim provided for under subparagraph two (2) of section 11-2024 shall be completed and filed, the claimant shall be entitled thereafter to participate in the volunteer firemen's pension plan as provided in this act, and to receive payments thereunder computed each year in the following manner. Whenever at the close of business on the last day of any fiscal year there shall be a balance in the volunteer fireman's compensation account in the *agency* fund in excess of one million dollars ($1,000,000) then the industrial accident board shall set aside and pay over to the public employees' retirement system, the smaller of such amount in excess of one million dollars ($1,000,000), or an amount equal to ninety-five percent (95%) of the increase of said account balance over the account balance at the end of the preceding fiscal year, for the payment by said public employees' retirement system of pensions to qualified claimants during the immediately succeeding fiscal year. The amount to be paid to each qualifying claimant shall be determined by dividing said amount set aside by the number of claimants qualifying to participate in such pension plan at the beginning of such succeeding fiscal year. If such amount set aside shall be sufficient to pay each such qualified claimant at least twenty dollars ($20) per month throughout such succeeding fiscal year, then such pension shall be paid monthly, on or before the last day of each month of such succeeding fiscal year; but if said amount set aside shall not be sufficient to pay each qualified claimant at least twenty dollars ($20) per month, then each qualified claimant's full pension for that year shall be paid to him in one lump payment on or before the fifteenth day of December of such year; provided, however, that in any event the total pension payable hereunder to any qualified claimant shall not exceed the sum of fifty dollars ($50) per month, and the amount to be set aside hereunder from the volunteer fireman's compensation account in the *agency* fund at the beginning of any fiscal year for the funding of such pensions shall not in any event exceed the amount necessary to pay such maximum of fifty dollars ($50) per month to each claimant qualified as of the beginning of such fiscal year. For the purpose of computation and payment of benefits under this act, if children of any volunteer fireman shall become eligible for benefits hereunder, then all children of such volunteer fireman shall be treated collectively as one (1) claimant. The fiscal year for the purpose of this act shall begin on the first day of July of each year and end on the last day of June of each year."

Provided, further, that in the event of such payments after the death of a volunteer fireman, to or for a surviving spouse or children, then such pension shall terminate, and no further payments shall be made hereunder, in the case of a full participation pension when a total of two thousand dollars ($2,000) shall have been paid upon such pension, including any payments made to the volunteer fireman before his death, or in the case of a partial participation pension, when a total of a proportion of two thousand dollars ($2,000) determined under the formula set forth in section 11-2023(2)(A)(II) shall have been paid upon such pension, including any payments made to the volunteer fireman before his death. If such deceased volunteer fireman shall leave neither surviving spouse nor child under the age of eighteen (18) years, then his pension shall terminate at the end of the month prior to the month in which his death occurs."

The department shall *examine* the amount of supplies on hand and shall determine from that examination and from the furnished statements the additional amount of supplies necessary and shall make an itemized statement thereof, all of which acts of the department are subject to approval of the governor. As soon as the department determines what kind of supplies and the amount necessary for the state to purchase for its state offices, agencies, or institutions, the department shall make the purchases.

(2) All purchases by the department shall be based on competitive bids. On any purchase *when* the estimated expenditure is $2,000 or over, sealed bids shall be solicited by mail from each person, firm, or corporation who has filed with the department a request in writing that it be listed for solicitation on bids for such particular items set forth in such listing. (4) In the case of all bids as herein provided, there shall be separate proposals and separate contracts. Each proposal may be accompanied by sample supplies proposed to be furnished. The proposals shall be in writing, sealed, and marked *in accordance with the terms of the solicitation for bid* and shall be addressed to the department of administration, Helena, Montana.

(5) At the time set for the opening of bids, the proposals shall be opened in public and contracts awarded to the lowest responsible bidder. (6) With any proposal the department may require a certified check on some responsible bank, payable to the treasurer of the state, equal in amount to 5% of the sum of the proposal, *or a bid bond issued by a licensed surety company,* as a guarantee for the faithful performance of any contract awarded. After the award is made, all checks deposited as a guarantee shall be returned, except that of the successful bidder whose check shall be held until the contract is signed and the *performance* bond *is* filed and approved, if a *performance* bond is required. All proposals shall include the delivery of the supplies *in accordance with the terms of the solicitation for bid.*"

(3) All rights of action for a breach of a contract by the contracting parties are reserved to the state.

(4) A person who violates the provisions of *59-501 or this section, or both,* is guilty of a misdemeanor and shall be fined not less than $500 *or* more than $5,000, and the state of Montana *may* at its option declare any contract in violation of the provisions of *59-501 or this section, or both,* void ab initio."

Such a designation shall be made prior to the advertisement for bids in a daily state newspaper, and when the advertisement is published, it shall indicate the purchases which have been designated small business set-asides. To effectuate the purposes of *82-1929 through 82-1937*, a department shall exercise this authority whenever there is a reasonable expectation that bids will be obtained from at least three small businesses capable of furnishing the desired property or service at a fair and reasonable price.

(2) In the case of purchase designated as small business set-asides, invitations to bid shall be confined to small businesses and bids from other businesses shall be rejected. The *purchase*, contract, or expenditure of funds shall be awarded to the lowest responsible bidder among the small businesses (considering conformity with specifications and terms) in accordance with the rules for purchasing published by the department."

Further, the department shall determine if there is a need for a taxing, assessing, and appraising school, and such school shall be held when *considered* necessary. The department shall notify all assessors and appraisers at least 6 months before such school is scheduled, and it shall be the duty of all assessors and appraisers to attend, and the cost of their attendance shall be borne by the state.

(5) *The department of revenue shall* confer with, advise, and direct officers of municipal corporations as to their duties, with respect to taxation, under the statutes of the state.

Should there be no quotation covering any particular product, then the department shall fix the value of such gross product or such portion thereof as shall have been sold or otherwise disposed of at a price substantially below the true market price at the time and place of such sale or disposal in such a manner as may seem to be equitable."

CHAPTER NO. 99

AN ACT TO GENERALLY REVISE AND CLARIFY THE LAWS RELATING TO THE PUBLIC EMPLOYEES' RETIREMENT SYSTEM; AMENDING SECTIONS 68-1602, 68-1604, 68-1605, 68-1608, 68-1901, 68-1904, 68-2103, 68-2201, 68-2203, 68-2304, 68-2505, 68-2506, AND 68-2511, R.C.M. 1947.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 68-1602, R.C.M. 1947, is amended to read as follows:

"**68-1602. Exclusions.** The following persons *may* not become members of the retirement system:

(1) elective officers who have not filed with the board written requests to become members, *except* that *a* person so excluded from membership may later become a member by otherwise becoming an employee or by written request after a subsequent election to office, and if he affirmatively *exercises* the option, the contributions of the employer because of his membership shall be the same as they would have been had he not been so excluded;

HeinOnline -- 1977 Vol. I 348 1977

(2) inmates of state institutions who are allowed compensation for such service as they are able to perform;

(3) persons in state institutions principally for the purpose of training, but who receive compensation;

(4) independent contractors, unless *there is a* written contract *which* specifies the creation of an employer-employee relationship for purposes of retirement coverage under the Public Employees' Retirement System Act;

(5) employees serving in employment which does not exceed the equivalent of 60 working days in any fiscal year;

(6) employees in service on July 1, 1945, or prior thereto who filed with the board *elections* not to become members, *except that a* person so excluded from membership may become a member *and be eligible thereafter to receive the same benefits that he would have received if he had never filed an election not to be a member* by meeting the requirements *prescribed in 68-1607 and 68-1608*;

(7) persons directly appointed by the governor who do not file with the board an election in writing to become members;

(8) *(a)* persons who are members of any other retirement or pension system supported wholly or in part by funds of the United States government, any state government, or political subdivision thereof and who are receiving credit in *the* other system for service, it being the purpose of this *subsection* to prevent a person from receiving credit for the same service in two retirement systems supported wholly or in part by public funds, except when *the* service qualifies, is applied for, and purchased pursuant to 68-1605.1; *a* member of the retirement system who, because of his employment by the state, *is* required to become a member of any other *system described in this subsection* shall be considered, solely for the purposes of making normal contributions, as permanently separated from service; *exclusion under this subsection (8)(a) is subject to the following exceptions:*

(i) when an employer has entered into a collective bargaining agreement which includes provisions for payments or contributions by the employer in lieu of wages to a retirement or pension plan qualified by the Internal Revenue Service for its employees, *the* employees remain eligible, if otherwise qualified, for membership in the retirement system, and the payments or contributions in lieu of wages *may* not be *considered* a part of the *employees'* compensation for purposes of computing the employer or employee contributions to the retirement system;

(ii) for the purpose of subsection (8), persons receiving pensions, retirement allowances, or other payments from any source on account of employment other than as an employee as defined in this act are not considered, because of such receipt, members of any other retirement or pension system;

(b) the accumulated contributions of a member who dies after becoming a member of any other system described in subsection (8) and before receiv-

ing his accumulated contributions shall be paid to the beneficiary nominated by him to receive any death benefit payable under 68-2301;

(9) court commissioners or appointive members of any board or commission who serve the state or any contracting employer intermittently and who are paid on a per diem basis;

(10) persons who become employees after they have reached their *60th* birthday and have no creditable service in this system and who do not file with the board an election to become members;

(11) employees of county hospitals or county rest homes in the sixth and seventh class counties, unless they elect to file with the board an election in writing to become members;

(12) persons employed by the legislature during the legislative session who do not file with the board an election in writing to become members."

Section 2. Section 68-1604, R.C.M. 1947, is amended to read as follows:

"**68-1604. Absence not included in time of service.** Except as provided in 68-1605, *68-1605.1,* and 68-1606, time during which a member is absent from compensated employment with an employer *may* not be allowed in computing service."

Section 3. Section 68-1605, R.C.M. 1947, is amended to read as follows:

"**68-1605. Absence in military service.** *(1)* Any period of absence from compensated employment with an employer *for one of the following reasons,* occurring either during a war involving the United States as a belligerent or *during* any other national emergency and 90 days thereafter, *is* considered service for the purpose of qualification for retirement and death benefits but not for calculation of retirement benefits:

(a) by reason of having been ordered on duty with the armed forces of the United States;

(b) by reason of voluntary service in said forces or on ships operated by or for the United States government; or

(c) by reason of direct assignment to the department of defense for duties pursuant to the national defense efforts where a leave of absence has been granted by the employer.

(2) Any member so absent *has* the right to contribute to the retirement system, either during his period of absence or upon his return to service, at times and in the manner fixed by the board, amounts equal to the *contributions* which would have been made by him to the system on the basis of his compensation at the commencement of his absence. If he does contribute, he shall receive credit for service for such time in the same man-

HeinOnline -- 1977 Vol. I 350 1977

ner as if he had not been absent from service. Whenever a member elects to continue his contributions, the employer shall thereupon contribute an amount equal to what its employer contributions would have been had the member not been absent from service.

(3) Any member so absent *loses* the right to contribute under this section if all of his accumulated normal contributions are refunded pursuant to 68-1905."

Section 4. Section 68-1608, R.C.M. 1947, is amended to read as follows:

"**68-1608. Qualification of prior service not previously credited.** *If a member otherwise has not less than 5 years of creditable service of which not less than 3 years have been as a contributing member of the retirement system, he shall be granted credit* for any prior service not previously granted upon his filing written notice thereof with the board no later than July 1, 1975, *or within 1 year after becoming an employee, whichever is later.* Proper certification of *the prior* service must be furnished."

Section 5. Section 68-1901, R.C.M. 1947, is amended to read as follows:

"**68-1901. Management of fund.** The retirement fund shall be managed as follows:

(1) The board *has* exclusive control of the administration of the fund except as otherwise provided.

(2) The fund shall be invested by the state board of investments as part of the long-term investment fund.

(3) The department of administration shall deposit monthly in the state treasury all amounts received by it as provided in this act.

(4) The state treasurer *is* custodian of the retirement fund, subject to the exclusive control of the board as to the administration thereof and the board of investments as to the investment thereof.

(5) Interest earned on any cash *deposited* in a bank by the state treasurer and income on other assets constituting a part of the fund shall be paid into the fund as received. Income, of whatever nature, earned on the retirement fund during any fiscal year in excess of the interest credited to contributions during that year shall be retained in the fund as a reserve against deficiencies in interest earned in other years, losses under investments, and other contingencies.

(6) Except as herein provided, no member and no employee of the department of administration *may:*

(a) have any interest, direct or indirect, in the making of any investment or in the gains or profits accruing therefrom;

(b) directly or indirectly, for himself or as an agent or partner of others, borrow any of its funds or deposits;

(c) in any manner use the same except to make such current and necessary payments as are authorized by the department; *or*

HeinOnline -- 1977 Vol. I 351 1977

(d) become an endorser or surety as to or in any manner an obligor for investments for the retirement system."

Section 6. Section 68-1904, R.C.M. 1947, is amended to read as follows:

"**68-1904. Employer contribution to administrative expense.** (1) The board may assess and the department of administration shall collect a fee *from each employer* for the purpose of defraying the administrative expense of this act, not to exceed .3% of gross compensation.

(2) In addition to the contributions elsewhere provided in this act, on July 1 of each year each employer shall contribute on behalf of each member then in its employ a membership fee of $1. These fees together with other moneys appropriated for that purpose shall be used for the purpose of defraying the administrative expense of this act."

Section 7. Section 68-2103, R.C.M. 1947, is amended to read as follows:

"**68-2103. Allowance for duty-related disability.** The annual amount of retirement allowance payable to a member eligible for disability retirement for duty-related reasons is 50% of his final compensation. *However,* the annual amount of retirement allowance *is* 25% of final compensation for any period during which the member has been awarded compensation by the *workers'* compensation division, whether such compensation is received in periodic payments or in a lump sum. *The* annual amount of retirement allowance *reverts* to 50% of final compensation at the end of such period."

Section 8. Section 68-2201, R.C.M. 1947, is amended to read as follows:

"**68-2201. Medical examination of disability retiree — cancellation and reinstatement.** (1) The board may, at its pleasure, require the recipient of a retirement allowance because of disability to undergo medical examination. The examination shall be made by a physician or surgeon appointed by the board, at the place of residence of the recipient or another place mutually agreed upon. Upon the basis of the examination, the board shall determine whether *the* recipient is unable, by reason of physical or mental incapacity, to perform either the duties of the position held by him when he was retired or the duties proposed to be assigned to him. If the board determines that *the* recipient is not incapacitated or if the recipient refuses to submit to medical examination, his retirement allowance shall be canceled.

(2) *A* person whose retirement allowance is canceled shall be reinstated to the position held by him immediately before his retirement or to a position in the same classification with duties within his capacity, if he had been an employee of the state or of the university. If he had been an employee of a contracting employer, the board shall notify the proper official of the contracting employer that the retirement allowance has been canceled and that the former employee is eligible for reinstatement to duty. The fact that he was retired for disability *may* not prejudice any right to reinstatement to duty which he may have or claim to have.

HeinOnline -- 1977 Vol. I 352 1977

(3) If *a* person whose retirement allowance is canceled is not reemployed in a position subject to the retirement system, his service *is considered, for the purposes of 68-1905,* to *have been* discontinued coincident with *the commencement of* his retirement allowance."

Section 9. Section 68-2203, R.C.M. 1947, is amended to read as follows:

"**68-2203. Optional retirement allowance.** (1) The retirement allowance of a member who so elects shall be converted, in lieu of all other benefits under this act, into an optional retirement allowance which is the actuarial equivalent of *the regular retirement* allowance. The optional retirement allowance is a reduced amount payable during the member's lifetime with a subsequent benefit as follows:

(a) *option* 1—a death benefit to the member's beneficiary equal to the excess, if any, of the member's accumulated contributions, with regular interest to the day his retirement allowance commenced, over the total of his retirement allowance payments;

(b) *option* 2—a continuation of the reduced retirement allowance during the lifetime of his named contingent annuitant;

(c) *option* 3—a continuation of one-half of the reduced retirement allowance during the lifetime of his named contingent annuitant;

(d) *option* 4—such other actuarially equivalent benefit as *may* be approved by the board.

(2) Election of *an* optional retirement allowance *must* be by written application filed prior to the first payment of the regular retirement allowance.

(3) If either the member or his contingent annuitant *dies* before the member has received the first payment under option 2 or 3, the election of *the* option *is* automatically canceled.

(4) If a member dies after retirement and within 30 days from the date his election or changed election of an optional retirement allowance is received by the board, then *the* election is void and the death *is* considered as that of a member before retirement."

Section 10. Section 68-2304, R.C.M. 1947, is amended to read as follows:

"**68-2304. Survivorship allowance elected by beneficiary.** A beneficiary eligible to receive a death benefit may elect, *by written application,* a survivorship allowance instead if all of the following conditions are met:

(1) *The* member on behalf of whom the death benefit is payable had completed 10 years of creditable service.

(2) *The* beneficiary is a natural person of legal age.

(3) *The* beneficiary elects the survivorship allowance within 90 days of receipt of notice from the board that he is eligible to receive the death benefit."

HeinOnline -- 1977 Vol. I 353 1977

Section 11. Section 68-2505, R.C.M. 1947, is amended to read as follows:

"**68-2505. Payment of state contributions — budget and appropriations.** (1) No later than the *10th* day of each month, each department, board, commission, bureau, or other agency of the state shall certify to the state auditor all contributions required of *the* unit and its employees under this act on the basis of compensation paid during the previous month, including any contributions payable with respect to members absent in the armed forces of the United States. The state auditor shall thereupon draw a warrant upon the state treasurer for *the* contributions. The warrant shall be drawn to the credit of the retirement fund on the funds appropriated to *the* unit.

(2) Every state employer shall include in *its* budget and request for legislative appropriations an amount necessary to defray the state's part of the costs of this act for *its* employees to the end that the legislature may make definite appropriation for the cost incurred by each employer *the* employees *of which* are within the retirement system created by this act."

Section 12. Section 68-2506, R.C.M. 1947, is amended to read as follows:

"**68-2506. Transfers between funds.** Any fund out of which payments are made under the provisions of this act may be reimbursed to the extent of such payments by transfer of a sufficient sum for *the* reimbursement from another fund or funds under the control of the same disbursing officer. The disbursing officer shall certify to the state auditor *the* amounts to be thus transferred *and* the funds from and to which the transfer is to be made, and the auditor shall thereupon make the transfer as directed in the certificate."

Section 13. Section 68-2511, R.C.M. 1947, is amended to read as follows:

"**68-2511. Transfer to and from and concurrent membership in teachers' retirement system.** (1) For the purpose of this section, "system" means the public employees' retirement system of Montana or the teachers' retirement system of the state of Montana.

(2) Upon transfer of a person from being an employee under one system to being an employee in the other, *all* service credits, both prior and membership, *shall be transferred, except those that have been forfeited by withdrawal and have not been reinstated.* The amounts transferred shall be determined by the boards of the systems by mutual agreement and *shall* be certified by the system from which the employee transfers.

(3) Any person who is concurrently employed by employers under both systems *is* entitled to establish credits or equities in each of the systems in accordance with and to the extent set forth in this act.

(4) Eligibility of any such person for a retirement allowance, death benefit, or refund of contributions *is* governed by the provisions of the act creating the system to which the person last made contributions *and*

HeinOnline -- 1977 Vol. I 354 1977

is based upon the entire length of service for which he *has been* granted credit under both systems."

Approved March 25, 1977.

CHAPTER NO. 100

AN ACT TO GENERALLY REVISE AND CLARIFY THE LAW RELATING TO MINORS.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 10-204, R.C.M. 1947, is amended to read as follows:

"**10-204. Age certificates.** Upon *attaining* the age of *16* years any child may make application to the commissioner of labor and industry for an age certificate, which must be presented to any employer with whom *the* child *seeks* employment. The employer, if such employment be given, must countersign the certificate and return *it* to the commissioner, who shall keep *it* on file in his office. Any person, firm, company, association, or corporation who employs or permits to be employed in any occupation prohibited by 10-201 any child without such certificate showing the child to be at least *16* years of age *is* guilty of a misdemeanor and punishable as hereinafter provided should such child prove to be less than *16* years of age."

Section 2. Section 10-205, R.C.M. 1947, is amended to read as follows:

"**10-205. Enforcement.** To enforce this act the commissioner of labor and industry and *each* county *attorney* shall, each upon *his* own volition or upon the sworn complaint of any reputable citizen that this act is being violated, make prosecutions for such violations."

Section 3. Section 10-1206, R.C.M. 1947, is amended to read as follows:

"**10-1206. Jurisdiction of the court.** (1) The court has exclusive original jurisdiction of all proceedings under the Montana Youth Court Act in which a youth is alleged to be a delinquent youth, a youth in need of supervision, or a youth in need of care or concerning any person under 21 years of age charged with having violated any law of the state or ordinance of any city or town prior to having become 18 years of age.

(2) Justice, municipal, and *city* courts shall have concurrent jurisdiction with the youth court over all traffic and fish and game violations alleged to have been committed by a youth, except that the following alleged violations are under the exclusive jurisdiction of the court:

(a) driving while intoxicated as defined in 32-2142;

(b) failing to stop at an accident as defined in 32-1202; and

(c) driving without a valid license or permit as defined in 31-125 and 31-127, after having been previously convicted of the same offense."

HeinOnline -- 1977 Vol. I 355 1977

Section 4. Section 10-1210, R.C.M. 1947, is amended to read as follows:

"**10-1210. Consent adjustment without petition.** (1) Before a petition is filed, the probation officer may enter into an informal adjustment *and* give counsel and advice to the youth and other interested parties if it appears:

(a) the admitted facts bring the case within the jurisdiction of the court;

(b) counsel and advice without filing a petition would be in the best interests of the child and the public.

(2) Any probation or other disposition imposed under this section against any youth must conform to the following procedures:

(a) Every consent adjustment shall be reduced to writing *and* signed by the youth and his parents or the person having legal custody of the youth.

(b) Approval by the youth court judge *is* required *if* the complaint alleges commission of a felony or *if* the youth has been or will be in any way detained.

(3) An incriminating statement relating to any act or omission constituting delinquency or need of supervision made by the participant to the person giving counsel or advice in the discussions or conferences incident thereto *may* not be used against the declarant in any proceeding under this act, nor *may* the incriminating statement be admissible in any criminal proceeding against the declarant.

(4) The following dispositions may be imposed by informal adjustment:

(a) *probation*;

(b) *placement* of the youth in a licensed foster home or other home approved by the court;

(c) *placement* of the youth in a private agency responsible for the care and rehabilitation of such a youth, including but not limited to a district youth guidance home;

(d) *transfer* of legal custody of the youth to the department of institutions, provided that such commitment *does* not authorize the department of institutions to place the youth in a detention facility, and such commitment *may* not exceed a period of 6 months without a subsequent order of the court, after notice and hearing."

Section 5. Section 10-1217, R.C.M. 1947, is amended to read as follows:

"**10-1217. Service of summons.** (1) Any youth who is the subject of a proceeding under this act must be personally served with summons at least 5 days before the time stated for appearance.

(2) Service of summons on all other persons designated in 10-1216*(1)*

HeinOnline -- 1977 Vol. I 356 1977

shall be made in accordance with Rule 4D of the Montana *rules* of *civil procedure*, except that in all cases service shall be completed at least 5 days before the time stated for appearance.

(3) If a party referred to in subsection (2) herein is not personally served before a hearing and has not secluded himself with an attempt to delay or disrupt any proceeding, such party may appear within a reasonable time subsequent to the hearing and, on motion to the court, request a rehearing. The motion may be granted at the discretion of the judge if a rehearing would be in the best interest of the youth.

(4) The court may authorize payment from county funds of costs of service and necessary travel expenses incurred by persons summoned or otherwise required to appear at the hearing.

(5) An actual abandonment of a youth by his parent or parents shall constitute a waiver of summons and notice requirements by the parent or parents. A return endorsed upon the summons showing inability to serve summons constitutes prima facie evidence of actual abandonment.

(6) The youth court may, in the interests of justice, shorten the notice requirements contained herein, and such notice of shortened time shall be endorsed on the summons.

(7) A party, other than the youth, may waive service of summons on himself by written stipulation or by voluntary appearance at the hearing. If the youth is present at the hearing, his counsel may waive service of summons in his behalf."

Section 6. Section 10-1218, R.C.M. 1947, is amended to read as follows:

"**10-1218. Basic legal rights.** (1) When a youth alleged to be a delinquent youth or a youth in need of supervision is taken into custody, the following requirements must be met:

(a) *The* youth shall be immediately and effectively advised of his constitutional rights and his rights under this *act*.

(b) *The* youth may waive such rights under the following situations:

(i) when the youth is under the age of 12 years, the parents of the youth may make an effective waiver;

(ii) when the youth is over the age of 12 years and the youth and his *parents* agree, they may make an effective waiver; and

(iii) when the youth is over the age of 12 years and the youth and his parents do not agree, the youth may make an effective waiver only with advice of counsel.

(c) In a proceeding alleging a youth to be a delinquent youth:

(i) *an extrajudicial* statement that would be constitutionally inadmissible in a criminal matter *may* not be received in evidence;

(ii) *evidence* illegally seized or obtained *may* not be received in evidence to establish the allegations of a petition against a youth; and

HeinOnline -- 1977 Vol. I 357 1977

(iii) *an extrajudicial* admission or confession made by the youth out of court is insufficient to support a finding that the youth committed the acts alleged in the petition unless it is corroborated by other evidence.

(2) Title 95 shall apply to all law enforcement investigations relating to a complaint alleging a delinquent youth or youth in need of supervision, except that:

(a) *no* youth *may* be fingerprinted or photographed for criminal identification purposes except by order of the youth court judge;

(b) *no* fingerprint records or photographs *may* be filed with the federal bureau of investigation, state of Montana identification bureau, or any other than the originating agency, except for sending the fingerprints or photographs to any law enforcement agency for comparison purposes in the original investigation;

(c) *at* such time as the proceedings in the matter, including appeals, are complete, the fingerprint records and photographs shall be destroyed. *However,* such fingerprint records and photographs may be retained by the originating agency for a specific period when ordered by the court for good cause shown.

(3) In all proceedings on a petition alleging a delinquent youth or youth in need of supervision the youth *and the* parents *or* guardian of the youth shall be advised by the court or, in the absence of the court, by its representative that the youth may be represented by counsel at all stages of the proceedings. If counsel is not retained or if it appears that counsel will not be retained, counsel shall be appointed for the youth, unless the right to appointed counsel is waived by the youth and the parents or guardian. Neither the youth nor his parent or guardian may waive counsel if commitment to a detention facility or a youth forest camp or to the department of institutions for a period of more than 6 months may result from adjudication.

(4) The court at any stage of a proceeding on a petition under this act may appoint a guardian ad litem for a youth if the youth has no parent or guardian appearing in his behalf or if their interests conflict with those of the youth. A party to the proceeding or an employee or representative of a party *may* not be appointed as guardian ad litem.

(5) In a proceeding on a petition, a party is entitled to:

(a) the opportunity to introduce evidence and otherwise be heard on the party's own behalf;

(b) confront and cross-examine witnesses testifying against the party; and

(c) admit or deny the allegations against the party in the petition.

(6) Persons afforded rights under this act shall be advised of those rights and any other rights existing under law at the time of their first appearance in a proceeding on a petition under the Montana Youth Court Act and at any other time specified in *that act* or other law.

HeinOnline -- 1977 Vol. I 358 1977

(7) All *posttrial* motions and other remedies available to an adult in a criminal proceeding under the Montana Code of Criminal Procedure *are* available to a youth proceeded against under this act."

Section 7. Section 10-1220, R.C.M. 1947, is amended to read as follows:

"**10-1220. Adjudicatory hearing.** (1) Prior to any adjudicatory hearing, the court shall determine whether the youth admits or denies the offenses alleged in the petition. If the youth denies all offenses alleged in the petition, the youth, his parent, guardian, or attorney may demand a jury trial on such contested offenses. *In* the absence of such demand, a jury trial is waived. If the youth denies some offenses and admits others, the contested offenses may be dismissed in the discretion of the youth court judge. The adjudicatory *hearing* shall be set forthwith and accorded a preferential priority.

(2) An adjudicatory hearing shall be held to determine whether the contested offenses are supported by proof beyond a reasonable doubt in cases involving a youth alleged to be delinquent or in need of supervision. If the hearing is before a jury, the jury's function shall be to determine whether the youth committed the contested offenses. *If* the hearing is before the youth court judge without a jury, the judge shall make and record his findings on all issues. If the allegations of the petitions are not established at the hearing, the youth court shall dismiss the petition and discharge the youth from custody.

(3) An adjudicatory hearing shall be recorded verbatim by whatever means the court *considers* appropriate.

(4) The youth charged in a petition must be present at the hearing and, if brought from detention to the hearing, *may* not appear clothed in institutional clothing.

(5) In a hearing on a petition under this section, the general public shall be excluded and only such persons as have a direct interest in the case *may be admitted,* except that when a hearing in the court is held on a written petition charging the commission of a felony, persons with a legitimate interest in the proceeding, including representatives of public information media, *may* not be excluded from the hearing.

(6) If, on the basis of a valid admission by a youth of the allegations of the petition or *after the hearing required by this section,* a youth is found to be a delinquent youth or a youth in need of supervision, the court shall schedule a dispositional hearing under this act.

(7) When a jury trial is required in a case, it may be held before the regular trial panel. If the regular panel is not in attendance, the court may draw a jury from jury box No. 3."

Section 8. Section 10-1224, R.C.M. 1947, is amended to read as follows:

"**10-1224. Consent decree with petition.** (1) At any time after the filing of a petition alleging delinquency or need of supervision and before the entry of a judgment, the court may, on motion of counsel for the youth

HeinOnline -- 1977 Vol. I 359 1977

or on the court's own motion, suspend the proceedings and continue the youth under supervision under terms and conditions negotiated with probation services and agreed to by all necessary parties. The court's order continuing the child under supervision under this section shall be known as a "consent decree". The procedures used and dispositions permitted *under* this section shall conform to the procedure and disposition specified in 10-1210 relating to consent adjustments without petition.

(2) If the youth or his counsel objects to a consent decree, the court shall proceed to findings, adjudication, and disposition of the case.

(3) If, either prior to discharge by probation services or expiration of the consent decree, a new petition alleging delinquency or need of supervision is filed against the youth, or if the youth fails to fulfill the expressed terms and conditions of the consent decree, the petition under which the youth was continued under supervision may be reinstated in the discretion of the county attorney in consultation with probation services. In the event of reinstatement, the proceeding on the petition shall be continued to conclusion, as if the consent decree had never been entered.

(4) A youth who is discharged by probation services or who completes a period under supervision without reinstatement of the original petition *may* not again be proceeded against in any court for the same offense alleged in the petition, and the original petition shall be dismissed with prejudice. Nothing in this subsection precludes a civil suit against the youth for damages arising from his conduct.

(5) In all cases where the terms of the consent decree shall extend for a period in excess of 6 months, the probation officer shall at the end of each *6-month* period *submit a report* which shall be reviewed by the court."

No youth *may* be prosecuted in the district court for a criminal offense originally subject to the jurisdiction of the youth court unless the case has been transferred as provided in this section.

(5) Upon order of the court transferring the case to the district court, the county attorney shall file the information against the youth without unreasonable delay.

(6) If a youth is found guilty in district court of any of the offenses enumerated in subsection *(1)*(a) of this section and is sentenced to the state prison, his commitment shall be to the department of institutions which shall confine the youth in whatever institution it *considers* proper."

Section 23. Section 69-6101, R.C.M. 1947, is amended to read as follows:

"**69-6101. Validity of consent of minor for health services.** *(1)* The consent to the provision of medical or surgical care or services by a hospital, public clinic, or the performance of medical or surgical care or services by a physician licensed to practice medicine in this state may be given by a minor who professes or is found to meet any of the following descriptions:

This self-consent only applies to the prevention, diagnosis, and treatment of those conditions specified in this subsection. Be it enacted by the Legislature of the State of Montana:

Section 1. Section 66-607, R.C.M. 1947, is amended to read as follows:

"66-607. **Deposit of moneys collected.** *All fees* shall be collected by the department and deposited in the earmarked revenue fund for the use of the state board of medical examiners, subject to 82A-1603(6)."

Section 3. Section 66-1038, R.C.M. 1947, is amended to read as follows:

"66-1038. **Revocation or suspension of license — probation.** (1) The board may *make an investigation whenever* it *is* brought to its atten-

HeinOnline -- 1977 Vol. I 368 1977

tion that there is reason to suspect that a person having a license or certificate to practice medicine in this state:

(a) *is* mentally or physically unable to *safely* engage in the practice of medicine, has procured his license to practice medicine by fraud or misrepresentation or through mistake, or has been declared incompetent by a court of competent jurisdiction and thereafter has not been lawfully declared competent, or *has* a condition which impairs his intellect or judgment to the extent that it incapacitates him for the safe performance of professional duties;

(b) *has* been guilty of unprofessional conduct;

(c) *has* practiced medicine while his license was suspended or revoked;

(d) *has* had his license suspended or revoked by any licensing authority for reasons other than nonpayment of fees; or

(e) while under probation *has* violated its terms.

(2) The investigation *shall be for the purpose of determining the probability of the existence of these conditions or the commission of these offenses, and may include* requiring the person to submit to a physical examination or a mental examination or both by a physician or physicians selected by the board, *if* it appears *to be* in the best interests of the public that this evaluation be secured. The board may examine and scrutinize the hospital records and reports of a licensee as part of the examination, and copies of these shall be released to the board on written request. If the board has reasonable cause to believe that this probability exists, the department shall mail to the person at his last address of record with the department a specification of the charges against him, together with a written *notice* of the time and place of the hearing on *such charges*, advising him that he may be present in person and by counsel if he so desires to offer evidence and be heard in his defense. The time fixed for the hearing *may* not be less than 30 days from the date of mailing the notice.

(3) A person, including a member of the board, may file a sworn complaint with the department against a person having a license to practice medicine in this state charging him with the commission of any of the offenses set forth in 66-1037 or *with any of the offenses or conditions set forth in* subsection (1) of this section, which complaint shall set forth a specification of the charges. When the complaint is filed, the department shall mail a copy to the person accused at his last address of record with the department, together with a written citation of the time and place of the hearing on it.

(4) At the hearing the board shall adopt a resolution finding him guilty or not guilty of the matters charged. If the board finds that the *offenses or* conditions referred to in 66-1037 or subsection (1) of this section do not exist with respect to the person or if he is found not guilty, the board shall dismiss the charges or complaint. *If* the board *finds* that the *offenses or* conditions referred to in 66-1037 or in subsection (1) of this section do exist and the person is found guilty, the board shall:

(a) *revoke* his license;

HeinOnline -- 1977 Vol. I 369 1977

(b) *suspend* his right to practice for a period not exceeding 1 year;

(c) *suspend* its judgment of revocation on the terms and conditions to be determined by the board;

(d) *place* him on probation; or

(e) *take* any other action in relation to disciplining him as the board in its discretion considers proper.

(5) In a case of revocation, suspension, or probation, *the department* shall enter in its records the facts of the action and of subsequent action of the board with respect to it.

(6) On the expiration of the term of suspension, the licensee shall be reinstated by the board if he furnishes the board with evidence that he is then of good moral character and conduct and restored to good health and that he has not practiced medicine in this state during the term of suspension. If the evidence fails to establish to the satisfaction of the board that the holder is then of good moral character and conduct or restored to good health or if the evidence shows he has practiced medicine in this state during the term of suspension, the board shall revoke the license at a hearing with notice and the procedure provided in subsection (1) of this section. The revocation is final and absolute.

(7) If a person holding a license to practice medicine under this *chapter* is by a final order or adjudication of a court of competent jurisdiction adjudged to be mentally incompetent or *seriously mentally ill* or addicted to the use of narcotics, his license may be suspended by the board. The suspension continues until the licensee is found or adjudged by the court to be restored to reason or cured or until he is discharged as restored to reason or cured and his professional competence has been proven to the satisfaction of the board."

Section 4. Section 66-1242, R.C.M. 1947, is amended to read as follows:

(g) conduct a school of nursing or a course unless the school or course has been approved by the board;

(2) Such misdemeanor *is* punishable by a fine of not less than $100 for the first offense. Each subsequent offense *is* punishable by a fine of $300, by imprisonment of not more than 6 months in the county jail or by both such fine and imprisonment.

(3) The several district courts within their respective county jurisdictions *may* hear, try, and determine such misdemeanor and impose in full the punishment and fines prescribed. It *is* necessary to prove, in any prosecution for misdemeanor under this section, only a single act prohibited by law or a single holding out or an attempt. *It is not necessary to prove* a general course of conduct in order to constitute a violation."

The application shall be signed by the owner of the motorboat and shall be accompanied by a fee of $1. Any alteration, change, or false statement contained in the application will render the certificate of number void. Upon receipt of the application in approved form, the county treasurer shall issue to the applicant a certificate of number prepared and furnished by the registrar of motor vehicles, stating the number awarded to the motorboat and the name and address of the owner. The number awarded must be painted on or attached to each outboard side of the forward half of the motorboat or, if there are no such sides, at a corresponding location on both outboard sides of the foredeck of the motorboat for which it is issued. underside of the flared bow where the angle is such that the numbers cannot be easily seen from another vessel or ashore. No numerals, letters, or devices, other than those used in connection with the identifying number issued, *may* be placed in the proximity of the identifying number, and no numerals, letters, or devices which might interfere with the ready identification of the motorboat by its identifying number *may* be carried as to interfere with the motorboat's identification. The certificate of number shall be pocket size and shall be available to federal, state, or local law enforcement officers at all reasonable times for inspection on the motorboat for which issued whenever the motorboat is on waters of this state. *Boat* liveries are not required to have the certificate of number on board each motorboat, *but* a rental agreement must be carried on board livery motorboats in place of the certificate of number.

(2) Before filing such application with the county treasurer, the applicant shall submit the same to the county assessor, *who* shall enter on *the* application, in a space to be provided for that purpose, the full and true and assessed valuation of *the motorboat* for the year for which *the* application for registration is made.

(3) The applicant, upon the filing of the application, *shall* pay to the county treasurer the registration fee and shall also pay the personal property taxes assessed against the motorboat or vessel for the current year of registration before the application for registration or reregistration may be accepted by the county treasurer.

(4) The numbering requirements of this act shall apply to motorboats operated by dealers, manufacturers, or their employees as follows:

(a) A dealer or manufacturer may apply directly to the registrar of motor vehicles for one identifying number and one or more certificates of number. A dealer's or manufacturer's identifying number shall be displayed on a dealer's or manufacturer's boat while the boat is operating for a purpose related to the buying, selling, or exchanging of the boat by the dealer.

(b) The application for a dealer's or manufacturer's identifying number shall include the name of the dealer or manufacturer and *his* business address. Each dealer or manufacturer shall have one identifying number assigned to his business.

(c) An application for dealer's or manufacturer's identifying number and certificate of number shall be accompanied by the following fees:

(i) for the identifying number, first certificate of number, and set of license decals, $5;

(ii) for each additional certificate of number and set of license decals applied for in any application, $2.

(d) The registrar of motor vehicles shall issue certificates of number for identifying *numbers* awarded to a dealer or manufacturer in the same manner as provided in 69-3504 *(1), as amended,* except that no boat shall be described in the certificate and each certificate shall state that the identifying number has been awarded to a dealer or manufacturer. A dealer's or manufacturer's certificate of number expires on April 30 of the year for which it is issued.

HeinOnline -- 1977 Vol. I 424 1977

(e) A dealer's or manufacturer's identifying number shall be displayed in the same manner as provided in 69-3504 *(1), as amended,* except that the number may be temporarily attached. *The* last three letters shall be "DLR" for dealer and "MFR" for manufacturer. *These* letters shall be included, respectively, in dealer or manufacturer identification numbers only.

(f) No person other than a dealer or manufacturer or an employee of a dealer or manufacturer *may* display or use a dealer's or manufacturer's identifying number. A dealer's or manufacturer's identifying number may be displayed only on motorboats owned by the dealer or manufacturer.

(g) No dealer or manufacturer or employee of a dealer or manufacturer *may* use a dealer's or manufacturer's identifying number for any purpose other than the purpose described in subsection *(4)(a)* of this section.

(6) If an agency of the United States government has in force an *overall* system of identification numbering for motorboats in the United States, the numbering system employed pursuant to this act by the registrar of motor vehicles shall be in conformity therewith.

(7) Every certificate of number and the license decals awarded under this act shall continue in effect for a period not to exceed 1 year, unless sooner terminated or discontinued in accordance with the provisions of this act. Certificates of number and license decals shall show the date of expiration thereon and may be renewed by the owner in the same manner provided for in the initial securing of the certificate.

(8) Certificates of number shall expire on April 30 of each calendar year and shall no longer be of any effect unless renewed under this act.

Such transfer, loss, theft, destruction, or abandonment shall terminate the certificate of number for the motorboat, except that in the case of a recovery from theft or transfer of a part interest which does not affect the owner's right to operate the motorboat, the recovery or transfer does not terminate the certificate of number.

(10) A holder of a certificate of number shall notify the county treasurer within reasonable time if his address no longer conforms to the address appearing on the certificate and shall, as a part of the notification, furnish the county treasurer with his new address. The registrar of motor vehicles may provide *by rule* for the surrender of the certificate bearing the former address and its replacement with a certificate bearing the new address or the alteration of an outstanding certificate to show the new address of the holder.

HeinOnline -- 1977 Vol. I 425 1977

These fees shall be used only for the administration and enforcement of 69-3501 through 69-3518, *as amended.*

(13) An owner of a motorboat must notify the registrar of motor vehicles *within a reasonable time,* giving the motorboat's identifying number and the owner's name, when that motorboat becomes documented as a vessel of the United States, is transferred, lost, destroyed, abandoned, *or* frauded, or within 60 days after change of state of principal use."

It must also ascertain and assess all mobile homes arriving in the county after 12 midnight of January *1* next preceding.

(2) The procedure provided by this section shall not apply to:

(a) *motor* vehicles which are required by *subsection* (2) hereof to be

assessed as of January *1* or upon their anniversary registration date; but no mistake in the name of the owner or supposed owner of real property renders the assessment thereof invalid;

No right of the member *may* be jeopardized by such transfer, and the amount shall be transferred back to the member's annuity savings account upon his request.

(a) Each employer shall deduct from the compensation of each active member on *the* payroll for each payroll period subsequent to the date on which *the* member became a member an amount equal to 6 ⅛% of *the* member's earnable compensation, but no employer *may* make any deductions for annuity purposes from the compensation of a member who has attained the age of 60 and rendered 30 years of creditable service if such member elects not to contribute.

(b) *The* deductions shall be made notwithstanding that the minimum compensation provided by law for a member may be reduced thereby. If* a beneficiary retired on account of disability *is* restored to active service with a compensation not less than his average final compensation at the time of his last retirement, his annuity reserve shall be transferred from the annuity reserve fund to the annuity savings fund and credited to his individual account therein.

(4) Pension accumulation fund—*the* pension accumulation fund *is* the fund in which *the* reserves for payment of pensions *shall be accumulated* and from which pensions and benefits in lieu thereof shall be paid to or on account of beneficiaries credited with prior service. (a) Each employer shall pay into the pension accumulation fund an amount equal to 6 ¼% of the earnable compensation of each member employed during the whole or part of the preceding payroll period.

(b) If the employer is a district or community college district, the trustees shall budget and pay for the employer's contribution under the provisions of 75-7204.

(c) If the employer is the superintendent of public instruction, a public institution of the state of Montana, a unit of the Montana university system, or the Montana state *school for the* deaf and blind, the *legislature* shall appropriate to *the* employer an adequate amount to allow the payment of the employer's contribution.

(d) If the employer is a county, the county commissioners shall budget and pay for the employer's contribution in the manner provided by law for the adoption of a county budget and for payments under *the* budget.

(e) All interest and other earnings realized on the moneys of the retirement system shall be credited to the pension accumulation fund, and the amounts required to allow regular interest on the annuity savings fund and the annuity reserve fund shall be transferred to the respective funds from the pension accumulation fund.

(f) All pensions and benefits in lieu thereof, including pensions payable under 75-6218, shall be paid from the pension accumulation fund.

(5) Expense fund—*the* expense fund *is* the fund to which all moneys for the administrative expenses of the retirement system *shall be credited* and from which the expenses of administration of the retirement system shall be paid, exclusive of amounts payable as retirement allowances or

HeinOnline -- 1977 Vol. I 444 1977

other benefits. The retirement board shall determine annually the amount required for the expense fund to defray the administrative expense in the ensuing fiscal year and shall credit such an amount to the expense fund from interest and other earnings realized on the moneys of the retirement system."

(2) Superannuation retirement:

(a) *A* member *who has at least* 5 years of creditable service, *whose* last 5 years of *creditable service were* in this state and who has attained the age of 60 or has completed 30 years of creditable service may retire from service, if he files with the retirement board his written application setting forth the fact of his retirement.

(b) *(i)* Any member in service who has attained the age of 70 years during any school year shall be retired on September *1* following his *70th* birthday. *This* provision *does* not apply to teachers in the Montana university system, who may be employed beyond the age of 70 upon the recommendation of the president of the employing unit to the board of regents.

(ii) Members over 70 years of age *may* not:

(A) be allowed creditable service for services rendered after the end of the school year in which the age of 70 *was* attained;

(B) contribute to the retirement system after the end of such school year; and

(C) have the compensation received after the end of such school year used in computing average final salary.

(c) Initial employment of teachers in the Montana university system beyond the age of 70 may be made upon the recommendation of the president of the employing unit and the approval of the board of regents, but such employees shall be denied membership in the retirement system.

(d) Any retired member may be employed as a part-time or substitute teacher in Montana and may earn an amount not to exceed one-fourth of his average final compensation without loss of retirement benefits.

(3) Allowance for superannuation retirement:

(a) Upon superannuation retirement a member shall receive a retirement allowance *consisting* of:

(i) *a* pension which, together with an annuity, *provides* a retirement allowance equal to one-half of his average final compensation, *if* his creditable service is at least 30 years; *or*

(ii) a pension together with *an* annuity *equal to one-sixtieth* of his average final compensation multiplied by the number of years of creditable service, *if his creditable service is less than 30 years.*

HeinOnline -- 1977 Vol. I 445 1977

(b) The minimum annual retirement allowance for a member who has completed 30 or more years of service *is* $2,400, and the minimum retirement allowance for a member whose service is less than 30 years *is* based on *an amount which bears the same ratio to* $2,400 *as* his service bears to 30 years.

(c) On July 1, 1975, and July 1, 1976, every beneficiary receiving a retirement allowance *will* be entitled to an increase in his monthly retirement allowance of *¼ of 1%* multiplied by the number of months he has been retired during the preceding fiscal year.

(d) A member who has *at least* 5 years of creditable service, *whose* last *5* years of *creditable service were* in this state, and who has attained the age of 55 may retire from service and be eligible *for* an early retirement allowance, if he files with the retirement board his written application setting forth the fact of his retirement. The early retirement allowance shall be determined as prescribed in subsections *(3)(a) and (3)(b)*, with the *exception* that *the* allowance will be reduced by *½ of 1%* multiplied by the number of months *by* which the retirement date precedes the date on which he would have retired had he attained 60 years of age or had he completed 30 years of creditable service.

(e) In the event of *the* death of a member after retirement, a death benefit of $500 *is* payable to his designated beneficiary.

(f) In the event payments made to an annuitant do not equal the amount of the member's accumulated contributions prior to the annuitant's death, the difference between the total retirement allowance paid and the amount of the accumulated contributions shall be paid to the beneficiary.

(4) Disability retirement:

(a) Upon the application of an active member or of his employer *for a disability retirement allowance*, any active member who has 5 or more years of creditable service may be retired by the retirement board the month immediately following the month in which his disability caused his retirement. *In order for a* member *to* be eligible for disability retirement, the *retirement* board *must* certify that he is mentally or physically incapacitated for the further performance of his duties, that such incapacity is likely to be permanent, and that he should be retired.

(b) Once each year during the first 5 years following the retirement of a member on *a* disability retirement allowance and once in every 3-year period thereafter, the retirement board may *require*, and upon *the beneficiary's* application, shall *permit* a disability beneficiary who has not yet attained the age of 60 to undergo a medical examination by the medical board or a physician or physicians designated by the medical board. The examination shall be made at the place of residence of the beneficiary or other place mutually agreed upon. Should *a* disability beneficiary who has not yet attained the age of 60 refuse to submit to at least one medical examination in any year by the medical board or its representative, his allowance may be discontinued until his withdrawal of such refusal, and, should his refusal continue for 1 year, all his rights in and to his disability pension may be revoked by the retirement board.

HeinOnline -- 1977 Vol. I 446 1977

(c) *If* the medical board *reports* and *certifies* to the retirement board that any disability beneficiary is engaged in or is able to engage in a gainful occupation paying more than the difference between his retirement allowance and his average final compensation and *if* the retirement board *concurs* in such report, his pension shall be reduced to an amount which, together with his annuity and the amount earnable by him, *is equal to* his average final compensation. *If* his earning capacity *is* changed later, his pension may be further modified, but the new pension *may* not exceed the pension originally granted *or* an amount which, when added to the amount earnable by the beneficiary, together with his annuity equals his average final compensation. A beneficiary restored to active service at a salary less than the average final compensation upon the basis of which he was retired *may* not become a member of the retirement system while receiving a reduced benefit.

(d) *If* a disability beneficiary under age 60 *is* restored to active service at a compensation not less than his average final compensation, his retirement allowance shall cease and he shall again become an active member of the retirement system. Any prior service certificate on the basis of which his service was computed at the time of his disability retirement shall be restored to full force, and, upon his subsequent retirement, he shall be credited with *such prior service and* all his subsequent service as a member. *If* he *is* restored to active service on or after the attainment of the age of 55 years, his pension upon subsequent retirement *may* not exceed the pension that he would have received had he remained in service during the period of his previous retirement *or* the sum of the pension which he was receiving immediately prior to his last restoration to service and the pension that he would have received on account of his service since his last restoration had he entered service at that time as a new member.

(5) Allowance for disability retirement*:*

(a) Upon retirement for disability, a member shall receive *the* superannuation allowance *and other benefits* prescribed under subsection *(3),* if he is eligible.

(b) If he is not eligible for the benefits prescribed under subsection (3), he shall receive a disability retirement allowance which *consists* of:

(i) an annuity which *is* the actuarial equivalent of his accumulated contributions at the time of retirement*; and*

(ii) a pension which, together with his annuity, *provides* a total retirement allowance equal to *one-sixtieth* of his average final compensation multiplied by the number of years of his creditable service, if such retirement allowance exceeds *one-fourth* of his average final compensation; otherwise, a pension which, together with his annuity, *provides* a total retirement allowance equal to *one-fourth* of his average final compensation.

(c) No allowance *under subsection (5)(b) may* exceed *one-sixtieth* of his average final compensation multiplied by the number of years which would be creditable to him were his service to continue until the attainment of the minimum age for superannuation retirement.

HeinOnline -- 1977 Vol. I 447 1977

(d) In the event payments made to *an annuitant* do not equal the amount of *the member's* accumulated contributions prior to *the annuitant's* death, the difference between the total retirement allowance paid and the amount of the accumulated contributions shall be paid to the beneficiary.

(6) Withdrawal of accumulated contributions—*any* inactive member electing to do so or any person whose membership terminates may withdraw his accumulated contributions *from* his annuity account in the retirement system in accordance with the following provisions:

(a) An inactive member under the provisions of *subsection* (1) or (3) of 75-6210 may elect, without right of revocation, to withdraw his accumulated contributions. *If* he does not withdraw his accumulated contributions, he *remains* an inactive member of the retirement system with the right to qualify for *its* benefits.

(b) Upon recovery from a disabling illness or separation from the armed forces, any person qualifying as an inactive member under the provisions of 75-6210*(2)* may withdraw his accumulated contributions unless he returns to active membership.

(c) Any person whose membership terminates under the provisions of 75-6211*(4)* may withdraw his accumulated contributions.

(7) Allowances for death of member:

(a) *If* a member *dies* before retirement, *his* accumulated contributions shall be paid to his estate or such person as he may have *nominated by a written designation filed with the retirement board prior to his death in the manner prescribed by the board.*

(b) *(i)* In lieu of benefits provided *for* in *subsection (7)*(a), if the deceased member qualified by reason of service for a retirement benefit, the beneficiary nominated by the deceased member may elect to receive a monthly life annuity. The monthly life annuity shall be determined as prescribed in subsections *(3)(a), (b), and (d) in the same manner as if* the member elected option A *provided for* in subsection *(8)(b)(i).*

(ii) In the event payments made to an annuitant do not equal the amount of the member's accumulated contributions prior to the annuitant's death, the difference between the total annuity payments made and the amount of the accumulated contributions shall be paid to the beneficiary.

(c) If the deceased member had 5 or more years of creditable service and was an active member in the state of Montana within 1 year prior to his death, a *lump-sum* death benefit of $500 *is* payable to his designated beneficiary.

(d) If the deceased member had 5 or more years of creditable service and was an active member in the state of Montana within 1 year prior to his death, the sum of $100 per month shall be paid to each minor child of the deceased member until such child reaches his 18th birthday.

(8) Optional allowances:

(a) Until the first payment on account of any benefit becomes normally

due, any member may elect to receive one of the optional allowances described in subsection (8)(b) in lieu of the normal form of retirement allowance, which is provided for in subsections (3) and (5). If a beneficiary dies within 30 days after retirement, his election to receive an optional allowance is void and his death will be considered as that of an active member.

(b) An optional allowance *is* the actuarial equivalent *of the member's retirement or disability allowance* at the time of his retirement and *provides* an allowance payable *to him* throughout his lifetime and, upon his death, *an allowance payable* to *the* person *that* he *nominated* by written designation, duly acknowledged and filed with the retirement board at the time of his retirement, *in accordance with one of the following options:*

(i) Option A—*the* optional allowance will *be paid* to the member *throughout* his lifetime and, upon his death, continue throughout the lifetime of his designated beneficiary;

(ii) Option B—*the* optional allowance will *be paid to the member* throughout his lifetime and, upon his death, one-half of *the* optional allowance will be continued throughout the lifetime of his designated beneficiary;

(iii) Option C—*the* optional *allowance* will *be paid to the member* throughout his lifetime and, upon his death, two-thirds of the optional allowance *will* be continued throughout the lifetime of his designated beneficiary;

(iv) Option D—*the* optional allowance *will be paid to the member* while both the member and his designated beneficiary are living and, upon the death of either, one-half of the optional allowance *will* be continued throughout the lifetime of the survivor;

(v) Option E—*the* optional allowance will be *paid to the member* while both the member and his designated beneficiary are living and, upon the death of either, two-thirds of the optional allowance *will* be continued throughout the lifetime of the survivor; or

(vi) Option F—*some* other benefit *will* be paid either to the member or his surviving designated beneficiary *in accordance with* provisions approved by the retirement board."

(2) In order to be eligible for active membership, any person described in subsection (1) must:

(3) The creditable service of *a* member *includes* the following:

(a) each year of service for which contributions to the retirement system were deducted from his compensation under the provisions of *Chapter* 87, Laws of 1937, *Chapter* 215, Laws of 1939, this act, and their subsequent amendments, except that no credit *may* be awarded for those years of service for which the contributions have been withdrawn and not replaced;

The person shall be awarded creditable service, conditional upon his completing 5 years of active membership in Montana, for the number of years, *not exceeding 5, that* the retirement board determines to be creditable service, if he contributes to the retirement system an amount equal to the employee contribution for his first full year's teaching salary earned in Montana after his out-of-state service for each year of creditable service plus interest at the rate the contribution would have earned had the contribution been in his account upon the completion of 5 years of membership service in Montana. The contribution rate shall be that rate in effect at the time he is eligible for *such* service. The contributions may be *made in* a lump-sum payment or in installments as agreed between the person and the retirement board.

(2) If a change or error in *the* records *results* in *a* member or beneficiary receiving from the retirement system more or less than he would have been entitled to receive had the records been correct, then, on discovery of *the* error, the retirement board shall correct *the* error and, as far as practicable, shall adjust the payments in such a manner that the actuarial equivalent of the benefit to which *the* member or beneficiary was correctly entitled *will* be paid."

This disqualification does not apply to any week with respect to which an individual is receiving or has received benefits under an unemployment compensation law of another state or of the United States, if such benefits are paid pursuant to section 87-129.

Receipt of any wages, compensation or benefits as set forth in subsection (1), (2), or (3) above, after payment of unemployment benefits, and with respect to the same week for which unemployment benefits were received, will thereupon require such individual to repay such unemployment benefits and the division may collect such unemployment benefits in the same manner as provided for collection of benefits under section 87-145(d).

Section 1. Section 8-101, R.C.M. 1947, is amended to read as follows:

"**8-101. Definition of terms.** Unless the context requires otherwise, in this act:

(1) "Commission" or "board" means the public service commission provided for in section 82A-1702.

(2) "Corporation" means a corporation, company, association or joint-stock association.

(3) "Person" means an individual, firm, or copartnership.

(4) "Certificate" means the certificate of public convenience and necessity issued under this act.

(5) "Public highway" means a public street, road, highway, or way in this state.

(6) "Motor vehicle" includes vehicles or machines, motor trucks, tractors or other self-propelled vehicles used for the transportation of property or persons over the public highways of the state, and any trailer, semi-trailer, dollie or other vehicle drawn thereby.

(7) "Between fixed termini or over a regular route" means the termini or route between or over which a motor carrier usually or ordinarily operates motor vehicles, even though there may be periodical or irregular departures from the termini or route. Whether or not a motor vehicle is operated by a motor carrier between fixed termini, or over a regular route, or otherwise, under this act, is a question of fact to be determined by the commission.

(8) "Motor carrier" means a person or corporation, their lessees, trustees, or receivers, appointed by any court, operating motor vehicles upon any public highway in this state for the transportation of persons or property for hire, on a commercial basis either as a common carrier or under private contract, agreement, charter, or undertaking. *The term includes any motor carrier serving the public in the business of transportation of ashes, trash, waste, refuse, rubbish, garbage, and organic and inorganic matter.* However, this act does not affect motor vehicles used in carrying property consisting of agricultural commodities (not including manufactured products thereof), if the motor vehicles are not used in carrying other property or passengers for compensation; the operation of school buses which are used in conveying pupils or other students enrolled in classes to and from district or other schools, or in transportation movements related to school activities which are sponsored or supervised by school authorities, the transportation by means of motor vehicles in the regular course of business of employees, supplies, and materials by a person, firm, or corporation engaged exclusively in the construction or maintenance of highways, or engaged exclusively in logging or mining operations, in so far as the use of employees, supplies, and materials in construction and production is concerned; the transportation of property

An accommodative transportation movement by a person not in the transportation business is not a service for hire, even though the persons owning the property transported or persons transported share in the cost or pay for the movement. This act does not prevent bona fide leases, brokerage agreements, or buy-and-sell agreements.

No work may be commenced on a project *before* the *end* of this 15-day period unless written permission is given by all team members. If the written decision of the supervisors approves the proposed project without recommendation or alternative plan, the applicant may proceed with the project upon the expiration of 10 days after receipt of the decision.

(8) The supervisors may extend, *upon* the request of *a* team member, the time limits provided in *subsections* (4) and (5) where, in their determination, the time provided is not sufficient to carry out the purposes of this act. The time extension may not, in total, exceed 1 year from date of application. The applicant shall be notified, within 60 days of date of application, of the initial time extension and shall be notified immediately of any subsequent time extensions.

(9) No work on a project under this act may take place without the written consent of the supervisors."

Section 2. Section 26-1517, R.C.M. 1947, is amended to read as follows:

"**26-1517. Emergencies — procedure.** (1) The provisions of this act *do* not apply to those actions which are necessary to safeguard life or property, including growing crops, during periods of emergency. The

HeinOnline -- 1977 Vol. I 470 1977

person responsible for *a* project under this section shall notify the supervisors in writing within 15 days of the action taken as a result of an emergency.

(2) The supervisors shall send one copy of the notice, within 5 days *of its receipt,* to the department.

(3) A team, called together as described in 26-1514(3), shall make an on-site inspection and individual written reports to the supervisors within 30 days giving their observations and opinions on the emergency project.

(4) If the same or a similar emergency occurs to the same applicant more than once within *a* 5-year period, the supervisors shall request the team members to include in their reports a determination of the validity of the emergency action and to ascertain the feasibility of a more permanent solution to *the* emergency.

(5) The supervisors shall determine the feasibility of a more permanent solution and shall recommend, within 30 days, that the person put the solution into effect within a reasonable period of time, as determined by the supervisors. Failure of the person to put that solution into effect is not a violation of this act unless a subsequent emergency action results from this failure.

(6) When a member of the team or the applicant disagrees with the supervisors' recommendation, he may ask that an arbitration panel, as provided in 26-1515, be appointed to hear the dispute and make a final written decision thereon."

Section 3. Section 32-4728, R.C.M. 1947, is amended to read as follows:

"**32-4728. Nonconforming advertising as nuisance.** All outdoor advertising which does not conform to the requirements of this act *is a* public *nuisance.*"

Section 4. Section 69-3911, R.C.M. 1947, is amended to read as follows:

"**69-3911. Permits.** (1) The board may by rule prohibit the construction, installation, alteration, or use of *a* machine, equipment, device, or facility which it finds may directly or indirectly cause or contribute to air pollution or which is intended primarily to prevent or control the emission of air pollutants, unless a permit therefor has been obtained.

(2) Not later than 180 days *before* construction begins and not later than 120 days *before* installation, alteration, or use *begins,* the owner or operator shall file with the department the appropriate permit application on forms available from the department.

(3) *The* department may, for good cause shown, waive the provisions of subsection (2) or shorten the time required for filing the appropriate applications.

(4) The department shall require that applications for permits be accompanied by any plans, specifications, and other information it *considers* necessary.

HeinOnline -- 1977 Vol. I 471 1977

(5) An application is not considered filed until the applicant has submitted all information and completed all application forms required by subsections (2), (3), and (4). However, if the department fails to notify the applicant in writing, within 30 days after the purported filing of an application, that the application is incomplete and fails to list the reasons why the application is considered incomplete, the application is considered filed as of the date of the purported filing.

(6) The department shall provide for the issuance, suspension, revocation, and renewal of *a permit* issued under this section.

(7) Where an application for a permit requires the compilation of an environmental impact statement under the Montana Environmental Policy Act, the department shall notify the applicant *in writing*, within 180 days of the receipt of a filed application as defined in subsection (5), of the approval or denial of the application. However, where an application does not require the compilation of an environmental impact statement, the department shall notify the applicant *in writing*, within 60 days of the receipt of a filed application, as defined in subsection (5), of the approval or denial of the application.

(8) When the department approves or denies the application for a permit under this section, *a* person who is jointly or severally adversely affected by the department's decision may request, within 15 days after the department renders its decision, upon affidavit setting forth the grounds therefor, a hearing before the board. A hearing shall be held under the provisions of the Montana Administrative Procedure Act. The department's decision on the application is not final unless 15 days have elapsed and there is no request for a hearing under this section. The filing of a request for a hearing postpones the effective date of the department's decision until the conclusion of the hearing and issuance of a final decision by the board."

Section 5. Section 69-3912, R.C.M. 1947, is amended to read as follows:

"**69-3912. Inspections.** (1) The department may enter and inspect, at any reasonable time, any property, premises, or place, except a private residence, on or at which an air contaminant source is located or is being constructed or installed for the purpose of ascertaining the state of compliance with this act and rules in force under it.

(2) A person may not refuse entry or access to an authorized representative of the department *who presents appropriate credentials* when *the department* requests entry for purposes of inspection. A person may not obstruct, hamper, or interfere with an inspection.

(3) At his request, the owner or operator of the premises shall receive a report *stating* all facts found which relate to compliance status."

Section 6. Section 69-3914, R.C.M. 1947, is amended to read as follows:

"**69-3914. Enforcement.** (1) When the department *believes* that a violation of this act or a rule made under it has occurred, it may cause

HeinOnline -- 1977 Vol. I 472 1977

written notice to be served on the alleged violator. The notice shall specify the provision of this act or rule alleged to be violated and the facts alleged to constitute a violation and may include an order to take necessary corrective action within a reasonable period of time stated in the order. The order becomes final unless, *within* 30 days after the notice is received, the person named requests in writing a hearing before the board. On receipt of the request, the board shall hold a hearing.

(2) If, after a hearing held under subsection (1) of this section, the board finds that violations have occurred, it shall either affirm or modify an order previously issued or issue an appropriate order for the prevention, abatement, or control of the emissions involved or for the taking of other corrective action it considers appropriate. If, after hearing on an order contained in a notice, the board finds that no violation is occurring, it shall rescind the order. An order issued as part of a notice or after *a* hearing may prescribe the date by which the violation shall cease and may prescribe time limits for particular action in preventing, abating, or controlling the emissions.

(3) Instead of issuing the order provided for in subsection (1), the department may either:

(a) *require* that the alleged violators appear before the board for a hearing at a time and place specified in the notice and answer the charges complained of; or

(b) *initiate* action under 69-3921 *or 69-3921.1.*

(4) This chapter does not prevent the board or department from making efforts to obtain voluntary compliance through warning, conference, or any other appropriate means.

(5) In connection with a hearing held under this section, the board may, and on application by a party shall, compel the attendance of witnesses and the production of evidence on behalf of the parties."

Section 7. Section 69-3915, R.C.M. 1947, is amended to read as follows:

"**69-3915. Emergency procedure.** (1) Any other law to the contrary notwithstanding, if the department finds that a generalized condition of air pollution exists and that it creates an emergency requiring immediate action to protect human health or safety, the department shall order persons causing or contributing to the air pollution to *immediately* reduce or discontinue the emission of air contaminants. Upon issuance of this order, the department shall fix a place and time *within* 24 hours for a hearing to be held before the board. *Within* 24 hours after the commencement of the hearing, and without adjournment, the board shall affirm, modify, or set aside the order of the department.

(2) In the absence of a generalized condition such as that referred to in subsection (1), if the department finds that emissions from the operation of one or more air contaminant sources *are* causing imminent danger to human health or safety, it may order the person responsible for the operation in question to reduce or discontinue emissions immediately, without regard for 69-3914. In this event, the requirements for hearing

HeinOnline -- 1977 Vol. I 473 1977

and affirmance, modification, or setting aside of orders *as provided* in subsection (1) apply.

(3) This section does not limit any power which the governor or any other officer may have to declare an emergency and act on the basis of this declaration, whether the power is conferred by statute *or* constitutional provisions, or inheres in the office."

Section 8. Section 69-3916, R.C.M. 1947, is amended to read as follows:

"69-3916. Variances — filing fees. (1) *A* person who owns or is in control of *a* plant, building, structure, process, or equipment may apply to the board for an exemption or partial exemption from rules governing the quality, nature, duration, or extent of emissions of air pollutants. The application shall be accompanied by such information and data as the board may require. The board may grant *an* exemption or partial exemption if it finds that:

(a) *the* emissions occurring or proposed to occur do not constitute a danger to public health or safety; and

(b) *compliance* with the rules from which exemption is sought would produce hardship without equal or greater benefits to the public.

(2) No exemption or partial exemption *may* be granted pursuant to this section except after public hearing on due notice and until the board has considered the relative interests of the applicant, other owners or property likely to be affected by the emissions, and the general public.

(3) No exemption or partial exemption pursuant to this section *may* be granted for a period to exceed 1 year, but *the* exemption or partial exemption may be renewed for like periods if no complaint is made to the board *because of it* or if, *after the* complaint *has* been made and duly considered at a public hearing held by the board on due notice, the board finds that renewal is justified. No renewal *may* be granted except on application therefor. *An* application shall be made at least 60 days *before* the expiration of the exemption or partial exemption. Immediately *before* application for renewal the applicant shall give public notice of *his* application in accordance with rules of the board. *A* renewal pursuant to this subsection shall be on the same grounds and subject to the same limitations and requirements as provided in subsection *(1).*

(4) An exemption, partial exemption, or renewal thereof *is* not a right of the applicant or holder thereof but shall be *granted at* the discretion of the board. However, *a* person adversely affected by an exemption, partial exemption, or renewal granted by the board may obtain judicial review thereof as provided by 69-3917.

(5) Nothing in this section and no exemption, partial exemption, or renewal granted pursuant *to this section may* be construed to prevent or limit the application of the emergency provisions and procedures of 69-3915 to *a* person or his property.

(6) *A* person who owns or is in control of *a* plant, building, structure, process, or equipment (hereinafter called a facility) who applies to the

HeinOnline -- 1977 Vol. I 474 1977

board for an exemption or partial exemption or a renewal of an exemption or partial exemption from *a* rule governing the quality, nature, duration, or extent of emissions of air pollutants shall submit with the application for variance a sum of not less than $500 or 2% of the cost of the equipment to bring the facility into compliance with the rule for which a variance is sought, whichever is greater, but not to exceed $80,000. The department shall prepare a statement of actual costs, and funds in excess of this shall be returned to the applicant. The person requesting the variance shall describe the facility in sufficient detail, with accompanying estimates of cost and verifying materials, to permit the department to determine with reasonable accuracy the sum of the fee. For a renewal of an exemption or partial exemption, if no public hearing, *environmental impact statement, or appreciable investigation by the department* is necessary, the minimum filing fee shall apply or the fee may be waived by the department. The filing fee shall be deposited in the earmarked revenue fund provided for in 79-410. It is the intent of the legislature that the revenues derived from the filing fees shall be used by the department:

(a) to compile the information required for rendering a decision on the request;

(b) to compile the information necessary for any environmental impact statements;

(c) to offset the costs of a public hearing, printing, or mailing; and

(d) to carry out its other responsibilities under this chapter."

Section 9. Section 69-3917, R.C.M. 1947, is amended to read as follows:

"**69-3917. Hearings and judicial review.** (1) No rule and no amendment or repeal thereof *may* take effect except after public hearing on due notice and after the advisory council has been *given at least* 30 days *before* publication of the proposed text to comment thereon. *The* notice shall be given by public advertisement not less than 20 or more than 30 days *before* the date set for *the public* hearing.

(2) Nothing in this section *may* be construed to require a hearing *before* the issuance of an emergency order pursuant to 69-3915.

(3) *A* person aggrieved by *an* order of the board or local control authority may apply for rehearing upon one or more of the following grounds, and upon no other grounds:

(a) *the* board or local control authority acted without or in excess of its powers;

(b) *the* order was procured by fraud;

(c) *the* order is contrary to the evidence;

(d) *the* applicant has discovered new evidence, material to him, which he could not, with reasonable diligence, have discovered and produced at the hearing; *or*

(e) *competent* evidence was excluded to the prejudice of the applicant.

HeinOnline -- 1977 Vol. I 475 1977

The petition must be in such form and filed in such time as the board shall prescribe.

(4) (a) Within 30 days after the application for rehearing is denied or, if the application is granted, within 30 days after the decision on the rehearing, *a* party aggrieved thereby may appeal to the district court of *the* judicial district of the state which is the situs of property affected by the order.

(b) The appeal shall be taken by serving a written notice of appeal upon the *chairman* of the board, which service shall be made by the delivery of a copy of the notice to *the chairman* and by filing the original with the clerk of the court to which the appeal is taken. Immediately *after* service upon the board, the board shall certify to the district court the entire record and proceedings, including all testimony and evidence taken by the board. Immediately upon receiving the certified record, the district court shall fix a day for filing of briefs and hearing arguments on the cause, and shall cause a notice of the same to be served upon the board and the appellant.

(c) The court shall hear and decide the cause upon the record of the board. The court shall determine whether or not the board regularly pursued its authority, whether or not the findings of the board were supported by substantial competent evidence, and whether or not the board made errors of law prejudicial to the appellant.

(5) Either the board or the person aggrieved may appeal from the decision of the district court to the supreme court. The proceedings before the supreme court shall be limited to a review of the record of the hearing before the board and of the district court's review of that record."

Section 10. Section 69-4820.1, R.C.M. 1947, is amended to read as follows:

"**69-4820.1. Additional sanctions authorized.** (1) In addition to all other remedies created by this act, the department is authorized to take appropriate enforcement action on its own initiative to:

(a) prevent, abate, and control the pollution of state waters;

(b) prevent, abate, and control any violation of a condition or limitation imposed by a permit issued under *69-4809.1(1)(a)*;

(c) prevent, abate, and control any *violation* of *rules* relating to pretreatment standards.

(2) In furtherance of subsection (1), *a* person violating *a* condition, limitation, standard, or other requirement established pursuant to this chapter may be served with a compliance order issued by the department. *The* order must specify the condition, limitation, standard, or other requirement violated and must set a time for compliance. However, in establishing a time for compliance, the department shall take into account the seriousness of the violation and any good faith efforts that have been made to comply with the condition, limitation, standard, or other requirement that has been violated. The compliance order issued under this section shall be personally served by an authorized representative of the department.

HeinOnline -- 1977 Vol. I 476 1977

(3) The department is authorized to commence a civil action seeking appropriate relief, including a permanent or temporary injunction, for *a* violation which would be subject to a compliance order under subsection (2). *An* action under this subsection may be commenced in the district court of *the* county in which the defendant is located or resides or is doing business, and the court shall have jurisdiction to restrain *the* violation and to require compliance.

(4) *A* person found to be in violation of a condition, limitation, standard, or other requirement established pursuant to this section shall be subject to the penalty provisions of 69-4823.

(5) For the purpose of this subsection, the term "person" shall mean, in addition to the definition contained in 69-4802, any responsible corporate officer."

Section 11. Section 69-4824, R.C.M. 1947, is amended to read as follows:

"**69-4824. Emergencies.** Notwithstanding any other provisions of this chapter, if the department finds that a person is committing or is about to commit an act in violation of this chapter or an order or rule issued under it which, if it occurs or continues, will cause substantial pollution the harmful effects of which will not be remedied immediately after the commission or cessation of the act, the department shall order *the* person to stop, avoid, or moderate the act so that the substantial injury will not occur. The order shall be effective immediately upon receipt by the person to whom it is directed, unless the department provides otherwise. Notice of the order shall conform to the requirements of 69-4820(1) so far as practicable; the notice shall indicate that the order is an emergency order. Upon issuing such an order, the department shall fix a place and time for a hearing before the board, not later than 5 days thereafter, unless the person to whom the order is directed shall request a later time. The department may deny a request for a later time if it finds that the person to whom the order is directed is not complying with the order. The hearing shall be conducted in the manner specified in 69-4820. As soon as practicable after the hearing, the board shall affirm, modify, or set aside the order of the department. The order of the board shall be accompanied by the statement specified in 69-4820*(5)*. An action for review of the order of the board may be initiated in the manner specified in 69-4821. The initiation of such an action or taking of an appeal *may* not stay the effectiveness of the order, unless the court *finds* that the board did not have reasonable cause to issue an order under this section."

Section 12. Section 69-5003, R.C.M. 1947, is amended to read as follows:

"**69-5003. Approval of plans for facilities in subdivisions.** (1) A person may not file a subdivision plat with a county clerk and recorder, make disposition of *a* lot within a subdivision, erect *a* building or shelter in a subdivision which requires facilities for the supply of water or disposal of sewage or solid waste, or occupy *a* permanent building in a subdivision until the department has indicated that the subdivision is subject to no sanitary restriction.

HeinOnline -- 1977 Vol. I 477 1977

(2) A county clerk and recorder may not accept a subdivision plat for filing until:

(a) the person wishing to file the plat has obtained approval of the local health officer having jurisdiction and has filed the approval with the department; and

(b) the department has indicated by stamp or certificate that it has approved the plat and plans and specifications and that the subdivision is subject to no sanitary restriction.

(3) When a subdivision as defined in this chapter is excluded from the provisions of 11-3862, except 11-3862(8), and the subdivision is otherwise subject to the provisions of this chapter, plans and specifications of the *subdivision* shall be submitted to the department, and the department shall indicate by certificate that it has approved the plans and specifications and that the subdivision is not subject to a sanitary restriction. The plan review by the department shall be as follows:

(a) The developer shall present to the department a preliminary plan of the proposed development and whatever information the developer feels necessary for its subsequent review. Within 60 days of *receipt of* this submission by the department, the department shall notify the developer if the material submitted is satisfactory to determine if sanitary restrictions are necessary and, if not, what additional information is required for subsequent action by the department.

(b) If additional information is necessary to determine if sanitary restrictions are necessary, no further processing will be made on the request until the *missing* information is made available to the department by the developer.

(c) The department must notify the developer within 30 days if his submission of additional requested material is satisfactory. If the material is not satisfactory, the provision of subsection (b) shall apply.

(d) After the department has notified the developer that *it has* all the necessary information required for review, the department must give final action of the proposed plan within 60 days, unless an environmental impact statement is required, at which time this deadline may be increased to 120 days.

(4) A person may not construct or use *a facility* which *deviates* from the plans and specifications filed with the department until the department has approved the deviation."

Section 13. Section 69-5602, R.C.M. 1947, is amended to read as follows:

"**69-5602. Department authorized to adopt rules.** The department shall adopt rules for *constructing* and operating tourist campgrounds and trailer courts to insure sanitation and protect public health."

Violations — penalties — disposition of fines.** *A* person violating *a* provision of this chapter or *a rule* made under it shall be guilty of a misdemeanor and, upon conviction, shall be fined not less than $50 *or* more than $100 for the first offense, and not less than $75 *or* more than $200 for the second offense; and for the third and subsequent offenses, *he shall be punished* by a fine of not less than $200 and imprisonment in the county jail not to exceed 90 days. Fines shall be paid to the county treasurer of the county in which the tourist campground or trailer court is located. The county treasurer shall send all fines collected to the state treasurer for deposit in the state general fund."

Section 16. Section 69-5803, R.C.M. 1947, is amended to read as follows:

"**69-5803. Definitions.** (1) "By-product material" means *a* radioactive material (except special nuclear material) yielded in or made radioactive by exposure to the radiation incident to the process of producing or utilizing special nuclear material.

(3) "General license" means a license effective pursuant to *rules* promulgated by the department without the filing of an application to transfer, acquire, own, possess, or use quantities of or devices or equipment utilizing quantities of by-product, source, special nuclear materials, or other radioactive material occurring naturally or produced artificially. General licenses are effective without the filing of applications with the department or the issuing of licensing documents to the user.

(4) "Specific license" means a license issued after application to use, manufacture, produce, transfer, receive, acquire, own, or possess quantities of or devices or equipment utilizing quantities of by-product, special nuclear materials, or other radioactive material occurring naturally or produced artificially.

which the department or the United States atomic energy commission declares by order to be source material or ores containing one or more of the foregoing materials, in such concentration as the department or the atomic energy commission declares by order to be source material after the atomic energy commission has determined the material in such concentration to be source material.

(7) "Special nuclear material" means plutonium, uranium enriched in the isotope 233 or in the isotope 235, and any other material which the department or the United States atomic energy commission, or any successor thereto, declares by order to be special nuclear material or any material artificially enriched by any of the foregoing, but does not include source material.

(8) "Registration" means the registering by the legal owner, user, or authorized representative with the department of sources of ionizing radiation *in the manner prescribed by rule.*

"69-5806. Licensing and registration. (1) The department shall provide by rule for general or specific licensing of persons to receive, possess, or transfer radioactive materials and devices or equipment utilizing such materials. *The* rules shall provide for amendment, suspension, or revocation of licenses pursuant to *69-5812.*

(2) Each application for a specific license shall be in writing and shall state such information as the department by rule may determine to be necessary to decide the technical, insurance, and financial qualifications or any other qualification of the applicant as the department *considers* reasonable and necessary to protect the occupational and public health and safety. The department may, at any time after the filing of the application and before the expiration of the license, require further written statements and may make such inspections as the department *considers* necessary in order to determine whether the license should be granted, denied, modified, suspended, or revoked. All applications and statements shall be signed by the applicant or licensee. The department may require *an application* or *statement* to be made under oath or affirmation.

(3) Each license shall be in such form and contain such terms and conditions as the department may by rule prescribe.

(4) No license issued pursuant to the provisions of this act and no right to possess or utilize sources of ionizing radiation granted by any license *may* be assigned or in any manner disposed of.

license and may require compliance with specific safety standards to be promulgated by the department.

(7) The department is authorized to exempt certain users from the licensing or registration requirements set forth in this section when the department makes a finding that the exemption of *the* users will not constitute a significant risk to the health and safety of the public.

(8) *A* report of investigation or inspection or information concerning trade secrets or secret industrial processes obtained under this act shall not be disclosed or opened to public inspection except as may be necessary for the performance of the functions of the department.

(9) Rules promulgated pursuant to this act may provide for recognition of *such* other state or federal licenses as the department *considers* desirable, subject to such registration requirements as the department *prescribes.*"

(2) *A* special junk vehicle disposal fee *shall be assessed* on each new application for a motor vehicle title and on each transfer of motor vehicle title in the amount of $2 on passenger cars and trucks under 8001 pounds GVW. *An* additional special junk vehicle disposal fee *shall be assessed* in the amount of *50* cents on each passenger car and truck under 8001 pounds GVW registered for licensing. The *fees* shall be collected by the county treasurer. However, the following are exempt from payment of the fees:

(4) The department shall pay to a county the amount of the approved *junk vehicle collection and graveyard* budget of the county. The yearly payment may not exceed $1 for each motor vehicle under 8001 pounds GVW that is licensed in that county. However, for those counties that

HeinOnline -- 1977 Vol. I 481 1977

have fewer than 5,000 such motor vehicles, the department may pay up to $5,000, providing the county can justify this payment."

Section 19. Section 69-6811, R.C.M. 1947, is amended to read as follows:

"**69-6811. Prohibition.** It is unlawful to place junked motor vehicles or the body portion of junked motor vehicles between *high-water* channel banks of any stream or to reinforce banks of a stream *with such junked motor vehicle or the body portion of such junked motor vehicles.*"

Section 20. **Repealer.** Section 26-339, R.C.M. 1947 is repealed.

Approved March 29, 1977.

CHAPTER NO. 141

AN ACT REVISING THE EGG DEALER'S LAW TO REFLECT CURRENT MARKETING PRACTICES, TO LOWER THE COST OF A WHOLESALE EGG DEALER'S LICENSE, AND TO REMOVE ARCHAIC OR REDUNDANT LANGUAGE; AMENDING SECTIONS 3-2301, 3-2303, 3-2305, 3-2311, AND 3-2313; REPEALING SECTIONS 3-2304, 3-2309, AND 3-2315, R.C.M. 1947.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 3-2301, R.C.M. 1947, is amended to read as follows:

(4) In connection with any appeal *under this section* the state board *shall not be bound by common law and statutory rules of evidence or rules of discovery and may* affirm, reverse, or modify any decision. *The* decision of the state tax appeal board shall be final and binding upon all interested parties unless reversed or modified by judicial review. To the extent this section is in conflict with the Montana Administrative Procedure Act, this section shall supersede *that act.* The state tax appeal board *may* not amend or repeal any administrative rule *of the department of revenue.* The state tax appeal board must give an administrative rule full effect unless the board finds any such rule arbitrary, capricious, or otherwise unlawful."

The notice shall include opportunity for a conference on the matter, at the request of the person interested, not less than 15 or more than 30 days after notice is given.

(c) Following an assessment review conference or expiration of opportunity therefor, the department shall order such assessment as it considers proper. Any party to the conference aggrieved by the action of the department may appeal directly to the state tax appeal board within 30 days or, if the property is locally assessed, may appeal to the county tax appeal board at its next meeting.

At the hearing of such *petition*, any taxpayer interested and the department may introduce witnesses and present testimony on any material matters connected with such return and license tax, and after considering such evidence the board shall fix and determine the gross value of product and reassess the amount of the license tax to be paid by such person and give notice thereof to such person and the department of revenue."

(2) Every person required to pay such tax hereunder shall pay the same in full for his own account and for the account of each of the other owner or owners of the gross proceeds in value or in kind of all the marketable petroleum or other mineral or crude oil or natural gas extracted and produced, including owner or owners of working interest, royalty interest, overriding royalty interest, carried working interest, net proceeds interest, production payments, and all other interest or interests owned or carved out of the total gross proceeds in value or in kind of such extracted marketable petroleum or other mineral or crude oil or natural gas, except that any of the aforesaid interests that are owned by the federal, state, county, or municipal governments shall be exempt from taxation under this chapter. Unless otherwise provided in a contract or lease, the pro rata share of any royalty owner or owners will be deducted from any settlements under said lease or leases or division of proceeds orders or other contracts."

It shall be the duty of railroad, pipeline, and transportation companies carrying crude or mineral oil or natural gas to furnish to the department, whenever requested so to do, all data relative to the shipment of *such* products that may be required to properly enforce the provisions of this act. The failure of any railroad, pipeline, *or* transportation *company* to comply with the provisions of this section shall make such *company* liable to a penalty of $100 for each day it *fails* to furnish such statement."

This* lien shall have precedence over any other claim, lien, or demand thereafter filed and recorded and may be enforced in the name of the state of Montana in the same manner as judgment liens are enforced by law."

Section 11. Section 84-7012, R.C.M. 1947, is amended to read as follows:

"**84-7012. Procedure in case of failure to file statement — penalty — interest — tax lien.** (1) If any person *fails, refuses, or neglects* to make and file a statement and return *it* within the time prescribed, the department shall, immediately after such time has expired, determine, as nearly as may be possible from any returns or reports filed with the state or from any other information which the department may be able to obtain, the total gross value of product of such person from such business during the calendar year immediately preceding the year in which the tax is to be paid, and shall fix the amount of the tax due to the state from such person for such calendar year and shall add to the amount of such tax a penalty of 10% thereof plus interest at the rate of 1% *a* month or fraction thereof computed on the total amount of tax and penalty. Interest shall be computed from the date the tax was due to the date of payment.

(2) The department shall mail to the person required to file an annual statement and pay any tax a letter setting forth the amount of tax, penalty, and interest due. Upon receipt of this letter, the person shall remit to the department the full amount of license tax, penalty, and interest due within 15 days.

Section 22. Section 11-2023, R.C.M. 1947, is amended to read as follows:

HeinOnline -- 1977 Vol. I 516 1977

"**11-2023. Qualification for compensation.** (1) In order to qualify for *benefits* under *subsections* (1), (2), *and* (3) of 11-2022, *a* fireman must, *at the time the injury or sickness for which benefits are claimed was incurred or, in the case of a claim under 11-2022(3), at the time of death, have been* an enrolled active member of a fire company.

(2) In order to qualify for participation in the volunteer firemen's pension plan under 11-2022*(5)*, a volunteer fireman must meet each of the following requirements:

(a) (i) To qualify for full participation, he must have completed a total of at least 20 years' service as an active volunteer fireman and as an active member of a qualified volunteer fire company.

(ii) If *a fireman is* prevented from completing at least 20 years' service by dissolution or discontinuance of his volunteer fire company, personal relocation due to transfer or loss of employment, personal disability, or *any* other factor beyond his reasonable control, he may qualify for partial participation if he has completed at least 10 years' service. *In* that event, he *is* eligible for only a proportion of the benefits specified in 11-2022*(5)*, determined by multiplying *the* benefits by a fraction, the numerator of which *is* the number of years *of* active service completed and the denominator of which *is* 20.

(iii) The years of active service *are* cumulative and need not be continuous. *The* service need not be acquired with one single fire company but may be a total of separate periods of active service with different fire companies in different fire districts.

(iv) Effective March 1, 1965, the annual period of service for the purpose of this act *is* the fiscal year. *No* fractional part of any year *may* count toward the service requirement, and to receive credit for any particular year, a volunteer fireman must serve with one particular volunteer fire company throughout that entire fiscal year.

(b) He must have attained the age of 55, but he need not be an active volunteer fireman or an active member of any volunteer fire company *when he reaches that* age.

(c) During each of the years for which he claims credit under *subsection (2)(a)*, he must have completed a minimum of 30 hours of instruction in matters pertaining to fire fighting under a program formulated and supervised by the chief *or foreman* of his volunteer fire company.

(d) Effective July 1, 1965, no volunteer fireman may receive credit for any year of membership in a volunteer fire company unless, throughout the year:

(i) the company maintained fire-fighting equipment in serviceable condition of a value of $2,500 or more; and

(ii) the company or the fire district served by it was rated in class 5, 6, 7, 8, 9, or 10 by the board of fire underwriters for the purpose of fire insurance premium rates.

(e) He must have ceased to be an active member of any volunteer fire

HeinOnline -- 1977 Vol. I 517 1977

company, and, if he applies for and receives pension benefits hereunder, he *will* not thereafter be eligible to become an active member of any volunteer fire company.

(3) (a) A volunteer fireman who *was* an active member of a volunteer fire company *on March 1, 1965,* shall receive credit *for his service under subsection (2)(a)* to the extent of 1 year's credit for each 2 years' service completed by him prior to July 1, 1965, as *an* active member of any volunteer fire company or companies. *Credit* for *such* prior service *shall be given whether or not* the volunteer fire company or companies with which *the* service *was* rendered *satisfied* the requirements of *subsection (2)(d) and whether or not* the individual volunteer fireman satisfied the requirements of *subsection (2)(c) during his prior service. No* more than 10 years' credit *may* be allowed any volunteer fireman *for* such *prior* service.

(b) For the purpose of establishing prior service credit, the chief *or foreman* of each volunteer fire company shall prepare and file with the public employees' retirement system a certificate, subscribed and verified under oath, *listing* the names and residence addresses of each of the members of his volunteer fire company who *qualify* for 1 or more years' credit for prior service and *stating* the number of years of credit to which each *is* entitled.

(c) For the purpose of establishing prior service under this section, the chief *or foreman* or former chief *or foreman* of each volunteer fire company shall on or before September 1, 1975, file with the public employees' retirement system a certificate, subscribed and verified under oath, *listing* the names and residence addresses of each of the members of *his* volunteer fire company who *qualify* for 1 or more years of credit *and stating the number of years of credit* to which each *is* entitled. In addition, the reporting chief shall include in his report a sworn statement as to the reason for the delayed filing. The acceptance of this report will be subject to the approval of the board of administration.

(d) If it is not possible to secure a report from the chief or former chief, an individual may receive credit for service upon proper documentation acceptable to the board of administration."

Section 23. Section 11-2024, R.C.M. 1947, is amended to read as follows:

"**11-2024. Procedure for claiming benefits.** *(1) (a)* A fireman claiming *benefits* under *subsection* (1) *or* (2) of 11-2022 must file his claim with the *division on* a form to be provided therefor. *The claim must be verified by the claimant, the attending physician or surgeon and nurse, if any, and the person in charge of the hospital, if the claimant was confined. (viii) the affidavit of the nurse stating the nature of *the* disability, *the* dates of attendance, and *the* charges for services.

(2) (a) Anyone claiming eligibility under the volunteer firemen's pension plan must file his claim with the public employees' retirement system upon a form to be provided therefor by *that* system. *The claim must be filed on or before May 1 of the calendar year in which the claimant seeks to qualify for participation in the pension plan.*

(b) The claim *must* contain:

(i) the name, address, and date of birth of the claimant and of the volunteer fireman, if *he is not* the claimant;

(ii) the fiscal year *during* which eligibility *will* commence; *and*

(iii) the years during which service as a volunteer fireman was rendered and the names of the volunteer fire companies with which *the* service was rendered.

(c) The public employees' retirement system may require such proof of age and service as it may *consider* proper, but *it must accept a certificate* filed under *11-2020.2 or* 11-2023 *(3)* as prima facie proof of such service.

(d) If *the* claim *is* properly filed and *the* claimant *is* found by the public employees' retirement system *to be* properly qualified to participate in *the* volunteer firemen's pension plan, the name of the claimant shall be added to the list of qualified persons and the claimant *will* then be entitled to participate in *the* volunteer firemen's pension plan as of the fiscal year beginning July *1 next* following the filing of *the* claim."

HeinOnline -- 1977 Vol. I 522 1977

Approved March 29, 1977.

CHAPTER NO. 159

AN ACT AMENDING SECTION 84-4914, R.C.M., 1947, BY INCREASING THE GROSS INCOME LIMITATIONS ESTABLISHING LIABILITY FOR FILING TAX RETURNS; PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 84-4914, R.C.M. 1947, is amended to read as follows:

"**84-4914. Returns and payment of tax — penalty and interest — refunds — credits.** (1) Every single individual and every married individual not filing a joint return with his or her spouse and having a gross income for the taxable year of more than *$720*, and married individuals not filing separate returns and having a combined gross income for the taxable year of more than *$1,445*, shall be liable for a return to be filed on such forms and according to such rules and regulations as the department of revenue may prescribe. The gross income amounts referred to in the preceding sentence shall be increased by *$650* for each additional personal exemption allowance the taxpayer is entitled to claim for himself and his spouse under 84-4910(c) and (d). A nonresident shall be required to file a return if his gross income for the taxable year derived from sources within Montana exceeds the amount of the exemption deduction he is entitled to claim for himself and his spouse under the provisions of 84-4910(b), (c) and (d), as prorated according to paragraph (i) of said section.

(2) In accordance with instructions set forth by the department, every taxpayer who is married and living with husband or wife and is required to file a return may, at his or her option, file a joint return with husband or wife even though one of the spouses has neither gross income nor deductions. If a joint return is made, the tax shall be computed on the aggregate taxable income and the liability with respect to the tax shall be joint and several. If a joint return has been filed for a taxable year, the spouses may not file separate returns after the time for filing the return of either has expired, unless the department so consents.

(3) If any such taxpayer is unable to make his own return, the return shall be made by a duly authorized agent or by a guardian or other person charged with the care of the person or property of such taxpayer.

(4) All taxpayers, including, but not limited to those subject to the provisions of 84-4939 and 84-4943, shall compute the amount of income tax payable and shall at the time of filing the return required by this

HeinOnline -- 1977 Vol. I 523 1977

act, pay to the department any balance of income tax remaining unpaid after crediting the amount withheld as provided by 84-4943, and/or any payment made by reason of an estimated tax return provided for in 84-4939; provided however, the tax so computed is greater by $1 than the amount withheld and/or paid by estimated return as provided in this act.

If the amount of tax withheld and/or payment of estimated tax exceeds by more than $1 the amount of income tax as computed, the taxpayer shall be entitled to a refund of the excess.

(5) As soon as practicable after the return is filed, the department shall examine and verify the tax.

(6) If the amount of tax as verified is greater than the amount theretofore paid, the excess shall be paid by the taxpayer to the department within 30 days after notice of the amount of the tax as computed with interest added at the rate of 9% per annum or fraction thereof on the additional tax. In such case there shall be no penalty because of such understatement, provided the deficiency is paid within 30 days after the first notice of the amount is mailed to the taxpayer.

If payment is not made within 30 days or if the understatement is due to negligence on the part of the taxpayer, but without fraud, there shall be added to the amount of the deficiency 5% thereof, provided, however, that no deficiency penalty shall be less than $2. Interest will be computed at the rate of 9% per annum or fraction thereof on the additional assessment. Except as otherwise expressly provided in this subdivision, the interest shall in all cases be computed from the date the return and tax was originally due as distinguished from the due date as it may have been extended to the date of payment.

If the time for filing a return is extended, the taxpayer shall pay in addition, interest thereon at the rate of 9% per annum from the time when the return was originally required to be filed to the time of payment."

Section 2. **Effective date.** This act is effective on its passage and approval and shall apply to returns for tax years ending on or after December 31, 1976.

Approved March 29, 1977.

(2) For purposes of computing the tax in subsections (1)(a) and (1)(b) above, lease count includes all leases contributing to the unitized area within a unit or all tracts within a unit participating in production.

(3) Every person required to pay such tax hereunder shall pay the same in full for his own account and for the account of each of the other

CHAPTER NO. 165

AN ACT TO AMEND SECTION 87-109, R.C.M. 1947, TO PROVIDE AN ELECTION OF THE METHOD OF PAYING THE EMPLOYMENT SECURITY DIVISION BY GOVERNMENTAL ENTITIES TO BE EFFECTIVE JANUARY 1, 1977, AND TO PROVIDE FOR AN INCREASE IN THE TAXABLE WAGE BASE TO $6,000, EFFECTIVE JANUARY 1, 1978.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 87-109, R.C.M. 1947, is amended to read as follows:

"**87-109. Contributions.** (a) Payment. (1) Contributions shall accrue and become payable by each employer for each calendar year in which he is subject to this act, with respect to wages, as defined in section 87-149(c), paid for employment (as defined in this act) occurring during such calendar year. Such contributions shall become due and be paid by each employer to the division for the fund in accordance with such regulations as the division may prescribe and shall not be deducted, in whole or in part, from the wages of individuals in his employ.

(2) In the payment of any contributions, a fractional part of a cent

HeinOnline -- 1977 Vol. I 533 1977

shall be disregarded unless it amounts to one-half (½) cent or more, in which case it shall be increased to one (1) cent.

(b) Rate of contribution.

(1) Each employer shall pay contributions at the rate of three and one-tenth per centum (3.1%) of wages, as defined in section 87-149(c) paid by him with respect to such employment, except as provided in subsection (c) of this section.

Nonprofit organizations defined in section 501(c)(3) of the federal internal revenue code and which are exempt from tax under section 501(a) of such code may elect to make payments in lieu of contributions.

A group of nonprofit organizations may elect with the approval of the division to act as a group in fulfilling the requirements of this subsection or of this act.

The state and its political subdivisions, effective January 1, 1977, for the rate year as defined in subsection (b)(4) of this section, may elect to make payments in lieu of contributions or pay under a special contributions plan established for governmental entities only.

(2) *Eligible employers electing* to make payments in lieu of contributions shall pay into the fund an amount equivalent to the full amount of regular benefits plus one-half (½) of the amount of extended benefits paid to individuals based on wages paid by such employing unit. *After December 31, 1978, governmental entities shall pay the full amount of extended benefits.* If benefits paid an individual are based on wages paid by both such employer and one (1) or more other employers, the amount payable by such employer to the fund shall bear the same ratio to total benefits paid to the individual as the base period wages paid to the individual by such employer bear to the total amount of base period wages paid to the individual by all his base period employers. If the base period wages of an individual include wages from more than one (1) such employer, the amount to be paid into the fund with respect to the benefits paid to such individual shall be prorated among the liable employers in proportion to the wages paid to such individual by each such employer during the base period. The amount of payment required from such employers shall be ascertained by the division quarterly and shall become due and payable by such employer quarterly as directed in this act. Penalty and interest for delinquency shall be assessed such employers as specified in section 87-135.

(A) A nonprofit organization which elects to make payments in lieu of contributions into the unemployment compensation fund as provided in this subsection is not liable to make such payments with respect to the benefits paid to any individual whose base period wages include wages for previously uncovered services as defined in 87-148(j)(7)(A)(3) to the extent that the unemployment compensation fund is reimbursed for such benefits pursuant to section 121 of Public Law 94-566.

(3) Any nonprofit organizations as defined in subsection (b) (1) of this section *and governmental entities* electing to become liable for payments in lieu of contributions must file with the division a written notice of its

HeinOnline -- 1977 Vol. I 534 1977

election not later than thirty (30) days immediately following the date of the determination of subjectivity to this act. This election shall be for a period of not less than two (2) years.

(A) Any nonprofit organization *or governmental entity* may terminate its election to make payments in lieu of contributions after two (2) years from the effective date of such election by filing a written notice with the division not later than thirty (30) days prior to the beginning of the taxable year for which such termination is effective.

(B) Any nonprofit organization defined in subsection (b)(1) of this section *or governmental entity* which has been paying contributions for at least two (2) taxable years may change to payments in lieu of contributions by filing with the division a written notice to that effect within thirty (30) days before the beginning of the taxable year for which the change is effective.

(C) If the nonprofit organization *or governmental entity* is delinquent in making payments in lieu of contributions, the division may terminate the election to make payments in lieu of contributions as of the beginning of the next taxable year, and such termination shall be effective for that and the next taxable year.

(4) Payments in lieu of contributions by the state and its political subdivisions shall be an amount equivalent to the amount of benefits paid to individuals based on wages paid by the state and its political subdivisions. The method of determining benefits attributable shall be the same as that set forth in subsection (b) (2) of this section.

(A) Employing units covered under this act after December 31, 1974, shall make payments equal to four-tenths percent (.4%) of total wages paid employees for services in employment during the calendar quarter.

(B) The rates shall be adjusted *annually as follows: Each governmental entity shall be assigned a rate based upon (1) its benefit cost experience, to be arrived at by dividing the total sum of benefits charged to the employer's account for all past periods which are completed transactions by December 31 by total wages from date of subjectivity of the employing unit through December 31, and (2) the benefit cost for all past years of governmental entities electing to pay contributions compared with total payrolls reported for all past years by these governmental entities used as a median. The rates shall be so fixed using the median that they will, when applied to the total annual payroll for subject governmental entities, yield total paid contributions equaling approximately the total benefit costs.*

(C) *New governmental entities electing to pay contributions shall be assigned the median rate for the year in which they become subject.*

(D) At no time may the minimum rate be less than .1% or the maximum be greater than 1.5%, rates to be graduated at one-tenth intervals.

(E) The computed rate shall be effective July 1 of each year.

(c) Experience rating.

The division shall for each calendar year, classify employers in accordance with their actual contributions and unemployment experience and shall determine for each employer the experience *rate* which shall apply to him throughout the calendar year. The division shall apply such form of classification or experience rating system which is best calculated to rate individually and most equitably the employment for each employer and to encourage the stabilization of employment.

In making such classification, the division shall take account, each of the following factors relating to the unemployment hazard shown by each employer on the basis of (1) *number of years the employer has paid contributions*; (2) *average quarterly percentage declines in total payrolls for the last 3 fiscal years ending June 30*; and (3) average *annual net* percentage declines in total payrolls for the last 3 *fiscal* years *ending June 30, the* computation date.

Wages shall be adjusted in the determination of the annual and quarterly decrease percentages of any employer's payroll in whose establishment there was in any year in the qualifying period of such employer, a stoppage of work due to a strike which caused a decrease in such employer's payroll of such magnitude that his actual quarterly and annual payroll caused by such a decrease or decreases when used with other annual and quarterly payroll decreases, if any, in his qualifying period would cause an increase in such employer's contribution rate. An employer's adjusted quarterly payroll for that quarter in which such stoppage of work existed shall be determined by multiplying each such payroll or adjusted payroll for the quarter immediately preceding the quarter in which such stoppage of work existed by the average quarterly variation ratio. The average quarterly variation ratio shall be computed by

(1) dividing the payroll, or if adjusted, the adjusted payroll, for that quarter in each of the prior years of an employer's qualifying period which corresponds to the respective quarter in which a stoppage of work due to a strike existed, by the payroll or adjusted payroll for the respective quarter immediately preceding such corresponding quarter, and

(2) totaling the ratio thus obtained and dividing by the number of such ratios.

EMPLOYER CLASSIFICATIONS:

Employers, for the second calendar quarter of the calendar year 1975 and thereafter, shall be grouped into fourteen (14) classes, to be designated as classes I through XIV, respectively, in accordance with their experience factor.

Each employer shall be in the class listed below on the same horizontal line on which his experience factor appears, and each qualified employer shall pay the contribution rate assigned to his class pursuant to the provisions of reserve to total wages.

Any person aggrieved by any decision, determination, or redetermination of the division involving contribution liability, contribution rate, application for refund or the charging of benefit payments to employers making payment in lieu of contributions is entitled to a review by the division or its authorized representative, hereinafter referred to as a deputy. The decision of the deputy shall be deemed to be the decision of the division. The division or the deputy conducting the review may refer the matter to an appeal referee, may decide the application for review on the basis of such facts and information as may be obtained or may hear argument to secure further facts. CHAPTER NO. 178

AN ACT TO REVISE THE RATE OF PRIVILEGE AND LICENSE TAX ASSESSED TO OIL AND GAS OPERATORS AND PRODUCERS FOR SUPPORT OF THE BOARD OF OIL AND GAS CONSERVATION; AMENDING SECTION 60-145, R.C.M. 1947.

HeinOnline -- 1977 Vol. I 554 1977

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 60-145, R.C.M. 1947, is amended to read as follows:

"60-145. Privilege and license tax — quarterly statements — penalties — drilling permit fees — oil and gas conservation moneys. (1) For the purpose of providing funds for defraying the expenses of the operation and enforcement of this chapter and expenses of the board, the operators and producers of oil and gas shall pay an assessment not to exceed *2/10 of 1% of the market value of each barrel of crude petroleum originally produced, saved and marketed, or stored within the state or exported from the state, and the same rate on the market value of each 10,000 cubic feet of natural gas produced, saved and marketed, or stored within the state or exported therefrom.*

(2) The board shall by order, without prior notice, or hearing, fix the amount of the assessments and may, from time to time, without prior notice or hearing, reduce or increase the amount thereof as, in its judgment, the expenses chargeable against the oil and gas conservation fund may require; however, the assessments fixed by the board may not exceed the limits prescribed in this section. The amounts of the assessments shall be a percentage factor (not to exceed 100%) of the rates set forth in *subsection (1)* above, and the same percentage factor shall be applied by the board in fixing the amount of the assessment on each barrel of crude production and each 10,000 cubic feet of natural gas mentioned in those subsections. The producers of the crude petroleum and natural gas shall pay the assessments on each barrel of crude petroleum and each 10,000 cubic feet of natural gas produced for themselves, as well as for others, including royalty holders, and the producers shall be reimbursed for the payments made on crude oil and natural gas produced for others in the same manner as they are reimbursed for net proceeds tax paid on crude petroleum or natural gas produced for others under 84-6208.

(3) For the purposes of this section, a "lease" means that particularly described tract of land contained in a contract in writing whereby a person having a legal estate in the land so described conveys a portion of his interest to another, in consideration of a certain rental or other recompense or consideration. Further, for the purposes of this section, leases owned or operated by one lessee which in whole or in part cover or affect an underground reservoir containing a common accumulation of crude petroleum oil or natural gas, or both, or which are encompassed within or affected by one particular unit agreement shall be considered as one lease relative to payments to be made under this section.

(4) In addition to the above-mentioned privilege and license tax, a person, before commencing the drilling of an oil or gas well or stratigraphic test well or core hole, shall secure from the board a drilling permit and shall pay to the board therefor the following amounts: for each well whose estimated depth is 3,500 feet or less, $25; from 3,501 feet to 7,000 feet, $75; 7,000 feet and deeper, $150.

(5) Each producer of crude petroleum in the state shall, not later than the last day of each of the calendar months of February, May, August

HeinOnline -- 1977 Vol. I 555 1977

and November, of each calendar year, render a true statement to the state treasurer of the state, and a duplicate thereof to the board, duly signed and sworn to, of all crude petroleum produced and marketed by him in this state during the preceding quarter, and containing such other information as the board may require, and shall accompany the statement with the payment to the state treasurer of the assessment provided for in subsection (1) of this section, for the period covered by the statement. Each producer of natural gas in the state shall render like statements to the state treasurer of all natural gas produced and marketed by him in this state, and shall make payment of the assessment provided for in subsection (1) of this section, at such times and for such periods as may be prescribed by rule of the board. Any producer carrying on business at more than one place or location in this state may include all those places of business in one statement. The assessment imposed herein shall be due at the time the oil or natural gas is marketed. Oil or natural gas shall be deemed marketed when it is removed from the property from which it was produced.

(6) An assessment not paid within the time specified is delinquent, and a penalty of 25% thereof shall be added thereto and the whole thereof shall bear interest at the rate of 1% per month from the date of delinquency until paid. Upon request of the board the attorney general shall commence and prosecute to final determination in any court of competent jurisdiction an action at law to collect the same.

(7) All money collected under this chapter shall be deposited in the earmarked revenue fund by the state treasurer of the state, and shall be used for the purpose of paying all expenses of the board and for no other purpose; all these moneys shall be used by the board subject to the approval of the department of administration and biennial appropriations by the legislature."

Approved March 29, 1977.

(2) (a) A filing fee shall be deposited in the earmarked revenue fund for the use of the department in administering this chapter. The applicant shall pay to the department a filing fee with the application, based upon the estimated cost of the facility according to the declining scale which follows: two percent (2%) of any estimated cost up to one million dollars ($1,000,000); plus one percent (1%) of any estimated cost over a million dollars and up to twenty million dollars ($20,000,000); plus one-half of one percent (0.5%) of any estimated cost over twenty million dollars ($20,000,000); and up to one hundred million dollars ($100,000,000); plus one-quarter of one percent (0.25%) of any amount of estimated cost over one hundred million ($100,000,000) and up to three hundred million dollars ($300,000,000); plus one-eighth of one percent (.125%) of any amount of estimated cost over three hundred million dollars ($300,000,000). The revenues derived from the filing fee shall be used by the department in compiling the information required for rendering a decision on a certificate and for carrying out its other responsibilities under this chapter with respect to the facility covered by the certificate for a period not to exceed five (5) years after the certificate is issued for facilities defined in 70-803 (3)(b) and (c) or not to exceed ten (10) years after the certificate is issued for facilities defined in 70-803 (3)(a), (d), and (e). If an application consists of a combination of two (2) or more facilities, the filing fee shall be based on the total estimated cost of the combined facilities.

(b) The applicant is entitled to an accounting of moneys expended and to a refund of that portion of the filing fee not expended by the department in carrying out its responsibilities under this chapter.

(c) The department may contract with a potential applicant under this chapter, in advance of the filing of a formal application, for the development of information or provision of services required hereunder. Payments made to the department under such a contract shall be credited against the fee payable hereunder.

HeinOnline -- 1977 Vol. I 557 1977

(3) An application shall be accompanied by proof of service of a copy of the application on the chief executive officer of each municipality and the head of each government agency, charged with the duty of protecting the environment or of planning land use, in the area in which any portion of the facility is to be located, both as primarily and as alternatively proposed. The copy of the application shall be accompanied by a notice specifying the date on or about which the application is to be filed.

(4) An application shall also be accompanied by proof that public notice thereof was given to persons, residing in the municipalities entitled to receive notice under subsection (3) of this section, by the publication of a summary of the application, and the date on or about which it is to be filed, in those newspapers as will serve substantially to inform those persons of the application.

(5) Inadvertent failure of service on, or notice to, any of the municipalities, government agencies or persons identified in subsections (3) and (4) of this section may be cured pursuant to orders of the department designed to afford them adequate notice to enable their effective participation in the proceeding. In addition, the department may, after filing, require the applicant to serve notice of the application or copies thereof or both upon such other persons, and file proof thereof, as the department may deem appropriate.

(6) An application for an amendment of an application or a certificate shall be in such form and contain such information as the board by rule or the department by order prescribes. Notice of such an application shall be given as set forth in subsections (3) and (4) of this section. If an amendment to an original application would result in a substantial change of the original application, such an amendment shall be considered as a new application and a new filing fee shall be required.

(7) A potential applicant for a certificate may file a notice of intent to file an application for a certificate for a facility defined in 70-803(3) at least 12 months prior to the actual filing of an application. The notice of intent shall specify the type and size of facility to be applied for, its preferred location, a description of reasonable alternative locations, and such information as the board by rule or department by order requires. 95-302.1. Jurisdiction of justices' courts. The justices' courts have criminal jurisdiction as authorized by 93-410 and 95-302.

Section 3. Section 95-501, R.C.M. 1947, is amended to read as follows:

"**95-501. Mental disease or defect excluding responsibility.** *(1)* A person is not responsible for criminal conduct if at the time of such conduct as a result of mental disease or defect he is unable either to appreciate the criminality of his conduct or to conform his conduct to the requirements of law.

(2) As used in this chapter, the *term* "mental disease or defect" does not include an abnormality manifested only by *repeated* criminal or *other* antisocial conduct."

"**95-507. Determination of irresponsibility on basis of report — examination by psychiatrist chosen by state or defendant — psychiatric testimony upon trial.** (1) If the report filed under 95-505 finds that the defendant at the time of the criminal conduct charged suffered from a mental disease or defect which rendered him unable to appreciate the criminality of his conduct or to conform his conduct to the requirements of law and the court, after a hearing if a hearing is requested by the attorney prosecuting or the defendant, is satisfied that the mental disease or defect was sufficient to exclude responsibility, the court on motion of the defendant shall enter judgment of acquittal on the ground of mental disease or defect excluding responsibility.

(2) *If* either the defendant or the state wishes the defendant to be examined by a qualified psychiatrist or other expert selected by the one proposing the examination, the examiner shall be permitted to have reasonable access to the defendant for the purpose of the examination.

(3) Upon the trial, any psychiatrist who reported under 95-505 may be called as a witness by the prosecution or by the defense. If the issue

is being tried before a jury, the jury *may* not be informed that the psychiatrist was designated by the court or by the superintendent of Warm Springs state hospital. Both the prosecution and the defense may summon any other qualified psychiatrist or other expert to testify, but no one who has not examined the defendant is competent to testify to an expert opinion with respect to the mental condition or responsibility of the defendant, as distinguished from the validity of the procedure followed by or the general scientific propositions stated by another witness.

(4) When a psychiatrist or other expert who has examined the defendant testifies concerning *the defendant's* mental condition, he may make a statement as to the nature of his examination, his diagnosis of the mental condition of the defendant at the time of the commission of the offense charged, and his opinion as to the ability of the defendant to appreciate the criminality of his conduct, to conform his conduct to the requirements of law, or to have a particular state of mind which is an element of the offense charged. *The expert* may make any explanation reasonably serving to clarify his diagnosis and opinion and may be cross-examined as to any matter bearing on his competency or credibility or the validity of his diagnosis or opinion."

Admissibility of statements made during examination or treatment.** A statement made *for the purposes of* psychiatric examination or treatment *provided for in this chapter by a person subjected to* such examination or treatment *is* not admissible in evidence against him in any criminal proceeding on any issue other than that of his mental condition. *It is* admissible *on the* issue *of his mental condition*, whether or not it would otherwise *be considered* a privileged communication, unless *it* constitutes an admission of guilt of the crime charged."

Section 6. Section 95-603, R.C.M. 1947, is amended to read as follows:

"**95-603. Issuance and service of arrest warrant upon complaint.** *(1)* A complaint, as the basis of an arrest warrant, shall be in writing.

(3) If it appears from the contents of the complaint and the examination of the complainant and other witnesses, if any, that there is probable cause to believe that the person against whom the complaint was made has committed an offense, a warrant shall be issued by the court for the arrest of the person complained against. *The court, in its* discretion, *may issue* a summons instead of a warrant. *Upon the request of the county attorney, the court* shall issue *a summons instead of a warrant.* More than one warrant or summons may issue on the same complaint.

(4) A warrant of arrest shall:

(a) be in writing in the name of the state of Montana or in the name of a municipality if a violation of a municipal ordinance is charged;

HeinOnline -- 1977 Vol. I 563 1977

(c) command that the person against whom the complaint was made be arrested and brought before the court issuing the warrant or, if *the judge* is absent or unable to act, before the nearest or most accessible court in the same county *or the adjoining county.* If an arrest is made in a county other than the one in which the warrant was issued the arrested person shall be taken without unnecessary delay before the nearest and most accessible judge in the county where the arrest was made *or the adjoining county.*

However, warrants issued for the violation of city ordinances cannot be executed outside the city limits, except as otherwise provided by 11-927 and 11-960."

Section 7. Section 95-704, R.C.M. 1947, is amended to read as follows:

"**95-704. Grounds for search warrant.** Any judge may issue a search warrant upon the written application of any person, made under oath or affirmation before *the judge,* which:

(1) states that an offense has been committed;

(2) states facts sufficient to show probable cause for issuance of the warrant;

(3) particularly describes the place or things to be searched; and

(4) particularly describes the things to be seized."

Section 8. Section 95-719, R.C.M. 1947, is amended to read as follows:

"**95-719. Stop and frisk.** (1) A peace officer may stop any person he observes in circumstances that give *him* reasonable cause to suspect that the person has committed, is committing, or is about to commit an offense involving the use or attempted use of force against *a* person or theft, damage, or destruction of property if the stop is reasonably necessary to obtain or verify an account of the person's presence or conduct or to determine whether to arrest the person.

(2) A peace officer may stop any person he finds near the scene of an offense that *he* has reasonable cause to suspect has just been committed if:

(a) *he* has reasonable cause to suspect that the person has knowledge of material aid to the investigation of the offense; or

HeinOnline -- 1977 Vol. I 564 1977

(b) the stop is reasonably necessary to obtain or verify the person's identity or an account of the offense.

(3) A peace officer may stop any person in connection with an offense that *he* has probable cause to believe has been committed if:

(a) the offense is a felony involving the use or the attempted use of force against a person or theft, damage, or destruction of property;

(b) *he* has reasonable cause to suspect the person committed the felony; and

(c) *(i)* the stop is reasonably necessary to obtain or verify *the person's* identity to determine whether to arrest the person for the felony; or

(ii) the peace officer has reasonable cause to suspect that the person was present at the scene of the offense and the stop is reasonably necessary to obtain or verify the person's identity.

(4) A peace officer who has lawfully stopped a person under this section may:

(a) frisk *the* person and take other reasonably necessary steps for protection if *he* has reasonable cause to suspect that the person is armed and presently dangerous to *him* or another person present; and

(b) take possession of any object that *he* discovers during the course of the frisk if *he* has probable cause to believe the object is a deadly weapon.

(5) A peace officer who has lawfully stopped a person under this section may demand of the person his name and his present or last address.

(6) A peace officer who has lawfully stopped a person under this section shall inform the person, as promptly as possible under the circumstances and in any case before questioning the person, that he is a peace officer, that the stop is not an arrest but rather a temporary detention for an investigation, and that upon completion of the investigation the person will be released unless he is arrested.

(7) After the authorized purpose of the stop has been accomplished or 30 minutes have elapsed, whichever occurs first, the peace officer shall allow the person to go unless he has arrested the person."

Section 9. Section 95-1005, R.C.M. 1947, is amended to read as follows:

"**95-1005. Remuneration of appointed counsel.** *(1)* Whenever in a criminal proceeding an attorney represents or defends any person by order of the court on the ground that the person is financially unable to employ counsel, *the* attorney shall be paid for his services such sum as a district court or justice of the state supreme court certifies to be a reasonable compensation therefor and shall be reimbursed for reasonable costs incurred in the criminal proceeding.

(2) The expense of implementing subsection (1) is chargeable to the county in which the proceeding arose, except that:

HeinOnline -- 1977 Vol. I 565 1977

(a) in proceedings solely involving the violation of a city ordinance or state statute prosecuted in a municipal *or* city court, *the expense is* chargeable to the city or town in which the proceeding arose; and

(b) *when there has been an arrest* by agents of the department of fish and game *or* agents of the department of justice, the *expense* must be borne by the state agency causing the arrest."

Section 10. Section 95-1104, R.C.M. 1947, is amended to read as follows:

"**95-1104. Bail set in warrant — acceptance by peace officer.** A peace officer may accept cash bail in behalf of a judge *whenever* the warrant of arrest specifies the amount of bail. *Whenever a* peace officer accepts bail, he shall give a signed receipt to the offender setting forth the bail received. The peace officer shall then deliver the bail to the justice of the peace or *city* judge before whom the offender is to appear, and the justice of the peace or *city* judge shall give a receipt to the *peace* officer for the bail delivered."

Section 11. Section 95-1118, R.C.M. 1947, is amended to read as follows:

"**95-1118. Form of conditions of bail.** *(1)* If a person is admitted to bail before conviction, the conditions of bail shall be:

(a) that he will appear to answer in the court having jurisdiction on a day certain and thereafter as ordered by the court until discharged on final order of the court and *will* not depart *from* this state without leave; and

(b) any other conditions *that* the court may reasonably prescribe to assure his appearance when required.

(2) If the defendant is admitted to bail after conviction, the conditions of bail shall be that:

(a) *he* will duly prosecute his appeal;

(b) *he* will appear at such time and place as the court may direct;

(c) *he* will not depart *from* this state without leave of the court; and

(d) *if* the judgment is affirmed or the cause reversed and remanded for a new trial, he will forthwith surrender to the officer from whose custody he was bailed."

Section 12. Section 95-1119, R.C.M. 1947, is amended to read as follows:

"**95-1119. Bail on a new trial.** If the judgment of conviction is reversed and the cause remanded for a new trial, the trial court may order that the bail stand pending such trial *or* substitute, reduce, or increase bail."

Section 13. Section 95-1121, R.C.M. 1947, is amended to read as follows:

HeinOnline -- 1977 Vol. I 566 1977

"**95-1121. Guaranteed arrest bond certificates.** *(1) A* domestic or foreign surety company which has qualified to transact surety business in this state may in any year become surety in an amount not *exceeding* $100 with respect to any *guaranteed* arrest bond certificates issued in such year by an automobile club or association or by an insurance company authorized to write automobile liability insurance within this state, by filing with the commissioner of insurance an undertaking thus to become surety.

(2) The undertaking shall be in *a* form to be prescribed by the commissioner and shall state the following:

(a) the name and address of the automobile clubs, automobile *associations*, or insurance companies *which issued* the guaranteed arrest bond certificates *with respect to* which the surety company undertakes to be surety*; and*

(b) the unqualified obligation of the surety company to pay the fine or forfeiture in an amount not *exceeding* $100 of any person who, after posting a guaranteed arrest bond certificate with respect to which the surety company has undertaken to be surety, fails to make the appearance to guarantee which the guaranteed arrest bond certificate was posted.

(3) The term "guaranteed arrest bond certificate" means any printed card or other certificate *which:*

(a) is issued by an automobile club *or* association or insurance company to any of its members or insureds*; and*

(b) is signed by *the* member or insured and contains a printed statement that *the* automobile club, *automobile* association, or insurance company and a surety company or an insurance company authorized to transact both automobile liability insurance and surety business in the state of Montana*:*

(i) guarantee the appearance of the person whose signature appears on the card or certificate*;* and

(ii) will, in the event of *the* failure of *the* person to appear in court at the time of trial, pay any fine or forfeiture imposed on *the* person in an amount not *exceeding* $100."

Section 14. Section 95-1122, R.C.M. 1947, is amended to read as follows:

"**95-1122. Motor vehicle violations — certificates accepted in lieu of cash.** *A* guaranteed arrest bond certificate with respect to which a surety company has become surety or a guaranteed arrest bond certificate issued by an insurance company authorized to transact both automobile liability insurance and surety business within this state as provided in 95-1121 shall, when posted by the person whose signature appears thereon, be accepted in lieu of cash bail in an amount not *exceeding* $100 as a bail bond to guarantee the appearance of *the* person in any court, including municipal courts, in this state at such time as may be required by th[illegible]urt when *the* person *was* arrested for violation of *a* motor vehicle

law of this state or ordinance of a municipality in this state (except for the offense of driving while intoxicated or for any felony) committed prior to the date of expiration shown on the guaranteed arrest bond certificate. A guaranteed arrest bond certificate posted as a bail bond in a court in this state is subject to the same forfeiture and enforcement provisions as bail bonds posted in criminal cases, and a guaranteed arrest bond certificate posted as a bail bond in a municipal court in this state is subject to the forfeiture and enforcement provisions of the chapter or ordinance of the particular municipality pertaining to bail bonds posted."

Section 15. Section 95-1406, R.C.M. 1947, is amended to read as follows:

"**95-1406. Advice and assistance to grand jury — who may be present — stenographer, transcript of testimony.** *(1)* The grand jury may at all times ask the advice of the court or the judge thereof, the attorney general, or the county attorney. Unless such advice is asked, the judge of the court shall not be present during the sessions of the grand jury.

(2) The county attorney or the attorney general may at all times appear before the grand jury for the purpose of giving information or advice relative to any matter cognizable by the grand jury and may interrogate witnesses before the grand jury whenever he thinks it necessary. When a charge against or involving the county attorney, deputy county attorney, or anyone employed by or connected with the office of the county attorney is being investigated by the grand jury, the county attorney, deputy county attorney, or all or any one or more of them shall not be allowed to be present in an official capacity before the grand jury when the charge is being investigated. They or he shall only be present while a witness and after appearing as a witness shall leave the place where the grand jury is holding session.

(3) When requested to do so by the grand jury of any county, the attorney general or county attorney may employ special counsel and investigators, who shall investigate and present the evidence acquired in such investigation to the grand jury.

(4) The grand jury or county attorney may require by subpoena the attendance of any person before the grand jury as interpreter. While his services are necessary, the interpreter may be present at the examination of witnesses before the grand jury. The compensation for the services of the interpreter constitutes a charge against the county and shall be fixed by the grand jury in an amount to be approved by the court. It shall be paid out of the county treasury on a warrant of the county auditor upon an order of the judge of the district court.

(5) (a) The grand jury may appoint a stenographer to take in shorthand the testimony of witnesses, or the testimony may be taken by a recording device, but the record so made shall include the testimony of all witnesses on that particular investigation. The shorthand notes or the recordings and transcript of the same, if any, shall be delivered to and retained by the clerk of the district court.

(b) The stenographer and any typist who transcribes the

HeinOnline -- 1977 Vol. I 568 1977

stenographer's notes or recordings shall be sworn by the foreman not to disclose any testimony or the names of any witnesses except when so ordered by the court.

(c) The stenographic reporter shall certify and file with the clerk of the district court an original transcription of his shorthand notes and a copy thereof and as many additional copies as there are defendants. The reporter shall complete *the* certification and filing within 10 days after the indictment has been found unless the court for good cause makes an order extending the time. The clerk of the district court shall deliver the original of the transcript filed with him to the county attorney immediately upon his receipt thereof, retain one copy for use only by judges in proceedings relating to the indictment, and deliver a copy of *the* transcript to each defendant or his attorney."

Section 16. Section 95-1407, R.C.M. 1947, is amended to read as follows:

"**95-1407. Subpoena of witnesses.** A subpoena requiring the attendance of a witness before the grand jury may be signed and issued by the county attorney, by the *foreman of the* grand jury, or by the judge of the district court. *The subpoena may be directed to* witnesses in the state in support of the prosecution, those witnesses whose testimony, in *the* opinion *of the issuer,* is material in an investigation before the grand jury, and such other witnesses as the grand jury may direct."

Section 17. Section 95-1408, R.C.M. 1947, is amended to read as follows:

"**95-1408. Reception of evidence.** *(1)* In the investigation of a charge, the grand jury shall receive no other evidence than that given by witnesses produced and sworn before *it or* furnished by legal documentary evidence or the deposition of a witness in the cases mentioned in 95-1802.

(2) The grand jury is not required to hear evidence for the defendant, but it shall weigh all the evidence submitted to it. *If* it has reason to believe other evidence within its reach will explain away the charge, it shall order the evidence to be produced and for that purpose may require the county attorney to issue process for witnesses.

(3) The grand jury shall find an indictment when all the evidence before it taken together, if unexplained or uncontradicted, would in its judgment warrant a conviction by a trial jury."

Section 18. Section 95-1502, R.C.M. 1947, is amended to read as follows:

"**95-1502. Commencement of prosecutions.** *(1)* All prosecutions of offenses triable in the district courts shall be by indictment or information.

(2) All other prosecutions of offenses may be by complaint."

Section 19. Section 95-1504, R.C.M. 1947, is amended to read as follows:

"**95-1504. Joinder and discharge of offenses and defendants.** *(1)*

HeinOnline -- 1977 Vol. I 569 1977

An indictment, information, *or* complaint may charge two or more different offenses connected together in their commission, different statements of the same offense, or two or more different offenses of the same class under separate counts. *If* two or more indictments, informations, *or* complaints are filed in such cases in the same court, the court may order them to be consolidated. Allegations made in one count may be incorporated by reference in another count. The prosecution is not required to elect between the different offenses or counts set forth in the indictment, information, *or* complaint, *and* the defendant may be convicted of any number of the offenses charged. *Each* offense of which the defendant is convicted must be stated in the verdict or the finding of the court.

(2) The court in which the case is triable, in the interests of justice and for good cause shown, may in its discretion order that the different offenses or counts set forth in the indictment, information, *or* complaint be tried separately or divided into two or more groups and each of *the* groups tried separately. An acquittal of one or more counts shall not be *considered* an acquittal of any other count.

(3) Two or more defendants may be charged in the same indictment or information if they are alleged to have participated in the same series of acts or transactions constituting an offense or offenses. Such defendants may be charged in one or more counts together or separately, and all of the defendants need not be charged in each count.

(4) If it appears that a defendant or the state is prejudiced by a joinder of related prosecutions or defendants in a single charge or by joinder of separate charges or defendants for trial, the court may order separate trials, grant a severance of defendants, or provide any other relief as justice may require.

(5) When two or more persons are included in the same charge, the court may, at any time before the defendants have gone into their defense, on the application of the county attorney, direct any defendant to be discharged *so* that he may be a witness for the state.

(6) When two or more persons are included in the same indictment or information and the court is of the opinion that in regard to a particular defendant there is not sufficient evidence to put him on his defense, *the court* must order him to be discharged before the evidence is closed that he may be a witness for his codefendant."

Section 20. Section 95-1506, R.C.M. 1947, is amended to read as follows:

"**95-1506. Procedural requirements — persistent felony offenders.** *(1) If* the state seeks *treatment* of the accused as a *persistent felony offender* under *95-1507 or 95-2206.5 or both of those sections,* notice of that fact must be given in writing to the accused or his attorney before the entry of a plea of guilty by the accused or before the case is called for trial upon a plea of not guilty.

(2) The notice must conform to the following provisions:

(a) The notice must specify the prior convictions alleged to have been incurred by the accused.

HeinOnline -- 1977 Vol. I 570 1977

(b) The notice and the charges of prior convictions contained therein shall not be made public *or* in any manner be made known to the jury before the jury's verdict is returned upon the felony charge. *However,* if the defendant *testifies* in his own behalf, he *is* subject to impeachment as provided in 93-1901-11.

(3) If the accused is convicted upon the felony charge, the notice, together with proper proof of timely service, shall be filed with the court before the time fixed for *sentencing.* The court shall then fix a time for hearing with at least 3 days' notice to the accused.

(4) The hearing shall be held before the court alone. If the court finds any of the allegations of prior conviction true, the accused shall be sentenced under the provisions of *95-1507 and 95-2206.5.*"

Section 21. Section 95-1507, R.C.M. 1947, is amended to read as follows:

"**95-1507. Sentencing of persistent felony offender.** (1) A persistent felony offender is an offender who has previously *been* convicted of a felony and *who is presently being sentenced for* a second felony committed on a different occasion than the first. *An offender is considered to have been previously convicted of a felony if:*

(a) the previous felony conviction was for an offense committed in this state or any other jurisdiction for which a sentence to a term of imprisonment in excess of 1 year could have been imposed;

(b) less than 5 years have elapsed between the commission of the present offense and either the previous felony conviction or the *offender's release* on parole or otherwise from prison or other commitment imposed as a result of the previous felony conviction; and

(c) the offender has *not* been pardoned on the *ground* of innocence *and* the conviction *has not* been set aside in *a postconviction* hearing.

(2) A persistent felony offender shall be imprisoned in the state prison for a term of not less than 5 years or more than 100 years if he was 21 years of age or older at the time of the commission of the present offense."

Section 22. Section 95-1704, R.C.M. 1947, is amended to read as follows:

"**95-1704. Time of making motion.** The motion *provided for in 95-1701 and 95-1702* shall be made before the plea is entered, but the court for cause may permit it to be made within a reasonable time thereafter."

Section 23. Section 95-1706, R.C.M. 1947, is amended to read as follows:

"**95-1706. Effect of determination.** *(1)* If a motion is determined adversely to the defendant, he shall plead if he has not previously pleaded. A plea previously entered shall stand.

(2) If the court directs the action to be dismissed, the defendant must, if in custody, be discharged therefrom or, if admitted to bail, *have* his

HeinOnline -- 1977 Vol. I 571 1977

bail exonerated or money deposited instead of bail refunded to him. However, if the court grants a motion to dismiss based on a defect in the institution of the prosecution or in the indictment, information, or complaint or *if* it appears at any time before judgment that a mistake has been made in charging the proper offense, *the court* may also order that the defendant be held in custody or that his bail be continued for a specified time pending the filing of a new complaint, indictment, or information."

Section 24. Section 95-1707, R.C.M. 1947, is amended to read as follows:

"**95-1707. Transfer of trial.** If the court determines that *a* motion to dismiss based upon the grounds of lack of jurisdiction or improper place of trial is well founded, it may, instead of *ordering* dismissal, order the cause transferred to a court of competent jurisdiction or to a proper place of trial."

Section 25. Section 95-1711, R.C.M. 1947, is amended to read as follows:

"**95-1711. Effect of multiple charges and former prosecutions.** (1) (a) The term "same transaction" includes conduct consisting of:

(i) a series of acts or omissions *which are* motivated by a purpose to accomplish a criminal objective and *which are* necessary or incidental to the accomplishment of that objective; or

(ii) a series of acts or omissions *which are* motivated by a common purpose or plan and which result in the repeated commission of the same offense or affect the same person or persons or the property thereof.

(b) An offense is an "included offense" when:

(i) it is established by proof of the same or less than all the facts required to establish the commission of the offense charged;

(ii) it consists of an attempt to commit the offense charged or to commit an offense otherwise included therein; or

(iii) it differs from the offense charged only in the respect that a less serious injury or risk of injury to the same person, property, or public interest or a lesser kind of culpability suffices to establish its commission.

(2) When the same transaction may establish the commission of more than one offense, a person charged with such conduct may be prosecuted for each such offense. He may not, however, be convicted of more than one offense if:

(a) one offense is included in the other;

(b) one offense consists only of a conspiracy or other form of preparation to commit the other;

(c) inconsistent findings of fact are required to establish the commission of the offenses;

(d) the offenses differ only in that one is defined to prohibit a designated kind of conduct generally and the other to prohibit a specific instance of such conduct; or

HeinOnline -- 1977 Vol. I 572 1977

(e) the offense is defined to prohibit a continuing course of conduct and the defendant's course of conduct was interrupted, unless the law provides that the specific periods of such conduct constitute separate offenses.

(3) *If* the offenses were known to the attorney prosecuting upon sufficient evidence to justify the filing of an information or the issuance of a warrant of arrest and were consummated prior to the original charge and *if* the jurisdiction and venue of the several offenses lie in a single court, a prosecution based upon the same transaction as a former prosecution is barred by such former prosecution under the following circumstances:

(a) The former prosecution resulted in an acquittal. There is an acquittal *whenever* the prosecution *results* in a finding of not guilty by the trier of fact or in a determination that there *is* insufficient evidence to warrant a conviction. A finding of guilty of a lesser included offense than the offense charged which is subsequently set aside is an acquittal of the greater inclusive offense that was charged.

(b) The former prosecution was terminated, after a complaint had been filed on a misdemeanor charge *or* after an information had been filed or an indictment found on a felony charge, by a final order of judgment for the defendant which has not been set aside, reversed, or vacated and which necessarily required a determination inconsistent with a fact or a legal proposition that must be established for conviction of the offense.

(c) The former prosecution resulted in a conviction. There *has been* a conviction *whenever* the prosecution resulted in:

(i) a judgment of conviction which has not been reversed or vacated;

(ii) a verdict of guilty which has not been set aside and which is capable of supporting a judgment, so long as failure to enter judgment was for a reason other than a motion of the defendant; or

(iii) a plea of guilty accepted by the court, so long as failure to enter judgment was for a reason other than a motion of the defendant.

(d) The former prosecution was improperly terminated. Except as provided in this subsection *(d)*, there is an improper termination of a prosecution *whenever* the termination is for reasons not amounting to an acquittal and takes place after the first witness is sworn but before verdict. Termination under *either* of the following circumstances is not improper:

(i) *The* defendant consents to the termination or waives his right to object to the termination.

(ii) *The* trial court, in the exercise of its discretion, finds that the termination is necessary because:

(A) it is physically impossible to proceed with the trial in conformity with law;

(B) there is a legal defect in the proceedings which would make any judgment entered upon a verdict reversible as a matter of law;

HeinOnline -- 1977 Vol. I 573 1977

(C) prejudicial conduct in or outside the courtroom makes it impossible to proceed with the trial without manifest injustice to either the defendant or the state;

(D) the jury is unable to agree upon a verdict; or

(E) false statements of a juror on voir dire prevent a fair trial.

(4) When conduct constitutes an offense within the concurrent jurisdiction of this state and of the United States or another state or of two courts of separate, *overlapping, or* concurrent jurisdiction in this state, a prosecution in any such other jurisdiction is a bar to a subsequent prosecution in this state under the following circumstances:

(a) The first prosecution resulted in an acquittal or in a conviction as defined in subsection (3) and the subsequent prosecution is based on an offense arising out of the same transaction.

(b) The former prosecution was terminated, after the complaint *had* been filed on a misdemeanor charge *or* after the information *had been* filed or the indictment found *on a felony charge*, by an acquittal or by a final order or judgment for the defendant which has not been set aside, reversed, or vacated; and *the* acquittal, final order, or judgment necessarily required a determination inconsistent with a fact which must be established for conviction of the offense *for* which the defendant is subsequently prosecuted.

(5) A prosecution is not a bar within the meaning of subsections (3) and (4) under any *one or more* of the following circumstances:

(a) *The* former prosecution was before a court which lacked jurisdiction over the defendant or the offense.

(b) *The* former prosecution was procured by the defendant without the knowledge of the proper prosecuting officer or with the purpose of avoiding the sentence which might otherwise be imposed.

(c) *The* former prosecution resulted in a judgment of conviction which was held invalid in *a postconviction* hearing."

Section 26. Section 95-1803, R.C.M. 1947, is amended to read as follows:

"**95-1803. Discovery, inspection, and notice.** In all criminal cases originally triable in district court the following rules apply:

(1) For the purpose of notice only and to prevent surprise, the prosecution shall furnish to the defendant and file with the clerk of the court at the time of arraignment a list of the witnesses the prosecution *intends to call.* The prosecution may, any time after arraignment, add to the list the names of any additional witnesses upon a showing of good cause. The list shall include the names and addresses of the witnesses. *This subsection does* not apply to rebuttal witnesses.

(2) (a) On motion of any party within a reasonable time before trial, *each party* shall produce at a reasonable time and place designated by the court all documents, papers, or things which *it* intends to introduce

HeinOnline -- 1977 Vol. I 574 1977

in evidence. *Each* party shall, in the presence of a person designated by the court, be permitted to inspect or copy any such documents, papers, or things. The order shall specify the time, place, and manner of making the inspection and of taking the copies or photographs and may prescribe such terms and conditions as are just. If the evidence relates to scientific tests or experiments, the opposing party shall, if practicable, be permitted to be present during the tests and to inspect the results thereof. Upon a sufficient showing, the court may at any time order that the discovery or inspection be denied, restricted, or deferred or make other appropriate orders.

(b) If, subsequent to compliance with an order issued pursuant to this rule and prior to or during trial, a party discovers additional material previously requested which is subject to discovery or inspection under *this* rule, he shall promptly notify the other party or his attorney or the court of the existence of the additional material. The court shall exclude any evidence not presented for inspection or copying pursuant to this rule unless good cause is shown for failure to comply. In the latter case the opposing party *is* entitled to *a* recess or a *continuance* during which it may inspect or copy the evidence in the manner provided for *in this subsection (2).*

(3) (a) For purpose of notice only and to prevent surprise, the defendant shall furnish to the prosecution and file with the clerk of the court, at the time of entering his plea of not guilty or within 10 days thereafter or at such later time as the court may for good cause permit, a statement of intention to interpose the defense of *mental disease or defect,* self-defense, or alibi.

(b) If the defendant intends to interpose any of these defenses, he shall also furnish to the prosecution and file with the clerk of the court the names and addresses of all witnesses to be called by the defense in support thereof. *Prior to trial the* defendant may, upon motion and showing of good cause, add to the list of witnesses the names of any additional witnesses. After the trial commences, no witnesses may be called by the defendant in support of these defenses unless the name *of the witness* is included on *the* list, except upon good cause shown.

(4) All matters which are privileged upon the trial are privileged against disclosure through any discovery procedure."

Section 27. Section 95-1810, R.C.M. 1947, is amended to read as follows:

"95-1810. Witness from another state summoned to testify in this state. (1) *Whenever* a person in any state which by its laws has made provision for commanding persons within its borders to attend and testify in criminal prosecutions or grand jury investigations in this state is a material witness in a prosecution pending in a court of record in this state or in a grand jury investigation which has commenced or is about to commence, a judge of *the* court may issue a certificate under the seal of the court stating these facts and specifying the number of days the witness will be required. *The* certificate *shall* be presented to a judge of a court of record in the county in which the witness is found.

HeinOnline -- 1977 Vol. I 575 1977

(2) If *the* certificate recommends that the witness be taken into immediate custody and delivered to an officer of this state to assure his attendance in this state, *it is prima facie proof of the desirability of such custody and delivery and the* judge may direct that *the* witness be brought before him *immediately. If* the judge *is* satisfied *as to* the desirability of such custody and delivery, *he* may order that *the* witness be *immediately* taken into custody and delivered to an officer of this state. *The* order *is* sufficient authority *for the* officer to take *the* witness into custody and hold him unless and until he *is* released by bail, recognizance, or order of the judge issuing the certificate.

(3) *Whenever a* witness is summoned to attend and testify in this state, he shall be tendered the sum of 10 *cents* a mile for each mile and $5 for each day that he is required to travel and attend as a witness. *If* the state wherein the witness is found has by statutory enactment required that the summoned witness be paid an amount in excess of the amount *specified in the preceding sentence, the* witness may be tendered *the* amount required by *that* state.

(4) A witness who has appeared in accordance with the provisions of the summons *may* not be required to remain within this state *for* a longer period of time than the period mentioned in the certificate unless otherwise ordered by the court.

(2) (a) The qualifications of jurors and *exemptions from jury duty* are *prescribed* in 93-1301 through 93-1307.

(b) An exemption from service on a jury is not a cause of challenge but the privilege of the person exempted.

(3) The county attorney and the defendant or his attorney shall conduct the examination of prospective jurors. The court may conduct an additional examination. The court may limit the examination by the defendant, his attorney, or the prosecuting attorney if the court believes such examination to be improper.

(4) (a) Each party may challenge jurors for cause, and each challenge must be tried by the court.

(b) A challenge for cause may be taken for all or any of the following reasons or for any other reason which the court determines:

(i) *consanguinity* or relationship *to the defendant or* to the person *who is* alleged to be injured by the offense charged or on whose complaint the prosecution was instituted;

HeinOnline -- 1977 Vol. I 576 1977

(ii) *standing* in the relation of guardian and ward, attorney and client, master and servant, landlord and tenant, *or* debtor and creditor *with*, or being a member of the family *or in the employment* of, the defendant or the person *who is* alleged to be injured by the offense charged or on whose complaint the prosecution was instituted;

(iii) *being* a party adverse to the defendant in a civil action or having complained against or been accused by him in a criminal prosecution;

(iv) *having* served on the grand jury which found the indictment or on a coroner's jury which inquired into the death of a person whose death is the subject of the indictment or information;

(v) *having* served on a trial jury which tried another person for the offense charged;

(vi) *having* been *a member* of a jury formerly sworn to try the same charge, *the* verdict *of which* was set aside or which was discharged without verdict after the case was submitted to it;

(vii) *having* served as a juror in a civil action brought against the defendant for the act charged as an offense;

(viii) *if* the offense charged *is* punishable with death, *having* such conscientious opinions as would preclude his finding the defendant guilty, in which case he must neither be permitted nor compelled to serve as a juror;

(ix) *having* a belief that the punishment fixed by law is too severe for the offense charged;

(x) *having* a state of mind in reference to the case or to either of the parties which *would* prevent him from acting with entire impartiality and without prejudice to the substantial rights of either party.

(5) All challenges must be interposed before the jury is sworn, unless the cause of challenge *is* discovered after the jury is sworn and before the introduction of any evidence, *in which case* the court, in its discretion, may allow the challenge to be interposed.

(6) Each defendant shall be allowed eight peremptory challenges in capital cases, six in all other cases tried in the district court before a *12-person* jury. *There* may not be additional challenges for separate counts charged in the indictment or information. If the indictment or information charges a capital offense as well as lesser offenses in separate counts, the maximum number of challenges *is* eight. Alternate jurors in the order in which they are called shall replace jurors who, prior to the time the jury arrives at its *verdict*, become unable or disqualified to perform their duties. An alternate juror *may* not join the jury in its deliberation unless called upon by the court to replace a member of the jury. His conduct during the period in which the jury is considering its verdict shall be regulated by instructions of the trial court. An alternate juror who does not replace a principal juror shall be discharged after the jury arrives at its verdict.

(8) The jury shall return a general verdict to each offense charged.

(9) When at the close of the state's evidence or at the close of all the evidence the evidence is insufficient to support a finding or verdict of guilty, the court may on its own motion or on the motion of the defendant dismiss the action and discharge the defendant. However, the court may allow the case to be reopened for good cause shown."

Section 58. Section 95-3129, R.C.M. 1947, is amended to read as follows:

"**95-3129. Nonwaiver by this state.** Nothing contained in this act may be considered a waiver by this state of its right, power, or privilege to try the demanded person for a crime committed within this state or of its right, power, or privilege to regain custody of the person by extradition proceedings or otherwise for the purpose of trial, sentence, or punishment for a crime committed within this state; nor may any proceedings had under this act which result in or fail to result in extradition be considered in any way a waiver by this state of any of its rights, privileges, or jurisdiction."

HeinOnline -- 1977 Vol. I 588 1977

obtained in the discharge of official duty by the department, shall be confidential and shall not be disclosed directly or indirectly to anyone other than the members of the board or a judge. The board or a court may in its discretion, when the best *interests* or welfare of a particular defendant or prisoner makes such action desirable or helpful, permit the inspection of the report or any parts thereof by the prisoner or his attorney."

Section 60. Section 95-3214, R.C.M. 1947, is amended to read as follows:

"**95-3214. Parole authority and procedure.** (1) *Subject to the following restrictions, the* board shall release on parole by appropriate order any person confined in the Montana state prison, except persons under sentence of death, when in its opinion there is reasonable probability that the prisoner can be released without detriment to himself or to the community:

(a) *No* convict serving a time sentence *may* be paroled until he has served at least one-quarter of his full term, less *the* good time *allowance* provided *for* in 80-1905, *or 12 ½ years upon his term, whichever is less. No* convict designated a persistent felony offender under 95-2206.5 may be paroled until he has served at least one-third of his full term, less *the* good time *allowance* provided *for* in 80-1905, *or 17 ½ years upon his term, whichever is less.*

(b) No convict serving a life sentence *may* be paroled until he has served 30 years, less the good time *allowance* provided *for* in 80-1905.

(2) A parole shall be ordered only for the best interests of society and not as an award of clemency or a reduction of sentence or pardon. A prisoner shall be placed on parole only when the board believes that he is able and willing to fulfill the obligations of a law-abiding citizen.

(3) (a) Within 2 months after his admission and at such intervals thereafter as it determines, the board shall consider all pertinent information regarding each prisoner, including the circumstances of his offense, his previous social history and criminal record, his conduct, employment, and attitude in prison, and the reports of *any* physical and mental examinations which have been made.

(b) Before ordering the parole of any prisoner the board shall interview him.

(4) (a) Every prisoner while on parole shall remain in the legal custody of the institution from which he was released but shall be subject to the orders of the board.

(b) When an order for parole is issued, it shall recite the conditions thereof.

(5) The board may adopt *any* other rules it considers proper or necessary with respect to the eligibility of prisoners for parole, the conduct of parole hearings, *and* conditions to be imposed upon parolees."

Section 61. Section 95-3215, R.C.M. 1947, is amended to read as follows:

HeinOnline -- 1977 Vol. I 589 1977

"**95-3215. Duration of parole.** A prisoner on parole who has served one-fourth of his term or terms, less *the* good time *allowance*, or a persistent felony offender *on parole* who has served one-third of his term or terms, less *the* good time *allowance*, is considered released on parole until the expiration of the maximum term or terms for which he was sentenced, less *the* good time *allowance* provided *for* in 80-1905."

Section 62. Section 95-3306, R.C.M. 1947, is amended to read as follows:

"**95-3306. Supervision on parole.** (1) The department shall retain custody of all persons placed on parole and shall supervise the persons during their parole period in accord with the conditions set by the board.

(2) The department shall assign personnel to assist persons eligible for parole in preparing a parole plan. Department personnel shall make a report of their efforts and findings to the board prior to its consideration of the case of the eligible person.

(3) A copy of the conditions of his parole shall be signed by the parolee and given to him and to his probation and parole officer, who shall report on his progress under the rules of the board.

(4) The probation and parole officer shall regularly advise and consult with the parolee, assist him in adjusting to community life, *and* inform him of the restoration of his rights on successful completion of sentence.

(5) The probation and parole officer shall keep such records as the board or department may require. All records shall be entered in the master file of the individual."

Section 63. Section 95-3308, R.C.M. 1947, is amended to read as follows:

"**95-3308. Return of parole violator.** (1) *(a)* At any time during release on parole or conditional release, the department may issue a warrant for the arrest of the released prisoner for *violation* of any of the conditions of release or a notice to appear to answer to a charge of violation. *The* notice shall be served personally upon the prisoner. The warrant shall authorize all officers named therein to return *the* prisoner to the actual custody of the penal institution from which he was released or to any other suitable detention facility designated by the department.

(b) Any probation and parole officer may arrest *the* prisoner without a warrant or may deputize any other officer with power to arrest to do so by giving him a written statement setting forth that the prisoner has, in the judgment of *the* probation and parole officer, violated the conditions of his release. *The* written statement delivered with the prisoner by the arresting officer to the official in charge of the institution from which the prisoner was released or other place of detention shall be sufficient warrant for the detention of the parolee or conditional releasee. The probation and parole officer, after making an arrest, shall present to the detaining authorities a similar statement of the circumstances of violation.

HeinOnline -- 1977 Vol. I 590 1977

(c) Pending hearing, as provided *in subsections (2) and (3)*, upon any charge of violation the prisoner may, if circumstances warrant, be incarcerated in *the* institution.

(2) *(a)* After the arrest of *the* prisoner, a hearing shall be held within a reasonable time, unless *the* hearing is waived by the parolee, to determine whether there is probable cause or reasonable grounds to believe that the arrested parolee has committed acts which would constitute a violation of parole conditions. An independent officer, who need not be a judicial officer, must preside over *the* hearing. *The* hearing must be conducted at or reasonably near the place of the alleged parole violation or arrest and as promptly as convenient after arrest. The parolee must be given notice of *the* hearing and must be allowed to appear and speak in his own behalf and introduce relevant information to the hearings officer.

(b) The hearings officer shall make a summary of what transpires at the hearing in terms of the responses *and position* of the parolee and the substance of the documents or evidence given in support of parole revocation. Based on the information given to him, the hearings officer *shall* determine whether there is probable cause to hold the parolee for the final decision of the board of pardons as *provided* in *subsection (3).*

(3) (a) If the hearings officer determines that there is probable cause to believe that the prisoner has violated a condition of his parole, the probation and parole officer shall immediately notify the board and shall submit in writing a report showing in what manner the prisoner has violated the conditions of release. *This* report shall be accompanied by the findings of the hearings officer.

(b) Thereupon, the board shall cause the prisoner to be promptly brought before it for a hearing on the violation charged under such rules as the board may adopt. If the violation is established, the board may continue or revoke the parole or conditional release or enter such other order as it may see fit.

(c) If it *appears* that he has violated the provisions of his release, *the board shall determine* whether the time from the issuing of *the* warrant to the date of his arrest or any part of it *will* be counted as time served under the sentence.

(4) A prisoner for whose return a warrant has been issued shall, after the issuance of the warrant, if it is found that the warrant cannot be served, be considered a fugitive or to have fled from justice."

Section 64. **Repealer.** Sections 16-2615, 16-3403, 95-103 through 95-108, 95-2211, and 95-3233, R.C.M. 1947, are repealed.

Approved March 30, 1977.

The user of such information shall clearly and accurately disclose to the consumer his right to make such written request at the time such adverse action is communicated to the consumer.

Section 5. Section 29-208, R.C.M. 1947, is amended to read as follows:

"**29-208. Certain transfers presumed fraudulent.** Every transfer of personal property, other than a thing in action, and every lien thereon, other than a mortgage, when allowed by law, made by a person having at the time the possession or control of the property, not accompanied by an immediate delivery and followed by an actual and continued change of possession of the things transferred *is conclusively presumed* to be fraudulent and therefore void against:

(1) those who are his creditors while he remains in possession;

(2) the successors in interest of such creditors;

Section 8. Section 30-407, R.C.M. 1947, is amended to read as follows:

"**30-407. Surety discharged by certain acts of the creditor.** A surety is exonerated:

(2) to the extent to which he is prejudiced by any act of the creditor which would naturally prove injurious to the remedies of the surety or inconsistent with his rights or which lessens his security; or

(3) to the extent to which he is prejudiced by an omission of the creditor, *when required by the surety,* to do anything which it is *the creditor's* duty to do."

Section 9. Section 30-504, R.C.M. 1947, is amended to read as follows:

HeinOnline -- 1977 Vol. I 594 1977

(a) any instrument of writing, except a judgment;

(b) an account stated;

(c) moneys lent or due on any settlement of accounts from the date on which the balance is ascertained; and

(d) moneys received *for* the use of another and detained from him.

(2) In the computation of interest for a period of less than 1 year, 365 days constitute a year."

Section 12. Section 66-1601, R.C.M. 1947, is amended to read as follows:

"**66-1601. Interest pawnbrokers may receive.** No person may carry on the business of pawnbroker or junk dealer by receiving goods pawned or in pledge for loans at any rate of interest above *10% a year* without first obtaining a license. *A* pawnbroker or junk dealer *or* his employees or agents *may not charge more than 3% a month* for interest, commission, discount, storage, *and* caring for property pledged."

Section 13. Section 66-1607, R.C.M. 1947, is amended to read as follows:

"**66-1607. Violation as misdemeanor.** *A* violation of any of the provisions of this chapter *is* a misdemeanor."

Section 14. Section 74-604, R.C.M. 1947, is amended to read as follows:

"**74-604. Denial, suspension, or revocation of licenses.** *(1)* Renewal of a license originally granted under 74-603 may be denied or a license may be suspended or revoked by the department on the following grounds:

(a) *material* misstatement of fact in the application for license;

(b) willful failure to comply with any provision of this act relating to retail installment contracts;

(c) defrauding any retail buyer to the buyer's damage;

(d) fraudulent misrepresentation, circumvention, or concealment by the licensee through subterfuge or device of any of the material particulars or the nature thereof required to be stated or furnished to the retail buyer under this act.

(2) If a licensee is a partnership, association, or corporation, it is sufficient cause for the suspension or revocation of a license that any officer, director, or trustee of a licensed association or corporation or any member of a licensed partnership has acted or failed to act so as to provide cause for suspending or revoking a license to that party as an individual. Each licensee is responsible for the acts of his employees while acting as his agent, if the licensee after actual knowledge of the acts retained the benefits, proceeds, profits, or advantage accruing from the acts or otherwise ratified the acts.

(3) *(a)* A license may not be denied, suspended, or revoked except after

HeinOnline -- 1977 Vol. I 595 1977

hearing. The department shall give the licensee at least 10 days' written notice, in the form of an order to show cause, of the time and place of the hearing by *certified* mail addressed to the *licensee's* principal place of business in this state. The notice shall contain the grounds of complaint against the licensee.

(b) An order suspending or revoking a license shall recite the grounds upon which it is based. The order shall be entered upon the records of the department and is not effective until 30 days after written notice has been forwarded by *certified* mail to the licensee at *his* principal place of business.

(c) No revocation, suspension, or surrender of a license impairs or affects the obligation of a lawful retail installment contract acquired previously by the licensee."

Section 15. Section 74-606, R.C.M. 1947, is amended to read as follows:

"**74-606. Powers of department.** *(1)* The department shall adopt rules necessary to carry out the intent and purposes of this act. All rules of general application shall be filed in the office of the department. A copy of every rule shall be mailed to each licensee, postage prepaid, at least 15 days in advance of its effective date. However, the failure of a licensee to receive a copy of the rules does not exempt him from the duty of compliance with those rules lawfully adopted under the provisions of this section.

(2) The department may issue subpoenas to compel the attendance of witnesses and the production of documents, papers, books, records, and other evidence before it in any matter over which it has jurisdiction, control, or supervision pertaining to this act. The department may administer oaths and affirmations to a person whose testimony is required.

(3) If a person refuses to obey a subpoena, or to give testimony or produce evidence as required by it, a judge of the district court of the county in which the licensed premises are located may, upon application and proof of the refusal, issue a subpoena or subpoena duces tecum for the witness to appear before the department to give testimony and produce evidence as *may be* required. The clerk of court shall then issue the subpoena, as directed, under the seal of the court, requiring the person to whom it is directed to appear at the time and place designated in it.

(4) If a person served with a subpoena refuses to obey it or to give testimony or produce evidence as required by it, the department may apply to the judge of the court issuing the subpoena for an *arrest warrant for* that person, as for a contempt. The judge, upon satisfactory proof of the refusal, shall issue an *arrest warrant,* directed to any sheriff, constable, or police officer, for the arrest of that person and, upon his being brought before the judge, proceed to a hearing of the case. The judge may *compel:*

(a) obedience to the subpoena;

(b) the answering of any question;

HeinOnline -- 1977 Vol. I 596 1977

(c) the production of any evidence that may be proper; *or*

(d) the witness to pay the costs of the proceeding.

(5) Failure to comply with the requirements of subsections (4)(a), (b), or (c) is punishable by a fine not exceeding $100 or by imprisonment in the county jail, or both."

Section 16. Section 74-611, R.C.M. 1947, is amended to read as follows:

"**74-611. Penalties.** *(1)* Any person who knowingly *violates a* provision of this act or *engages* in the business of a sales finance company in this state without a license as provided in this act *is* guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than $500 or by imprisonment for not more than 6 months, or both.

(2) Any person violating 74-607 *through* 74-610, except as the result of an accidental and bona fide error of computation, shall be barred from recovery of any finance delinquency, or collection charge on the contract."

Section 17. **Repealer.** Section 29-207, R.C.M. 1947, is repealed.

Approved April 1, 1977.

CHAPTER NO. 186

AN ACT TO AMEND SECTIONS 82A-112 AND 82A-706.1, R.C.M. 1947, TO DELETE REQUIREMENT THAT ONE MEMBER OF THE HIGHWAY COMMISSION BE AN ATTORNEY.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 82A-112, R.C.M. 1947, is amended to read as follows:

"**82A-112. Quasi-judicial boards.** If an agency is designated by law as a quasi-judicial board for the purposes of this section, *the following requirements apply*:

(1) The number of and qualifications of its members are as prescribed by law. *In* addition to those qualifications, *unless otherwise provided by law,* at least one member shall be an attorney licensed to practice law in this state.

(2) (a) The governor shall appoint the members. A majority of the members shall be appointed to serve for terms concurrent with the gubernatorial term and until their successors are appointed and qualified. The remaining members shall be appointed to serve for terms ending on the first day of the third January of the succeeding gubernatorial term and until their successors are appointed and qualified. It is the intent of this subsection that the governor appoint a majority of the members of each quasi-judicial board at the beginning of his term and the remaining members in the middle of his term. As used in this subsection, "majority" means the next whole number greater than half.

HeinOnline -- 1977 Vol. I 597 1977

(b) This subsection does not affect the terms of persons who were members of a continued board on the effective date of the chapter of this title continuing the board; upon the expiration of those terms, members shall be appointed and serve in accordance with this subsection.

(3) The appointment of each member is subject to the confirmation of the senate. However, the governor may appoint a member to assume office before the senate meets at its next regular session to consider the appointment. A member so appointed has all the powers of the office upon assuming that office and is a de jure officer, notwithstanding the fact that the senate has not yet confirmed the appointment. If the senate does not confirm the appointment of a member, the governor shall appoint a new member to serve for the remainder of the term.

(4) A vacancy shall be filled in the same manner as regular appointments, and the member appointed to fill a vacancy shall serve for the unexpired term to which he is appointed.

(5) The governor shall designate the chairman. The chairman may make and second motions and vote.

(6) Members may be removed by the governor only for cause.

(7) Unless he is a full-time salaried officer or employee of this state or of a political subdivision of this state, each member is entitled to be paid $25 for each day in which he is actually and necessarily engaged in the performance of board duties, and he is also entitled to be reimbursed for travel expenses, as provided for in 59-538, 59-539, and 59-801, incurred while in the performance of board duties. Members who are full-time salaried officers or employees of this state or of a political subdivision of this state are not entitled to be compensated for their service as members but are entitled to be reimbursed for travel expenses as provided for in 59-538, 59-539, and 59-801.

(8) A majority of the membership constitutes a quorum to do business. A favorable vote of at least a majority of all members of a board is required to adopt any resolution, motion, or other decision, unless otherwise provided by law."

Section 2. Section 82A-706.1, R.C.M. 1947, is amended to read as follows:

"**82A-706.1. Highway commission.** (1) (a) The highway commission consists of five members. One member shall be a bona fide resident of and appointed from each of these districts, each composed of the counties named:

(i) District 1. Lincoln, Flathead, Sanders, Lake, Mineral, Missoula, Ravalli, Granite, Lewis and Clark, Jefferson, Broadwater.

(ii) District 2. Powell, Deer Lodge, Silver Bow, Beaverhead, Madison, Gallatin, Meagher, Wheatland, Park, Sweet Grass.

(iii) District 3. Glacier, Toole, Liberty, Hill, Blaine, Pondera, Teton, Chouteau, Cascade, Judith Basin.

HeinOnline -- 1977 Vol. I 598 1977

(iv) District 4. Fergus, Petroleum, Garfield, Phillips, Valley, McCone, Prairie, Dawson, Wibaux, Richland, Roosevelt, Daniels, Sheridan.

(v) District 5. Golden Valley, Stillwater, Carbon, Big Horn, Yellowstone, Musselshell, Rosebud, Treasure, Custer, Powder River, Carter, Fallon.

(b) No two members may at the time of appointment or thereafter during their respective terms of office be residents of the same district.

(c) Not more than three members may at the time of appointment or thereafter during their respective terms be members of the same political party.

(d) No elective state official or state officer during the term of office to which he was elected or appointed and no state employee may be a member of the commission.

(2) No resolution, motion, or other decision of the commission may be adopted or passed without the favorable vote of at least three members.

(3) The commission is allocated to the department for administrative purposes only as prescribed in 82A-108.

(4) The commission is designated as a quasi-judicial board for purposes of 82A-112, *however the provision of 82A-112(1) that at least one member of a quasi-judicial board be an attorney does not apply to the commission.*"

Approved April 1, 1977.

CHAPTER NO. 187

"**27-706. Detention or embargo of adulterated or misbranded articles — condemnation proceedings — immediate abatement of nuisances.** *(1) If an* agent of the department finds or has probable cause to believe that any food, drug, device, or cosmetic is adulterated or so misbranded as to be dangerous or fraudulent within the meaning of this act, he shall affix to *the* article a tag or other appropriate marking giving notice that *the* article is or is suspected of being adulterated or misbranded and has been detained or embargoed and warning all persons not to

remove or dispose of *the* article by sale or otherwise until permission for removal or disposal is given by *the* agent or the court. It *is* unlawful for *a* person to remove or dispose of *a* detained or embargoed article by sale or otherwise without permission.

(2) If an article detained or embargoed under subsection *(1) is* found by *the* agent to be adulterated or misbranded, he shall petition the justice of peace, *city* judge, or district court in whose jurisdiction the article is detained or embargoed for *an order* for condemnation of *the* article. *If the* agent *finds* that an article so detained or embargoed is not adulterated or misbranded, he shall remove the tag or other marking.

(3) If the court finds that a detained or embargoed article is adulterated or misbranded, *the* article shall, after entry of the decree, be destroyed at the expense of the claimant thereof under the supervision of *the* agent, and all court costs and fees and storage and other proper expenses shall be taxed against the claimant of *the* article or his agent. *If* the adulteration or misbranding can be corrected by proper labeling or processing of the article, the court, after entry of the decree and after *the* costs, fees, and expenses have been paid and a good and sufficient bond, conditioned that *the* article *will* be so labeled or processed, has been executed, may by order direct that *the* article be delivered to the claimant thereof for *the* labeling or processing under the supervision of an agent of the department. The expense of *the* supervision shall be paid by claimant. *The article* shall be returned to the claimant on the representation to the court by the department that the article is no longer in violation of this act and that the expenses of *the* supervision have been paid.

(4) Whenever the department or any of its authorized agents find in any room, building, vehicle of transportation, or other structure any meat, sea food, poultry, vegetable, fruit, or other perishable *article* which *is* unsound or *contains* any filthy, decomposed, or putrid substance or that may be poisonous or deleterious to health or otherwise unsafe, the *article* being hereby declared to be a nuisance, the department or its authorized agent shall *immediately* condemn or destroy the *article* or in any other manner render the *article* unsalable as human food."

Before *a* violation of this act is reported to *a state or county* attorney for the institution of a criminal proceeding, the person against whom *the* proceeding is contemplated shall be given appropriate notice and an opportunity to present his views before the department or its designated agent, either orally or in writing *and either* in person or by attorney, with regard to *the* contemplated proceeding."

(a) of inspecting *the* factory, warehouse, establishment, or vehicle to determine if any of the provisions of this act are being violated; and

(b) *of securing* samples or specimens of any food, drug, device, or cosmetic after paying or offering to pay for *the* sample.

"**50-480.7. Order — no violation — abatement.** An operator notified of an order made under *50-480.3* may apply to the division for a hearing or revision of the order. If the division finds that there was no violation, it shall make an order rescinding the order under review. If the division finds that there was a violation but the violation has since been abated, it shall make an order rescinding the order under review. If the division finds that the violation was not totally abated, it shall make an order consistent with its findings."

(b) there are a sufficient number of gauge cocks properly inserted to indicate the amount of water and suitable gauges that will correctly record the pressure of steam; and

(c) adequate and certain provisions for an ample supply of water to feed the *boiler* at all times and suitable means for blowing out are provided so as to thoroughly remove mud and sediment from all parts of the *boiler* when *it is* under pressure of steam.

(2) A renter, user, or owner of a boiler or *a* person who *tampers* with the safety valve to allow the boiler to carry greater pressure than is allowed by the inspection certificate *is* guilty of a misdemeanor.

(3) If a boiler is constructed with lap horizontal seams on *the* boiler, dome, or drum, a factor of *4 ½* shall be used in determining the safe working pressure allowed on *the* boiler. *If a boiler is* constructed with *butt strap* horizontal seams, a factor of four may be used in determining *the* safe working pressure. If *a* boiler rests on *a* side wall on lugs, is hung by I-beams, or is in any way set up so that the weight of the boiler is pulling against the horizontal seam of rivets, a factor of five must be used *in determining* the safe working pressure. *If* the horizontal lap seams of *a* boiler are exposed to the fire, a factor of five must be used *in determining* the safe working pressure. On *new* stay bolts, *7,500* pounds pressure per square inch *is* allowed. If *the* stay bolts are corroded or defective, the inspector must determine the pressure to be allowed on *them.* On braces made of solid material *8,000* pounds pressure per square inch *is* allowed. On welded braces or braces with only one *crowfoot, 6,000* pounds pressure per square inch *is* allowed. No cast iron *may* be used in the construction or reinforcements of *a* boiler *if* the pressure allowed on *the* boiler is more than *100* pounds per square inch."

Section 10. Section 69-1508, R.C.M. 1947, is amended to read as follows:

"**69-1508. Licenses required — penalty for operating without license.** No person *may* be granted a license to operate steam or water boilers and steam machinery under the provisions of this article who has not met the qualifications for licensing, *been* found to be competent by examination to perform the duties of an engineer, and received a license so to act. *A* person who operates *a* boiler or steam engine without first obtaining a license is guilty of a misdemeanor and, upon conviction, shall

be *fined no* less than *$50 or* more than *$100* or *be imprisoned* in the county jail for *any term not to exceed 60* days, or both."

Section 11. Section 69-1509, R.C.M. 1947, is amended to read as follows:

"**69-1509. Classification and licensing of engineers.** (1) Engineers entrusted with the operation, care, and management of steam or water boilers and steam machinery, as specified in the preceding section, *are* divided into four classes, namely: first-class engineers, second-class engineers, third-class engineers, and low-pressure engineers.

(2) Licenses for the operation of steam or water boilers and steam machinery *are* divided into four classifications in accordance with the following *schedule*:

(b) Second-class engineers *are* licensed to operate steam boilers operating not in excess of 250 pounds per square inch gauge saturated steam pressure, water boilers operating not in excess of 375 pounds per square inch gauge pressure and *450 degrees F* temperature, and *steam-driven* machinery not to exceed 100 horsepower per unit, with the exception of traction and hoisting engines.

(c) Third-class engineers *are* licensed to operate steam boilers operating not in excess of 100 pounds per square inch gauge saturated steam pressure *and* water boilers operating not in excess of 160 pounds per square inch gauge pressure and *350 degrees F* temperature.

(d) Low-pressure engineers *are* licensed to operate steam boilers operating not in excess of 15 pounds per square inch gauge pressure *and* water boilers operating not in excess of 50 pounds per square inch gauge pressure and *250 degrees F* temperature.

(3) Each applicant for an engineer's license *must be physically and mentally capable of performing the required duties and* meet the following minimum requirements for the class of engineer's license for which application is being made:

(a) *An applicant* for *a* low-pressure engineer's license *must* have *at least* 3 months' full-time experience in the operation of a boiler in this classification, successfully pass a written examination prescribed by the division, *have* passed his 18th birthday, and *be* found to be competent to operate a boiler in this classification.

(b) *An applicant* for *a* third-class engineer's license *must* have *at least* 6 months' full-time experience in the operation of a boiler in this classification under an engineer holding a valid third-class or higher license, successfully pass a written examination prescribed by the division, *have* passed his 18th birthday, and *be* found to be competent to operate a boiler in this classification.

(c) *An applicant* for *a* second-class engineer's license *must*:

HeinOnline -- 1977 Vol. I 606 1977

(i) have at least 2 years' full-time experience in the operation of a boiler and *steam-driven* machinery in this classification under an engineer holding a valid second-class or first-class license, successfully pass a written examination prescribed by the division, *have* passed his 18th birthday, and *be* found to be competent to operate a boiler and *steam-driven* machinery in this classification; or

(ii) hold a valid third-class engineer's license and have *at least* 1 year's full-time experience in the operation of a boiler and *steam-driven* machinery in this classification under an engineer holding a valid second-class or first-class license, successfully pass a written examination prescribed by the division, *have* passed his 18th birthday, and *be* found to be competent to operate a boiler and *steam-driven* machinery in this classification.

(d) *An applicant* for *a* first-class engineer's license *must*:

(i) have at least 3 years' full-time experience in the operation of a boiler and *steam-driven* machinery in this classification under an engineer holding a valid first-class license, successfully pass a written examination prescribed by the division, *have* passed his 18th birthday, and *be* found to be competent to operate a boiler and *steam-driven* machinery in this classification;

(ii) hold a valid second-class engineer's license and have *at least* 1 year's full-time experience in the operation of a boiler and *steam-driven* machinery in this classification under an engineer holding a valid first-class license, successfully pass a written examination prescribed by the division, *have* passed his 18th birthday, and *be* found to be competent to operate a boiler and *steam-driven* machinery in this classification; or

(iii) hold a valid third-class engineer's license and have *at least* 2 year's full-time experience in the operation of a boiler and *steam-driven* machinery in this classification under an engineer holding a valid first-class license, successfully passed a written examination prescribed by the division, *have* passed his 18th birthday, and *be* found to be competent to operate a boiler and *steam-driven* machinery in this classification.

(4) Allowable exceptions or variances to the minimum requirements *set out in subsection (3) of this section* are as follows:

(a) An applicant for *an* engineer's license in any classification holding a valid license in that classification from another state *having* licensing requirements equal to or exceeding the minimum requirements *set out in subsection (3) of this section,* successfully *passing* a written examination prescribed by the division, and found to be competent to operate a boiler and *steam-driven* machinery in that classification shall be granted a license in that classification.

(b) Operating experience in a classification *accumulated in the United States military services or the merchant marine service* satisfactory to the division may be accepted in lieu of the operating experience required for licensing of engineers in each of the *license* classifications.

(c) An applicant having training in the operation of steam or water boilers and steam machinery who *has* been certified as having satisfac-

torily completed a prescribed training course from a recognized vocational-technical training school or center or other *division-approved* institution or training program in the classification for which he is applying may, at the discretion of the division, be credited with a maximum of 6 months' experience toward *a* first, second, or third-class engineer's license.

(5) None of the licenses *named* in *subsections (1) and (2) of* this section entitle *its* holder to operate a traction engine. *A person* who *is* entrusted with the care and management of traction engines or boilers on wheels *is* required to pass an examination *testing his* competency to operate *that* class of machinery and procure a *traction* license. *A* traction license *does* not entitle *its* holder to operate any other class of steam machinery. *An applicant* for a traction engineer's license *must* have *at least* 6 months' full-time experience in the operation of steam traction engines, successfully pass a written examination prescribed by the division, *have* passed his 18th birthday, and *be* found to be competent to operate a traction engine. The division, at its discretion, may waive the experience requirement for operators of traction engines which are maintained and operated as a hobby for the restoration and show purposes of antique equipment."

(14) (a) "Banned hazardous substance" means:

(i) *a* toy or other article intended for use by children which is a hazardous substance or which bears or contains a hazardous substance in such a manner as to be susceptible of access by a child to whom the toy or other article is entrusted; or

(ii) *a* hazardous substance intended or packaged in a form suitable for use by the general public which the department by rule classifies as a banned hazardous substance on the basis of a finding that, notwithstanding such cautionary labeling as is or may be required under this act for that substance, the degree or nature of the hazard involved in the presence or use of *the* substance by the general public is such that the objective of the protection of the public health and safety can be adequately served only by keeping the substance, when so intended or packaged, out of the channels of commerce.

HeinOnline -- 1977 Vol. I 623 1977

(b) The department by rule shall exempt from *subsection (14)(a)(i) of this section* articles such as chemical sets which, by reason of their functional purpose, require the inclusion of the hazardous substance involved or necessarily present an electrical, mechanical, or thermal hazard and which bear labeling giving adequate directions and warnings for safe use and are intended for use by children who have attained sufficient maturity and may reasonably be expected to read and heed the directions and warnings.

(c) Proceedings for the issuance, amendment, or repeal of rules under *subsections (14)(a)(ii) and (14)(b) of this section* shall be governed by the provisions of *subsections (4) and (5) of 69-7103.*

(15) An article may be determined to present an electrical hazard if, in normal use or when subjected to reasonably foreseeable damage or abuse, its design or manufacture may cause personal injury or illness by electric shock.

(16) An article may be determined to present a mechanical hazard if, in normal use or when subjected to reasonably foreseeable damage or abuse, its design or manufacture presents an unreasonable risk of personal injury or illness:

(a) from fracture, fragmentation, or disassembly of the article;

(b) from propulsion of the article (or *a* part or accessory thereof);

(c) from points or other protrusions, surfaces, edges, openings, or closures;

(d) from moving parts;

(e) from lack or insufficiency of controls to reduce or stop motion;

(f) as a result of self-adhering characteristics of the article;

(g) because the article (or *a* part or accessory thereof) may be aspirated or ingested;

(h) because of instability; or

(i) because of any other aspect of the article's design or manufacture.

(17) An article may be determined to present a thermal hazard if, in normal use or when subjected to reasonably foreseeable damage or abuse, its design or manufacture presents an unreasonable risk of personal injury or illness because of heat as from heated parts, substances, or surfaces.

(18) "Court" means, in *69-7103(5)*, the district court for the first judicial district and, in 69-7106 and 69-7107, the district court *in* the district *where* the violation occurs."

Section 28. Section 69-7103, R.C.M. 1947, is amended to read as follows:

"69-7103. Declaration of hazardous substance — labeling requirements — court proceedings. (1) When in the judgment of the

department such action will promote the objectives of this act by avoiding or resolving uncertainty as to its application, the department may by rule declare to be a hazardous substance a substance or mixture of substances which the department finds meets the requirements of *subsection (4)(a)(i)* of *69-7102.*

(2) If the department finds that the requirements of *69-7102(13)(a)* are not adequate for the protection of the public health and safety in view of the special hazard presented by a hazardous substance, the department may by rule establish such reasonable variations or additional *labeling* requirements as *are* necessary for the protection of the public health and safety, and a hazardous substance intended or packaged in a form suitable for use by the general public or by children which fails to bear a label in accordance with the rules *is* a misbranded hazardous substance.

(3) If the department finds that because of the size of the package involved or because of the minor hazard presented by the substance contained therein or for other good and sufficient reasons full compliance with the labeling requirements otherwise applicable under this act is impracticable or is not necessary for the adequate protection of the public health and safety, the department shall adopt rules exempting *the* substance from these requirements to the extent of being consistent with adequate protection of the public health and safety.

(4) If the department finds that the hazard of an article subject to this act is such that labeling adequate to protect the public health and safety cannot be devised or the article presents an imminent danger to the public health and safety, the department may declare the article a banned hazardous substance and require its removal from commerce.

(5) (a) A determination by the department that a toy or other article intended for use by children presents an electrical, mechanical, or thermal hazard shall be made by rule in accordance with this act.

(b) If, before or during a proceeding under *subsection (5)(a) of this section,* the department finds that because of an electrical, mechanical, or thermal hazard distribution of a toy or other article involved presents an imminent hazard to the public health and the department gives notice of *the* finding, the toy or other article *is* a banned hazardous substance for purposes of this act until the proceeding has been completed. If not yet initiated when the notice is given, the proceeding shall be initiated as promptly as possible.

(c) (i) In the case of a toy or other article intended for use by children which is determined by the department to present an electrical, mechanical, or thermal hazard, a person who will be adversely affected by *the* determination may, at any time before the *60th* day after the rule making the determination is issued by the department, file a petition with the court for a judicial review of *the* determination. A copy of the petition shall be immediately transmitted by the clerk of the court to the department. The department shall file in the court the record of the proceedings on which the department based its determination.

(ii) If the petitioner applies to the court for leave to adduce additional evidence and shows to the satisfaction of the court that *the* additional

HeinOnline -- 1977 Vol. I 625 1977

evidence is material and that there was no opportunity to adduce *the* evidence in the proceeding before the department, the court may order *the* additional evidence (and evidence in rebuttal thereof) to be taken before the department in a hearing or in *another* manner and upon *other* terms and conditions as the court *considers* proper. The department may modify *its* findings as to the facts or make new findings by reason of the additional evidence so taken, and *it* shall file *the* modified or new findings and *its* recommendation, if any, for the modification or setting aside of *its* original determination with the return of *the* additional evidence.

(iii) Upon the filing of the petition under *subsection (5)(c) of this section*, the court has jurisdiction to review the determination of the department. If the court ordered additional evidence to be taken under *subsection (5)(c)(ii) of this section*, the court shall also review the department's determination to determine if, on the basis of the entire record before the court under *subsections (5)(c)(i) and (5)(c)(ii) of this section*, it is supported by substantial evidence. If the court finds the determination is not so supported, the court may set it aside. With respect to *a* determination reviewed under *subsection (5)(c) of this section*, the court may grant appropriate relief pending conclusion of the review proceedings."

Section 29. Section 69-7105, R.C.M. 1947, is amended to read as follows:

"**69-7105. Penalty — exceptions.** (1) *A* person who violates the provisions of 69-7104 is guilty of a misdemeanor and shall be fined *no* more than $500 or *be* imprisoned for *any term not to exceed* 90 days, or both. For offenses committed with intent to defraud or mislead or for second and subsequent offenses, the penalty shall be imprisonment for *any term not to exceed* 1 year or a fine of *no* more than $3,000, or both.

(2) No person is subject to the penalties of subsection (1) of this section:

(a) for having violated 69-7104(3) if the receipt, delivery, or proffered delivery of the hazardous substance was made in good faith unless he refuses to furnish on request of an officer or employee duly designated by the department the name and address of the person from whom he purchased or received *the* hazardous substance and copies of all documents pertaining to the delivery of the hazardous substance to him; or

(b) for having violated 69-7104(1) if he establishes a guarantee or undertaking signed by and containing the name and address of the person residing in the United States from whom he received in good faith the hazardous substance to the effect that the hazardous substance is not a misbranded or banned hazardous substance within the meaning of those terms in *this* act."

Section 30. Section 69-7107, R.C.M. 1947, is amended to read as follows:

"**69-7107. Detainer of misbranded or banned hazardous substance.** (1) *If* a duly authorized agent of the department finds or has probable cause to believe that *a* hazardous substance is misbranded or is a banned hazardous substance within the meaning of this act, he shall affix

HeinOnline -- 1977 Vol. I 626 1977

to *the* article a tag or other appropriate marking giving notice that *the* article is or is suspected of being misbranded or is a banned hazardous substance and has been detained or embargoed and warning all persons not to remove or dispose of *the* article by sale or otherwise until permission for removal or disposal is given by *the* agent or the court. It *is* unlawful for *a* person to remove or dispose of *a* detained or embargoed article by sale or otherwise without permission.

(2) *If* an article detained or embargoed under subsection (1) *is* found by *the* agent to be misbranded or a banned hazardous substance, he shall petition the judge *of* the *city, justice's,* or *district* court in whose jurisdiction the article is detained or embargoed for *an order* of condemnation of *the* article. *If the* agent *finds* that an article so detained or embargoed is not misbranded or a banned hazardous substance, he shall remove the tag or other marking.

(3) If the court finds that a detained or embargoed article is misbranded or a banned hazardous substance, *the* article shall, after entry of the decree, be destroyed at the expense of the claimant thereof under supervision of *the* agent, and all court costs and fees and storage and other proper expenses *are to* be taxed against the claimant of *the* article or his agent. *If* the misbranding can be corrected by proper labeling of the article, the court, after entry of the decree and after *the* costs, fees, and expenses have been paid and a good and sufficient bond, conditioned that *the* article *will* be so labeled, has been executed, may by order direct that *the* article be delivered to the claimant thereof for *the* labeling under the supervision of an agent of the department. The expense of *the* supervision shall be paid by the claimant. The article shall be returned to the claimant on the representation to the court by the department that the article is no longer in violation of this act and that the expenses of *the* supervision have been paid."

Section 31. Section 69-7108, R.C.M. 1947, is amended to read as follows:

"**69-7108. Duties of department and county attorney.** It is the duty of the department or the county attorney to whom the department reports *a* violation of this act to cause appropriate proceedings to be instituted in the proper courts without delay and to be prosecuted in the manner required by law. Before *a* violation of this act is reported to *a county* attorney for the institution of a criminal proceeding, the person against whom *the* proceeding is contemplated shall be given appropriate notice and an opportunity to present his *views* before the department, either orally or in writing *and either in person* or by attorney, with regard to *the* contemplated proceeding."

Investigations *shall* evaluate the causative hazardous substance and circumstances of the accident for enforcement of this act. *If* the offending hazardous substance is a pesticide regulated by another agency *under* the *federal* Environmental Pesticide Control Act or the Montana *Pesticides* Act, the investigation *shall* yield recommendations to the appropriate regulating agency for appropriate action."

are primarily for personal, family, or household purposes, when either the seller or a person acting for him contacts the buyer by telephone or in person other than at the place of business of the seller, except:

(a) an attempted sale in which the buyer personally knows the identity of the seller, the name of the business, firm, or organization he represents and the identity or kinds of goods or services offered for sale;

(b) an attempted sale in which the buyer has initiated the contact with the seller;

(c) an attempted sale of a newspaper subscription in which the seller is a minor child engaged in both the delivery and the sale of the newspaper; or

(d) an attempted sale of an insurance policy.

(3) "Personal solicitation sale" means the purchase, lease, or rental of any goods or services following a personal solicitation by the seller or a person acting for him, provided the buyer is required to give consideration in excess of $25 in cash or credit therefor

(4) "Seller" means a lessor, renter, or anyone offering goods or services for consideration, including assignee of a seller.

Section 3. There is a new R.C.M. section numbered 85-502.2 that reads as follows:

Before any personal solicitation each seller shall, at the time of initial contact or communication with the potential buyer, clearly and expressly disclose the individual seller's name, the name of the business, firm, or organization he represents, the indentity or kinds of goods or services he wishes to demonstrate or sell, and that he wishes to demonstrate or sell the identified goods or services. When the initial contact is made in person, the seller shall also show the potential buyer an identification card which clearly states the seller's name and the name of the business or organization he represents. The disclosures required by this section shall be made before asking any questions or making any statements except an initial greeting. Nonprofit organizations are exempt from the requirements of this section.

Section 4. Section 85-503, R.C.M. 1947, is amended to read as follows:

"**85-503. Buyer's right to cancel personal solicitation sale — time allowed — notice — return of goods.** (1) Except as provided in subsection (5), in addition to any right otherwise to revoke an offer, the buyer or any other person obligated for any part of the purchase price may cancel a *personal* solicitation sale until midnight of the third business day after the day on which the buyer has signed an agreement or offer to purchase relating to such sale, *provided that in the case of a personal solicitation sale made by telephone, the buyer may cancel at any time prior to his signing of an agreement or offer to purchase relating to such sale.*

(2) Cancellation occurs when written notice of cancellation is given to the seller.

(3) Notice of cancellation, if given by mail, *is considered* given when deposited in a mailbox properly addressed and postage prepaid.

HeinOnline -- 1977 Vol. I 636 1977

(4) Notice of cancellation need not take the form prescribed and shall be sufficient if it indicates the intention of the buyer not to be bound.

(5) A *personal* solicitation sale may not be canceled if, in the case of goods, the goods cannot be returned to the seller in substantially the same condition as when received by the buyer."

Section 5. Section 85-504, R.C.M. 1947, is amended to read as follows:

(a) YOU MAY CANCEL THIS SALE WITHIN THREE BUSINESS DAYS.

(date)

(b) CONTRACT *CANCELED*

I hereby cancel this sale.

(Buyer's signature)

(2) Until the seller has complied with this section the buyer or any other person obligated for any part of the purchase price may cancel the *personal* solicitation sale by notifying the seller in any manner and by any means of his intention to cancel; provided, however, that failure to mail the cancellation by certified mail does not nullify the cancellation as long as the cancellation is mailed within the prescribed time period. The period prescribed by *85-503* shall begin to run from the time the seller complies with this section."

Section 6. Section 85-505, R.C.M. 1947, is amended to read as follows:

"**85-505. Repayment to buyer canceling — liability for failure to repay — retention of goods by buyer.** (1) Except as provided in this section, within 10 days after a *personal* solicitation sale has been canceled or an offer to purchase revoked, the seller shall tender to the buyer any payments made by the buyer and any note of other evidence of indebtedness.

(2) If the down payment includes goods traded in, the goods shall be tendered in substantially as good condition as when received by the seller. If the seller fails to tender the goods as provided by this section, the buyer may elect to recover an amount equal to the trade-in allowance stated in the agreement.

(3) If the seller refuses within the period prescribed by subsection (1) to return the cash down payment or goods tendered as down payment, he shall be liable to the buyer for the entire down payment, and if the

HeinOnline -- 1977 Vol. I 637 1977

buyer is successful in his action therefor the court shall also award him $100 plus reasonable attorneys' fees and costs.

(4) Until the seller has complied with this section the buyer may retain possession of goods delivered to him by the seller and shall have a lien on the goods in his possession or control for any recovery to which he may be entitled."

"**85-506. Redelivery of goods — care of goods by buyer.** (1) Except as provided by *85-505(4)*, within a reasonable time after a *personal* solicitation sale has been canceled or an offer to purchase revoked, the buyer upon demand shall tender to the seller any goods delivered by the seller pursuant to the sale but need not tender at any place other than his residence. If the seller fails to demand possession of such goods within a reasonable time after cancellation or revocation, the goods shall become the property of the buyer without obligation to pay for them. For the purpose of this section, 40 days shall be presumed to be a reasonable time.

(2) The buyer shall take reasonable care of the goods in his possession both before cancellation or revocation and for a reasonable time thereafter, during which time the goods are otherwise at the seller's risk and such goods must be returned in substantially the same condition as received."

Section 8. There is a new R.C.M. section numbered 85-507 that reads as follows:

85-507. Violation. Except where inconsistent with the provisions of this act, a violation of this act is a violation of the Montana Unfair Trade Practices and Consumer Protection Act of 1973.

CHAPTER NO. 193

AN ACT TO AMEND SECTIONS 6-501 AND 82-1133, R.C.M. 1947, RELATING TO BID SECURITY ON PUBLIC CONTRACTS.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 6-501, R.C.M. 1947, is amended to read as follows:

"**6-501. Bids accompanied by covenant of indemnity — contents — bidder's security — money, checks or bonds — forfeiture.** In all cases where (a) the state of Montana, or any department (including the department of administration, unless otherwise authorized by express provision of law), institution, board, commission, agency, authority or subordinate jurisdiction thereof, or (b) any county, or other political subdivision of this state, or (c) any municipal corporation or authorized subdivision thereof, or (d) school districts, irrigation districts, or other public authority organized under the laws of the state of Montana (any and all thereof being herein referred to as a "public authority" or "obligee") is authorized by law to solicit bids, tenders or proposals for public works, improvements or undertakings of any kind, or for the purchase of commodities, goods, or property, or for the procurement of technical or special services on a bid basis (exclusive of services on the basis of salaries or wages) or for the sale and purchase of bonds, debentures, notes or any other forms of indebtedness of any such public authority, the respective executive, administrative or other officers of and acting for such public authority shall require, as a condition precedent to considering any such bids, as evidence of good faith on the part of the bidder, and as indemnity for the benefit of such public authority against the failure or refusal of any bidder to enter into any written contract that may be awarded upon and following acceptance of bid, or consummating any sale and purchase of any forms of indebtedness, that any bid shall contain a written covenant of indemnity conditioned as herein prescribed and that the bid shall

HeinOnline -- 1977 Vol. I 639 1977

be accompanied by bid security of the nature herein specified, for the performance of such covenant. The advertisement, request, or solicitation for bids or offers shall distinctly specify that all bidders, offerors, tenderers or contractors shall,

(a) In any case where bids are solicited other than for purchase of any forms of indebtedness, expressly covenant in any bid that if the bidder shall be awarded the contract the bidder will, within the time required, as stated in the advertisement or solicitation, enter into a formal contract and give a good and sufficient bond to secure the performance of the terms and conditions of the contract; otherwise, the bidder will pay unto the public authority the difference in money between the amount of the bid of the said bidder and the amount for which the public authority legally contracts with another party to perform the work or supply the property, commodities or services, as the case may be, if the latter amount be in excess of the former, but in no event shall the bidder's liability or the liability of the surety of such bidder, exceed the penal sum stated in the solicitation or advertisement for bids, which sum shall be represented by the money posted or stated in the security instrument or bid bond; or

(b) In any case where the bids are solicited for the purchase and sale of any forms of indebtedness of such public authority, expressly covenant that the money or bank instrument accompanying the bid, in the sum specified by the public authority, shall be kept and retained by the public authority as liquidated damages for failure to consummate the purchase of such forms of indebtedness as may be awarded on acceptance of bid, and in compliance with the terms thereof.

In no event shall the bidder's liability, or the liability of the maker of the security instrument, or the liability on the bid bond exceed the amount specified by the public authority in the solicitation or advertisement for bids, whether the amount shall be posted in money, or be stated as the amount payable in the security instrument, or as the maximum amount payable in the bid bond. The public authority shall distinctly specify in the solicitation or advertisement for bids the penal or other sum fixed by statute to be paid by any bidder failing or refusing as aforesaid, in any case where such sum or sums are fixed by statute for bid security; otherwise, it shall in all cases specify the sum, *but in no case less then 10% of the bid price,* which it may deem reasonably necessary to protect and indemnify the public authority against the failure or refusal of the bidder to enter into the contract, or consummate the purchase of indebtedness, as the case may be.

In all cases under category (a) the bidder, offeror, or tenderer shall accompany any bid with either (1) lawful moneys of the United States, or (2) with a cashier's check, certified check, bank money order, or bank draft, in any case drawn and issued by a national banking association located in the state of Montana, or by any banking corporation incorporated under the laws of the state of Montana, or (3) a bid bond or bonds executed by a surety corporation authorized to do business in the state of Montana; and in all cases under category (b) the bidder shall accompany the bid with the security described in (1) or (2) above. The moneys or, in lieu of moneys, any of such bank instruments or bid bonds shall be payable directly to the public authority soliciting or advertising for bids.

HeinOnline -- 1977 Vol. I 640 1977

If, in any instance, one or more bids be accepted, or if a sale of any form of indebtedness is ordered, or if a contract is awarded, any bidder whose bid is accepted and who shall thereafter refuse to enter into and execute the proposed contract, or carry out and consummate the purchase of any form of indebtedness, as stated in the covenant in the bid, and herein, shall absolutely forfeit such moneys or bank instruments to the public authority concerned, and become immediately liable on the bid bond but not in excess of the penal sum therein stated. The moneys or bank instruments or bid bonds, as the case may be, shall be returned to those bidders whose bids are not accepted. The advertisement, request or other solicitation for bids or offers shall distinctly specify that lawful moneys of the United States, or a cashier's check, certified check, bank money order, or bank draft, in any case drawn and issued by banks, as herein specified, payable as aforesaid, or bid bond in any case appropriate therefor, shall constitute compliance with the requirement for bid security. But nothing herein contained shall exclude or be construed to excuse compliance with any other requirements for bonds or other or further security after acceptance of bids or following award of contract, or excuse compliance with any requirements for performance bonds, at any time, as such requirements may be prescribed or authorized by the laws of the state of Montana."

Section 2. Section 82-1133, R.C.M. 1947, is amended to read as follows:

"82-1133. **Number of bids required — bid security to accompany bid.** There must be bids from at least two (2) responsible contractors in their respective lines when said contract involves an expenditure of more than two thousand dollars ($2,000.00); each bid must be accompanied by *bid security in the amount of 10% of the bid, such security to consist of cash, cashier's check, certified check, bank money order, or bank draft, in any case drawn and issued by a national banking association located in the state of Montana or by any banking corportion incorporated under the laws of the state of Montana, or a bid bond or bonds executed by a surety corporation authorized to do business in the state of Montana.*"

Approved April 1, 1977.
